24.1 **Tenant Responsibilities.** Tenant shall not do anything or suffer anything to be done in or about the Premises or the Project which will in any way conflict with any law, statute, ordinance or other governmental rule, regulation or requirement now in force or which may hereafter be enacted or promulgated, including, without limitation, any such governmental regulations related to disabled access and hazardous materials or substances ("**Applicable Laws**"). At its sole cost and expense, Tenant shall promptly comply with all Applicable Laws (including the making of any alterations to the Premises required by Applicable Laws) which relate to (i) Tenant's use of the Premises, (ii) the Alterations or the Improvements in the Premises, and/or (iii) the Tenant Maintenance Responsibilities. Should any standard or regulation now or hereafter be imposed on Landlord or Tenant by a state, federal or local governmental body charged with the establishment, regulation and enforcement of occupational, health or safety standards for employers, employees, landlords or tenants, then Tenant agrees, at its sole cost and expense, to comply promptly with such standards or regulations. The judgment of any court of competent jurisdiction or the admission of Tenant in any judicial action, regardless of whether Landlord is a party thereto, that Tenant has violated any of said governmental measures, shall be conclusive of that fact as between Landlord and Tenant.

24.2 **Landlord Responsibilities.** Landlord shall comply with all Applicable Laws relating to the Base Building, provided that compliance with such Applicable Laws is not the responsibility of Tenant under this Lease, and provided further that Landlord's failure to comply therewith would prohibit Tenant from obtaining or maintaining a certificate of occupancy for the Premises, or would unreasonably and materially affect the safety of Tenant's employees or create a significant health hazard for Tenant's employees. Landlord shall be permitted to include in Operating Expenses any costs or expenses incurred by Landlord under this Article 24.

24.3 **Certified Access Specialist.** For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist (CASp).

**ARTICLE 25**  
**LATE CHARGES**

If any installment of Rent or any other sum due from Tenant shall not be received by Landlord or Landlord's designee within five (5) business days after Tenant's receipt of written notice from Landlord that said amount is due, then Tenant shall pay to Landlord a late charge equal to four percent (4%) of the overdue amount plus any reasonable attorneys' fees incurred by Landlord by reason of Tenant's failure to pay Rent and/or other charges when due hereunder. The late charge shall be deemed Additional Rent and the right to require it shall be in addition to all of Landlord's other rights and remedies hereunder or at law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner. In addition to the late charge described above, any Rent or other amounts owing hereunder which are not paid within ten (10) business days after written notice from Landlord that the same was not paid when due shall bear interest from the date when due until paid at a rate per annum equal to the lesser of (i) the annual "Bank Prime Loan" rate cited in the Federal Reserve Statistical Release Publication H.15, published on the first Tuesday of each calendar month (or such other comparable index as Landlord and Tenant shall reasonably agree upon if such rate ceases to be published) plus two (2) percentage points, and (ii) the highest rate permitted by applicable law.

**ARTICLE 26**  
**LANDLORD'S RIGHT TO CURE DEFAULT; PAYMENTS BY TENANT**

26.1 **Landlord's Cure.** All covenants and agreements to be kept or performed by Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any reduction of Rent, except to the extent, if any, otherwise expressly provided herein. If Tenant shall fail to perform any obligation under this Lease, and such failure shall continue in excess of the time allowed under Section 19.1.2, above, unless a specific time period is otherwise stated in this Lease, Landlord may, but shall not be obligated to, make any such payment or perform any such act on Tenant's part without waiving its rights based upon any default of Tenant and without releasing Tenant from any obligations hereunder.

26.2 **Tenant's Reimbursement.** Except as may be specifically provided to the contrary in this Lease, Tenant shall pay to Landlord, within thirty (30) days following delivery by Landlord to Tenant of statements therefor: (i) sums equal to expenditures reasonably made and obligations incurred by Landlord in connection with the remedying by Landlord of Tenant's defaults pursuant to the provisions of Section 26.1; (ii) sums equal to all losses, costs, liabilities, damages and expenses referred to in Article 10 of this Lease; and (iii) sums equal to all expenditures made and obligations incurred by Landlord in collecting or attempting to collect the Rent or in enforcing or attempting to enforce any rights of Landlord under this Lease or pursuant to law, including, without limitation, all reasonable legal fees and other amounts so expended. Tenant's obligations under this Section 26.2 shall survive the expiration or sooner termination of the Lease Term.

**ARTICLE 27**  
**ENTRY BY LANDLORD**

27.1 **In General.** Landlord reserves the right at all reasonable times and upon reasonable notice to Tenant (except in the case of an emergency) to enter the Premises to (i) inspect them; (ii) show the Premises to prospective purchasers, or to current or prospective mortgagees, ground or underlying lessors or insurers or, during the last eighteen (18) months of the Lease Term, to prospective tenants; (iii) post notices of nonresponsibility; or (iv) make such alterations, improvements, additions or repairs to all or any portion of the Premises, the Base Building, the Base Building systems or the Project as Landlord shall desire or deem necessary, or as Landlord may be required to perform under Applicable Laws, or by any governmental or quasi governmental authority, or by court order or decree. Notwithstanding anything to the contrary contained in this Article 27, Landlord may enter the Premises at any time to

(A) perform services required of Landlord, including janitorial service; (B) take possession due to any Default of this Lease in the manner provided herein and in compliance with Applicable Laws; and (C) upon reasonable notice to Tenant (which shall not be less than two (2) business days except in the case of an emergency) perform any covenants of Tenant which Tenant fails to perform. Landlord may make any such entries without the abatement of Rent, except as otherwise provided in this Lease, and may take such reasonable steps as required to accomplish the stated purposes. Landlord shall use commercially reasonable efforts to minimize interference with Tenant's use of and access to the Premises in connection with any entries under this Article 27 (except under item (B), above). Provided Landlord uses commercially reasonable efforts to minimize interference with Tenant's business operations and complies with the terms of Section 27.2, below, Tenant hereby waives any claims for damages or for any injuries or inconvenience to or interference with Tenant's business, lost profits, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby, provided that the foregoing shall not limit Landlord's liability for personal injury or property damage to the extent caused by Landlord's negligence or willful misconduct. For each of the above purposes, Landlord shall at all times have a key with which to unlock all the doors in the Premises, excluding Tenant's vaults, safes and special security areas designated in advance by Tenant. In an emergency, Landlord shall have the right to use any means that Landlord may deem proper to open the doors in and to the Premises. Any entry into the Premises by Landlord in the manner hereinbefore described shall not be deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an actual or constructive eviction of Tenant from any portion of the Premises. No provision of this Lease shall be construed as obligating Landlord to perform any repairs, alterations or decorations except as otherwise expressly agreed to be performed by Landlord herein.

27.2 **Secured Areas.** Notwithstanding anything to the contrary set forth in this Article 27, Tenant may designate certain areas of the Premises as "**Secured Areas**" should Tenant require such areas for the purpose of securing certain valuable property or confidential information. In connection with the foregoing, Landlord shall not enter such Secured Areas except in the event of an emergency. Landlord need not clean any area designated by Tenant as a Secured Area and shall only maintain or repair such Secured Areas to the extent (i) such repair or maintenance is required in order to maintain and repair the Building Structure and/or the Building Systems; (ii) as required by Applicable Law, or (iii) in response to specific requests by Tenant and in accordance with a schedule reasonably designated by Tenant, subject to Landlord's reasonable approval.

## ARTICLE 28

### PARKING

Tenant shall have the right, at no charge to Tenant or its visitors, to use the Project parking areas for the parking of up to 3.5 cars per 1,000 RSF of the Premises. Tenant shall be responsible for the full amount of any taxes imposed by any governmental authority in connection with such parking passes or the use of the parking facility by Tenant. Tenant shall abide by all rules and regulations which are prescribed from time to time for the orderly operation and use of the parking facility, including any sticker or other identification system established by Landlord, and shall cooperate in seeing that Tenant's employees and visitors also comply with such rules and regulations. Landlord specifically reserves the right to change the size, configuration, design, layout and all other aspects of the Project parking facility at any time and Tenant acknowledges and agrees that Landlord may, without incurring any liability to Tenant and without any abatement of Rent under this Lease, from time to time, close-off or restrict access to the Project parking facility for purposes of permitting or facilitating any such construction, alteration or improvements. The parking provided pursuant to this Article 28 is solely for use by Tenant's own personnel and such passes may not be transferred, assigned, subleased or otherwise alienated by Tenant without Landlord's prior approval. Tenant shall have a minimum of twelve (12) dedicated parking spaces near the entrance to the Premises, which (subject to the terms of the CC&Rs) shall be located as set forth on Exhibit A-1 attached hereto. Tenant, at Tenant's cost, and in accordance with the terms of the Tenant Work Letter or Article 8 of this Lease, may install three (3) electric vehicle (EV) charging stations in the Project parking areas, with conduit run for up to five (5) additional EV charging stations, in a location to be mutually and reasonably agreed upon by Landlord and Tenant.

**ARTICLE 29**

**MISCELLANEOUS PROVISIONS**

29.1 **Terms: Captions.** The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. The necessary grammatical changes required to make the provisions hereof apply either to corporations or partnerships or individuals, men or women, as the case may require, shall in all cases be assumed as though in each case fully expressed. The captions of Articles and Sections are for convenience only and shall not be deemed to limit, construe, affect or alter the meaning of such Articles and Sections.

29.2 **Binding Effect.** Subject to all other provisions of this Lease, each of the covenants, conditions and provisions of this Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of Landlord and of Tenant, but also of their respective heirs, personal representatives, successors or assigns, provided this clause shall not permit any assignment by Tenant contrary to the provisions of Article 14 of this Lease.

29.3 **No Air Rights.** No rights to any view or to light or air over any property, whether belonging to Landlord or any other person, are granted to Tenant by this Lease. If at any time any windows of the Premises are temporarily darkened or the light or view therefrom is obstructed by reason of any repairs, improvements, maintenance or cleaning in or about the Project, the same shall be without liability to Landlord and without any reduction or diminution of Tenant's obligations under this Lease.

29.4 **Modification of Lease.** Should any current or prospective mortgagee or ground lessor for the Building or Project require a modification of this Lease, which modification will not cause an increased cost or expense to Tenant or in any other way materially and adversely change the rights and obligations of Tenant hereunder, then and in such event, Tenant agrees that this Lease may be so modified and agrees to execute whatever documents are reasonably required therefor and to deliver the same to Landlord within ten (10) business days following a request therefor. At the request of Landlord or any mortgagee or ground lessor, Tenant agrees to execute a short form of Lease and deliver the same to Landlord within ten (10) business days following the request therefor.

29.5 **Transfer of Landlord's Interest.** Tenant acknowledges that Landlord has the right to transfer all or any portion of its interest in the Project or Building and in this Lease, and Tenant agrees that in the event of any such transfer and assumption of all of the Lease obligations by such transferee, Landlord shall automatically be released from all liability under this Lease that accrues after the date of transfer and Tenant agrees to look solely to such transferee for the performance of Landlord's obligations hereunder after the date of transfer and such transferee shall be deemed to have fully assumed and be liable for all obligations of this Lease to be performed by Landlord, including the return of any Security Deposit, and Tenant shall attorn to such transferee.

29.6 **Prohibition Against Recording.** This Lease shall not be recorded by Tenant or by anyone acting through, under or on behalf of Tenant. Tenant may prepare and record, at Tenant's sole cost and expense, a customary memorandum of lease, which shall be subject to Landlord's reasonable prior approval as to form and content, and which Landlord shall execute.

29.7 **Landlord's Title.** Landlord's title is and always shall be paramount to the title of Tenant. Nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of Landlord.

29.8 **Relationship of Parties.** Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent, partnership, joint venturer or any association between Landlord and Tenant.

29.9 **Application of Payments.** Landlord shall have the right to apply payments received from Tenant pursuant to this Lease, regardless of Tenant's designation of such payments, to satisfy any obligations of Tenant hereunder, in such order and amounts as Landlord, in its sole discretion, may elect.

29.10 **Time of Essence.** Time is of the essence with respect to the performance of every provision of this Lease in which time of performance is a factor. Whenever in this Lease a payment is required to be made by one party to the other, but a specific date for payment is not set forth or a specific number of days within which payment is to be made is not set forth, or the words “immediately,” “promptly,” and/or “on demand,” or their equivalent, are used to specify when such payment is due, then such payment shall be due thirty (30) days after the date that the party which is entitled to such payment sends notice to the other party demanding such payment.

29.11 **Partial Invalidity.** If any term, provision or condition contained in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, provision or condition to persons or circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and each and every other term, provision and condition of this Lease shall be valid and enforceable to the fullest extent possible permitted by law.

29.12 **No Warranty.** In executing and delivering this Lease, Tenant has not relied on any representations, including, but not limited to, any representation as to the amount of any item comprising Additional Rent or the amount of the Additional Rent in the aggregate or that Landlord is furnishing the same services to other tenants, at all, on the same level or on the same basis, or any warranty or any statement of Landlord which is not set forth herein or in one or more of the exhibits attached hereto.

29.13 **Limitation on Remedies.**

29.13.1 **Landlord Exculpation.** The liability of Landlord or the Landlord Parties to Tenant for any default by Landlord under this Lease or arising in connection herewith or with Landlord’s operation, management, leasing, repair, renovation, alteration or any other matter relating to the Project or the Premises shall be limited solely and exclusively to an amount which is equal to the lesser of (a) the equity interest of Landlord in the Building or (b) the equity interest Landlord would have in the Building if the Building were encumbered by third-party debt in an amount equal to eighty percent (80%) of the value of the Building (as such value is determined by Landlord), provided that in no event shall such liability extend to any sales or insurance proceeds received by Landlord or the Landlord Parties in connection with the Project, Building or Premises. Neither Landlord, nor any of the Landlord Parties shall have any personal liability therefor, and Tenant hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Tenant. The limitations of liability contained in this Section 29.13 shall inure to the benefit of Landlord’s and the Landlord Parties’ present and future partners, beneficiaries, officers, directors, trustees, shareholders, agents and employees, and their respective partners, heirs, successors and assigns. Under no circumstances shall any present or future partner of Landlord (if Landlord is a partnership), or trustee or beneficiary (if Landlord or any partner of Landlord is a trust), have any liability for the performance of Landlord’s obligations under this Lease.

29.13.2 **Consequential Damages.** Notwithstanding anything to the contrary contained in this Lease, nothing in this Lease shall impose any obligations on Tenant or Landlord to be responsible or liable for, and each hereby releases the other from all liability for, consequential damages other than those consequential damages incurred by Landlord in connection with a holdover of the Premises by Tenant for more than thirty (30) days after the expiration or earlier termination of this Lease, as provided in Article 16, above. Notwithstanding the foregoing, for purposes of this Lease, consequential damages shall not be deemed to include property damage or personal injury damages.

29.14 **Entire Agreement.** It is understood and acknowledged that there are no oral agreements between the parties hereto affecting this Lease and this Lease constitutes the parties’ entire agreement with respect to the leasing of the Premises and supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between the parties hereto or displayed by Landlord to Tenant with respect to the subject matter thereof, and none thereof shall be used to interpret or construe this Lease. None of the terms, covenants, conditions or provisions of this Lease can be modified, deleted or added to except in writing signed by the parties hereto.

29.15 **Right to Lease.** Landlord reserves the absolute right to effect such other tenancies in the Project as Landlord in the exercise of its sole business judgment shall determine to best promote the interests of the Building or Project. Tenant does not rely on the fact, nor does Landlord represent, that any specific tenant or type or number of tenants shall, during the Lease Term, occupy any space in the Building or Project.

29.16 **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, acts of war, terrorist acts, inability to obtain services, labor, or materials or reasonable substitutes therefor, governmental actions, civil commotions, fire or other casualty, and other causes beyond the reasonable control of the party obligated to perform, except with respect to the obligations imposed with regard to Rent and other charges to be paid by Tenant pursuant to this Lease (collectively, a “**Force Majeure**”), notwithstanding anything to the contrary contained in this Lease, shall excuse the performance of such party for a period equal to any such prevention, delay or stoppage and, therefore, if this Lease specifies a time period for performance of an obligation of either party, that time period shall be extended by the period of any delay in such party’s performance caused by a Force Majeure.

29.17 **Intentionally Omitted.**

29.18 **Notices.** All notices, demands, statements, designations, approvals or other communications (collectively, “**Notices**”) given or required to be given by either party to the other hereunder or by law shall be in writing, shall be (A) sent by United States certified or registered mail, postage prepaid, return receipt requested (“**Mail**”), (B) delivered by a nationally recognized overnight courier, or (C) delivered personally. Any Notice shall be sent, transmitted, or delivered, as the case may be, to Tenant at the appropriate address set forth in Section 10 of the Summary, or to such other place as Tenant may from time to time designate in a Notice to Landlord, or to Landlord at the addresses set forth below, or to such other places as Landlord may from time to time designate in a Notice to Tenant. Any Notice will be deemed given (i) three (3) days after the date it is posted if sent by Mail, (ii) the date the overnight courier delivery is made, or (iii) the date personal delivery is made. As of the date of this Lease, any Notices to Landlord must be sent, transmitted, or delivered, as the case may be, to the following addresses:

29.19 **Joint and Several.** If there is more than one Tenant, the obligations imposed upon Tenant under this Lease shall be joint and several,

29.20 **Authority.** Tenant is a corporation under the laws of Delaware, and each individual executing this Lease on behalf of Tenant hereby represents and warrants that Tenant is a duly formed and existing entity qualified to do business in the State of California and that Tenant has full right and authority to execute and deliver this Lease and that each person signing on behalf of Tenant is authorized to do so.

29.21 **Attorneys’ Fees.** In the event that either Landlord or Tenant should bring suit for the possession of the Premises, for the recovery of any sum due under this Lease, or because of the breach of any provision of this Lease or for any other relief against the other, then all costs and expenses, including reasonable attorneys’ fees, incurred by the prevailing party therein shall be paid by the other party, which obligation on the part of the other party shall be deemed to have accrued on the date of the commencement of such action and shall be enforceable whether or not the action is prosecuted to judgment.

29.22 **Governing Law: WAIVER OF TRIAL BY JURY.** This Lease shall be construed and enforced in accordance with the laws of the State of State of California. IN ANY ACTION OR PROCEEDING ARISING HEREFROM, LANDLORD AND TENANT HEREBY CONSENT TO (I) THE JURISDICTION OF ANY COMPETENT COURT WITHIN THE STATE OF CALIFORNIA, (II) SERVICE OF PROCESS BY ANY MEANS AUTHORIZED BY APPLICABLE LAW, AND (III) TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN THE INTEREST OF SAVING TIME AND EXPENSE, TRIAL WITHOUT A JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE

OTHER OR THEIR SUCCESSORS IN RESPECT OF ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT, TENANTS USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM FOR INJURY OR DAMAGE, OR ANY EMERGENCY OR STATUTORY REMEDY.

29.23 **Submission of Lease.** Submission of this instrument for examination or signature by Tenant does not constitute a reservation of, option for or option to lease, and it is not effective as a lease or otherwise until execution and delivery by both Landlord and Tenant.

29.24 **Brokers.** Landlord and Tenant hereby warrant to each other that they have had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, excepting only the real estate brokers or agents specified in Section 12 of the Summary (the “**Brokers**”), and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Lease. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation reasonable attorneys’ fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of any dealings with any real estate broker or agent, other than the Brokers, occurring by, through, or under the indemnifying party. Landlord shall, and Tenant shall not, pay all fees due the Brokers pursuant to separate written agreements between Landlord and the Brokers (the “**Written Agreements**”). The terms of this Section 29.24 shall survive the expiration or earlier termination of the Lease Term.

29.25 **Independent Covenants.** This Lease shall be construed as though the covenants herein between Landlord and Tenant are independent and not dependent and Landlord and Tenant hereby expressly waive the benefit of any statute to the contrary.

29.26 **Project or Building Name and Signage** Landlord shall have the right at any time to change the name of the Project and to install, affix and maintain any and all signs on the exterior and on the interior of the Project or Building as Landlord may, in Landlord’s sole discretion, desire, provided that so long as Tenant continues to conduct business in the Premises, Landlord will not name the Project after a direct competitor of Tenant. Landlord may place on the Building any sign required by Applicable Laws or that are typical signs identifying the owner of the Building. Tenant shall not use the name of the Project or Building or use pictures or illustrations of the Project or Building in advertising or other publicity or for any purpose other than as the address of the business to be conducted by Tenant in the Premises, without the prior written consent of Landlord.

29.27 **Counterparts.** This Lease may be executed in counterparts and be delivered by electronic PDF with the same effect as if both parties hereto had executed the same document. Both counterparts (including any electronic PDF counterpart) shall be construed together and shall constitute a single lease.

29.28 **Rooftop and Riser Rights.** At any time during the Lease Term, subject to the terms of this Lease, Tenant or a Permitted Assignee may install, at Tenant’s sole cost and expense, one (1) communications dish or up to 24” in diameter, or one (1) communications antenna or comparable communications equipment upon the roof of the Building not to exceed 48” in height, and make associated connections of Tenant’s rooftop equipment to the Premises (all such equipment, installations and connections, collectively, the “**Telecommunications Equipment**”). The use of such areas of the Building for the installation of the Telecommunications Equipment shall be for the sole use of Tenant and any Transferee in connection with their business operations in the Premises, and shall be without the payment of any additional Base Rent or Direct Expenses with respect thereto. The physical appearance and all specifications of the Telecommunications Equipment shall be subject to Landlord’s reasonable approval, the location of any such installation of the Telecommunications Equipment shall be designated by Landlord (subject to Tenant’s reasonable approval), and Landlord may require Tenant to install screening around such Telecommunications Equipment, at Tenant’s sole cost and expense, as reasonably designated by Landlord. Tenant shall be responsible, at Tenant’s sole cost and expense, for (i) obtaining all permits or other governmental approvals required in connection with the Telecommunications Equipment, (ii) installing, repairing and maintaining and causing the Telecommunications Equipment to comply with all Applicable Laws, and (iii) prior to the expiration or earlier termination of this Lease, removal of the Telecommunications Equipment and all associated wiring, and the restoration of all affected areas of the Building to the condition existing prior to the installation thereof, including restoration of any roof penetrations. In no event shall Tenant permit the Telecommunications Equipment to interfere with the systems of any building in

the Project or the Project or any other communications equipment at or servicing any building in the Project or the Project. Except to the extent arising from or out of the negligence or willful misconduct of any of the Landlord Parties, Tenant shall indemnify, defend, protect, and hold harmless the Landlord Parties from any and all loss, cost, damage, expense and liability (including, without limitation, court costs and reasonable attorneys' fees) incurred in connection with or arising from any cause related to Tenant's installation, use, repair or maintenance or any other matter relating to or in connection with the Telecommunications Equipment. In the event Tenant elects to exercise its right to install the Telecommunication Equipment, then Tenant shall give Landlord prior notice thereof. Landlord agrees that it shall not install, and shall prohibit the installation and/or operation by any other party of, any microwave dishes/earth satellite disks, whip antennae, other communications devices, towers and/or other structures on the roof of the Building which would interfere with Tenant's use of the Telecommunications Equipment.

29.29 **Communications and Computer Lines.** Tenant may install, maintain, replace, remove or use any communications or computer wires and cables serving the Premises (collectively, the "**Lines**"), provided that (i) Tenant shall obtain Landlord's prior written consent, which consent may only be withheld to the extent a Design Problem exists, use an experienced and qualified contractor approved in writing by Landlord, and comply with all of the other provisions of Articles 7 and 8 of this Lease, (ii) the Lines therefor (including riser cables) shall be appropriately insulated to prevent excessive electromagnetic fields or radiation, shall be surrounded by a protective conduit reasonably acceptable to Landlord, and shall be identified in accordance with the "Identification Requirements," as that term is set forth hereinbelow, (iii) any new or existing Lines servicing the Premises shall comply with all applicable governmental laws and regulations, and (iv) Tenant shall pay all costs in connection therewith. All Lines shall be clearly marked with adhesive plastic labels (or plastic tags attached to such Lines with wire) to show Tenant's name, suite number, telephone number and the name of the person to contact in the case of an emergency (A) every four feet (4') outside the Premises (specifically including, but not limited to, the electrical room risers and other Common Areas), and (B) at the Lines' termination point(s) (collectively, the "**Identification Requirements**"). Landlord reserves the right (by notice to Tenant at any time prior to the expiration or earlier termination of this Lease) to require that Tenant, prior to the expiration or earlier termination of this Lease, remove any Lines located in or serving the Premises.

29.30 **Building Renovations.** It is specifically understood and agreed that Landlord has no obligation and has made no promises to alter, remodel, improve, renovate, repair or decorate the Project, the Premises or the Building, or any part thereof and that no representations respecting the condition of the Premises or the Building have been made by Landlord to Tenant except as specifically set forth herein or in the Tenant Work Letter. However, Tenant hereby acknowledges that Landlord may during the Lease Term renovate, improve, alter, add to or modify (collectively, the "**Renovations**") the Project (but not the Building) or the Common Areas, and that such Renovations may result in levels of noise, dust, odor, obstruction of access, etc., which are in excess of that present in a fully constructed project. Tenant hereby agrees that such Renovations shall in no way constitute a constructive eviction of Tenant nor, except as set forth in Section 19.5.2, entitle Tenant to any abatement of Rent and Tenant hereby waives any and all rent offsets or claims of constructive eviction which may arise in connection with such Renovations. Landlord shall have no responsibility and shall not be liable to Tenant for any injury to or interference with Tenant's business arising from the Renovations, nor shall Tenant be entitled to any compensation or damages from Landlord for loss of the use of the whole or any part of the Premises or of Tenant's personal property or improvements resulting from the Renovations, or for any inconvenience or annoyance occasioned by such Renovations.

29.31 **No Violation.** Tenant hereby warrants and represents that neither its execution of nor performance under this Lease shall cause Tenant to be in violation of any agreement, instrument, contract, law, rule or regulation by which Tenant is bound, and Tenant shall protect, defend, indemnify and hold Landlord harmless against any claims, demands, losses, damages, liabilities, costs and expenses, including, without limitation, reasonable attorneys' fees and costs, arising from Tenant's breach of this warranty and representation. Landlord hereby warrants and represents that neither its execution of nor performance under this Lease shall cause Landlord to be in violation of any agreement, instrument, contract, law, rule or regulation by which Landlord is bound, and Landlord shall protect, defend, indemnify and hold Tenant harmless against any claims, demands, losses, damages, liabilities, costs and expenses, including, without limitation, reasonable attorneys' fees and costs, arising from Landlord's breach of this warranty and representation.

29.32 **Transportation Management.** Tenant shall fully comply with all present or future governmentally mandated programs intended to manage parking, transportation or traffic in and around the Project and/or the Building, and in connection therewith, Tenant shall take responsible action for the transportation planning and management of all employees located at the Premises by working directly with Landlord, any governmental transportation management organization or any other transportation-related committees or entities.

29.33 **Patriot Act.** As an inducement to Landlord to enter into this Lease, Tenant hereby represents and warrants that: (i) Tenant is not, nor is it owned or controlled directly or indirectly by, any person, group, entity or nation named on any list issued by the Office of Foreign Assets Control (“OFAC”) of the United States Department of the Treasury pursuant to Executive Order 13224 or any similar list or any law, order, rule or regulation or any Executive Order of the President of the United States as a terrorist, “Specially Designated National and Blocked Person” or other banned or blocked person (any such person, group, entity or nation being hereinafter referred to as a “Prohibited Person”); (ii) Tenant is not (nor is it owned or controlled, directly or indirectly, by any person, group, entity or nation which is) acting directly or indirectly for or on behalf of any Prohibited Person; and (iii) neither Tenant (nor any person, group, entity or nation which owns or controls Tenant, directly or indirectly) has conducted or will conduct business or has engaged or will engage in any transaction or dealing with any Prohibited Person, including any assignment of this Lease or any subletting of all or any portion of the Premises, or the making or receiving of any contribution or funds, goods or services, to or for the benefit of a Prohibited Person. In connection with the foregoing, it is expressly understood and agreed that the representations and warranties contained in this Section 29.33 shall be continuing in nature and shall survive the expiration or earlier termination of this Lease.

29.34 **Energy Performance Disclosure Information.** Tenant hereby acknowledges that Landlord may be required to disclose certain information concerning the energy performance of the Building pursuant to California Public Resources Code Section 25402.10 and the regulations adopted pursuant thereto (collectively the “Energy Disclosure Requirements”). Tenant hereby acknowledges prior receipt of the Data Verification Checklist, as defined in the Energy Disclosure Requirements (the “Energy Disclosure Information”), and agrees that Landlord has timely complied in full with Landlord’s obligations under the Energy Disclosure Requirements. Tenant acknowledges and agrees that (i) Landlord makes no representation or warranty regarding the energy performance of the Building or the accuracy or completeness of the Energy Disclosure Information, (ii) the Energy Disclosure Information is for the current occupancy and use of the Building and that the energy performance of the Building may vary depending on future occupancy and/or use of the Building, and (iii) Landlord shall have no liability to Tenant for any errors or omissions in the Energy Disclosure Information. If and to the extent not prohibited by Applicable Laws, Tenant hereby waives any right Tenant may have to receive the Energy Disclosure Information, including, without limitation, any right Tenant may have to terminate this Lease as a result of Landlord’s failure to disclose such information. Further, Tenant hereby releases Landlord from any and all losses, costs, damages, expenses and/or liabilities relating to, arising out of and/or resulting from the Energy Disclosure Requirements, including, without limitation, any liabilities arising as a result of Landlord’s failure to disclose the Energy Disclosure Information to Tenant prior to the execution of this Lease. Tenant’s acknowledgment of the AS-IS condition of the Premises pursuant to the terms of this Lease shall be deemed to include the energy performance of the Building. Tenant further acknowledges that pursuant to the Energy Disclosure Requirements, Landlord may be required in the future to disclose information concerning Tenant’s energy usage to certain third parties, including, without limitation, prospective purchasers, lenders and tenants of the Building (the “Tenant Energy Use Disclosure”). Tenant hereby (A) consents to all such Tenant Energy Use Disclosures, and (B) acknowledges that Landlord shall not be required to notify Tenant of any Tenant Energy Use Disclosure. Further, Tenant hereby releases Landlord from any and all losses, costs, damages, expenses and liabilities relating to, arising out of and/or resulting from any Tenant Energy Use Disclosure. The terms of this Section 29.35 shall survive the expiration or earlier termination of this Lease.

29.35 **Utility Billing Information.** In the event that the Tenant is permitted to contract directly for the provision of electricity, gas and/or water services to the Premises with the third-party provider thereof (all in Landlord’s sole and absolute discretion), Tenant shall promptly, but in no event more than five (5) business days following its receipt of each and every invoice for such items from the applicable provider, provide Landlord with a copy of each such invoice.

29.36 **No Discrimination.** Landlord and Tenant each covenant by and for itself, its heirs, executors, administrators and assigns, and all persons claiming under or through Tenant or Landlord, as applicable, and this Lease is made and accepted upon and subject to the following conditions: that there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, sex, religion, marital status, ancestry or national origin in the leasing, subleasing, transferring, use, or enjoyment of the Premises, nor shall Tenant or

---

Landlord, as applicable, itself, or any person claiming under or through Tenant or Landlord, as applicable, establish or permit such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy, of tenants, lessees, sublessees, subtenants or vendees in the Premises.

29.37 **Reasonableness and Good Faith.** Except (i) for matters for which there is a standard of consent or discretion specifically set forth in this Lease; (ii) matters which could have an adverse effect on the Building Structure or the Building Systems, or which could affect the exterior appearance of the Building, or (iii) matters covered by Article 4 (Additional Rent), or Article 19 (Defaults; Remedies) of this Lease (collectively, the "**Excepted Matters**"), any time the consent of Landlord or Tenant is required under this Lease, such consent shall not be unreasonably withheld or delayed, and, except with regard to the Excepted Matters, whenever this Lease grants Landlord or Tenant the right to take action, exercise discretion, establish rules and regulations or make an allocation or other determination, Landlord and Tenant shall act reasonably and in good faith.

29.38 **No Public Statements.** Neither Landlord nor Tenant shall issue any press release or make any similar announcement of the execution of this Lease without the prior consent of the other, which consent shall not be unreasonably withheld, conditioned or delayed (provided that Tenant may require that no such announcement be made until after thirty (30) days following the full execution and delivery of this Lease).

**EXHIBIT A-1**

**LOCATION OF DEDICATED PARKING AND EV SPACES**

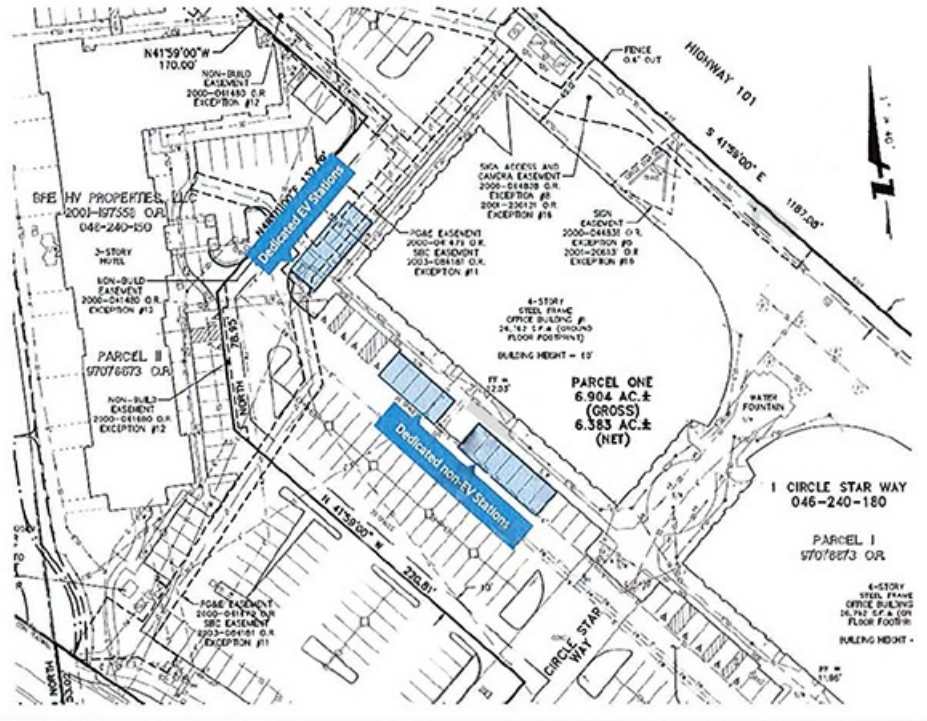

EXHIBIT A-1

**EXHIBIT B**  
**TENANT WORK LETTER**

This Tenant Work Letter shall set forth the terms and conditions relating to the construction of the Premises. This Tenant Work Letter is essentially organized chronologically and addresses the issues of the construction of the Premises, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Tenant Work Letter to Sections of "this Tenant Work Letter" shall mean the relevant portion of Sections 1 through 5 of this Tenant Work Letter.

**SECTION 1**  
**DELIVERY OF THE PREMISES**

Landlord shall deliver the Premises and Tenant shall accept the Premises from Landlord on September 1, 2015 (the "Delivery Date"). Tenant acknowledges that certain portions of the Premises on the first (1st) and fourth (4th) floors of the Building (the "Unfinished Areas") have not previously been improved, and will be delivered in their presently existing shell and "as-is" condition as of the date of this Lease. Landlord shall cause the existing Building Systems (i.e., roof, HV AC, electrical, plumbing, lighting and vertical transportation system) in good working condition, and shall cause the Building Structure to be water tight and structurally sound. If during the two (2) months period following Landlord's delivery of the Premises to Tenant, Tenant informs Landlord in writing that any such Building Systems are not in good working condition, Landlord will remedy such condition at Landlord's sole cost and expense.

**SECTION 2**  
**TENANT IMPROVEMENTS**

**2.1 Tenant Improvement Allowance.** Tenant shall be entitled to a one-time Tenant improvement allowance (the "Tenant Improvement Allowance") in the amount of [REDACTED] of the Premises (i.e., [REDACTED]) (the "Tenant Improvements"). In no event shall Landlord be obligated to make disbursements pursuant to this Tenant Work Letter in a total amount which exceeds the Tenant Improvement Allowance.

**2.1.1 Required Improvements.** As part of its construction of the Tenant Improvements, Tenant shall be required to improve the Unfinished Areas with Tenant Improvements with a value of not less than [REDACTED]

**2.2 Disbursement of the Tenant Improvement Allowance.**

**2.2.1 Tenant Improvement Allowance Items.** Except as otherwise set forth in this Tenant Work Letter, the Tenant Improvement Allowance shall be disbursed by Landlord (each of which disbursements shall be made pursuant to Landlord's disbursement process, including, without limitation, Landlord's receipt of invoices for all costs and fees described herein) only for the following items and costs (collectively the "Tenant Improvement Allowance Items"):

**2.2.1.1** Payment of the fees of the "Architect" and the "Engineers," as those terms are defined in Section 3.1 of this Tenant Work Letter, and other consultants of Tenant, and payment of the fees incurred by Landlord in connection with Landlord's review of the "Construction Drawings," as that term is defined in Section 3.1 of this Tenant Work Letter, and for the purchase of furniture, fixtures and equipment to be used in the Premises (collectively, the "Soft Costs"), provided that such Soft Costs shall not exceed 20% of the amount of the Tenant Improvement Allowance in the aggregate;

2.2.1.2 The payment of plan check, permit and license fees relating to construction of the Tenant Improvements;

2.2.1.3 The cost of construction of the Tenant Improvements, including, without limitation, testing and inspection costs, freight elevator usage, hoisting and trash removal costs, and contractors' fees and general conditions;

2.2.1.4 The cost of any changes in the Base Building when such changes are required by the Construction Drawings, such cost to include all direct architectural and/or engineering fees and expenses incurred in connection therewith;

2.2.1.5 The cost of any changes to the Construction Drawings or Tenant Improvements required by all applicable building codes (the "Code");

2.2.1.6 The cost of the "Landlord Review Fees," as defined in Section 4.2.2.1 of this Tenant Work Letter;

2.2.1.7 Sales and use taxes; and

2.2.1.8 All other costs required to be expended by Landlord in connection with the construction of the Tenant Improvements.

**2.2.2 Disbursement of Tenant Improvement Allowance.** During the construction of the Tenant Improvements, Landlord shall make monthly disbursements of the Tenant Improvement Allowance for Tenant Improvement Allowance Items and shall authorize the release of monies as follows.

**2.2.2.1 Monthly Disbursements.** On or before the twentieth (20<sup>th</sup>) day of each calendar month, during the construction of the Tenant Improvements (or such other date as Landlord may designate), Tenant shall deliver to Landlord: (i) a request for reimbursement of Tenant's payments to the "Contractor," as that term is defined in Section 4.1.1 of this Tenant Work Letter, in a form to be provided by Landlord or otherwise reasonably approved by Landlord, showing the schedule, by trade, of percentage of completion of the Tenant Improvements in the Premises, and detailing the portion of the work completed and the portion not completed; (ii) invoices marked paid from all of "Tenant's Agents," as that term is defined in Section 4.1.2 of this Tenant Work Letter, or other reasonable evidence of payment made by Tenant for labor rendered and materials delivered to the Premises; (iii) executed unconditional mechanic's lien releases from all of Tenant's Agents which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Sections 8132, 8134, 8136 and 8138; and (iv) all other information reasonably requested by Landlord. Tenant's request for payment shall be deemed (vis-à-vis Landlord) Tenant's acceptance and approval of the work furnished and/or the materials supplied as set forth in Tenant's payment request. Thereafter, Landlord shall deliver a check to Tenant in payment of the lesser of: (A) the amounts so requested by Tenant, as set forth in this Section 2.2.2.1, above, less a ten percent (10%) retention (the aggregate amount of such retentions to be known as the "Final Retention"), and (B) the balance of any remaining available portion of the Tenant Improvement Allowance (not including the Final Retention). Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request. If any work which is the subject of a request for payment creates a Design Problem, Tenant shall correct and eliminate such Design Problem as soon as reasonably possible.

**2.2.2.2 Final Retention.** Subject to the provisions of this Tenant Work Letter, a check for the Final Retention payable jointly to Tenant and Contractor, or directly to Contractor at Landlord's sole discretion, shall be delivered by Landlord to Tenant within thirty (30) days following the completion of construction of the Tenant Improvements, provided that (i) Tenant delivers to Landlord (a) paid invoices for all Tenant Improvements and related costs for which the Tenant Improvement Allowance is to be dispersed, (b) signed permits for all Tenant Improvements completed within the Premises, (c) properly executed unconditional mechanics lien releases in compliance with both California Civil Code Section 8134 and either Section 8136 or Section 8138 from Tenant's contractor, subcontractors and material suppliers and any other party which has lien rights in connection with the construction of the Tenant Improvements, (ii) Architect delivers to Landlord a "Certificate of Substantial Completion", in a form reasonably

EXHIBIT B

acceptable to Landlord, certifying that the construction of the Tenant Improvements in the Premises has been substantially completed, (iii) Tenant delivers to Landlord a "close-out package" in both paper and electronic forms (including, as-built drawings, and final record CADD files for the associated plans, warranties and guarantees from all contractors, subcontractors and material suppliers, and an independent air balance report); and (iv) a certificate of occupancy, a temporary certificate of occupancy or its equivalent is issued to Tenant for the Premises.

2.2.2.3 **Other Terms.** Landlord shall only be obligated to make disbursements from the Tenant Improvement Allowance to the extent costs are incurred by Tenant for Tenant Improvement Allowance Items. All Tenant Improvement Allowance Items for which the Tenant Improvement Allowance has been made available shall be deemed Landlord's property under the terms of this Lease.

2.3 **Building Standards.** The quality of Tenant Improvements shall be equal to or of greater quality than the quality of the existing improvements in the Premises.

2.4 **Outside Date for Disbursement of Tenant Improvement Allowance.** Any portion of the Tenant Improvement Allowance remaining undisbursed and unallocated as of the date that is the later of (i) two (2) years after the Lease Commencement Date, and (ii) the date that is ten (10) business days after Landlord informs Tenant by notice that the date to use the Tenant Improvement Allowance has otherwise passed, shall revert to Landlord, and Tenant shall have no further rights with respect thereto.

2.5 **Failure to Disburse Tenant Improvement Allowance.** To the extent that Landlord fails to pay from the Tenant Improvement Allowance amounts due to Contractor, Architects, Engineers and Tenant's Agents in accordance with the terms hereof, and such amounts remain unpaid for thirty (30) days after notice from Tenant, then without limiting Tenant's other remedies under the Lease, Tenant may, after Landlord's failure to pay such amounts within five (5) business days after Tenant's delivery of a second notice from Tenant delivered after the expiration of such 30-day period, pay the same and deduct the amount thereof from the Rent next due and owing under the Lease, including interest at the Interest Rate from the due date until the date of the Rent offset. Notwithstanding the foregoing, if during either the 30-day or 5-day period set forth above, Landlord (i) delivers notice to Tenant that it disputes any portion of the amounts claimed to be due (the "Allowance Dispute Notice"), and (ii) pays any amounts not in dispute, Tenant shall have no immediate right to offset any amounts against rent, but may institute arbitration proceedings pursuant to the terms of Article 22 of the Lease to recover such amounts from Landlord. Notwithstanding any of the foregoing, in the event Tenant institutes arbitration proceedings as provided herein and the determination of the Arbitrator is in favor of Tenant, Tenant shall be entitled, automatically, to offset the amount of such award against the Base Rent next coming due under the Lease, including interest at the Interest Rate from the due date until the date of the Rent offset. Further, in the event the arbitration award is in favor of Tenant, any delay actually caused to Tenant as a result of Landlord's failure to pay the disputed amount shall be deemed to be a "Landlord Caused Delay" under Section 5 of this Tenant Work Letter.

### **SECTION 3**

#### **CONSTRUCTION DRAWINGS**

3.1 **Selection of Architect/Construction Drawings.** Tenant shall retain the architect/space planner designated by Tenant and approved by Landlord, such approval not to be unreasonably withheld (the "Architect") to prepare the "Construction Drawings," as that term is defined in this Section 3.1. Tenant shall retain the engineering consultants designated by Tenant and approved by Landlord, such approval not to be unreasonably withheld (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, lifesafety, and sprinkler work in the Premises, which work is not part of the Base Building. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the "Construction Drawings." All Construction Drawings shall comply with the drawing format and specifications determined by Landlord, and shall be subject to Landlord's approval. The Construction Drawings shall include drawings for the improvement of the Unfinished Areas. Tenant and Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building plans, and Tenant and Architect shall be solely responsible for the same, and Landlord shall have no responsibility in connection therewith. Landlord's review of the Construction Drawings as set forth in this Section 3, shall be for its sole purpose and shall not imply Landlord's review of the same, or obligate Landlord to review the same, for quality, design, Code compliance or other like matters.

EXHIBIT B

Accordingly, notwithstanding that any Construction Drawings are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Tenant's waiver and indemnity set forth in this Lease shall specifically apply to the Construction Drawings.

3.2 **Final Space Plan.** Tenant shall supply Landlord with four (4) hard copies signed by Tenant of its final space plan, along with other renderings or illustrations reasonably required by Landlord, to allow Landlord to understand Tenant's design intent, for the Premises before any architectural working drawings or engineering drawings have been commenced, and concurrently with Tenant's delivery of such hard copies, Tenant shall send to Landlord via electronic mail one (1) .pdf electronic copy of such final space plan. The final space plan (the "**Final Space Plan**") shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein. Landlord may request clarification or more specific drawings for special use items not included in the Final Space Plan. Landlord shall advise Tenant within five (5) business days after Landlord's receipt of the Final Space Plan for the Premises if the same contains a Design Problem or is incomplete in any respect. If Tenant is so advised, Tenant shall promptly cause the Final Space Plan to be revised to correct any such deficiencies or other matters Landlord may reasonably require.

3.3 **Final Working Drawings.** After the Final Space Plan has been approved by Landlord, Tenant shall supply the Engineers with a complete listing of standard and non-standard equipment and specifications, including, without limitation, B.T.U. calculations, electrical requirements and special electrical receptacle requirements for the Premises, to enable the Engineers and the Architect to complete the "Final Working Drawings" (as that term is defined below) in the manner as set forth below. Upon the approval of the Final Space Plan by Landlord and Tenant as provided above, Tenant shall promptly cause the Architect and the Engineers to complete the architectural and engineering drawings for the Premises, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "**Final Working Drawings**") and shall submit the same to Landlord for Landlord's approval, which approval shall only be withheld to the extent the same contains a Design Problem or is incomplete in any respect. Tenant shall supply Landlord with four (4) hard copies signed by Tenant of the Final Working Drawings, and concurrently with Tenant's delivery of such hard copies, Tenant shall send to Landlord via electronic mail one (1) .pdf electronic copy of such Final Working Drawings. Landlord shall advise Tenant within ten (10) business days after Landlord's receipt of the Final Working Drawings for the Premises if the same contains a Design Problem or is incomplete in any respect. If Tenant is so advised, Tenant shall immediately revise the Final Working Drawings in accordance with such review and any disapproval of Landlord in connection therewith. In addition, if the Final Working Drawings or any amendment thereof or supplement thereto shall require alterations in the Base Building (as contrasted with the Tenant Improvements), and if Landlord in its sole and exclusive discretion agrees to any such alterations, and notifies Tenant of the need and cost for such alterations, then Tenant shall pay the cost of such required changes.

3.4 **Approved Working Drawings.** The Final Working Drawings shall be approved by Landlord (the "**Approved Working Drawings**") as provided above prior to the commencement of construction of the Premises by Tenant. After approval by Landlord of the Final Working Drawings, Tenant may submit the same to the appropriate municipal authorities for all applicable building permits. Tenant hereby agrees that neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Landlord, which consent may not be withheld unless a Design Problem exists.

3.5 **Electronic Approvals.** Notwithstanding any provision to the contrary contained in the Lease or this Tenant Work Letter, Landlord may, in Landlord's sole and absolute discretion, transmit or otherwise deliver any of the approvals required under this Tenant Work Letter via electronic mail to Tenant's representative identified in [Section 5.1](#) of this Tenant Work Letter, or by any of the other means identified in [Section 29.18](#) of this Lease. All approvals required by Landlord must be given within ten (10) business days of Landlord's receipt of a written notice from Tenant requesting such approval.

EXHIBIT B

**SECTION 4**

**CONSTRUCTION OF THE TENANT IMPROVEMENTS**

**4.1 Tenant's Selection of Contractors.**

4.1.1 **The Contractor.** A general contractor shall be retained by Tenant to construct the Tenant Improvements. Such general contractor ("**Contractor**") shall be approved by Landlord, which approval shall not be unreasonably withheld, and Tenant shall deliver to Landlord notice of its selection of the Contractor upon such selection. Landlord hereby approves the following as "Contractor", if selected by Tenant: (1) McLarney Construction, (2) South Bay Construction, and (3) Novo Construction.

4.1.2 **Tenant's Agents.** All subcontractors, laborers, materialmen, and suppliers used by Tenant (such subcontractors, laborers, materialmen, and suppliers, and the Contractor to be known collectively as "**Tenant's Agents**") must be approved in writing by Landlord, which approval shall not be unreasonably withheld or delayed. If Landlord does not approve any of Tenant's proposed subcontractors, laborers, materialmen or suppliers, Tenant shall submit other proposed subcontractors, laborers, materialmen or suppliers for Landlord's written approval.

**4.2 Construction of Tenant Improvements by Tenant's Agents.**

4.2.1 **Construction Contract; Cost Budget.** Tenant shall engage the Contractor under a commercially reasonable construction contract (collectively, the "**Contract**"). All costs related to the Tenant Improvements to the extent in excess of the Tenant Improvement Allowance shall be paid by Tenant out of its own funds, but Tenant shall continue to provide Landlord with the documents described in Sections 2.2.2.1(i), (ii), (iii) and (iv) of this Tenant Work Letter, above, for Landlord's approval, concurrently with Tenant paying such costs.

**4.2.2 Tenant's Agents.**

4.2.2.1 **Landlord's General Conditions for Tenant's Agents and Tenant Improvement Work.** Tenant's and Tenant's Agent's construction of the Tenant Improvements shall comply with the following: (i) the Tenant Improvements shall be constructed in strict accordance with the Approved Working Drawings; and (ii) Tenant's Agents shall submit schedules of all work relating to the Tenant Improvements to Contractor and Contractor shall, within five (5) business days of receipt thereof, inform Tenant's Agents of any changes which are necessary thereto, and Tenant's Agents shall adhere to such corrected schedule. Tenant shall reimburse Landlord, out of the Tenant Improvement Allowance, the reasonable and actual costs incurred by Landlord in connection with the review of Tenant's Construction Drawings, including with respect to structural engineering and MEP drawings, provided that the total cost so reimbursed shall not exceed [REDACTED] (the "**Landlord Review Fees**"), which amounts Landlord may deduct from the Tenant Improvement Allowance by written notice to Tenant, as and when incurred by Landlord..

4.2.2.2 **Indemnity.** Tenant's indemnity of Landlord as set forth in this Lease shall also apply with respect to any and all costs, losses, damages, injuries and liabilities related in any way to any act or omission of Tenant or Tenant's Agents, or anyone directly or indirectly employed by any of them, or in connection with Tenant's non-payment of any amount arising out of the Tenant Improvements and/or Tenant's disapproval of all or any portion of any request for payment. Such indemnity by Tenant, as set forth in this Lease, shall also apply with respect to any and all costs, losses, damages, injuries and liabilities related in any way to Landlord's performance of any ministerial acts reasonably necessary (i) to permit Tenant to complete the Tenant Improvements, and (ii) to enable Tenant to obtain any building permit or certificate of occupancy for the Premises.

4.2.2.3 **Requirements of Tenant's Agents.** Each of Tenant's Agents shall guarantee to Tenant and for the benefit of Landlord and Tenant that the portion of the Tenant Improvements for which it is responsible shall be free from any defects in workmanship and materials for a period of not less than one (1) year from

EXHIBIT B

the date of completion thereof. Each of Tenant's Agents shall be responsible for the replacement or repair, without additional charge, of all work done or furnished in accordance with its contract that shall become defective within one (1) year after the later to occur of (i) completion of the work performed by such contractor or subcontractors and (ii) the Lease Commencement Date. The correction of such work shall include, without additional charge, all additional expenses and damages incurred in connection with such removal or replacement of all or any part of the Tenant Improvements, and/or the Building and/or common areas that may be damaged or disturbed thereby. All such warranties or guarantees as to materials or workmanship of or with respect to the Tenant Improvements shall be contained in the Contract or subcontract and shall be written such that such guarantees or warranties shall inure to the benefit of both Landlord and Tenant, as their respective interests may appear, and can be directly enforced by either. Tenant covenants to give to Landlord any assignment or other assurances which may be necessary to effect such right of direct enforcement.

#### **4.2.2.4 Insurance Requirements.**

4.2.2.4.1 **General Coverages.** All of Tenant's Agents shall carry worker's compensation insurance covering all of their respective employees, and shall also carry public liability insurance, including property damage, all with limits, in form and with companies as are required to be carried by Tenant as set forth in this Lease.

4.2.2.4.2 **Special Coverages.** Tenant shall carry "Builder's All Risk" insurance in an amount approved by Landlord covering the construction of the Tenant Improvements, and such other insurance as Landlord may require, it being understood and agreed that the Tenant Improvements shall be insured by Tenant pursuant to this Lease immediately upon completion thereof. Such insurance shall be in amounts and shall include such extended coverage endorsements as may be reasonably required by Landlord including, but not limited to, the requirement that all of Tenant's Agents shall carry excess liability and Products and Completed Operation Coverage insurance, each in amounts not less than \$5,000,000 per incident, \$5,000,000 in aggregate, and in form and with companies as are required to be carried by Tenant as set forth in this Lease.

4.2.2.4.3 **General Terms.** Certificates for all insurance carried pursuant to this Section 4.2.2.4 shall be delivered to Landlord before the commencement of construction of the Tenant Improvements and before the Contractor's equipment is moved onto the site. All such policies of insurance must contain a provision that the company writing said policy will give Landlord ten (10) days prior written notice of any cancellation or lapse of the effective date or any reduction in the amounts of such insurance or in the alternative Tenant may provide such notice. In the event that the Tenant Improvements are damaged by any cause during the course of the construction thereof, Tenant shall immediately repair the same at Tenant's sole cost and expense. Tenant's Agents shall maintain all of the foregoing insurance coverage in force until the Tenant Improvements are fully completed and accepted by Landlord, except for any Products and Completed Operation Coverage insurance required by Landlord, which is to be maintained for ten (10) years following completion of the work and acceptance by Landlord and Tenant. All policies carried under this Section 4.2.2.4 shall insure Landlord and Tenant, as their interests may appear, as well as Contractor and Tenant's Agents, All insurance, except Workers' Compensation, maintained by Tenant's Agents shall preclude subrogation claims by the insurer against anyone insured thereunder. Such insurance shall provide that it is primary insurance as respects the owner and that any other insurance maintained by owner is excess and noncontributing with the insurance required hereunder. The requirements for the foregoing insurance shall not derogate from the provisions for indemnification of Landlord by Tenant under Section 4.2.2.2 of this Tenant Work Letter.

4.2.3 **Governmental Compliance.** The Tenant Improvements shall comply in all respects with the following: (i) the Code and other state, federal, city or quasi-governmental laws, codes, ordinances and regulations, as each may apply according to the rulings of the controlling public official, agent or other person; (ii) applicable standards of the American Insurance Association (formerly, the National Board of Fire Underwriters) and the National Electrical Code; and (iii) building material manufacturer's specifications.

4.2.4 **Inspection by Landlord.** Landlord shall have the right to inspect the Tenant Improvements at all times, provided however, that Landlord's failure to inspect the Tenant Improvements shall in no event constitute a waiver of any of Landlord's rights hereunder nor shall Landlord's inspection of the Tenant Improvements constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Tenant Improvements because a Design Problem exists, Landlord shall notify Tenant in writing of such disapproval and shall specify the items disapproved. Any such Design Problem shall be rectified by Tenant at no expense to Landlord.

EXHIBIT B

4.2.5 **Meetings.** Commencing upon the execution of this Lease, Tenant shall hold weekly meetings at a reasonable time, with the Architect and the Contractor regarding the progress of the preparation of Construction Drawings and the construction of the Tenant Improvements, which meetings shall be held at a location designated by Landlord, and Landlord and/or its agents shall receive prior notice of, and shall have the right to attend, all such meetings, and, upon Landlord's request, certain of Tenant's Agents shall attend such meetings. In addition, minutes shall be taken at all such meetings, a copy of which minutes shall be promptly delivered to Landlord. One such meeting each month shall include the review of Contractor's current request for payment.

4.3 **Notice of Completion; Copy of Record Set of Plans.** Within fifteen (15) days after completion of construction of the Tenant Improvements, Tenant shall cause a Notice of Completion to be recorded in the office of the Recorder of the county in which the Building is located in accordance with Section 8182 of the Civil Code of the State of California or any successor statute, and shall furnish a copy thereof to Landlord upon such recordation. If Tenant fails to do so, Landlord may execute and file the same as Tenant's agent for such purpose, at Tenant's sole cost and expense. At the conclusion of construction, (i) Tenant shall cause the Architect and Contractor (A) to update the Approved Working Drawings as necessary to reflect all changes made to the Approved Working Drawings during the course of construction, (B) to certify to the best of their knowledge that the "record-set" of as-built drawings are true and correct, which certification shall survive the expiration or termination of this Lease, and (C) to deliver to Landlord two (2) sets of copies of such record set of drawings within ninety (90) days following issuance of a certificate of occupancy for the Premises, and (ii) Tenant shall deliver to Landlord a copy of all warranties, guaranties, and operating manuals and information relating to the improvements, equipment, and systems in the Premises.

## SECTION 5

### LEASE COMMENCEMENT DATE DELAYS

5.1 **Lease Commencement Date Delays.** The Lease Commencement Date shall occur as provided in Section 2.1 of this Lease and Section 3.2 of the Summary, provided that the Lease Commencement Date shall be extended by the number of days of actual delay of the Substantial Completion of the Tenant Improvements in the Premises and Tenant's move into the Premises to the extent caused by a "Commencement Date Delay," as that term is defined, below, but only to the extent such Commencement Date Delay causes the Substantial Completion of the Tenant Improvements and Tenant's move into its Premises to occur after October 13, 2015. As used herein, the term "**Commencement Date Delay**" shall mean only a "force Majeure Delay" or a "Landlord Caused Delay," as those terms are defined below in this Section 5.1 of this Tenant Work Letter. As used herein, the term "**Force Majeure Delay**" shall mean only an actual delay resulting from strikes, fire, wind, damage or destruction to the Building, explosion, casualty, flood, hurricane, tornado, the elements, acts of God or the public enemy, terrorist acts, sabotage, war, invasion, insurrection, rebellion, civil unrest, riots, earthquakes or slow-downs or shut downs to the permitting office. As used in this Tenant Work Letter, "**Landlord Caused Delay**" shall mean actual delays to the extent resulting from the acts or omissions of Landlord including, but not limited to (i) failure of Landlord to timely approve or disapprove any Construction Drawings; (ii) material and unreasonable interference by Landlord, its agents or Landlord Parties (except as otherwise allowed under this Tenant Work Letter) with the Substantial Completion of the Tenant Improvements and which objectively preclude or delay the construction of tenant improvements in the Building or move into the Premises by any person, which interference relates to access by Tenant, or Tenant's Agents to the Building or any Building facilities (including loading docks and freight elevators) or service (including temporary power and parking areas as provided herein) during normal construction hours, or the use thereof during normal construction hours; (iii) delays due to the acts or failures to act of Landlord or Landlord Parties with respect to payment of the Tenant Improvement Allowance (except as otherwise allowed under this Tenant Work Letter) and/or cessation of work as a result thereof; or (iv) failure to deliver to Tenant sole and exclusive possession of the Premises in the Delivery Condition required by the Lease by September 1, 2015.

5.2 **Determination of Lease Commencement Date Delay.** If Tenant contends that a Lease Commencement Date Delay has occurred, Tenant shall notify Landlord in writing of (i) the event which constitutes such Lease Commencement Date Delay and (ii) the date upon which such Lease Commencement Date Delay is anticipated to end. If such actions, inaction or circumstance described in the Notice set forth in (i) above of this

EXHIBIT B

Section 5.2 of this Tenant Work Letter (the “**Delay Notice**”) are not cured by Landlord within one (1) business day of Landlord’s receipt of the Delay Notice and if such action, inaction or circumstance otherwise qualify as a Lease Commencement Date Delay, then a Lease Commencement Date Delay shall be deemed to have occurred commencing as of the date of Landlord’s receipt of the Delay Notice and ending as of the date such delay ends.

5.3 **Definition of Substantial Completion of the Tenant Improvements.** For purposes of this Section 5, “**Substantial Completion of the Tenant Improvements**” shall mean completion of construction of the Tenant Improvements in the Premises pursuant to the Approved Construction Drawings, with the exception of any punch list items.

**SECTION 5**  
**MISCELLANEOUS**

**RULES AND REGULATIONS**

Tenant shall faithfully observe and comply with the following Rules and Regulations. Landlord shall not be responsible to Tenant for the nonperformance of any of said Rules and Regulations by or otherwise with respect to the acts or omissions of any other tenants or occupants of the Project. In the event of any conflict between the Rules and Regulations and the other provisions of this Lease, the latter shall control. Landlord agrees that it will not unreasonably modify, amend, change or enforce these Rules and Regulations in a manner which will unreasonably and materially interfere with the Permitted Use pursuant to the terms of the Lease.

1. Tenant shall not employ any person or persons to perform maintenance or repair services other than the Project Property Manager, unless otherwise agreed to by Landlord in writing. Tenant shall not cause any unnecessary labor by reason of Tenant's carelessness or indifference in the preservation of good order and cleanliness. Janitor service will not be furnished on nights when rooms are occupied after 9:00 p.m. unless, by agreement in writing, service is extended to a later hour for specifically designated rooms.
2. Except with Landlord's prior consent, Tenant shall not sell, or permit the sale from the Premises of, or use or permit the use of any sidewalk or mall area adjacent to the Premises, or any part of the Project for the sale of, newspapers, magazines, periodicals, theater tickets or any other goods, merchandise or service, nor shall Tenant carry on, or permit or allow any employee or other person to carry on, business in or from the Premises for the service or accommodation of occupants or any other portion of the Project, nor shall the Premises be used for manufacturing of any kind, or for any business or activity other than that specifically provided for in Tenant's lease.
3. Sidewalks, passageways, driveways, exits, entrances, and other common areas of the Project shall not be obstructed by Tenant or used by Tenant for any purpose other than for ingress to and egress from the Premises. Landlord shall in all cases retain the right to control and prevent access thereto by all persons whose presence, in the judgment of the Landlord, shall be prejudicial to the safety, character, reputation or interests of the Project, including its tenants and occupants.
4. Neither Tenant nor its employees or guests shall store any automobiles in the parking lots or parking garage without the prior written consent of Landlord, but Tenant's employees may on occasion park vehicle overnight while on vacation or on business trips. Except for emergency repairs, neither Tenant nor its employees shall perform any work on any automobiles while located in the parking garage or on the Land.
5. Landlord shall have the right to close temporarily the parking garage or certain areas therein in order to perform necessary repairs, maintenance and improvements to the parking garage.
6. No sign, placard, picture, name, advertisement or notice (a "Sign") visible from the exterior of the Premises shall be inscribed, painted, affixed, installed or displayed by Tenant without the prior written consent of Landlord, as provided in the Lease pursuant to which Tenant occupies space on the Project. Absent any such consent, Landlord shall have the right to remove any Sign upon one (1) business day prior notice to Tenant and at the expense of Tenant. Any such consent shall be deemed to relate to only the particular Sign so consented to by Landlord and shall not be construed as dispensing with the necessity of obtaining the prior written consent of Landlord with respect to any other Sign. All approved Signs or lettering on doors and walls shall be inscribed, painted, affixed, installed, printed or otherwise displayed, at the expense of Tenant, by a person approved by Landlord and in a manner or style acceptable to Landlord.
7. No curtains, draperies, blinds, shutters, shades, screens or other coverings, awnings, hangings or decorations shall be installed or used in connection with any window or door of the Premises without the prior written consent of Landlord, except for normal and customary interior decorations to the Premises not visible from the exterior of the Building or Project. In any event, any such items shall be installed so as to face the interior surface of the standard window treatment established by Landlord and shall in no way be visible from the exterior of the Building. No articles shall be placed against glass partitions or doors which might appear unsightly from the outside of the Premises. No sashes, sash doors, skylights, windows or doors that reflect or admit light or air into the halls, passageways or other public places in the Building shall be covered or obstructed by Tenant without the prior written consent of Landlord.

EXHIBIT D

- 
8. Tenant assumes all responsibility for protecting its Premises from theft, robbery and pilferage, which includes keeping doors locked and other means of entry closed. Landlord shall not be responsible for any lost or stolen property, equipment, money or jewelry from the Premises regardless of whether such loss occurs when the Premises are locked or not.
9. Tenant shall not alter any lock or access device, nor shall Tenant install any new or additional lock, access device or bolt on any door or fence on Project or the exterior of the Premises leased by the Tenant, without the prior written consent of Landlord.
10. Landlord shall furnish Tenant, at no cost to Tenant, a reasonable number of keys to the Premises (given the intended occupancy). Tenant shall pay a reasonable charge for any additional keys furnished by Landlord. Any card-keys issued by Landlord shall upon such issuance require payment of a refundable deposit in an amount reasonably determined from time to time by Landlord. Tenant shall not make or have made copies of any keys or card-keys furnished by Landlord. Tenant shall, upon the expiration or sooner termination of its tenancy, deliver to Landlord all of such keys and card-keys, together with any of the keys relating to the Premises including, but not limited to, all keys to any vaults or safes which remain on the Premises. In the event of the loss of any keys furnished by Landlord to Tenant, Tenant shall pay Landlord (a) the cost thereof (less any deposit paid by Tenant) or (b) the cost of changing the subject lock(s) or access device(s) if Landlord deems it necessary to make such change.
11. From time to time, Landlord may adopt procedures and systems for the safety of the Building, its occupants, use and contents. Tenant, its agents, employees, contractors, guests and invitees shall comply with Landlord's procedures and systems.
12. Landlord reserves the right to exclude or expel from the Project any person who is, in the judgment of Landlord, intoxicated or under the influence of alcohol or other drug or who is in violation of any of the Project Rules or Regulations.
13. Landlord shall have the right to prohibit any advertising by Tenant which identifies the Building, and which, in Landlord's opinion, tends to impair the reputation of the Project or its desirability for offices, and upon written notice from Landlord, Tenant shall refrain from or discontinue such advertising.
14. Landlord may waive any one or more of these Rules and Regulations for the benefit of any particular tenant or tenants, but no such waiver by Landlord shall be construed as a waiver of these Rules and Regulations in favor of any other tenant or tenants, nor prevent Landlord from thereafter enforcing any such Rules and Regulations against any or all of the tenants of the Building.
15. Wherever the word "**Tenant**" occurs in these Rules and Regulations, it is understood and agreed that it shall mean and include Tenant and Tenant's assigns and subtenants, and each of their associates, agents, clerks, employees and visitors. Wherever the word "**Landlord**" occurs in these Rules and Regulations, it is understood and agreed that it shall mean and include Landlord and its assigns, agents, officers, employees and visitors.
16. These Rules and Regulations are in addition to, and shall not be construed in any way to modify, alter or amend, in whole or part, the terms, covenants, agreements and conditions of any Lease of premises on the Project.
17. Landlord reserves the right to make such other and reasonable rules and regulations as in its judgment may from time to time be needed for the safety, care and cleanliness of the Project, and for the preservation of good order therein.
18. Tenant shall be responsible for the observance of all the foregoing Rules and Regulations by Tenant's employees, agents, clients, customers, invitees and guests.

EXHIBIT D

---

Landlord reserves the right at any time to change or rescind any one or more of these Rules and Regulations, or to make such other and further reasonable Rules and Regulations as in Landlord's judgment may from time to time be necessary for the management, safety, care and cleanliness of the Premises, Building, the Common Areas and the Project, and for the preservation of good order therein, as well as for the convenience of other occupants and tenants therein. Landlord may waive any one or more of these Rules and Regulations for the benefit of any particular tenants, but no such waiver by Landlord shall be construed as a waiver of such Rules and Regulations in favor of any other tenant, nor prevent Landlord from thereafter enforcing any such Rules or Regulations against any or all tenants of the Project. Tenant shall be deemed to have read these Rules and Regulations and to have agreed to abide by them as a condition of its occupancy of the Premises.

**NET EQUIVALENT LEASE RATE**

1. **METHODOLOGY FOR COMPARING THE COMPARABLE TRANSACTIONS.**

In order to analyze the Comparable Transactions based on the factors to be considered in calculating the Option Rent, and given that the Comparable Transactions may vary in terms of length or term, rental rate, concessions, etc., the following steps shall be taken into consideration to “normalize” the objective data from each of the Comparable Transactions. By taking this approach, a “Net Equivalent Lease Rate” for each of the Comparable Transactions shall be determined using the following steps to normalize the Comparable Transactions, which will allow for an “apples to apples” comparison of the Comparable Transactions.

1.1 The contractual rent payments for each of the Comparable Transactions should be arrayed annually over the lease term. From this figure, the initial lease year operating expenses (from gross leases) should be deducted, leaving a net lease rate over the lease term. This results in the net rent received by each landlord under the Comparable Transactions.

1.2 Any free rent or similar inducements received over time should be deducted in the time period in which they occur, resulting in the net cash flow arrayed over the lease term.

1.3 The resultant net cash flow from the lease should be then discounted (using an 8.0% discount rate) to the lease commencement date, resulting in a net present value estimate.

1.4 From the net present value, up-front inducements (tenant improvement allowances and other concessions) should be deducted. These items should be deducted directly, on a “dollar for dollar” basis, without discounting, since they are typically incurred at lease commencement, while rent (which is discounted) is a future receipt.

1.5 The net present value should then amortized back over the lease term at the same discount rate of 8.0% used in the present value analysis. This calculation will result in a hypothetical level or even payment, termed the “Net Equivalent Lease Rate” (or constant equivalent in general financial terms).

2. **USE OF NET EQUIVALENT LEASE RATES FOR COMPARABLE TRANSACTIONS UNDER SECTION 2.2.2 OF THIS LEASE**

The Net Equivalent Lease Rates for the Comparable Transactions under Section 2.2.3 of this Lease shall then be used to arrive at the determination of the Option Rent which shall be stated as a Net Equivalent Lease Rate applicable to the Option Term.

**EXHIBIT B**

**COPY OF EXISTING SUBLEASE**

B-1

**SUBLEASE AGREEMENT**

**THIS SUBLEASE AGREEMENT (“Sublease”)** is made and entered into as of the 12th day of October, 2015 by and between ROVI CORPORATION, a Delaware corporation (“**Sublandlord**”), and UPSTART HOLDINGS, INC., a Delaware corporation (“**Subtenant**”).

**WHEREAS**, GC NET LEASE/SAN CARLOS INVESTORS, LLC as landlord (“**Landlord**”), and ROVI CORPORATION as tenant (“**Tenant**”) entered into a lease dated June 28, 2015 (“**Master Lease**”), whereby Landlord leased to Tenant the 103,948 RSF (“**Master Premises**”) of the building located at Two Circle Star Way, San Carlos, California 90470 (the “**Building**”), as more particularly described in the Master Lease, upon the terms and conditions contained therein. All capitalized terms used herein shall have the same meaning ascribed to them in the Master Lease unless otherwise defined herein. A copy of the Master Lease is attached hereto as Exhibit A and made a part hereof.

**WHEREAS**, Sublandlord and Subtenant are desirous of entering into a sublease of that portion of the Master Premises consisting of a stipulated 27,867 RSF shown cross-hatched in black on the demising plan annexed hereto as Exhibit B which is the entire second (2nd) floor of the Building and made a part hereof (“**Sublease Premises**”) on the terms and conditions hereafter set forth.

**NOW, THEREFORE**, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto mutually covenant and agree as follows:

**1. Demise.** Sublandlord hereby subleases and demises to Subtenant and Subtenant hereby subleases from Sublandlord the Sublease Premises (which the parties stipulate contain 27,867 rentable square feet), upon and subject to the terms, covenants and conditions hereinafter set forth.

**2. Lease Term.**

**(a) Lease Term.** The term of this Sublease (“**Term**”) shall be for four (4) years, commencing on the earlier of the date Subtenant receives notice from Sublandlord that the Landlord has consented to this Sublease or the date upon which Subtenant, or any person occupying any of the Sublease Premises with Subtenant’s permission, commences business operations from the Sublease Premises (“**Sublease Commencement Date**”) and ending, unless sooner terminated as provided herein, on the last day of the month in which the fourth (4th) anniversary of the Sublease Commencement Date occurs (“**Sublease Expiration Date**”).

**(b) Option to Terminate.** Notwithstanding the provisions of Section 2(a) to the contrary, Sublandlord and Subtenant shall each have the option to terminate this Sublease (the “**Option to Terminate**”) at any time during the Term of this Sublease upon at least one hundred and eighty (180) days prior written notice (“**Termination Notice**”) from Sublandlord to Subtenant or from Subtenant to Sublandlord, but no such Termination Notice may be sent by either party prior to the end of the thirtieth (30th) month anniversary of the Sublease Commencement Date.

In the event Sublandlord shall exercise the Option to Terminate pursuant to the provisions set forth herein, the Term of this Sublease shall expire and come to an end as of the date set forth in Sublandlord's notice but not earlier than the third (3rd) anniversary of the Sublease Commencement Date (hereinafter referred to as the "Early Termination Date") as if that day was the date definitely fixed in this Sublease for the termination of the Term hereof, but Subtenant shall continue to be liable for the payments accruing up to and including the Early Termination Date, including, but not limited to, any additional rent allocable to the period through such Early Termination Date even though such additional rent may be determined at a later date. Sublandlord shall pay Subtenant an amount equal to \$201.21 multiplied by the number of days that elapse from the third (3rd) anniversary of the Sublease Commencement Date to the Early Termination Date on the Early Termination Date if Sublandlord sent the Termination Notice.

In the event Subtenant shall exercise the Option to Terminate pursuant to the provisions set forth herein, the Term of this Sublease shall expire and come to an end as of the date set forth in Subtenant's notice but not earlier than the third (3rd) anniversary of the Sublease Commencement Date (also referred to as the "Early Termination Date") as if that day was the date definitely fixed in this Sublease for the termination of the Term hereof, but Subtenant shall continue to be liable for the payments accruing up to and including the Early Termination Date, including, but not limited to, any additional rent allocable to the period through such Early Termination Date even though such additional rent may be determined at a later date and Subtenant shall pay Sublandlord on the Early Termination Date an amount equal to the unamortized (amortized over four (4) years) amount of the attorney fees and commissions paid by Sublandlord.

At the expiration or earlier termination of this Sublease, Sublandlord shall have the right on ninety (90) days notice to Subtenant to purchase the Furniture listed on Exhibit C for one dollar (\$1.00) in consideration of Sublandlord entering into this Sublease, or Sublandlord in its sole discretion may elect on ninety (90) days notice to Subtenant to require the Subtenant to remove the Furniture within five (5) business days following the expiration or earlier termination of this Sublease or, if later, ninety (90) days following receipt of notice from Sublandlord to Subtenant requiring such removal.

**3. Use.** The Sublease Premises shall be used and occupied by Subtenant for the uses permitted under and in compliance with Article 5 of the Master Lease and Section 7 of the Summary of Basic Lease Information and for no other purpose.

#### **4. Subrental.**

**(a) Base Rental.** Beginning with the Sublease Commencement Date and thereafter during the Term of this Sublease and ending on the Sublease Expiration Date, Subtenant shall pay to Sublandlord the following monthly installments of base rent ("**Base Rental**"):

Months 1 to 12:	\$ 93,354.45/month
Months 13 to 24:	\$ 96,155.08/month
Months 25 to 36:	\$ 99,039.73/month
Months 37 to 48:	\$ 102,010.93/month

---

The first (1st) monthly installment of Base Rental shall be paid by Subtenant upon the execution of this Sublease. Base Rental and additional rent (including without limitation, late fees) shall hereinafter be collectively referred to as "**Rent**." Subtenant shall have the right to occupy the Sublease Premises without payment of Rent for two (2) weeks prior to the Sublease Commencement Date to set up its business operations, but regardless of any contrary provision of this Sublease the Sublease Commencement Date will occur on the date Subtenant commences business operations from the Premises.

**(b) Prorations.** If the Sublease Commencement Date is not the first (1st) day of a month, or if the Sublease Expiration Date is not the last day of a month, a prorated installment of monthly Base Rental based on a thirty (30) day month shall be paid for the fractional month during which the Term commenced or terminated.

**(c) Additional Rent.** Beginning with the Sublease Commencement Date and continuing to the Sublease Expiration Date, Subtenant shall pay to Sublandlord as additional rent for this subletting all special or after-hours cleaning, heating, ventilating, air-conditioning, elevator and other Building charges incurred at the request of, or on behalf of, Subtenant, or with respect to the Sublease Premises and all other Direct Expenses, costs and charges payable to Landlord for the Sublease Premises in connection with Subtenant's use of the Sublease Premises.

**(d) Alterations and Improvements.** Subtenant shall have the right to paint the accent walls within the Premises but, if requested by Sublandlord, shall repaint such walls at the termination of this Sublease to a color selected by Sublandlord. Subtenant may make Alterations to the Premises to the extent permitted by Article 8 of the Master Lease but Subtenant shall restore the Premises to its original condition (as it existed on the date this Sublease is executed) unless Sublandlord agrees in writing at the time it consents to the Alterations that no such restoration is required.

**(e) Payment of Rent.** Except as otherwise specifically provided in this Sublease, Rent shall be payable in lawful money without demand, and without offset, counterclaim, or setoff in monthly installments, in advance, on the first day of each and every month during the Term of this Sublease. All of said Rent is to be paid to Sublandlord at its office in the Building, or at such other place or to such agent and at such place as Sublandlord may designate by notice to Subtenant. Any additional rent payable on account of items which are not payable monthly by Sublandlord to Landlord under the Master Lease is to be paid to Sublandlord as and when such items are payable by Sublandlord to Landlord under the Master Lease unless a different time for payment is elsewhere stated herein. Upon written request therefor, Sublandlord agrees to provide Subtenant with copies of any statements or invoices received by Sublandlord from Landlord pursuant to the terms of the Master Lease.

**(f) Late Charge.** Subtenant shall pay to Sublandlord an administrative charge at an annual interest rate equal to the prime rate charged by Bank of America, N.T. & S.A. plus two percent (2%) ("**Interest Rate**") on all past-due amounts of Rent payable hereunder, such charge to accrue from the date upon which such amount was due until paid.

**5. Security Deposit.** Concurrently with the execution of this Sublease, Subtenant shall deposit with Sublandlord the sum of Three Hundred Seventy-Three Thousand Four Hundred Seventeen and 80/100 Dollars (\$373,417.80) ("**Deposit**"), which shall be held by Sublandlord as security for the full and faithful performance by Subtenant of its covenants and obligations under this Sublease. The Deposit is not an advance Rent deposit, an advance payment of any other kind, or a measure of Sublandlord's damage in case of Subtenant's Default. If Subtenant Defaults in the full and timely performance of any or all of Subtenant's covenants and obligations set forth in this Sublease, then Sublandlord may, from time to time, without waiving any other remedy available to Sublandlord, use the Deposit, or any portion of it, to the extent necessary to cure or remedy the Default or to compensate Sublandlord for all or a part of the damages sustained by Sublandlord resulting from Subtenant's Default. Subtenant shall immediately pay to Sublandlord within five (5) days following demand, the amount so applied in order to restore the Deposit to its original amount, and Subtenant's failure to immediately do so shall constitute a Default under this Sublease. If Subtenant is not in Default with respect to the covenants and obligations set forth in this Sublease at the expiration or earlier termination of the Sublease, Sublandlord shall return the Deposit to Subtenant after the expiration or earlier termination of this Sublease. Sublandlord's obligations with respect to the Deposit are those of a debtor and not a trustee. Sublandlord shall not be required to maintain the Deposit separate and apart from Sublandlord's general or other funds and Sublandlord may commingle the Deposit with any of Sublandlord's general or other funds. Subtenant shall not at any time be entitled to interest on the Deposit If Subtenant is not in Default on the first (1st) anniversary of the Sublease Commencement Date, the Security Deposit shall be reduced by Ninety-Three Thousand Three Hundred Fifty-Four and 45/100 Dollars (\$93,354.45), and if Subtenant is not in Default on the second (2nd) anniversary of the Sublease Commencement Date, the Security Deposit shall be reduced by an additional Ninety-Three Thousand Three Hundred Fifty-Four and 45/100 Dollars (\$93,354.45).

**6. Signage.** Subtenant is granted the right, at or about the inception of the Term of this Sublease, to install an appropriate sign identifying Subtenant in the ground floor lobby, on the second (2nd) floor, and on the Building directory if such directory exists, subject to Landlord's and Sublandlord's prior written approval, which approval shall not be unreasonably withheld, delayed or conditioned. Except for the foregoing, Subtenant shall have no right to maintain Subtenant identification signs in any other location in, on, or about the Premises. The size, design, color and other physical aspects of all such permitted signs shall also be subject to Landlord's and Sublandlord's prior written approval, which approval shall not be unreasonably withheld, delayed or conditioned and shall also be subject to any covenants, conditions or restrictions encumbering the Sublease Premises and any applicable municipal or other governmental permits and approvals. The cost of all such signs, including the installation, maintenance and removal thereof, shall be at Subtenant's sole cost and expense. If Subtenant fails to maintain its signs, or if Subtenant fails to remove same upon the expiration or earlier termination of this Sublease and repair any damage caused by such removal, Sublandlord may do so at Subtenant's expense and Subtenant shall reimburse Sublandlord for all actual costs incurred by Sublandlord to effect such removal.

**7. Parking.** Subtenant shall have the right, during the Term of this Sublease, to use up to twenty-five percent (25%) of the parking privileges granted to Sublandlord as Tenant under the Master Lease (but only for unreserved parking) in the Project Parking Area as set forth in Article 28 of the Master Lease. All such parking privileges shall be at no charge but otherwise subject to the terms and conditions set forth in the Master Lease, and Subtenant shall reimburse Sublandlord, upon demand, for those amounts billed to Sublandlord by Landlord for said parking privileges to the extent permitted by Article 28 of the Master Lease.

**8. Incorporation of Terms of Master Lease.**

(a) This Sublease is subject and subordinate to the Master Lease. Subject to the modifications set forth in this Sublease, the terms of the Master Lease are incorporated herein by reference, and shall, as between Sublandlord and Subtenant (as if they were Landlord and Tenant, respectively, under the Master Lease) constitute the terms of this Sublease except to the extent that they are inapplicable to, inconsistent with, or modified by, the terms of this Sublease. In the event of any inconsistencies between the terms and provisions of the Master Lease And the terms and provisions of this Sublease, the terms and provisions of this Sublease shall govern. Subtenant acknowledges that it has reviewed the Master Lease and is familiar with the terms and conditions thereof.

(b) For the purposes of incorporation herein, the terms of the Master Lease are subject to the following additional modifications:

(i) In all provisions of the Master Lease (under the terms thereof and without regard to modifications thereof for purposes of incorporation into this Sublease) requiring the approval or consent of Landlord, Subtenant shall be required to obtain the approval or consent of both Sublandlord and Landlord.

(ii) In all provisions of the Master Lease requiring Tenant to submit, exhibit to, supply or provide Landlord with evidence, certificates, or any other matter or thing, Subtenant shall be required to submit, exhibit to, supply or provide, as the case may be, the same to both Landlord and Sublandlord. In any such instance, Sublandlord shall determine if such evidence, certificate or other matter or thing shall be satisfactory.

(iii) Sublandlord shall have no obligation to restore or rebuild any portion of the Sublease Premises after any destruction or taking by eminent domain.

(c) The following provisions of the Master Lease are specifically excluded: Sections 1.4, 2.2, 4.6, 5.3, 6.5, 7.1, and 23, and Exhibit B and Exhibit F.

(d) Notwithstanding the foregoing, Subtenant may use twenty-five percent (25%) of the roof (to the extent such roof space is not needed to service the Building and such use does not interfere with Tenant's use of its Premises and/or its business operations) subject to the receipt of the Landlord's consent in accordance with the Master Lease.

**9. Subtenant's Obligations.** Subtenant covenants and agrees that all obligations of Sublandlord as Tenant under the Master Lease shall be done or performed by Subtenant with respect to the Sublease Premises, except as otherwise provided by this Sublease, and Subtenant's

obligations shall run to Sublandlord and Landlord as Sublandlord may determine to be appropriate or be required by the respective interests of Sublandlord and Landlord. Subtenant agrees to indemnify Sublandlord, and hold it harmless, from and against any and all claims, damages, losses, expenses and liabilities (including reasonable attorneys' fees) incurred as a result of the non-performance, non-observance or non-payment of any of Sublandlord's obligations under the Master Lease which, as a result of this Sublease, became an obligation of Subtenant. If Subtenant makes any payment to Sublandlord pursuant to this indemnity, Subtenant shall be subrogated to the rights of Sublandlord concerning said payment. Subtenant shall not do, nor permit to be done, any act or thing which is, or with notice or the passage of time would be, a Default under this Sublease or the Master Lease.

**10. Sublandlord's Obligations.** Sublandlord agrees that Subtenant shall be entitled to receive all services and repairs to be provided by Landlord to Sublandlord under the Master Lease. Subtenant shall look solely to Landlord for all such services and shall not, under any circumstances, seek nor require Sublandlord to perform any of such services, nor shall Subtenant make any claim upon Sublandlord for any damages which may arise by reason of Landlord's Default under the Master Lease. Any condition resulting from a Default by Landlord shall not constitute as between Sublandlord and Subtenant an eviction, actual or constructive, of Subtenant and no such Default shall excuse Subtenant from the performance or observance of any of its obligations to be performed or observed under this Sublease, or entitle Subtenant to receive any reduction in or abatement of the Rent provided for in this Sublease. In furtherance of the foregoing, Subtenant does hereby waive any cause of action and any right to bring any action against Sublandlord by reason of any act or omission of Landlord under the Master Lease. Sublandlord covenants and agrees with Subtenant that Sublandlord will pay all fixed rent and additional rent payable by Sublandlord pursuant to the Master Lease to the extent that failure to perform the same would adversely affect Subtenant's use or occupancy of the Sublease Premises. Notwithstanding anything in this Sublease to the contrary, in the event that Subtenant sends Sublandlord a factually correct notice that it cannot use its Sublease Premises for its normal business activities because Landlord is not fulfilling its maintenance and repair obligations under the Master Lease, then Sublandlord, at Subtenant's sole cost and expense, will use commercially reasonable efforts, with attorneys approved by and paid for by Subtenant, to have Landlord fulfill its obligations under the Master Lease.

**11. Default by Subtenant.** In the event Subtenant shall be in Default of any covenant of, or shall fail to honor any obligation under this Sublease (**"Default"**), Sublandlord shall have available to it against Subtenant all of the remedies available (a) to Landlord under the Master Lease in the event of a similar Default on the part of Sublandlord thereunder or (b) at law.

**12. Quiet Enjoyment.** So long as Subtenant pays all of the Rent due hereunder and performs all of Subtenant's other obligations hereunder, Sublandlord shall do nothing to affect Subtenant's right to peaceably and quietly have, hold and enjoy the Sublease Premises.

**13. Notices.** Anything contained in any provision of this Sublease to the contrary notwithstanding, Subtenant agrees, with respect to the Sublease Premises, to comply with and remedy any Default in this Sublease or the Master Lease which is Subtenant's obligation to cure, within the period allowed to Sublandlord under the Master Lease, even if such time period is

shorter than the period otherwise allowed therein due to the fact that notice of Default from Sublandlord to Subtenant is given after the corresponding notice of Default from Landlord to Sublandlord. Sublandlord agrees to forward to Subtenant, promptly upon receipt thereof by Sublandlord, a copy of each notice of Default received by Sublandlord in its capacity as Tenant under the Master Lease. Subtenant agrees to forward to Sublandlord, promptly upon receipt thereof, copies of any notices received by Subtenant from Landlord or from any governmental authorities. All notices, demands and requests shall be in writing and shall be sent either by hand delivery or by a nationally recognized overnight courier service (e.g., Federal Express), in either case return receipt requested, to the address of the appropriate party. Notices, demands and requests so sent shall be deemed given when the same are received. Notices to Sublandlord shall be sent to the attention of:

Rovi Corporation  
Two Circle Star Way  
San Carlos, California 90470  
Attention: Mr. Hobie Shceder

with a copy to:

Notices to Subtenant shall be sent to the attention of:

Upstart Holdings, Inc.  
Two Circle Star Way, 2nd Floor  
San Carlos, California 90470  
Attn: General Counsel

**14. Broker.** Sublandlord and Subtenant represent and warrant to each other that, with the exception of Newmark Cornish & Carey ("**Broker**"), no brokers were involved in connection with the negotiation or consummation of this Sublease. Sublandlord agrees to pay the commission of the Broker pursuant to a separate agreement. Each party agrees to indemnify the other, and hold it harmless, from and against any and all claims, damages, losses, expenses and liabilities (including reasonable attorneys' fees) incurred by said party as a result of a breach of this representation and warranty by the other party.

**15. Condition of Premises.** Sublandlord shall deliver the Premises to Subtenant in good working order and condition, inclusive of the HVAC, electrical, plumbing and lighting systems, but no representation is made with respect to the existing data cabling. Except as provided above, Subtenant acknowledges that it is otherwise subleasing the Sublease Premises "as-is" and that Sublandlord is not making any representation or warranty concerning the condition of the Sublease Premises and that Sublandlord is not obligated to perform any work to prepare the Sublease Premises for Subtenant's occupancy. Subtenant acknowledges that it is not authorized to make or do any alterations or improvements in or to the Sublease Premises except as permitted by the provisions of this Sublease and the Master Lease and that it must deliver the Sublease Premises to Sublandlord on the Sublease Expiration Date in the condition required by the Master Lease.

---

**16. Consent of Landlord.** Article 14 of the Master Lease requires Sublandlord to obtain the written consent of Landlord to this Sublease. Sublandlord shall solicit Landlord's consent to this Sublease promptly following the execution and delivery of this Sublease by Sublandlord and Subtenant. In the event Landlord's written consent to this Sublease has not been obtained within sixty (60) days after the execution hereof, then this Sublease may be terminated by either party hereto upon notice to the other, and upon such termination neither party hereto shall have any further rights against or obligations to the other party hereto.

**17. Termination of the Lease.** If for any reason the term of the Master Lease shall terminate prior to the Sublease Expiration Date, this Sublease shall automatically be terminated and Sublandlord shall not be liable to Subtenant by reason thereof unless said termination shall have been caused by the Default of Sublandlord under the Master Lease, and said Sublandlord Default was not as a result of a Subtenant Default hereunder.

**18. Limitation of Estate.** Subtenant's estate shall in all respects be limited to, and be construed in a fashion consistent with, the estate granted to Sublandlord by Landlord. Subtenant shall stand in the place of Sublandlord and shall defend, indemnify and hold Sublandlord harmless with respect to all covenants, warranties, obligations, and payments made by Sublandlord under or required of Sublandlord by the Master Lease with respect to the Subleased Premises. In the event Sublandlord is prevented from performing any of its obligations under this Sublease by a breach by Landlord of a term of the Master Lease, then Sublandlord's sole obligation in regard to its obligation under this Sublease shall be to use reasonable efforts in diligently pursuing the correction or cure by Landlord of Landlord's breach.

**19. Entire Agreement.** It is understood and acknowledged that there are no oral agreements between the parties hereto affecting this Sublease and this Sublease supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between the parties hereto or displayed by Sublandlord to Subtenant with respect to the subject matter thereof, and none thereof shall be used to interpret or construe this Sublease. This Sublease, and the exhibits and schedules attached hereto, contain all of the terms, covenants, conditions, warranties and agreements of the parties relating in any manner to the rental, use and occupancy of the Sublease Premises and shall be considered to be the only agreements between the parties hereto and their representatives and agents. None of the terms, covenants, conditions or provisions of this Sublease can be modified, deleted or added to except in writing signed by the parties hereto. All negotiations and oral agreements acceptable to both parties have been merged into and are included herein. There are no other representations or warranties between the parties, and all reliance with respect to representations is based totally upon the representations and agreements contained in this Sublease.

**20. Civil Code Section 1938 Disclosure.** Subtenant hereby waives any and all rights under and benefits of California Civil Code Section 1938 and acknowledges that neither the Building nor the Sublease Premises has undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code Section 55.52).

21. **Furniture.** Subtenant is purchasing from Softbank for Two Hundred Ninety-Three Thousand Seven Hundred Sixty-Seven Dollars and 62/100 (\$293,767.62), and may use, the furniture itemized on Exhibit C to the Sublease ("**Furniture**") until the end of the Sublease Term or earlier expiration or termination of this Sublease. Except as provided to the contrary in Section 2 above, Subtenant shall return the Furniture to Sublandlord at the end of the Sublease Term (or if earlier, on the expiration or termination of this Sublease) in the same condition as received, reasonable wear and tear excepted and title to such Furniture shall then become vested in Sublandlord. Provided, however, within ten (10) business days of the later of the execution of this Sublease and the receipt of the Landlord's consent to this Sublease, Subtenant and Sublandlord shall cooperate with each other to schedule a walkthrough of the Sublease Premises and inspect the Furniture and Sublandlord shall remove within three (3) business days of a notice from Subtenant any of such Furniture that Subtenant advises it will not need.

22. **Assignment and Sublease.** Subtenant, as long as it complies with the provisions of Article 14 of the Master Lease, shall have the right to assign this Sublease, or sublease all or any portion of the Sublease Premises, upon receipt of the consent of Landlord and Sublandlord. Provided, however, notwithstanding anything to the contrary contained in this Sublease, in the event Subtenant contemplates a transfer of all or any part of the Premises, Subtenant shall give Sublandlord notice (the "**Intention to Transfer Notice**") of such contemplated transfer (whether or not the contemplated transferee or the terms of such contemplated transfer have been determined). The Intention to Transfer Notice shall specify the portion of and amount of rentable square feet of the Sublease Premises which Subtenant intends to transfer (the "**Contemplated Transfer Space**"), the contemplated date of commencement of the Contemplated Transfer (the "**Contemplated Effective Date**"), and the contemplated length of the term of such contemplated transfer, and shall specify that such Intention to Transfer Notice is delivered to Sublandlord pursuant to this Section 22 in order to allow Sublandlord to elect to recapture the Contemplated Transfer Space. Thereafter, Sublandlord shall have the option, by giving written notice to Subtenant within thirty (30) days after receipt of any Intention to Transfer Notice, to recapture the Contemplated Transfer Space. Such recapture shall cancel and terminate this Sublease with respect to such Contemplated Transfer Space as of the Contemplated Effective Date. If Sublandlord declines, or fails to elect in a timely manner, to recapture such Contemplated Transfer Space under this Section 22, then, subject to the other terms of this Section 22, for a period of six (6) months (the "**Six Month Period**") commencing on the last day of such thirty (30) day period, Sublandlord shall not have any right to recapture the Contemplated Transfer Space with respect to any transfer made during the Six Month Period, provided that any such transfer is substantially on the terms set forth in the Intention to Transfer Notice, and provided further that any such transfer shall be subject to the remaining terms of this Section 22. If such a transfer is not so consummated within the Six Month Period (or if a transfer is so consummated, then upon the expiration of the term of any transfer of such Contemplated Transfer Space consummated within such Six Month Period), Subtenant shall again be required to submit a new Intention to Transfer Notice to Sublandlord with respect to any contemplated transfer, as provided above in this Section 22. If Sublandlord does not elect to recapture, and if as a result of the sublease, Subtenant receives from the sub-sublessee a Transfer Premium (as defined in Section 14.3 of the Master Lease), then Subtenant shall pay Sublandlord 50% of the Transfer Premium as and when received.

The Seller shall make each such allocation of Receivables through a random or mechanical method not intended by it to materially favor or disfavor any Ellington Investor over any other. The Purchaser may by written notice delivered to the Seller from time to time change the Purchase Percentages; provided that (i) the Purchaser may not deliver more than one such notice in any calendar month, (ii) the Purchaser shall deliver each such notice not less than three Business Days before it is to take effect, (iii) the sum of the Purchase Percentages shall always equal 100%, and (iv) subject to the immediately preceding clause (iii), the Purchase Percentage of each Ellington Investor shall at all times be either (A) 0%, or (B) an integral multiple of 1% that is not less than 10%; and provided further that, except as the Seller may otherwise consent, at all times either (i) the sum of the Purchase Percentages of the 2016 Ellington Investors shall be 100% and the Purchase Percentage of each of the 2017 Ellington Investors shall be 0%, or (ii) the sum of the Purchase Percentages of the 2017 Ellington Investors shall be 100% and the Purchase Percentage of each of the 2016 Ellington Investors shall be 0%. (d) So long as the Seller repurchases such Ineligible Receivable in accordance with clause (a) above, such repurchase shall constitute the sole remedy against the Seller with respect to a Repurchase Event; provided that such repurchase shall not limit or affect in any way any rights that the Purchaser or any Ellington Investor may have in relation to Seller or such Ineligible Receivable under Sections 2.2(c), 7.1, 7.2 or 8.1.

(d) the Seller shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, shall make a general assignment for the benefit of creditors, or shall take any corporate action to authorize any of the actions set forth above in this subsection (d) or the Seller shall be the subject of an Event of Bankruptcy; or

(e) the Seller transfers, sells or otherwise disposes of (whether in one transaction or a series of transactions) all or substantially all of its assets;

then, and in any such event, the Purchaser may, by notice to the Seller, declare its obligation to purchase Contracts and Related Rights from the Seller to be terminated, whereupon such obligation shall forthwith be terminated; provided, however, that in the case of any event described in subsection (d) above, such termination shall automatically occur upon the happening of such event. No termination under this Section 7.1 of the Purchaser’s obligation to purchase Contracts and Related Rights shall affect the then-existing obligations of the Seller hereunder (other than the Seller’s obligations to sell Contracts and Related Rights to the Purchaser pursuant hereto).

SECTION 7.2 Remedies.

(a) If a Seller Event of Default has occurred and is continuing:

(i) The Purchaser (and its assignees) shall have all of the rights and remedies provided to a purchaser of payment intangibles, instruments or chattel paper under the UCC by applicable Law in respect thereto.

(ii) The Seller shall, upon the Purchaser's (or its assignee's) request and at the Seller's expense (i) assemble all of the Seller's Records, (ii) deliver such documents to the Purchaser or its designee at a place designated by the Purchaser or, at the Purchaser's option, provide the Purchaser or its designee with access thereto and (iii) deliver to the Purchaser, its designees or assignees all computer programs, material and data necessary to the immediate collection of the Receivables by the Purchaser, or a party designated by the Purchaser, with or without the participation of the Seller.

(iii) The Purchaser (and its assignees) may (A) notify the respective Obligor of the Purchaser's ownership of the Contracts and Related Rights or (B) give notice, or require that the Seller and the Servicer, at the Seller's expense, give notice of such ownership to each such Obligor.

(b) In addition, if a Servicer Default has occurred and is continuing, the Purchaser (and its assignees) may (i) direct Obligor that payment of all amounts due or to become due under the Contracts and Related Rights be made directly to the Purchaser or its designee or assignee or (ii) require that the Seller and the Servicer, at the Seller's expense, direct Obligor that all payments be made directly to the Purchaser or its designee or assignee.

(c) If a Servicer Default has occurred and is continuing, the Purchaser (and its assignees) may elect to (i) sue for collection on any Contract and Related Rights or (ii) sell any Contract and Related Rights to any Person for a price that is acceptable to the Purchaser (or its assignees). In connection with any such sale, the Purchaser or its assignees shall have the right to assign its rights under this Agreement to a third-party.

(d) The Seller hereby irrevocably authorizes the Purchaser or its designee or assignees, if a Servicer Default has occurred and is continuing, to take any and all steps in the Seller's name and on the Seller's behalf necessary or desirable, in the reasonable opinion of the Purchaser, designee or assignee, to collect all amounts due under the Contracts and Receivables, including, without limitation, endorsing the Seller's name on checks and other instruments representing Collections, enforcing the Receivables and the underlying Contracts and exercising all rights and remedies in respect thereof.

(e) If a Servicer Default has occurred and is continuing, the Seller will make such arrangements with respect to the collection of the Receivables as may be reasonably required by the Purchaser or its assignees.

(f) If (i) any Seller Event of Default has occurred or (ii) an Event of Default shall have occurred under any Financing Facility Documents, then the Purchaser may declare (and if the Seller Event of Default set forth in Section 7.1(d) has occurred, the Purchaser will be deemed automatically to have declared) that a Purchase Termination Date has occurred. Upon such declaration, the Purchaser's obligation to purchase Contracts and Related Rights hereunder, and the Seller's obligation to sell Contracts and Related Rights hereunder shall each terminate. No such termination under this Section 7.2 shall affect the Purchaser's right to pursue any remedies against the Seller for such termination.

- (a) the sale hereunder of any Receivable that is not at the date of such sale an Eligible Receivable;
- (b) reliance on any representation or warranty or statement made or deemed made by the Seller (or any of its officers) under or in connection with this Agreement or in any certificate report or document delivered pursuant hereto that, in any such case, shall have been false or incorrect in any material respect when made or deemed made;

ARTICLE IX  
MISCELLANEOUS

SECTION 9.1 Amendments, Etc. No amendment, modification or waiver of any provision of this Agreement, or consent to any departure by the Seller therefrom, shall in any event be effective unless the same shall be in writing and signed by the Purchaser and the Seller, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

SECTION 9.2 Notices Etc. All notices and other communications provided for hereunder shall be in writing (including facsimile communication) and mailed or delivered by courier service, if to the Seller, at its address at 2 Circle Star Way, San Carlos, California 94070, Attention: Chief Legal Officer; if to the Purchaser, at its address at c/o Ellington Financial Management LLC, 53 Forest Avenue, Old Greenwich, Connecticut 06870, Attention: General Counsel; or, as to each party, at such other address as shall be designated by such party in a written notice to the other parties. All such notices and communications shall when mailed be effective five (5) days after deposit in the mail, or upon receipt if sent by facsimile or courier, except that notices to the Purchaser pursuant to Article II shall not be effective until received by the Purchaser.

SECTION 9.3 No Waiver; Remedies. No failure on the part of the Purchaser to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by Law.

SECTION 9.4 Binding Effect; Governing Law. This Agreement shall be binding upon and inure to the benefit of the Seller and the Purchaser and their respective successors and assigns, except that the Seller shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Purchaser. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until such time as neither the Purchaser nor any Ellington Investor shall have any interest in any Receivables and all obligations of the Seller hereunder shall have been paid in full; provided, however, that the indemnification provisions of Article VIII shall be continuing and shall survive any termination of this Agreement. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAWS PRINCIPLES THEREOF.

SECTION 9.5 Costs, Expenses and Taxes. In addition to the rights of indemnification granted to the Purchaser under Article VIII, the Seller agrees to all costs and expenses (including, without limitation, reasonable counsel fees and expenses), incurred by the Purchaser or its assignees (including, for the avoidance of doubt, any Ellington Investor) in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) against the Seller of this Agreement and the documents to be delivered hereunder. In addition, the Seller agrees to pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement or the other documents to be delivered hereunder by the Seller, and agrees to hold the Purchaser and its

assignees harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omitting to pay such taxes and fees. Except as otherwise specified in this Section 9.5, each of the Seller and the Purchaser shall pay their own expenses, including counsel fees and expenses, incurred in connection with the Transaction Documents.

SECTION 9.6 Purchaser Financing. Should the Purchaser elect to finance its purchase of Contracts and Related Rights under this Agreement, the Seller shall provide the Purchaser with such assistance as the Purchaser may reasonably request of it to facilitate the completion of such transaction, including, without limitation, participating in a reasonable amount of conference calls and basic due diligence that a financing partner may require, provided that the Seller is not required to incur (a) any out-of-pocket costs in connection with such assistance or (b) any obligation or liability to such financing partner. The Seller shall upon request provide the same level of assistance to any Ellington Investor which elects to finance its purchase of the beneficial interest in Contracts and Related Rights from the Purchaser.

SECTION 9.7 Right of Last Look. If during the Term the Seller intends to sell receivables having the same characteristics as Eligible Receivables in excess of the commitments described in Section 2.2 and Section 2.6, the Purchaser shall have the right to match the terms of such sale offered by any third party investor and purchase such receivables (or any portion thereof) upon such terms. The Seller shall provide written notice to the Purchaser of any such terms, and the Purchaser may exercise such right accepting such terms within five (5) Business Days of its receipt of the Seller's notice.

SECTION 9.8 Waiver of Setoff. All payments hereunder by the Seller to the Purchaser or by the Purchaser to Seller shall be made without setoff, counterclaim or other defense and each of the Purchaser and the Seller hereby waives any and all of its rights to assert any right of setoff, counterclaim or other defense to the making of a payment due hereunder to the Seller or the Purchaser, as the case may be; provided, however, that, notwithstanding the foregoing, the Purchaser hereby reserves any and all of its rights to assert any such right of setoff, counterclaim or other defense against the Seller with respect to the Purchase Price of Receivables purchased from the Seller hereunder in the ordinary course of the Purchaser's business.

SECTION 9.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement shall be prohibited by or invalid under such Law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

SECTION 9.10 Counterparts. This Agreement and any amendment or supplement hereto or any waiver granted in connection herewith may be executed in any number of counterparts and by the different parties on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement.

SECTION 9.11 Grant of License to Use Trademarks. For the sole purpose of enabling the Purchaser (or its assignees) to perform the functions of servicing and collecting the Receivables upon a Seller Event of Default, the Seller hereby grants to the Purchaser (or its assignees) or any other successor Servicer an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Seller) to use, license, or sublicense any copyright, trade name, trademark or similar rights or properties now owned or hereafter acquired by the Seller, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer and automatic machinery software and programs used for the compilation or printout thereof. The aforementioned servicing and collecting functions shall be performed in accordance with customary business practices and in a manner which will not materially adversely affect any of such licenses or licensed items.

### SECTION 9.12 Jurisdiction; Consent to Service of Process.

(a) The Seller and the Purchaser hereby submit to the nonexclusive jurisdiction of any United States District Court for the Southern District of New York and of any New York state court sitting in New York, New York for purposes of all legal proceedings arising out of, or relating to, the Transaction Documents or the transactions contemplated thereby. The Seller and the Purchaser hereby irrevocably waive, to the fullest extent possible, any objection it may now or hereafter have to the venue of any such proceeding and any claim that any such proceeding has been brought in an inconvenient forum. Nothing in this Section 9.12 shall affect the right of the Purchaser or the Seller to bring any action or proceeding against the Seller and the Purchaser or its property in the courts of other jurisdictions.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO IRREVOCABLY WAIVES ALL RIGHT OF TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF, OR IN CONNECTION WITH, ANY TRANSACTION DOCUMENT OR ANY MATTER ARISING THEREUNDER.

SECTION 9.13 Third Party Beneficiaries. The Owner Trustee and each Ellington Investor shall be an intended third-party beneficiary of this Agreement. No other Person shall be a third-party beneficiary of this Agreement.

SECTION 9.14 Confirmation of Intent. It is the express intent of the parties hereto that the sale to the Purchaser pursuant to Section 2.1 shall be treated under applicable state Law and federal bankruptcy Law as a sale by the Seller to the Purchaser. However, if it is determined contrary to the express intent of the parties that the transfer is not a sale, and that all or any portion of the Contracts or Related Rights continue to be property of the Seller, then the Seller shall be deemed to, and the Seller does hereby, grant to each of the Purchaser, and the Owner Trustee as designee of the Purchaser, a security interest in all of the Seller's right, title and interest in, to and under each Contract that is listed on the Receivables Schedule and the Related Rights to secure its obligations hereunder and this Agreement shall constitute a security agreement under applicable Law.

PERFECTION REPRESENTATIONS, WARRANTIES AND COVENANTS

In addition to the representations, warranties and covenants contained in the Amended and Restated Purchase and Sale Agreement, the Seller hereby represents, warrants, and covenants to the Purchaser on the Closing Date and each subsequent Purchase Date as follows:

General

1. The Agreement creates a valid and continuing security interest (as defined in the applicable UCC) in the Contracts and Related Rights in favor of the Purchaser and/or the Owner Trustee, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from the Seller.
2. The Contracts evidencing the Receivables constitute “general intangibles”, “accounts”, “instruments”, “electronic chattel paper” or “tangible chattel paper” within the meaning of the UCC as in effect in the State of Delaware.

Creation

(i) The PTP Transfer Restricted Interests will bear the legend(s) substantially similar to those set forth in this ~~Section 2.6(e)~~ unless the Issuer determines otherwise in compliance with applicable Law.

(ii) It will provide notice to each Person to whom it proposes to transfer any interest in the PTP Transfer Restricted Interests of the transfer restrictions and representations set forth in this Indenture, including the Exhibits hereto.

(iii) Either (a) it is not and will not become a flow-through entity or (b) if it is or becomes a flow-through entity, then (I) none of the direct or indirect beneficial owners of any of the interests in such flow-through entity has or ever will have more than 50% of the value of its interest in such flow-through entity attributable to the beneficial interest of such flow-through entity in the PTP Transfer Restricted Interests, other interest (direct or indirect) in the issuer, or any interest created under the Indenture and (II) it is not and will not be a principal purpose of the arrangement involving the flow-through entity's beneficial interest in any PTP Transfer Restricted Interest to permit any entity to satisfy the 100-partner limitation of Section 1.7704-1 (h)(1)(ii) of the Treasury Regulations necessary for such entity not to be classified as a publicly traded partnership for U.S. federal income tax purposes.

(iv) It is not acquiring any beneficial interest in a PTP Transfer Restricted Interest through an "established securities market" or a "secondary market (or the substantial equivalent thereof)," each within the meaning of Section 7704(b) of the Code.

(v) It will not sell, transfer, assign, participate, or otherwise dispose of any beneficial interest in a PTP Transfer Restricted Interest without the written consent of the Issuer, and it will not cause any beneficial interest in the PTP Transfer Restricted Interest to be traded or otherwise marketed on or through an "established securities market" or a "secondary market (or the substantial equivalent thereof)," each within the meaning of Section 7704(b) of the Code, including, without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations.

(vi) Its beneficial interest in the PTP Transfer Restricted Interest is not and will not be in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture, and it does not and will not hold any beneficial interest in the PTP Transfer Restricted Interest on behalf of any Person whose beneficial interest in the PTP Transfer Restricted Interest is in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture. It will not sell, transfer, assign, participate, or otherwise dispose of any beneficial interest in the PTP Transfer Restricted Interest or enter into any financial instrument or contract the value of which is determined by reference in whole or in part to any PTP Transfer Restricted Interest, in each case, if the effect of doing so would be that the beneficial interest of any Person in a PTP Transfer Restricted Interest would be in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture.

(vii) It will not transfer any beneficial interest in the PTP Transfer Restricted Interest (directly, through a participation thereof, or otherwise) unless, prior to the transfer, the transferee of such beneficial interest shall have executed and delivered to the Transfer Agent and Registrar, and any of their respective successors or assigns, a transferee certification in the form of Exhibit D as required in the Indenture.

(viii) It will not use the PTP Transfer Restricted Interest as collateral for the issuance of any securities that could cause the Issuer to become subject to taxation as a corporation or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes, provided that it may engage in any repurchase transaction (repo) the subject matter of which is a PTP Transfer Restricted Interest, provided the terms of such repurchase transaction are generally consistent with prevailing market practice and that such repurchase transaction would not cause the Issuer to be otherwise classified as a corporation or publicly traded partnership for U.S. federal income tax purposes.

(ix) It will not take any action that could cause, and will not omit to take any action, which omission could cause, the Issuer to become taxable as a corporation for U.S. federal income tax purposes.

(x) It acknowledges that the Issuer and Trustee will rely on the truth and accuracy of the foregoing representations and warranties and agrees that if it becomes aware that any of the foregoing made by it or deemed to have been made by it are no longer accurate it shall promptly notify the Issuer.

(xi) It is a "United States person," as defined in Section 7701(a)(30) of the Code, and will not transfer to, or cause such PTP Transfer Restricted Interest to be transferred to, any person other than a "United States person," as defined in Section 7701(a)(30) of the Code.

(xii) The provisions of this Section and of the Indenture generally are intended to prevent the Issuer from being characterized as a "publicly traded partnership," within the meaning of Section 7704 of the Code, in reliance on Treasury Regulations Sections 1.7704-1(e) and (h).

(xiii) Each PTP Transfer Restricted Interest will bear a legend to the following effect (except that in the case of a Certificate, "Certificate" shall replace "Note" in each appropriate place):

"THIS NOTE OR ANY INTEREST HEREIN MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, EXCEPT (A) TO A PERSON THAT IS A UNITED STATES PERSON (WITHIN THE MEANING OF SECTION 7701(a)(30) OF THE CODE) AND (B) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER APPLICABLE JURISDICTION. NO TRANSFER OF THIS NOTE OR ANY INTEREST HEREIN WILL BE PERMITTED IF SUCH TRANSFER WOULD CAUSE THE NUMBER OF DIRECT OR

INDIRECT HOLDERS OF AN INTEREST IN CERTIFICATES, MEMBERSHIP INTERESTS (OR OTHER EQUITY INTERESTS IN THE ISSUER) AND PTP TRANSFER RESTRICTED INTERESTS TO EXCEED A NUMBER EQUAL TO 95 PERSONS. EACH PURCHASER WILL BE DEEMED TO HAVE MADE CERTAIN REPRESENTATIONS AND AGREEMENTS SET FORTH IN THE INDENTURE. ANY TRANSFER IN VIOLATION OF THE FOREGOING WILL BE OF NO FORCE AND EFFECT, WILL BE VOID AB INITIO, AND WILL NOT OPERATE TO TRANSFER ANY RIGHTS TO THE TRANSFEREE, NOTWITHSTANDING ANY INSTRUCTIONS TO THE CONTRARY TO THE ISSUER, THE TRUSTEE, OR ANY INTERMEDIARY. IF AT ANY TIME, THE ISSUER DETERMINES OR IS NOTIFIED THAT THE HOLDER OF SUCH NOTE OR BENEFICIAL INTEREST IN SUCH NOTE WAS IN BREACH, AT THE TIME GIVEN, OF ANY OF THE REPRESENTATIONS SET FORTH IN THE INDENTURE, THE ISSUER AND THE TRUSTEE MAY CONSIDER THE ACQUISITION OF THIS NOTE OR SUCH INTEREST IN SUCH NOTE VOID AND REQUIRE THAT THIS NOTE OR SUCH INTEREST HEREIN BE TRANSFERRED TO A PERSON DESIGNATED BY THE ISSUER. EACH HOLDER SHALL REPRESENT AND WARRANT THAT IT IS A U.S. PERSON. TRANSFERS OF THIS NOTE MUST GENERALLY BE ACCOMPANIED BY APPROPRIATE TAX TRANSFER DOCUMENTATION AND ARE SUBJECT TO RESTRICTIONS AS PROVIDED IN THE INDENTURE. THE RESTRICTIONS HEREIN SUPERSEDE ANY LIMITATIONS ON TRANSFER RESTRICTIONS SET FORTH IN THE APPLICABLE OPERATION GUIDELINES OF, OR AGREEMENT WITH, ANY DEPOSITORY.”

Notwithstanding anything to the contrary herein or any agreement with a Depository, unless the Issuer shall otherwise consent in writing, no subsequent transfer (after the initial issuance) of a beneficial interest in a PTP Transfer Restricted Interest shall be effective, and any attempted transfer shall be void ab initio, unless, prior to and as a condition of such transfer, the prospective transferee of the beneficial interest in a PTP Transfer Restricted Interest, represents and warrants, in writing, substantially in the form of a transferee certification that is attached as Exhibit D hereto, to the Transfer Agent and Registrar and any of their respective successors or assigns.

(f) Prior to any sale or transfer of any Certificate (or any interest therein), unless the Issuer shall otherwise consent in writing, each prospective transferee of such Certificate (or any interest therein) (other than a Person that is considered the same Person as the Issuer for United States federal income tax purposes) shall also be deemed to have represented and agreed (in addition to the representations in Section 2.6(c)) that:

(i) The interests in the PTP Transfer Restricted Interests, the Certificates and the Membership Interests together may at no time be held by more than 95 Persons. No transfer of Certificates (or any interest therein) will be permitted to the extent that such transfer would cause the number of direct or indirect holders of an interest in the PTP Transfer Restricted Interests, the Certificates and the Membership Interests to exceed a number equal to 95 Persons. The initial Servicer shall have the duty and obligation to ascertain the number of direct or indirect holders of an interest in the PTP Transfer Restricted Interests, the Certificates and the Membership Interests, and neither the Trustee nor the Transfer Agent and Registrar shall have any duty or obligation with respect to the foregoing.

(ii) The provisions of this Section and of the Indenture generally are intended to prevent the Issuer from being characterized as a “publicly traded partnership” within the meaning of Section 7704 of the Code, in reliance on Treasury Regulations Sections 1.7704-1(e) and (h).

Notwithstanding anything to the contrary herein or any agreement with a Depository, unless the Issuer shall otherwise consent in writing, no subsequent transfer (after the initial issuance) of a beneficial interest in a Certificate shall be effective, and any attempted transfer shall be void ab initio, unless, prior to and as a condition of such transfer, the prospective transferee of the beneficial interest in a Certificate, represents and warrants, in writing, substantially in the form of a transferee certification that is attached as Exhibit E hereto, to the Transfer Agent and Registrar and any of their respective successors or assigns.

#### Section 2.7. Appointment of Paying Agent.

(a) The Paying Agent shall make payments to the Secured Parties from the appropriate account or accounts maintained for the benefit of the Secured Parties as specified in this Base Indenture or the related Series Supplement for any Series pursuant to Articles 5 and 6. Any Paying Agent shall have the revocable power to withdraw funds from such appropriate account or accounts for the purpose of making distributions referred to above. The Trustee (or the Issuer or the initial Servicer if the Trustee is the Paying Agent) may revoke such power and remove the Paying Agent, if the Paying Agent fails to perform its obligations under this Indenture in any material respect or for other good cause. The Paying Agent, unless the Series Supplement with respect to any Series states otherwise, shall initially be the Trustee. The Trustee shall be permitted to resign as Paying Agent upon thirty (30) days’ written notice to the Issuer with a copy to the Servicer. In the event that the Trustee shall no longer be the Paying Agent, the Issuer or the initial Servicer shall appoint a successor to act as Paying Agent (which shall be a bank or trust company).

(b) The Issuer shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent will hold all sums, if any, held by it for payment to the Secured Parties in trust for the benefit of the Secured Parties entitled thereto until such sums shall be paid to such Secured Parties and shall agree, and if the Trustee is the Paying Agent it hereby agrees, that it shall comply with all requirements of the Code regarding the withholding of payments in respect of federal income taxes due from Note Owners or other Secured Parties (including in respect of FATCA and any applicable tax reporting requirements).

#### Section 2.8. Paying Agent to Hold Money in Trust

(a) The Issuer will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section, that such Paying Agent will:

(i) hold all sums held by it for the payment of amounts due with respect to the Secured Obligations in trust for the benefit of the Persons entitled thereto until such

sums shall be paid to such Persons or otherwise disposed of as provided herein and in the applicable Series Supplement and pay such sums to such Persons as provided herein and in the applicable Series Supplement;

(ii) give the Trustee written notice of any default by the Issuer (or any other obligor under the Secured Obligations) of which it (or, in the case of the Trustee, a Trust Officer) has actual knowledge in the making of any payment required to be made with respect to the Notes;

(iii) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent;

(iv) immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of the Secured Obligations if at any time it ceases to meet the standards required to be met by a Trustee hereunder; and

(v) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Secured Obligations of any applicable withholding taxes imposed thereon, including FATCA Withholding Tax (including obtaining and retaining from Persons entitled to payments with respect to the Notes any Tax Information and making any withholdings with respect to the Notes as required by the Code (including FATCA) and paying over such withheld amounts to the appropriate Governmental Authority), comply with respect to any applicable reporting requirements in connection with any payments made by it on any Secured Obligations and any withholding of taxes therefrom, and, upon request, provide any Tax Information to the Issuer.

(b) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(c) Subject to applicable Laws with respect to escheat of funds, any money held by the Trustee, any Paying Agent or any Clearing Agency in trust for the payment of any amount due with respect to any Secured Obligation and remaining unclaimed for two years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on Issuer Request; and the holder of such Secured Obligation shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Trustee, such Paying Agent or such Clearing Agency with respect to such trust money shall thereupon cease; provided, however, that the Trustee, such Paying Agent or such Clearing Agency, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York City and, if the related Series of Notes has been listed on the

Luxembourg Stock Exchange, and if the Luxembourg Stock Exchange so requires, in a newspaper customarily published on each Luxembourg business day and of general circulation in Luxembourg City, Luxembourg, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer, The Trustee may also adopt and employ, at the expense of the Issuer, any other reasonable means of notification of such repayment.

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY OTHER JURISDICTION. THIS NOTE MAY BE OFFERED, SOLD, PLEDGED OR TRANSFERRED ONLY TO A PERSON THAT IS A QUALIFIED INSTITUTIONAL BUYER (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT ("RULE 144A")) IN TRANSACTIONS MEETING THE REQUIREMENTS OF RULE 144A, IN COMPLIANCE WITH THE INDENTURE AND ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION, SUBJECT TO ANY REQUIREMENT OF LAW THAT THE DISPOSITION OF THE SELLER'S PROPERTY OR THE PROPERTY OF AN INVESTMENT ACCOUNT OR ACCOUNTS BE AT ALL TIMES WITHIN THE SELLER'S OR ACCOUNT'S CONTROL. Section 2.10. Mutilated, Destroyed, Lost or Stolen Notes.

(a) If (i) any mutilated Note is surrendered to the Transfer Agent and Registrar, or the Transfer Agent and Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Transfer Agent and Registrar, the Trustee, and the Issuer such security or indemnity as may, in their sole discretion, be required by them to hold the Transfer Agent and Registrar, the Trustee, and the Issuer

harmless then, in the absence of written notice to the Trustee that such Note has been acquired by a protected purchaser, and provided that the requirements of Section 8-405 of the UCC (which generally permit the Issuer to impose reasonable requirements) are met, then the Issuer shall execute and the Trustee shall, upon receipt of an Issuer Order, authenticate and (unless the Transfer Agent and Registrar is different from the Trustee, in which case the Transfer Agent and Registrar shall) deliver (in compliance with applicable Law), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of like tenor and aggregate principal balance or aggregate par value; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven (7) days shall be due and payable or shall have been called for redemption, instead of issuing a replacement Note, the Issuer may pay such destroyed, lost or stolen Note when so due or payable without surrender thereof.

If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer and the Trustee shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith.

(b) Upon the issuance of any replacement Note under this Section 2.10, the Transfer Agent and Registrar or the Trustee may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee and the Transfer Agent and Registrar) connected therewith.

(c) Every replacement Note issued pursuant to this Section 2.10 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional Contractual Obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

(d) The provisions of this Section 2.10 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

#### Section 2.11. Temporary Notes.

(a) Pending the preparation of Definitive Notes, the Issuer may request and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver temporary Notes of such Series. Temporary Notes shall be substantially in the form of Definitive Notes of like Series but may have variations that are not inconsistent with the terms of this Indenture as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

(b) If temporary Notes are issued pursuant to Section 2.11(a) above, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer to be maintained as provided in Section 8.2(b), without charge to the Noteholder or Certificateholder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute and at the Issuer's request the Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.12, Persons Deemed Owners. Prior to due presentation of a Note for registration of transfer, the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar and any agent of any of them may treat a Person in whose name any Note is registered (as of any date of determination) as the owner of the related Note for the purpose of receiving payments of principal and interest, if any, on such Note and for all other purposes whatsoever whether or not such Note be overdue, and neither the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar nor any agent of any of them shall be affected by any notice to the contrary; provided, however, that in determining whether the requisite number of Holders of Notes have given any request, demand, authorization, direction, notice, consent or waiver hereunder (including under any Series Supplement), Notes owned by any of the Issuer, the Seller, the Parent, the initial Servicer or any Affiliate controlled by or controlling Oportun shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which a Trust Officer in the Corporate Trust Office of the Trustee actually knows to be so owned shall be so disregarded. The foregoing proviso shall not apply if there are no Holders other than the Issuer or its Affiliates.

Section 2.13, Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by the Trustee. The Issuer may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Order that they be destroyed or returned to it; provided that such Issuer Order is timely and the Notes have not been previously disposed of by the Trustee. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment.

Section 2.14, Release of Trust Estate. The Trustee shall (a) in connection with any removal of Removed Receivables from the Trust Estate, release the portion of the Trust Estate constituting or securing the Removed Receivables from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that the Outstanding Receivables Balance (or such other amount required in connection with the disposition of such Removed

Receivables as provided by the Transaction Documents) with respect thereto has been deposited into the Collection Account and such release is authorized and permitted under the Transaction Documents, (b) in connection any redemption of the Notes of any Series, release the Trust Estate from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that (i) the Redemption Price and all other amounts due and owing on the Redemption Date have been deposited into a Trust Account that is within the sole control of the Trustee, (ii) each Certificate has been redeemed in full in accordance with the terms of the applicable Supplement and (iii) such release is authorized and permitted under the Transaction Documents and (c) on or after the Indenture Termination Date, release any remaining portion of the Trust Estate from the Lien created by this Indenture and in each case deposit in the Collection Account any funds then on deposit in any other Trust Account upon receipt of an issuer Request accompanied by an Officer's Certificate of the Issuer, and Independent Certificates (if this Indenture is required to be qualified under the TIA) in accordance with TIA Sections 314(c) and 314(d)(1) meeting the applicable requirements of Section 15.1.

Section 2.15. Payment of Principal, Interest and Other Amounts.

(a) The principal of each Series of Senior Notes shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(b) Each Series of Senior Notes shall accrue interest as provided in the related Series Supplement and such interest shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1. The payments of amounts payable with respect to the Certificates shall be made at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(c) Any installment of interest, principal or other amounts, if any, payable on any Note which is punctually paid or duly provided for by the Issuer on the applicable Payment Date shall be paid to the Person in whose name such Note is registered at the close of business on any Record Date with respect to a Payment Date for such Note and such Person shall be entitled to receive the principal, interest or other amounts payable on such Payment Date notwithstanding the cancellation of such Note upon any registration of transfer, exchange or substitution of such Note subsequent to such Record Date, by wire transfer in immediately available funds to the account designated by the Holder of such Note, except that, unless Definitive Notes have been issued pursuant to Section 2.18, with respect to Notes registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payment will be made by wire transfer in immediately available funds to the account designated by such nominee and except for the final installment of principal payable with respect to such Note on a Payment Date or on the Legal Final Payment Date (and except for the Redemption Price for any Note called for redemption pursuant to Section 14.1) which shall be payable as provided herein; except that, any interest payable at maturity shall be paid to the Person to whom the principal of such Note is payable. The funds represented by any such checks returned undelivered shall be held in accordance with Section 2.8.

Section 2.16. Book-Entry Notes.

(a) If provided in the related Series Supplement, the Notes of such Series, upon original issuance, shall be issued in the form of Book-Entry Notes, to be delivered to the depository specified in such Series Supplement (the “Depository,”) which shall be the Clearing Agency or Foreign Clearing Agency. The Notes of each Series issued as Book-Entry Notes shall, unless otherwise provided in the related Series Supplement, initially be registered on the Note Register in the name of the nominee of the Clearing Agency or Foreign Clearing Agency. Unless otherwise provided in a related Series Supplement, no Note Owner of Notes issued as Book-Entry Notes will receive a definitive note representing such Note Owner’s interest in the related Series of Notes, except as provided in Section 2.18.

(b) For each Series of Notes to be issued in registered form, the Issuer shall duly execute, and the Trustee shall, in accordance with Section 2.4 hereof, authenticate and deliver initially, unless otherwise provided in the applicable Series Supplement, one or more Global Notes that shall be registered on the Note Register in the name of a Clearing Agency or Foreign Clearing Agency or such Clearing Agency’s or Foreign Clearing Agency’s nominee. Each Global Note registered in the name of DTC or its nominee shall bear a legend substantially to the following effect:

UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (“DTC”), A NEW YORK CORPORATION, TO OPORTUN FUNDING IV, LLC OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY NOTE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. (“CEDE”) OR SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE, HAS AN INTEREST HEREIN.

So long as the Clearing Agency or Foreign Clearing Agency or its nominee is the registered owner or holder of a Global Note, the Clearing Agency or Foreign Clearing Agency or its nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for purposes of this Indenture and such Notes. Members of, or participants in, the Clearing Agency or Foreign Clearing Agency shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Clearing Agency or Foreign Clearing Agency, and the Clearing Agency or Foreign Clearing Agency may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities from giving effect to any written certification, proxy or other authorization furnished by the Clearing Agency or Foreign Clearing Agency or impair, as between the Clearing Agency or Foreign Clearing Agency and its agent members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(c) Subject to Section 2.6(a)(xi), the provisions of the “Operating Procedures of the Euroclear System” and the “Terms and Conditions Governing Use of Euroclear” and such procedures governing the use of such Clearing Agencies as may be enacted from time to time shall be applicable to a Global Note insofar as interests in such Global Note are held by the agent members of Euroclear or Clearstream. Account holders or participants in Euroclear and Clearstream shall have no rights under this Indenture with respect to such Global Note and the registered holder may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of the Issuer or the Trustee as the owner of such Global Note for all purposes whatsoever.

(d) Title to the Notes shall pass only by registration in the Note Register maintained by the Transfer Agent and Registrar pursuant to Section 2.6.

(e) Any typewritten Note or Notes representing Book-Entry Notes shall provide that they represent the aggregate or a specified amount of outstanding Notes from time to time endorsed thereon and may also provide that the aggregate amount of outstanding Notes represented thereby may from time to time be increased or reduced to reflect exchanges. Any endorsement of a typewritten Note or Notes representing Book-Entry Notes to reflect the amount, or any increase or decrease in the amount, or changes in the rights of Note Owners represented thereby, shall be made in such manner and by such Person or Persons as shall be specified therein or in the Issuer Order to be delivered to the Trustee pursuant to Section 2.4(b). The Trustee shall deliver and redeliver any typewritten Note or Notes representing Book-Entry Notes in the manner and upon instructions given by the Person or Persons specified therein or in the applicable Issuer Order. Any instructions by the Issuer with respect to endorsement or delivery or redelivery of a typewritten Note or Notes representing the Book-Entry Notes shall be in writing but need not comply with Section 13.3 hereof and need not be accompanied by an Opinion of Counsel.

(f) Unless and until definitive, fully registered Notes of any Series or any Class thereof (“Definitive Notes”) have been issued to Note Owners with respect to any Series of Notes initially issued as Book-Entry Notes pursuant to Section 2.18 or the applicable Series Supplement:

(i) the provisions of this Section 2.16 shall be in full force and effect with respect to each such Series;

(ii) the Issuer, the Seller, the Servicer, the Paying Agent, the Transfer Agent and Registrar and the Trustee may deal with the Clearing Agency or Foreign Clearing Agency and the Clearing Agency Participants for all purposes of this Indenture (including the making of payments on the Notes of each such Series and the giving of instructions or directions hereunder) as the authorized representatives of such Note Owners;

Upon surrender to the Trustee of the typewritten Note or Notes representing the Book-Entry Notes of such Series by the applicable Clearing Agency or Foreign Clearing Agency, accompanied by registration instructions from the applicable Clearing Agency or Foreign Clearing Agency for registration, the Trustee shall issue the Definitive Notes of such Series or Class. Each Series of Notes shall be secured by the entire Trust Estate, including the right to receive the Collections and other amounts at the times and in the amounts specified in this Article 5 to be deposited in the Trust Accounts or to be paid to the Noteholders or Certificateholders of such Series. In no event shall the grant of a security interest in the entire Trust Estate be deemed to entitle any Noteholder or Certificateholder to receive Collections or other proceeds of the Trust Estate in excess of the amounts described in Article 5.

Section 5.2. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture. The Trustee shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Trustee may, but shall not be obligated, take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article 9.

Section 5.3. Establishment of Accounts.

(a) The Collection Account. The Trustee, for the benefit of the Secured Parties, shall establish and maintain in the city in which the Corporate Trust Office is located, with a Qualified Institution, in the name of the Trustee for the benefit of the Secured Parties, a non-interest bearing segregated trust account (the "Collection Account") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties. Pursuant to authority granted to it pursuant to Section 2.02(a) of the Servicing Agreement, the Servicer shall have the revocable power to withdraw funds from the Collection Account for the purposes of carrying out its duties thereunder. The Trustee shall be the entitlement holder of the Collection Account, and shall possess all right, title and interest in all moneys, instruments, securities and other property on deposit from time to time in the Collection Account and the proceeds thereof for the benefit of the Secured Parties. Initially, the Collection Account will be established with the Securities Intermediary. Funds on deposit in the Collection Account that are not both deposited and to be withdrawn on the same day shall be invested in Permitted Investments, in accordance with a direction from the Issuer pursuant to Section 5.4(e).

(b) [Reserved].

(c) The Payment Accounts. For each Series, the Trustee, for the benefit of the Secured Parties of such Series, shall establish and maintain in the State of New York or in the city in which the Corporate Trust Office is located, with one or more Qualified Institutions, in the name of the Trustee for the benefit of the Secured Parties of such Series, a non-interest

bearing segregated trust account (each, a “Payment Account” and collectively, the “Payment Accounts”) bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties of such Series. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Payment Accounts and in all proceeds thereof. The initial Payment Account for each Series shall be established with the Depository Bank.

(d) Series Accounts. If so provided in the related Series Supplement, the Trustee or the Servicer, for the benefit of the Secured Parties of such Series, shall cause to be established and maintained, in the name of the Trustee for the benefit of the Secured Parties of such Series, one or more accounts (each, a “Series Account” and, collectively, the “Series Accounts”). Any such investment shall mature and such funds shall be available for withdrawal on or prior to the Series Transfer Date related to the Monthly Period in which such funds were received or deposited, or if so specified in the related Series Supplement, immediately preceding a Payment Date. Deutsche Bank Trust Company Americas is hereby appointed as the initial securities intermediary hereunder (the “Securities Intermediary”) and accepts such appointment. The Securities Intermediary represents, warrants, and covenants, and the parties hereto agree, that at all times prior to the termination of this Indenture: (i) the Securities Intermediary shall be a bank that in the ordinary course of its business maintains securities accounts for others and is acting in that capacity hereunder; (ii) the Collection Account shall be an account maintained with the Securities Intermediary to which financial assets may be credited and the Securities Intermediary shall treat the Trustee as entitled to exercise the rights that comprise such financial assets; (iii) each item of property credited to the Collection Account shall be treated as a financial asset; (iv) the Securities Intermediary shall comply with entitlement orders originated by the Trustee without further consent by the Issuer or any other Person; (v) the Securities Intermediary waives any Lien on any property credited to the Collection Account, and (vi) the Securities Intermediary agrees that its jurisdiction for purposes of Section 8-110 and Section 9-305(a)(3) of the UCC shall be New York. Nothing herein shall impose upon the Securities Intermediary any duties or obligations other than those expressly set forth herein and those applicable to a securities intermediary under the UCC. The Securities Intermediary shall be entitled to all of the protections available to a securities intermediary under the UCC. At the end of each month, all interest and earnings (net of losses and investment expenses) on funds on deposit in the Collection Account shall be treated as Investment Earnings. If at the end of a month losses and investment expenses on funds on deposit in the Collection Account exceed

interest and earnings on such funds during such month, losses and expenses to the extent of such excess will be allocated, with respect to any Series, among the Noteholders and Certificateholders of such Series and the Issuer as provided in the related Series Supplement. Subject to the restrictions set forth above, the Issuer, or a Person designated in writing by the Issuer, of which the Trustee shall have received written notification thereof, shall have the authority to instruct the Trustee with respect to the investment of funds on deposit in the Collection Account.

(f) Deutsche Bank Trust Company Americas is hereby appointed as the initial depositary bank hereunder (the "Depository Bank") and accepts such appointment. The Depository Bank represents, warrants, and covenants, and the parties hereto agree, that at all times prior to the termination of this Indenture: (i) the Depository Bank shall be a bank; (ii) each Payment Account shall be a deposit account maintained with the Depository Bank; (iii) the Depository Bank shall comply with instructions originated by the Trustee directing disposition of the funds in any Payment Account without further consent by the Issuer or any other Person; (iv) the Depository Bank waives any Lien on each Payment Account and the money on deposit therein, and (v) the Depository Bank agrees that its Jurisdiction for purposes of Section 9-304(b) of the UCC shall be New York. Nothing herein shall impose upon the Depository Bank any duties or obligations other than those expressly set forth herein and those applicable to a depositary bank under the UCC. The Depository Bank shall be entitled to all of the protections available to a bank under the UCC.

(g) Qualified Institution. If, at any time, the institution holding any account established pursuant to this Section 5.3 ceases to be a Qualified Institution, the Trustee shall, within ten (10) Business Days, establish a new account or accounts, as the case may be, meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new account or accounts, as the case may be.

(h) Each of the Securities Intermediary and the Depository Bank shall be entitled to all the same rights, privileges, protections, immunities and indemnities as are contained in Article 11 of this Indenture, all of which are incorporated into this Section 5.3 *mutatis mutandis*, in addition to any such rights, privileges, protections, immunities and indemnities contained in this Section 5.3; provided, however: that nothing contained in this Section 5.3 or in Article 11 shall (i) relieve the Securities Intermediary of the obligation to comply with entitlement orders as provided in Section 5.3(e) or (ii) relieve the Depository Bank of the obligation to comply with instructions directing disposition of the funds as provided in Section 5.3(f).

#### Section 5.4. Collections and Allocations.

(a) Collections in General. Until this Indenture is terminated pursuant to Section 12.1, the Issuer shall cause, or shall cause the Servicer under the Servicing Agreement to cause, all Collections due and to become due, as the case may be, to be transferred to the Collection Account as promptly as possible after the date of receipt of such Collections, but in no event later than the second Business Day (or, with respect to In-Store Payments or Regional Collections, the third Business Day) following such date of receipt. All monies, instruments, cash and other proceeds received by the Servicer in respect of the Trust Estate pursuant to this Indenture shall be deposited in the Collection Account as specified herein and shall be applied as provided in this Article 5 and Article 6.

The Servicer shall allocate such amounts to each Series of Notes and to the Issuer in accordance with this Article 5 and shall withdraw the required amounts from the Collection Account or pay such amounts to the Issuer in accordance with this Article 5, in both cases as modified by any Series Supplement. The Servicer shall make such deposits or payments on the date indicated therein by wire transfer or as otherwise provided in the Series Supplement for any Series of Notes with respect to such Series.

(b) [Reserved].

(c) Issuer Distributions. During the Revolving Period, all amounts on deposit in the Collection Account in excess of the Required Monthly Payments may be paid to the Issuer on each Business Day ("Issuer Distributions") provided that (i) the Coverage Test is satisfied after giving effect to any such payment to the Issuer; and (ii) any such payment to the Issuer shall be limited to the extent used by the Issuer for Permissible Uses. The Issuer (or the initial Servicer) shall provide the Trustee with a Purchase Report as to the amount of Issuer Distributions for any Business Day, and delivery of such Purchase Report shall be deemed to be a certification by the Issuer that the foregoing conditions were satisfied. Upon receipt of such certification, the Trustee shall forward the Issuer Distributions directly to the Seller (to pay for Subsequently Purchased Receivables that are Eligible Receivables) to the account specified thereby. The Issuer will meet the "Coverage Test" if, on any date of determination, (i) the Overcollateralization Test is satisfied, (ii) the amount remaining on deposit in the Collection Account equals or exceeds the amount distributable on the next Payment Date under clauses (a)(i)-(iv) of Section 5.15 of the related Series Supplement (the "Required Monthly Payments"), (iii) the Amortization Period has not commenced and (iv) there shall not exist on such Business Day, and such application thereof shall not result in the occurrence of, a Rapid Amortization Event, a Servicer Default, an Event of Default or a Default (in each case determined by the Servicer taking into account any increases, decreases and status changes of the Receivables and any increases or decreases in the Notes and the amount on deposit in the Collection Account including those scheduled to occur on such date). The Issuer will meet the "Overcollateralization Test" if, on any date of determination, the sum of the Outstanding Receivables Balance of all Eligible Receivables plus the amount on deposit in the Collection Account equals or exceeds the sum of the outstanding principal amount of the Senior Notes plus the Required Overcollateralization Amount.

(d) [Reserved].

(e) Disqualification of Institution Maintaining Collection Account. Upon and after the establishment of a new Collection Account with a Qualified Institution, the Servicer shall deposit or cause to be deposited all Collections as set forth in Section 5.3(a) into the new Collection Account, and in no such event shall deposit or cause to be deposited any Collections thereafter into any account established, held or maintained with the institution formerly maintaining the Collection Account (unless it later becomes a Qualified Institution or qualified corporate trust department maintaining the Collection Account).

(f) [Reserved].

Section 5.7. General Provisions Regarding Accounts. Subject to Section 11.1(c), the Trustee shall not in any way be held liable by reason of any insufficiency in any of the Trust Estate resulting from any loss on any Permitted investment included therein except for losses attributable to the Trustee's failure to make payments on such Permitted Investments issued by the Trustee, in its commercial capacity as principal obligor and not as trustee, in accordance with their terms.

Section 5.8. Removed Receivables. Upon satisfaction of the conditions and the requirements of any of (i) Section 8.3(a) and Section 15.1 hereof, (ii) Section 2.08 of the Servicing Agreement or (iii) Section 2.4 of the Purchase Agreement, as applicable, the Issuer shall execute and deliver and, upon receipt of an Issuer Order, the Trustee shall acknowledge an instrument in the form attached hereto as Exhibit C evidencing the Trustee's release of the related Removed Receivables and Related Security, and the Removed Receivables and Related Security shall no longer constitute a part of the Trust Estate. The limited liability company agreement of the Issuer shall provide that (i) the Issuer shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Issuer unless the Independent Directors shall approve the taking of such action in writing prior to the taking of such action, and (ii) such provision cannot be amended without the prior written consent of the Independent Directors;

(iii) any employee, consultant or agent of the Issuer will be compensated from funds of the Issuer, as appropriate, for services provided to the Issuer;

(iv) the Issuer will allocate and charge fairly and reasonably overhead expenses shared with any other Person. To the extent, if any, that the Issuer and any other Person share items of expenses such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered;

(v) the Issuer's operating expenses will not be paid by any other Person except as permitted under the terms of this Indenture or otherwise consented to by the Trustee, at the direction of the Required Noteholders;

(vi) the Issuer's books and records will be maintained separately from those of any other Person;

(vii) all audited financial statements of any Person that are consolidated to include the Issuer will contain notes clearly stating that (A) all of the Issuer's assets are owned by the Issuer, and (B) the Issuer is a separate entity;

(viii) the Issuer's assets will be maintained in a manner that facilitates their identification and segregation from those of any other Person;

(ix) the Issuer will strictly observe appropriate formalities in its dealings with all other Persons, and funds or other assets of the Issuer will not be commingled with those of any other Person, other than temporary commingling in connection with servicing the Receivables to the extent explicitly permitted by this Indenture and the other Transaction Documents;

(x) the Issuer shall not, directly or indirectly, be named or enter into an agreement to be named, as a direct or contingent beneficiary or loss payee, under any insurance policy with respect to any amounts payable due to occurrences or events related to any other Person;

(xi) any Person that renders or otherwise furnishes services to the Issuer will be compensated thereby at market rates for such services it renders or otherwise furnishes thereto. Except as expressly provided in the Transaction Documents, the Issuer will not hold itself out to be responsible for the debts of any other Person or the decisions or actions respecting the daily business and affairs of any other Person; and

(s) PTP Transfer Restricted Interest. Promptly (i) notify the Trustee of the existence of each Note that constitutes a PTP Transfer Restricted Interest and (ii) following request from the Trustee, confirm to the Trustee if any Note specified by the Trustee constitutes a PTP Transfer Restricted Interest.

Section 8.3. Negative Covenants. So long as any Notes are outstanding, the Issuer shall not, unless the Required Noteholders of each Series shall otherwise consent in writing:

(a) Sales, Liens, etc. Except pursuant to, or as contemplated by, the Transaction Documents, the Issuer shall not sell, transfer, exchange, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist voluntarily or, for a period in excess of thirty (30) days, involuntarily any Adverse Claims upon or with respect to any of its assets, including, without limitation, the Trust Estate, any interest therein or any right to receive any amount from or in respect thereof.

(b) Claims, Deductions. Claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code or other applicable Law) or assert any claim against any present or former Noteholder or Certificateholders by reason of the payment of the taxes levied or assessed upon any part of the Trust Estate.

(c) Mergers, Acquisitions, Sales, Subsidiaries, etc. The Issuer shall not:

(i) be a party to any merger or consolidation, or directly or indirectly purchase or otherwise acquire all or substantially all of the assets or any stock of any class of, or any partnership or joint venture interest in, any other Person, except for Permitted Investments, or sell, transfer, assign, convey or lease any of its property and assets (or any interest therein) other than pursuant to, or as contemplated by, this Indenture or the other Transaction Documents;

(ii) make, incur or suffer to exist an investment in, equity contribution to, loan or advance to, or payment obligation in respect of the deferred purchase price of property from, any other Person, except for Permitted Investments or pursuant to the Transaction Documents;

(iii) create any direct or indirect Subsidiary or otherwise acquire direct or indirect ownership of any equity interests in any other Person other than pursuant to the Transaction Documents; or

(iv) enter into any transaction with any Affiliate except for the transactions contemplated by the Transaction Documents and other transactions upon fair and reasonable terms materially no less favorable to the Issuer than would be obtained in a comparable arm's length transaction with a Person not an Affiliate.

(d) Change in Business Policy. The Issuer shall not make any change in the character of its business which would impair in any material respect the collectability of any Receivable.

(e) Other Debt. Except as provided for herein, the Issuer shall not create, incur, assume or suffer to exist any Indebtedness whether current or funded, other than (i) the Notes, (ii) Indebtedness of the Issuer representing fees, expenses and indemnities arising hereunder or under the Purchase Agreement for the purchase price of the Receivables under the Purchase Agreement and (iii) other Indebtedness permitted pursuant to Section 8.3(h).

(f) Certificate of Formation and LLC Agreement. The Issuer shall not amend its certificate of formation or its operating agreement unless the Required Noteholders have agreed to such amendment.

(g) Financing Statements. The Issuer shall not authorize the filing of any financing statement (or similar statement or instrument of registration under the Laws of any jurisdiction) or statements relating to the Trust Estate other than the financing statements authorized and filed in connection with and pursuant to the Transaction Documents.

(h) Business Restrictions. The Issuer shall not (i) engage in any business or transactions, or be a party to any documents, agreements or instruments, other than the Transaction Documents or those incidental to the purposes thereof, or (ii) make any expenditure for any assets (other than Receivables) if such expenditure, when added to other such expenditures made during the same calendar year would, in the aggregate, exceed Ten Thousand Dollars (\$10,000); provided, however, that the foregoing will not restrict the Issuer's ability to pay servicing compensation as provided herein and, so long as no Default, Event of Default or Rapid Amortization Event shall have occurred and be continuing, the Issuer's ability to make payments or distributions legally made to the Issuer's members.

(i) ERISA Matters.

(i) To the extent applicable, the Issuer will not (A) engage or permit any of its respective ERISA Affiliates, in each case over which the Issuer has control, to engage in any prohibited transaction (as defined in Section 4975 of the Code and Section 406 of ERISA) for which an exemption is not available or has not previously been obtained from the U.S. Department of Labor; (B) fail to make, or permit any of the Seller, the initial Servicer or any of their respective ERISA Affiliates, in each case over which the Issuer has control, to fail to make, any payments to any Multiemployer Plan that the Issuer, the Seller, the initial Servicer or any of their respective ERISA Affiliates is required to make under the agreement relating to such Multiemployer Plan or any Law pertaining thereto; (C) terminate, or permit any of the Seller, the initial Servicer or any of their respective ERISA Affiliates, in each case over which the Issuer has control, to terminate, any Benefit Plan so as to result in any liability to the Issuer, the initial Servicer, the Seller or any of their ERISA Affiliates; or (D) permit to exist any occurrence of any reportable event described in Title IV of ERISA with respect to a Pension Plan, if such prohibited transactions, failures to make payment, terminations and reportable events described in clauses (A), (B), (C) and (D) above would in the aggregate have a Material Adverse Effect.

(ii) The Issuer will not permit to exist any failure to satisfy the minimum funding standard (as described in Section 302 of ERISA and Section 412 of the Code) with respect to any Pension Plan.

(iii) The Issuer will not cause or permit, nor permit any of its ERISA Affiliates over which the Issuer has control, to cause or permit, the occurrence of an ERISA Event with respect to any Pension Plans that could result in a Material Adverse Effect.

(j) Name; Jurisdiction of Organization. The Issuer will not change its name or its jurisdiction of organization (within the meaning of the applicable UCC) without prior written notice to the Trustee. Prior to or upon a change of its name, the Issuer will make all filings (including filings of financing statements on form UCC-1) and recordings necessary to maintain the perfection of the interest of the Trustee in the Trust Estate pursuant to this Indenture. The Issuer further agrees that it will not become or seek to become organized under the Laws of more than one jurisdiction. In the event that the Issuer desires to so change its jurisdiction of organization or change its name, the Issuer will make any required filings and prior to actually making such change the Issuer will deliver to the Trustee (i) an Officer's Certificate and an Opinion of Counsel confirming that all required filings have been made to continue the perfected interest of the Trustee in the Trust Estate in respect of such change and (ii) copies of all such required filings with the filing information duly noted thereon by the office in which such filings were made.

(k) The Issuer will not take any action that could cause, and will not omit to take any action, which omission could cause, the Issuer to become taxable as a corporation for U.S. federal income tax purposes.

(l) Accounts. The Issuer shall not maintain any bank accounts other than the Trust Accounts provided, however, that the Issuer may maintain a general bank account to, among other things, receive and hold funds paid to it as a Holder of the Certificates and to pay ordinary-course operating expenses, as applicable. Except as set forth in the Servicing Agreement the Issuer shall not make, nor will it permit the Seller or Servicer to make, any change in its instructions to Obligors regarding payments to be made to the Servicer Account (as defined in the Servicing Agreement). The Issuer shall not add any additional Trust Accounts unless the Trustee (subject to Section 15.1 hereto) shall have consented thereto and received a copy of any documentation with respect thereto. The Issuer shall not terminate any Trust Accounts or close any Trust Accounts unless the Trustee shall have received at least thirty (30) days' prior notice of such termination and (subject to Section 15.1 hereto) shall have consented thereto.

Section 8.4. Further Instruments and Acts. The Issuer will execute and deliver such further instruments, furnish such other information and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 10.2. Rights of the Trustee Upon Events of Default

(a) If and whenever an Event of Default (other than in clause (iii) and (iv) of Section 10.1) shall have occurred and be continuing, the Trustee may, and, at the written direction of the Required Noteholders shall, cause (x) the principal amount of all Senior Notes of all Series outstanding to be immediately due and payable at par, together with interest thereon and (y) the par value of all Outstanding Certificates to be immediately due and payable at par. If an Event of Default with respect to the Issuer specified in clause (iii) or (iv) of Section 10.1 shall occur, all unpaid principal of and accrued interest on all the Senior Notes of all Series outstanding and the par value of all Outstanding Certificates shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholder or Certificateholder. If an Event of Default shall have occurred and be continuing, the Trustee may exercise from time to time any rights and remedies available to it under applicable Law and Section 10.4. Any amounts obtained by the Trustee on account of or as a result of the exercise by the Trustee of any right shall be held by the Trustee as additional collateral for the repayment of the Secured Obligations and shall be applied as provided in Article 5 hereof. If so specified in the applicable Series Supplement, the Trustee may agree to limit its exercise of rights and remedies available to it as a result of the occurrence of an Event of Default to the extent set forth therein.

(b) If an Event of Default shall have occurred and be continuing, then at any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 10 provided, the Required Noteholders, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

- (i) the Issuer has paid to or deposited with the Trustee a sum sufficient to pay

(A) all payments of principal of and interest on all Notes and all other amounts that would then be due hereunder or upon such Notes if the Event of Default giving rise to such acceleration had not occurred; and

(B) all sums paid by the Trustee hereunder and the reasonable compensation, expenses, disbursements of the Trustee and its agents and counsel; and

(ii) all Events of Default, other than the nonpayment of the principal of the Senior Notes and par value of the Certificates that has become due solely by such acceleration, have been cured or waived as provided in Section 10.6.

No such rescission shall affect any subsequent default or impair any right consequent thereto.

(c) Additional Remedies. In addition to any rights and remedies now or hereafter granted hereunder or under applicable Law with respect to the Trust Estate, the Trustee shall have all of the rights and remedies of a secured party under the UCC as enacted in any applicable jurisdiction.

#### Section 10.3. Collection of Indebtedness and Suits for Enforcement by Trustee

(a) The Issuer covenants that if (i) default is made in the payment of any interest on any Senior Note when the same becomes due and payable, and such default continues for a period of five (5) days, (ii) default is made in the payment of any amounts on any Certificates when the same becomes due and payable, and such default continues for a period of five (5) days or (iii) default is made in the payment of the principal of any Senior Note when the same becomes due and payable on the Legal Final Payment Date, the Issuer will pay to it, for the benefit of the Noteholders and Certificateholders, the whole amount then due and payable on such Notes for principal, interest and other amounts, with interest upon the overdue principal, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the applicable Note Rate and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

(b) If an Event of Default occurs and is continuing, the Trustee may (in its discretion) and, at the written direction of the Required Noteholders, shall proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by Law; provided, however, that the Trustee shall sell or otherwise liquidate the Trust Estate or any portion thereof only in accordance with Section 10.4(d).

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture), the Trustee shall be held to represent all the Secured Parties, and it shall not be necessary to make any such Person a party to any such Proceedings.

(d) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar Law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, the Trustee, irrespective of whether the principal or other amount of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal, interest and other amounts owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence, bad faith or willful misconduct) and of the Secured Parties allowed in such Proceedings;

(ii) unless prohibited by applicable Law, to vote on behalf of the Secured Parties in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Secured Parties and of the Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee or the Secured Parties allowed in any judicial Proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Secured Parties to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to such Secured Parties, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence, bad faith or willful misconduct.

(e) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Secured Party or to authorize the Trustee to vote in respect of the claim of any Secured Party in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture or under any of the Notes may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceedings relative thereto, and any such action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the Secured Parties.

Section 10.4. Remedies. If an Event of Default shall have occurred and be continuing, the Trustee may and, at the written direction of the Required Noteholders, shall do one or more of the following:

(a) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable under the Transaction Documents, enforce any judgment obtained, and collect from the Issuer and any other obligor under the Transaction Documents moneys adjudged due;

(b) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;

(c) subject to the limitations set forth in clause (d) below, exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Secured Parties; and

(d) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by Law; provided, however, that the Trustee may not sell or otherwise liquidate the Trust Estate following an Event of Default unless:

(i) the Holders of 100% of the outstanding Senior Notes direct such sale and liquidation,

(ii) the proceeds of such sale or liquidation distributable to the Noteholders of each Series are sufficient to discharge in full all amounts then due and unpaid with respect to all outstanding Senior Notes for principal and interest and any other amounts due Noteholders, or

(iii) the Trustee determines that the proceeds of the Trust Estate will not continue to provide sufficient funds for the payment of principal of and interest on all outstanding Senior Notes as such amounts would have become due if such Senior Notes had not been declared due and payable and the Required Noteholders direct such sale and liquidation.

In determining such sufficiency or insufficiency with respect to clauses (d)(ii) and (d)(iii), the Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Receivables in the Trust Estate for such purpose.

The Trustee may maintain a Proceeding even if it does not possess any of the Notes or does not produce any of them in the Proceeding, and any such Proceeding instituted by the Trustee shall be in its own name as trustee. All remedies are cumulative to the extent permitted by Law.

Section 10.5. [Reserved].

Section 10.6. Waiver of Past Events. If an Event of Default shall have occurred and be continuing, prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 10.2(a), the Required Noteholders may waive any past Default or Event of Default and its consequences except a Default in payment of principal of any of the Senior Notes. In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 10.7. Limitation on Suits. No Noteholder or Certificateholder shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Base Indenture and related Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Noteholder or Certificateholder previously has given written notice to the Trustee of a continuing Event of Default;
- (ii) the Holders of not less than 25% of the outstanding principal amount of all Senior Notes (or, if all Senior Notes have been paid in full, Certificateholders representing 25% of the aggregate par value of all Certificates) of all affected Series have made written request to the Trustee to institute such Proceeding in respect of such Event of Default in its own name as Trustee hereunder;
- (iii) such Noteholder or Certificateholder has offered and provided to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;
- (iv) the Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (v) no direction inconsistent with such written request has been given to the Trustee during such sixty (60) day period by the Required Noteholders;

it being understood and intended that no one or more Noteholder or Certificateholder shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Noteholder or Certificateholder or to obtain or to seek to obtain priority or preference over any other Noteholder or Certificateholder or to enforce any right under this Indenture, except in the manner herein provided.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Secured Parties, each representing less than the Required Noteholders, the Trustee shall proceed in accordance with the request of the greater majority of the outstanding principal amount or par value of the Notes, as determined by reference to such requests.

**Section 10.8. Unconditional Rights of Holders to Receive Payment; Withholding Taxes**

(a) Notwithstanding any other provision of this Indenture except as provided in Section 10.8(b) and (c), the right of any Noteholder or Certificateholder to receive payment of principal, interest or other amounts, if any, on the Note, on or after the respective due dates expressed in the Note or in this Indenture (or, in the case of redemption, on or after the Redemption Date), or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Noteholder or Certificateholder.

(b) Promptly upon request, each Noteholder and Certificateholder shall provide to the Trustee and/or the Issuer (or other person responsible for withholding of taxes, including but not limited to FATCA Withholding Tax, or delivery of information under FATCA) with the Tax Information.

(c) The Paying Agent shall (or if the Trustee is not the Paying Agent, the Trustee shall cause the Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent shall) comply with the provisions of this Indenture applicable to it, comply with all requirements of the Code with respect to the withholding from any payments to Noteholders, including FATCA Withholding Tax (including obtaining and retaining from Persons entitled to payments with respect to the Notes any Tax Information and making any withholdings with respect to the Notes as required by the Code (including FATCA) and paying over such withheld amounts to the appropriate Governmental Authority), comply with respect to any applicable reporting requirements in connection with any payments to Noteholders and Certificateholders, and, upon request, provide any Tax Information to the Issuer.

**Section 10.9. Restoration of Rights and Remedies.** If any Noteholder or Certificateholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee or to such Noteholder or Certificateholder, then and in every such case the Issuer, the Trustee, the Noteholders and Certificateholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, the Noteholders and Certificateholders shall continue as though no such Proceeding had been instituted.

Section 10.10. The Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Noteholders and Certificateholders allowed in any judicial Proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property, and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claim and any custodian in any such judicial Proceeding is hereby authorized by each Noteholder and Certificateholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Noteholders and Certificateholders, to pay the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 11.6 and 11.17. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 11.6 and 11.17 out of the estate in any such Proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, notes and other properties which the Noteholders and Certificateholders may be entitled to receive in such Proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder or Certificateholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Noteholder or Certificateholder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder or Certificateholder in any such Proceeding.

Section 10.11. Priorities. Following the declaration of an Event of Default or a Rapid Amortization Event pursuant to Section 9.1 or 10.2, all amounts in any Payment Account, including any money or property collected pursuant to Section 10.4 (after deducting the reasonable costs and expenses of such collection), shall be applied by the Trustee on the related Payment Date in accordance with the provisions of Article 5 and the applicable Series Supplement.

The Trustee may fix a record date and payment date for any payment to Secured Parties pursuant to this Section. At least fifteen (15) days before such record date the Issuer shall mail to each Secured Party and the Trustee a notice that states the record date, the payment date and the amount to be paid.

Section 10.12. Undertaking for Costs. All parties to this Indenture agree, and each Secured Party shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to (a) any suit instituted by the Trustee, (b) any suit instituted by any Noteholder, or group of Noteholders, in each case holding in the aggregate more than 10% of the aggregate outstanding principal balance of the

Notes on the date of the filing of such action, (c) any suit instituted by any Certificateholder, or group of Certificateholders, in each case holding in the aggregate more than 10% of the aggregate par value of the Certificates on the date of the filing of such action, (d) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture (or, in the case of redemption, on or after the Redemption Date) or (e) any suit instituted by any Certificateholder for the enforcement of the payment of any amount on any Certificate on or after the respective due dates expressed in such Certificate and in this Indenture.

Section 10.13. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Secured Parties is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by Law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 10.14. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Secured Party to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article 10 or by Law to the Trustee or to the Secured Parties may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Secured Parties, as the case may be.

Section 10.15. Control by Noteholders. The Required Noteholders shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee with respect to the Notes or exercising any trust or power conferred on the Trustee; provided that:

- (i) such direction shall not be in conflict with any Law or with this Indenture;
- (ii) subject to the express terms of Section 10.4, any direction to the Trustee to sell or liquidate the Receivables shall be by the Holders of Senior Notes representing not less than 100% of the aggregate outstanding principal balance of all the Senior Notes of all Series;
- (iii) the Trustee shall have been provided with indemnity satisfactory to it; and
- (iv) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

provided, however, that, subject to Section 11.1, the Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Noteholders not consenting to such action.

---

Section 10.16. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension Law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such Law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such Law had been enacted.

Section 10.17. Action on Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Trustee or the Secured Parties shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer.

Section 10.18. Performance and Enforcement of Certain Obligations.

(a) The Issuer agrees to take all such lawful action as is necessary and desirable to compel or secure the performance and observance by the Seller, the Parent and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Transaction Documents in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Transaction Documents, including the transmission of notices of default on the part of the Seller, the Parent or the Servicer thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance by the Seller, the Parent or the Servicer of each of their obligations under the Transaction Documents.

(b) If an Event of Default has occurred and is continuing, the Trustee may, and, at the direction (which direction shall be in writing) of the Required Noteholders shall, subject to Section 10.2(b), exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Parent or the Servicer under or in connection with the Transaction Documents, including the right or power to take any action to compel or secure performance or observance by the Seller, the Parent or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Transaction Documents, and any right of the Issuer to take such action shall be suspended.

Section 10.19. Reassignment of Surplus. Promptly after termination of this Indenture and the payment in full of the Secured Obligations, any proceeds of all the Receivables and other assets in the Trust Estate received or held by the Trustee shall be turned over to the Issuer and the Receivables and other assets in the Trust Estate shall be released to the Issuer by the Trustee without recourse to the Trustee and without any representations, warranties or agreements of any kind.

ARTICLE 11.

THE TRUSTEE

Section 11.1. Duties of the Trustee.

(a) If an Event of Default has occurred and is continuing, and of which a Trust Officer of the Trustee has written notice, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and any related document, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs; provided, however, that the Trustee shall have no liability in connection with any action or inaction taken, or not taken, by it upon the deemed occurrence of an Event of Default of which a Trust Officer has not received written notice; and provided, further that the preceding sentence shall not have the effect of insulating the Trustee from liability arising out of the Trustee's negligence or willful misconduct.

(b) Except during the occurrence and continuance of an Event of Default of which a Trust Officer of the Trustee has written notice:

(i) the Trustee undertakes to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture or any related document against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely (without independent confirmation, verification, inquiry or investigation of the contents thereof), as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture and, if applicable, the Transaction Documents to which the Trustee is a party, provided, further, that the Trustee shall not be responsible for the accuracy or content of any of the aforementioned documents and the Trustee shall have no obligation to verify or recompute any numeral information provided to it pursuant to the Transaction Documents.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct except that:

(i) this clause does not limit the effect of clause (b) of this Section 11.1;

(ii) the Trustee shall not be personally liable for any error of Judgment made in good faith by a Trust Officer or Trust Officers of the Trustee, unless it is conclusively determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms of the Indenture or the Transaction Documents;

(iv) the Trustee shall not be charged with knowledge of any failure by the Servicer referred to in ~~clauses (a)-(g)~~ of Section 2.04 of the Servicing Agreement unless a Trust Officer of the Trustee obtains actual knowledge of such failure or the Trustee receives written notice of such failure from the Servicer or any Holders of Notes evidencing not less than 10% of the aggregate outstanding principal balance or par value of the Notes of any Series adversely affected thereby.

(d) Notwithstanding anything to the contrary contained in this Indenture or any of the Transaction Documents, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights and powers, if there is reasonable ground (as determined by the Trustee in its sole discretion) for believing that the repayment of such funds or adequate indemnity against such risk is not reasonably assured to it by the security afforded to it by the terms of this Indenture.

(e) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA (if this Indenture is required to be qualified under the TIA).

(f) The Trustee shall, and hereby agrees that it will, perform all of the obligations and duties required of it under the Servicing Agreement.

(g) Without limiting the generality of this Section 11.1 and subject to the other provisions of this Indenture, the Trustee shall have no duty (i) to see to any recording, filing or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any recording, refiling or repositing of any thereof or to see to the validity, perfection, continuation, or value of any lien or security interest created herein, (ii) to see to the payment or discharge of any tax, assessment or other governmental Lien owing with respect to, assessed or levied against any part of the Issuer, (iii) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Indenture or the Servicing Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties, (iv) to determine whether any Receivables is an Eligible Receivable or to inspect the Receivables at any time or ascertain or inquire as to the performance or observance of any of the Issuer's, the Seller's, the Parent's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as Custodian of the Receivable Files under the Servicer Transaction Documents, (v) the acquisition or maintenance of any insurance, or (vi) to determine when a Repurchase Event occurs. The Trustee shall be authorized to, but shall in no event have any duty or responsibility to, file any financing or continuation statements or record any documents or instruments in any public office at any time or times or otherwise perfect or maintain any security interest in the Trust Estate.

---

(h) Subject to Section 11.1(d), in the event that the Paying Agent or the Transfer Agent and Registrar (if other than the Trustee) shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Paying Agent or the Transfer Agent and Registrar, as the case may be, under this Indenture, the Trustee shall be obligated as soon as practicable upon written notice to a Trust Officer thereof and receipt of appropriate records and information, if any, to perform such obligation, duty or agreement in the manner so required.

(i) No provision of this Indenture shall be construed to require the Trustee to perform, or accept any responsibility for the performance of, the obligations of the Servicer hereunder until it shall have assumed such obligations in accordance with this Section 11.1 and the provisions of the Servicing Agreement.

(j) Subject to Section 11.4, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by Law or the Transaction Documents.

(k) Except as otherwise required or permitted by the TIA (if this Indenture is required to be qualified under the TIA), nothing contained herein shall be deemed to authorize the Trustee to engage in any business operations or any activities other than those set forth in this Indenture. Specifically, the Trustee shall have no authority to engage in any business operations, acquire any assets other than those specifically included in the Trust Estate under this Indenture or otherwise vary the assets held by the Issuer. Similarly, the Trustee shall have no discretionary duties other than performing those ministerial acts set forth above necessary to accomplish the purpose of this Indenture.

(l) The Trustee shall not be required to take notice or be deemed to have notice or knowledge of any Default or Event of Default unless a Trust Officer of the Trustee shall have received written notice thereof. In the absence of receipt of such notice, the Trustee may conclusively assume that there is no Default or Event of Default.

(m) [Reserved].

(n) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Servicer and/or a specified percentage of Noteholders or Certificateholders under circumstances in which such direction is required or permitted by the terms of this Base Indenture, a Series Supplement or other Transaction Document.

(o) The enumeration of any permissive right or power herein or in any other Transaction Document available to the Trustee shall not be construed to be the imposition of a duty.

(p) The Trustee shall not be liable for interest on any money received by it except as the Trustee may separately agree in writing with the Issuer.

(q) Every provision of the Indenture or any related document relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

(r) The Trustee shall not be responsible for or have any liability for the collection of any Contracts or Receivables or the recoverability of any amounts from an Obligor or any other Person owing any amounts as a result of any Contracts or Receivables, including after any default of any Obligor or any other such Person.

Section 11.2. Rights of the Trustee. Except as otherwise provided by Section 11.1:

(a) The Trustee may conclusively rely on and shall be protected in acting upon or refraining from acting upon and in accord with, without any duty to verify the contents or recompute any calculations therein, any document (whether in its original or facsimile form), including the Monthly Servicer Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee, the Monthly Statement, any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document, believed by it to be genuine and to have been signed by or presented by the proper Person. Without limiting the Trustee's obligations to examine pursuant to Section 11.1(b)(ii), the Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, the Trustee may require an Officer's Certificate or an Opinion of Counsel or consult with counsel of its selection and the Officer's Certificate or the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, custodians and nominees and the Trustee shall not be liable for any misconduct or negligence on the part of, or for the supervision of, any such agent or attorneys, custodian or nominee so long as such agent, custodian or nominee is appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Base Indenture or any Series Supplement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Noteholders or Certificateholders, pursuant to the provisions of this Base Indenture or any Series Supplement, unless such Noteholders or Certificateholders shall have offered to the Trustee security or indemnity satisfactory to the Trustee (in its sole discretion) against the costs, expenses (including attorneys' fees and expenses) and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Trustee of the obligations, upon

the occurrence of an Event of Default (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Base Indenture or any Series Supplement, and to use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(f) The Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document (including, the Monthly Servicer's Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee or the Monthly Statement), unless requested in writing so to do by the Holders of Notes evidencing not less than 25% of the aggregate outstanding principal balance or par value of Notes of any Series, but the Trustee may, but is not obligated to, make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the Person making such request, or, if paid by the Trustee, shall be reimbursed by the Person making such request.

(g) The Trustee shall have no liability for the selection of Permitted Investments and shall not be liable for any losses or liquidation penalties in connection with Permitted Investments, unless such losses or liquidation penalties were incurred through the Trustee's own willful misconduct or negligence. The Trustee shall have no obligation to invest or reinvest any amounts except as directed by the Issuer (or the initial Servicer) in accordance with this Indenture. Notwithstanding the foregoing, if the initial Servicer is removed or replaced, the selected Permitted Investment for investment or reinvestment as provided in this Indenture shall be as in effect on the date of such removal or replacement.

(h) The Trustee shall not be liable for the acts or omissions of any successor to the Trustee so long as such acts or omissions were not the result of the negligence, bad faith or willful misconduct of the predecessor Trustee.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee (a) in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder and (b) in each document to which it is a party whether or not specifically set forth herein.

(j) Except as may be required by Sections 11.1(b)(ii), 11.1(i), 11.2(a) and 11.2(f), the Trustee shall not be required to make any initial or periodic examination of any documents or records related to the Trust Estate for the purpose of establishing the presence or absence of defects, the compliance by the Seller, the Parent or the Servicer with their respective representations and warranties or for any other purpose.

---

(k) Without limiting the Trustee's obligation to examine pursuant to Section 11.1(b)(ii), the Trustee shall not be bound to make any investigation into (i) the performance or observance by the Issuer, any Servicer or any other Person of any of the covenants, agreements or other terms or conditions set forth in this Indenture or in any related document, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture, any related document or any other agreement, instrument or document, (iii) the creation, perfection or priority of any Lien purported to be created by this Indenture or any related document, (iv) the value or the sufficiency of any collateral or (v) the satisfaction of any condition set forth in this Indenture or any related document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Servicer, personally or by agent or attorney, and shall incur no liability of any kind by reason of such inquiry or investigation.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee may, from time to time, request that the Issuer and any other applicable party deliver a certificate (upon which the Trustee may conclusively rely) setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or any related document together with a specimen signature of such authorized officers; provided, however, that from time to time, the Issuer or such other applicable party may, by delivering to the Trustee a revised certificate, change the information previously provided by it pursuant to the Indenture, but the Trustee shall be entitled to conclusively rely on the then current certificate until receipt of a superseding certificate.

(n) The right of the Trustee to perform any discretionary act enumerated in this Indenture or any related document shall not be construed as a duty.

(o) Except for notices, reports and other documents expressly required to be furnished to the Holders by the Trustee hereunder, the Trustee shall not have any duty or responsibility to provide any Holder with any other information concerning the Issuer, the servicer or any other parties to any related documents which may come into the possession of the Trustee or any of its officers, directors, employees, agents, representatives or attorneys-in-fact.

(p) If the Trustee requests instructions from the Issuer or the Holders with respect to any action or omission in connection with this Indenture, the Trustee shall be entitled (without incurring any liability therefor) to refrain from taking such action and continue to refrain from acting unless and until the Trustee shall have received written instructions from the Issuer or the Holders, as applicable, with respect to such request.

(q) In order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering (“Applicable Law”), the Trustee is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

(r) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture or any related documents because of circumstances beyond the Trustee’s control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Indenture or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Trustee’s control whether or not of the same class or kind as specified above.

(s) The Trustee shall not be liable for failing to comply with its obligations under this Indenture in so far as the performance of such obligations is dependent upon the timely receipt of instructions and/or other information from any other Person which are not received or not received by the time required.

(t) The Trustee shall be fully justified in failing or refusing to take any action under this Indenture or any other related document if such action (A) would, in the reasonable opinion of the Trustee, in good faith (which may be based on the advice or opinion of counsel), be contrary to applicable Law, this Indenture or any other related document, or (B) is not provided for in the Indenture or any other related document.

(u) The Trustee shall not be required to take any action under this Indenture or any related document if taking such action (A) would subject the Trustee to a tax in any jurisdiction where it is not then subject to a tax, or (B) would require the Trustee to qualify to do business in any jurisdiction where it is not then so qualified.

Section 11.3. Trustee Not Liable for Recitals in Notes The Trustee assumes no responsibility for the correctness of the recitals contained in this Indenture and in the Notes (other than the signature and authentication of the Trustee on the Notes). Except as set forth in Section 11.16, the Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes (other than the signature and authentication of the Trustee on the Notes) or of any asset of the Trust Estate or related document. The Trustee shall not be accountable for the use or application by the Issuer or the Seller of any of the Notes or of the

proceeds of such Notes, or for the use or application of any funds paid to the Seller or to the Issuer in respect of the Trust Estate or deposited in or withdrawn from the Collection Account or any Series Account by the Servicer.

Section 11.4. Individual Rights of the Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or an Affiliate of the Issuer with the same rights it would have if it were not Trustee. Any Paying Agent, Transfer Agent and Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 11.9 and 11.11.

Section 11.5. Notice of Defaults. If a Default, Event of Default or Rapid Amortization Event occurs and is continuing and if a Trust Officer of the Trustee receives written notice or has actual knowledge thereof, the Trustee shall promptly provide each Notice Person (and, with respect to any Event of Default or Rapid Amortization Event, each Noteholder and Certificateholder), to the extent possible by email or facsimile, and, otherwise, by first class mail at their respective addresses appearing in the Note Register.

Section 11.6. Compensation.

(a) To the extent not otherwise paid pursuant to the Indenture, the Issuer covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to receive, such compensation as the Issuer and the Trustee shall agree in writing from time to time (which compensation shall not be limited by any provision of Law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the trust hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee, and, the Issuer will pay or reimburse the Trustee (without reimbursement from the Collection Account, any Payment Account, any Series Account or otherwise) all reasonable expenses, disbursements and advances (including legal fees and costs and costs of persons not regularly employed by the Trustee) incurred or made by the Trustee in accordance with any of the provisions of this indenture except any such expense, disbursement or advance as may arise from its own willful misconduct or negligence.

(b) The obligations of the Issuer under this Section 11.6 shall survive the termination of this Base Indenture and the resignation or removal of the Trustee.

Section 11.7. Replacement of the Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 11.7.

(b) The Trustee may, after giving sixty (60) days' prior written notice to the Issuer and the Servicer, resign at any time and be discharged from the trust hereby created; provided, however, that no such resignation of the Trustee shall be effective until a successor trustee has assumed the obligations of the Trustee hereunder. The Issuer may remove the Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee if:

(i) the Trustee fails to comply with Section 11.9;

(ii) a court or federal or state bank regulatory agency having jurisdiction in the premises in respect of the Trustee shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or similar official) for the Trustee or for any substantial part of the Trustee's property, or ordering the winding-up or liquidation of the Trustee's affairs;

(iii) the Trustee consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or other similar official) for the Trustee or for any substantial part of the Trustee's property, or makes any assignment for the benefit of creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing; or

(iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning and one copy to the successor trustee.

(c) If a successor Trustee does not take office within thirty (30) days after the retiring Trustee provides written notice of its resignation or is removed, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring or removed Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers and duties of the Trustee under this Base Indenture and any Series Supplement. The successor Trustee shall mail a notice of its succession to Noteholders and Certificateholders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer to the successor Trustee all property held by it as Trustee and all documents and statements held by it hereunder; provided, however, that all sums owing to the retiring Trustee hereunder (and its agents and counsel) have been paid, and the Issuer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties and obligations. Notwithstanding replacement of the Trustee pursuant to this Section 11.7, the Issuer's obligations under Sections 11.6 and 11.17 shall continue for the benefit of the retiring Trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 11.7 shall not become effective until acceptance of appointment by the successor Trustee pursuant to this Section 11.7 and payment of all fees and expenses owed to the retiring Trustee.

---

(e) No successor Trustee shall accept appointment as provided in this Section 11.7 unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 11.9 hereof.

Section 11.8. Successor Trustee by Merger, etc. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such Person shall be eligible under the provisions of Section 11.9 hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 11.9. Eligibility: Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a) (if this Indenture is required to be qualified under the TIA).

The Trustee hereunder shall at all times be organized and doing business under the Laws of the United States of America or any State thereof authorized under such Laws to exercise corporate trust powers, having a long-term unsecured debt rating of at least BBB- (or the equivalent thereof) by a Rating Agency, having, in the case of an entity that is subject to risk-based capital adequacy requirements, risk-based capital of at least \$50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to Law, then for the purpose of this Section 11.9, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee shall comply with TIA Section 310(b), including the optional provision permitted by the second sentence of TIA Section 310(b)(9) (if this Indenture is required to be qualified under the TIA); provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 11.9, the Trustee shall resign immediately in the manner and with the effect specified in Section 11.7.

Section 11.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Base Indenture or any Series Supplement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Secured Parties, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this Section 11.10 such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 11.9 and no notice to Noteholders or Certificateholders of the appointment of any co-trustee or separate trustee shall be required under Section 11.7. No co-trustee shall be appointed without the consent of the Issuer unless such appointment is required as a matter of Law or to enable the Trustee to perform its functions hereunder. The appointment of any co-trustee or separate trustee shall not relieve the Trustee of any of its obligations hereunder.

(b) Every separate trustee and co-trustee shall, to the extent permitted by Law, be appointed and act subject to the following provisions and conditions:

(i) the Notes of each Series shall be authenticated and delivered solely by the Trustee or an authenticating agent appointed by the Trustee;

(ii) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any Law (whether as Trustee hereunder or as successor to the Servicer under the Servicing Agreement), the Trustee shall be incompetent or unqualified to perform, such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(iii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustees, hereunder, including acts or omissions of predecessor or successor trustees;

(iv) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee; and

(v) the Trustee shall remain primarily liable for the actions of any co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article 11. Each separate trustee and co-trustee, upon its

acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Base Indenture and any Series Supplement, specifically including every provision of this Base Indenture or any Series Supplement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by Law, to do any lawful act under or in respect to this Base Indenture or any Series Supplement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by Law, without the appointment of a new or successor Trustee.

Section 11.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b) (if this Indenture is required to be qualified under the TIA). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated (if this Indenture is required to be qualified under the TIA).

Section 11.12. Taxes. Neither the Trustee nor (except to the extent the initial Servicer breaches its obligations or covenants contained in the Servicing Agreement) the Servicer shall be liable for any liabilities, costs or expenses of the Issuer, the Noteholders, the Certificateholders nor the Note Owners arising under any tax Law, including without limitation federal, state, local or foreign income or franchise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto or arising from a failure to comply therewith).

Section 11.13. [Reserved].

Section 11.14. Suits for Enforcement. If an Event of Default shall occur and be continuing, the Trustee, may (but shall not be obligated to) subject to the provisions of Section 2.01 of the Servicing Agreement, proceed to protect and enforce its rights and the rights of any Secured Party under this Indenture or any other Transaction Document by a Proceeding, whether for the specific performance of any covenant or agreement contained in this Indenture or such other Transaction Document or in aid of the execution of any power granted in this Indenture or such other Transaction Document or for the enforcement of any other legal, equitable or other remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or any Secured Party.

Section 11.15. Reports by Trustee to Holders. The Trustee shall deliver to each Noteholder and Certificateholder such information as may be expressly required by the Code.

Section 11.16. Representations and Warranties of Trustee. The Trustee represents and warrants to the Issuer and the Secured Parties that:

- (i) the Trustee is a banking corporation duly organized, existing and authorized to engage in the business of banking under the Laws of the State of New York;

(ii) the Trustee has full power, authority and right to execute, deliver and perform this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes, and has taken all necessary action to authorize the execution, delivery and performance by it of this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes;

(iii) this Indenture has been duly executed and delivered by the Trustee; and

(iv) the Trustee meets the requirements of eligibility hereunder set forth in Section 11.9.

Section 11.17. The Issuer Indemnification of the Trustee. The Issuer shall fully indemnify, defend and hold harmless the Trustee (and any predecessor Trustee) and its directors, officers, agents and employees from and against any and all loss, liability, claim, expense, damage or injury suffered or sustained of whatever kind or nature regardless of their merit, demanded, asserted, or claimed directly or indirectly relating to any acts, omissions or alleged acts or omissions arising out of the activities of the Trustee pursuant to this Base Indenture or any Series Supplement and any other Transaction Document to which it is a party or any transaction contemplated hereby or thereby, including but not limited to any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, Proceeding or claim; provided, however, that the Issuer shall not indemnify the Trustee or its directors, officers, employees or agents if such acts, omissions or alleged acts or omissions constitute negligence or willful misconduct by the Trustee. The indemnity provided herein shall (i) survive the termination of this Indenture and the resignation and removal of the Trustee and (ii) apply to the Trustee (including (i) in its capacity as Agent and (ii) Deutsche Bank Trust Company Americas, as Collateral Trustee, Securities Intermediary and Depository Bank).

Section 11.18. Trustee's Application for Instructions from the Issuer. Any application by the Trustee for written instructions from the Issuer or the initial Servicer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. Subject to Section 11.1, the Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than thirty (30) days after the date any Responsible Officer of the Issuer or the initial Servicer actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

Section 11.19. [Reserved]

Section 11.20. Maintenance of Office or Agency. The Trustee will maintain an office or offices, or agency or agencies, where notices and demands to or upon the Trustee in respect of the Notes and this Indenture may be served. The Trustee initially appoints its Corporate Trust Office as its office for such purposes. The Trustee will give prompt written notice to the Issuer, the Servicer, the Noteholders and the Certificateholders of any change in the location of the Note Register or any such office or agency.

Section 11.21. Concerning the Rights of the Trustee. The rights, privileges and immunities afforded to the Trustee in the performance of its duties under this Indenture shall apply equally to the performance by the Trustee of its duties under each other Transaction Document to which it is a party.

Section 11.22. Direction to the Trustee. The issuer hereby directs the Trustee to enter into the Transaction Documents.

Section 11.23. Repurchase Demand Activity Reporting.

(a) To assist in the Seller's compliance with the provisions of Rule 15Ga-1 under the Exchange Act ("Rule 15Ga-1"), subject to paragraph (b) below, the Trustee shall provide the following information (the "Rule 15Ga-1 Information") to the Seller in the manner, timing and format specified below:

(i) No later than the fifteenth (15th) day following the end of each calendar quarter in which any Series is outstanding, the Trustee shall provide information regarding repurchase demand activity during the preceding calendar quarter related to the underlying assets for each such Series in substantially the form of Exhibit H hereto.

(ii) If (x) the Trustee has previously delivered a report described in clause (i) above indicating that, based on a review of the records of the Trustee, there was no asset repurchase demand activity during the applicable period, and (y) based on a review of the records of the Trustee, no asset repurchase demand activity has occurred since the delivery of such report, the Trustee may, in lieu of delivering the information as is requested pursuant to clause (i) above substantially in the form of Exhibit H hereto, and no later than the date specified in clause (i) above, notify the Seller that there has been no change in asset repurchase demand activity since the date of the last report delivered.

(iii) The Trustee shall provide notification, as soon as practicable and in any event within five (5) Business Days of receipt, of all demands communicated to the Trustee for the repurchase or replacement of the underlying assets for any Series.

(b) The Trustee shall provide Rule 15Ga-1 Information subject to the following understandings and conditions:

(i) The Trustee shall provide Rule 15Ga-1 Information only to the extent that the Trustee has Rule 15Ga-1 Information or can obtain Rule 15Ga-1 Information without unreasonable effort or expense; provided that the Trustee's efforts to obtain Rule 15Ga-1 Information shall be limited to a review of its internal written records of repurchase demand activity for the applicable Series and that the Trustee is not required to request information from any other parties.

(ii) The reporting of repurchase demand activity pursuant to this Section 11.23 is subject in all cases to the best knowledge of the Trust Officer responsible for the applicable Series.

(iii) The reporting of repurchase demand activity pursuant to this Section 11.23 is required only to the extent such repurchase demand activity was not addressed to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, the Issuer or the initial Servicer or previously reported to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, Issuer or initial Servicer by the Trustee. For purposes hereof, the term “demand” shall not include (x) repurchases or replacements made pursuant to instruction, direction or request from the Seller or its affiliates or (y) general inquiries, including investor inquiries, regarding asset performance or possible breaches of representations or warranties.

(iv) The Trustee’s reporting pursuant to this Section 11.23 is limited to information that the Trustee has received or acquired solely in its capacity as Trustee for the applicable Series and not in any other capacity. In no event shall Deutsche Bank Trust Company Americas (individually or as Trustee) have any responsibility or liability in connection with (i) the compliance by any Person which is a securitizer (as defined in Rule 15Ga-1) of the Series, or any other Person, with Rule 15Ga-1 or any related rules or regulations or (ii) any filing required to be made by a securitizer (as defined in Rule 15Ga-1) under Rule 15Ga-1 in connection with the Rule 15Ga-1 Information provided pursuant to this Section 11.23. Other than any express duties or responsibilities as Trustee under the Transaction Documents, the Trustee has no duty or obligation to undertake any investigation or inquiry related to repurchase demand activity or otherwise to assume any additional duties or responsibilities in respect of any Series, and no such additional obligations or duties are implied. The Trustee is entitled to the full benefit of any and all protections, limitations on duties or liability and rights of indemnity provided by the terms of the Transaction Documents in connection with any actions pursuant to this Section 11.23.

(v) Unless and until the Trustee is otherwise notified in writing, any Rule 15Ga-1 Information provided pursuant to this Section 11.23 shall be provided in electronic format via e-mail and directed as follows: [john.foxgrover@progressfin.com](mailto:john.foxgrover@progressfin.com).

(vi) The Trustee’s obligation pursuant to this Section 11.23 continue until the earlier of (x) the date on which such Series is no longer outstanding and (y) the date the Seller notifies the Trustee that such reporting no longer is required.

ARTICLE 12.

DISCHARGE OF INDENTURE

Section 12.1. Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of Noteholders to receive payments of principal thereof and interest thereon and any other amount due to Noteholders, (ii) rights of Certificateholders to receive payments of amount distributable to Certificateholders, (iii) Sections 8.1, 11.6, 11.12, 11.17, 12.2, 12.5(b), 15.16 and 15.17, (iv) the rights, obligations and immunities of the Trustee hereunder (including the rights of the Trustee under Sections 11.6 and 11.17 and the obligations of the Trustee under Section 12.2) and (v) the rights of Noteholders and Certificateholders as beneficiaries hereof with respect to the property deposited with the Trustee as described below payable to all or any of them, and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes (and their related Secured Parties), on the Payment Date with respect to any Series (the "Indenture Termination Date") on which the Issuer has paid, caused to be paid or irrevocably deposited or caused to be irrevocably deposited in the applicable Payment Account and any applicable Series Account funds sufficient to pay in full all Secured Obligations, and the Issuer has delivered to the Trustee an Officer's Certificate, an Opinion of Counsel and, if required by the TIA (if this Indenture is required to be qualified under the TIA), an Independent Certificate from a firm of certified public accountants, each meeting the applicable requirements of Section 15.1(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

After any irrevocable deposit made pursuant to Section 12.1 and satisfaction of the other conditions set forth herein, the Trustee promptly upon request shall acknowledge in writing the discharge of the Issuer's obligations under this Indenture except for those surviving obligations specified above.

Section 12.2. Application of Issuer Money. All moneys deposited with the Trustee pursuant to Section 12.1 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Base Indenture and the related Series Supplement, to the payment, either directly or through any Paying Agent to the Noteholder or Certificateholder of the particular Notes for the payment or redemption of which such moneys have been deposited with the Trustee, of all sums due and to become due thereon for principal, interest and other amounts; but such moneys need not be segregated from other funds except to the extent required herein or in the other Transaction Documents or required by Law.

The provisions of this Section 12.2 shall survive the expiration or earlier termination of this Indenture.

Section 12.3. Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent other than the Trustee under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Trustee to be held and applied according to Section 8.1 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

Section 12.4. [Reserved]

Section 12.5. Final Payment with Respect to Any Series

(a) Written notice of any termination, specifying the Payment Date upon which the Noteholders or Certificateholders of any Series may surrender their Notes for final payment with respect to such Series and cancellation, shall be given (subject to at least two (2) Business Days' prior notice from the Issuer to the Trustee) by the Trustee to Noteholders or Certificateholders of such Series mailed not later than five (5) Business Days preceding such final payment (or in the manner provided by the Series Supplement relating to such Series) specifying (i) the Payment Date (which shall be the Payment Date in the month (x) in which the deposit is made as may be specified in the related Series Supplement, or (y) in which the related Series Termination Date occurs) upon which final payment of such Notes will be made upon presentation and surrender of such Notes at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such Payment Date is not applicable, payments being made only upon presentation and surrender of the Notes at the office or offices therein specified. The Issuer's notice to the Trustee in accordance with the preceding sentence shall be accompanied by an Officer's Certificate setting forth the information specified in Article 6 of this Base Indenture covering the period during the then current calendar year through the date of such notice and setting forth the date of such final distribution. The Trustee shall give such notice to the Transfer Agent and the Paying Agent at the time such notice is given to such Noteholders or Certificateholders.

(b) Notwithstanding the termination or discharge of the trust of the Indenture pursuant to Section 12.1 or the occurrence of the Series Termination Date with respect to any Series, all funds then on deposit in the Payment Account shall continue to be held in trust for the benefit of the Noteholders or Certificateholders of the related Series and the Paying Agent or the Trustee shall pay such funds to the Noteholders or Certificateholders of the related Series upon surrender of their Notes. In the event that all of the Noteholders or Certificateholders of any Series shall not surrender their Notes for cancellation within six (6) months after the date specified in the above-mentioned written notice, the Trustee shall give second written notice to the remaining Noteholders or Certificateholders of such Series upon receipt of the appropriate records from the Transfer Agent and Registrar to surrender their Notes for cancellation and receive the final distribution with respect thereto. If within one and one-half years after the second notice with respect to a Series, all the Notes of such Series shall not have been surrendered for cancellation, the Trustee may take appropriate steps or may appoint an agent to take appropriate steps, to contact the remaining Noteholders or Certificateholders of such Series concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Payment Account or any Series Account held for the benefit of such Noteholders. The Trustee and the Paying Agent shall pay to the Issuer upon request any monies held by them for the payment of principal or interest which remains unclaimed for two (2) years. After such payment to the Issuer, Noteholders or Certificateholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property Law designates another Person.

(c) All Notes surrendered for payment of the final distribution with respect to such Notes and cancellation shall be cancelled by the Transfer Agent and Registrar and be disposed of in a manner satisfactory to the Trustee and the Issuer.

Section 12.6. Termination Rights of Issuer. Upon the termination of the Lien of the Indenture pursuant to Section 12.1, and after payment of all amounts due hereunder on or prior to such termination, the Trustee shall execute a written release and reconveyance substantially in the form of Exhibit A hereto pursuant to which it shall release the Lien of the Indenture and reconvey to the Issuer (without recourse, representation or warranty) all right, title and interest in the Trust Estate, whether then existing or thereafter created, all moneys due or to become due with respect to such Trust Estate and all proceeds of the Trust Estate, except for amounts held by the Trustee or any Paying Agent pursuant to Section 12.5(b). The Trustee shall execute and deliver such instruments of transfer and assignment, in each case without recourse, as shall be reasonably requested by the Issuer or the Servicer to vest in the Issuer all right, title and interest in the Trust Estate.

Section 12.7. Repayment to the Issuer. The Trustee and the Paying Agent shall promptly pay to the Issuer upon written request any excess money or, pursuant to Sections 2.10 and 2.13, return any Notes held by them at any time.

#### AMENDMENTS

Section 13.1. Supplemental Indentures without Consent of the Noteholders. Without the consent of the Holders of any Notes, and, if the Certificateholders', Servicer's or Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby, with the consent of the Certificateholders, the Servicer or the Back-Up Servicer, as applicable, the Issuer and the Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indenture supplements or amendments hereto or amendments to any Series Supplement (which shall conform to any applicable provisions of the TIA as in force at the date of execution thereof), in form satisfactory to the Trustee, unless otherwise provided in a Series Supplement, for any of the following purposes:

(a) to correct or amplify the description of any property at any time subject to the Lien of this Indenture, or better to assure, convey and confirm unto the Trustee any property subject or required to be subjected to the Lien of this Indenture, or to subject to the Lien of this Indenture additional property;

(b) to evidence the succession, in compliance with the applicable provisions hereof, of another Person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes;

(c) to add to the covenants of the Issuer for the benefit of any Secured Parties or to surrender any right or power herein conferred upon the Issuer;

(d) to convey, transfer, assign, mortgage or pledge to the Trustee any property or assets as security for the Secured Obligations and to specify the terms and conditions upon

which such property or assets are to be held and dealt with by the Trustee and to set forth such other provisions in respect thereof as may be required by this Indenture or as may, consistent with the provisions of this Indenture, be deemed appropriate by the Issuer and the Trustee, or to correct or amplify the description of any such property or assets at any time so mortgaged, pledged, conveyed and transferred to the Trustee;

(e) to cure any ambiguity, or correct or supplement any provision of this Indenture which may be inconsistent with any other provision of this Indenture or the final offering memorandum for any Series of Notes;

(f) to make any other provisions with respect to matters or questions arising under this Indenture; provided, however, that such action shall not adversely affect the interests of any Holder of the Notes in any material respect without consent being provided as set forth in Section 13.2;

(g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes of one or more Series or to add to or change any of the provisions of this Indenture as shall be necessary and permitted to provide for or facilitate the administration of the trusts hereunder by more than one trustee pursuant to the requirements of Article 11; or

(h) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

provided, however, that no amendment or supplement shall be permitted unless a Tax Opinion is delivered to the Trustee.

Upon the request of the Issuer and upon receipt by the Trustee of the documents described in Section 2.2, the Trustee shall join with the Issuer in the execution of any supplemental indenture or amendment authorized or permitted by the terms of this Base Indenture and shall make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such supplemental indenture or amendment that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 13.2. Supplemental Indentures with Consent of Noteholders. The Issuer and the Trustee, when authorized by an Issuer Order, also may, and unless otherwise provided in any Series Supplement, with the consent of the Required Noteholders and, if the Certificateholders', Servicer's or the Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby, the Certificateholders, the Servicer or the Back-Up Servicer, as applicable, enter into one or more indenture supplements or amendments hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes of any Series under this Indenture; provided, however, that no such indenture supplement or amendment shall, without the consent of the Required Noteholders and without the consent of the Holder of each outstanding Note affected thereby (and in the case of clause (iii) below, the consent of each Secured Party):

(i) change the date of payment of any installment of principal of or interest on, or any premium payable upon the redemption of, any Note or reduce in any manner the principal amount thereof, the interest rate thereon or the Redemption Price with respect thereto, modify the provisions of this Base Indenture or any Series Supplement relating to the application of Collections on, or the proceeds of the sale of, the Trust Estate to payment of principal of, or interest on, the Notes, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable;

---

(ii) change the Noteholder voting requirements with respect to any Transaction Document;

(iii) impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article 9, to the payment of any such amount due on the Notes on or after the respective due dates thereof (or, in the case of redemption, on or after the Redemption Date);

(iv) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required for any such indenture supplement or amendment, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(v) modify or alter the provisions of this Indenture regarding the voting of Notes held by the Issuer, the Seller or an Affiliate of the foregoing;

(vi) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required to direct the Trustee to sell or liquidate the Trust Estate pursuant to Section 10.4 if the proceeds of such sale would be insufficient to pay the principal amount and accrued but unpaid interest on the outstanding Notes;

(vii) modify any provision of this Section 13.2, except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby;

(viii) modify any of the provisions of this Indenture in such manner as to affect in any material respect the calculation of the amount of any payment of interest or principal due on any Note on any Payment Date (including the calculation of any of the individual components of such calculation), to alter the application of "Collections" or to affect the rights of the Holders of Notes to the benefit of any provisions for the mandatory redemption of the Notes contained in this Indenture; or

(ix) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the Trust Estate for the Notes (except for Permitted Encumbrances) or, except as otherwise permitted or contemplated in this Indenture, terminate the Lien of this Indenture on any such collateral at any time subject hereto or deprive any Secured Party of the security provided by the Lien of this Indenture;

provided, further, that no amendment will be permitted if it would cause any Noteholder or Certificateholder to recognize gain or loss for U.S. federal income tax purposes, unless such Noteholder's or Certificateholder's consent is obtained as described above.

The Trustee may, but shall not be obligated to, enter into any such amendment or supplement that affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

It shall not be necessary for any consent of Noteholders or Certificateholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof. Additionally, with respect to a Book-Entry Note, such consent may be provided directly by the Note Owner or indirectly through a Clearing Agency or Foreign Clearing Agency.

The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Note shall be subject to such reasonable requirements as the Trustee may prescribe.

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture or amendment to this Base Indenture or any Series Supplement pursuant to this Section, the Trustee shall mail to each Holder of the Notes of all Series (or with respect to an amendment or supplemental indenture of a Series Supplement, to the Noteholders or Certificateholders of the applicable Series), the Back-Up Servicer and the Servicer a copy of such supplemental indenture or amendment. Any failure of the Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or amendment.

Section 13.3. Execution of Supplemental Indentures. In executing any amendment or supplemental indenture permitted by this Article 13 or the modifications thereby of the trust created by this Indenture, the Trustee shall be entitled to receive, and subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel stating that the execution of such amendment or supplemental indenture is authorized, permitted or not prohibited (as the case may be) by this Indenture and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied. Such Opinion of Counsel may be subject to reasonable qualifications and assumptions of fact. The Trustee may, but shall not be obligated to, enter into any such amendment or supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

Section 13.4. Effect of Supplemental Indenture. Upon the execution of any amendment or supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Trustee, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such amendment or supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 13.5. Conformity With TIA. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article 13 shall conform to the requirements of the TIA as then in effect so long as this Indenture shall then be required to be qualified under the TIA.

Section 13.6. [Reserved].

Section 13.7. Series Supplements. Notwithstanding anything in Sections 13.1 and 13.2 to the contrary but subject to Section 13.11, the Series Supplement with respect to any Series may be amended with respect to the items and in accordance with the procedures provided in such Series Supplement and in the event the form of Notes to any Series Supplement is amended, each Holder shall surrender its Notes to the Trustee and the Trustee shall, following receipt of such Note and an Issuer Order directing the Trustee with respect to the authentication of such replacement Notes, issue a replacement Note containing such changes.

Section 13.8. Revocation and Effect of Consents. Until an amendment, supplemental indenture or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to his Note or portion of a Note if the Trustee receives written notice of revocation before the date the amendment, supplemental indenture or waiver becomes effective. An amendment, supplemental indenture or waiver becomes effective in accordance with its terms and thereafter binds every Holder. The Issuer may fix a record date for determining which Holders must consent to such amendment, supplemental indenture or waiver.

Section 13.9. Notation on or Exchange of Notes Following Amendment. The Trustee may place an appropriate notation about an amendment, supplemental indenture or waiver on any Note thereafter authenticated. If the Issuer shall so determine, new Notes so modified as to conform to any such amendment, supplemental indenture or waiver may be prepared and executed by the Issuer and authenticated and delivered by the Trustee (upon receipt of an Issuer Order) in exchange for outstanding Notes. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplemental indenture or waiver.

Section 13.10. The Trustee to Sign Amendments, etc. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 13 if the amendment or

supplemental indenture does not adversely affect in any material respect the rights, duties, liabilities or immunities of the Trustee. If any amendment or supplemental indenture does have such a materially adverse effect, the Trustee may, but need not, sign it. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive, if requested, an indemnity reasonably satisfactory to it and to receive and, subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized, permitted or not prohibited (as the case may be) by this Indenture and that it will be valid and binding upon the Issuer in accordance with its terms and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied.

Section 13.11. Back-Up Servicer Consent. No amendment or indenture supplement hereto (including pursuant to Section 2.2 hereof) shall be effective if such amendment or supplement shall adversely affect the rights, duties or obligations of the Back-Up Servicer (including in its capacity as successor Servicer) without its prior written consent, notwithstanding anything to the contrary.

#### ARTICLE 14.

##### REDEMPTION AND REFINANCING OF NOTES

Section 14.1. Redemption and Refinancing. If specified in a Series Supplement, the Notes of any Series are subject to redemption as may be specified in the related Series Supplement, on any Payment Date on which the Issuer exercises its option to redeem the Notes for the Redemption Price; provided, however, that the Issuer has available funds sufficient to pay the Redemption Price. If the Notes of any Series are to be redeemed pursuant to this Section 14.1, the Issuer shall furnish notice of such election to the Trustee not later than fifteen (15) days prior to the Redemption Date and the Issuer shall deposit with the Trustee in a Trust Account that is within the sole control of the Trustee no later than 10:00 a.m. New York time on the Redemption Date the Redemption Price of the Notes of such Series to be redeemed whereupon all such redeemed Notes shall be due and payable on the Redemption Date upon the furnishing of a notice complying with Section 14.2 to each Holder of such Notes.

Section 14.2. Form of Redemption Notice. Notice of redemption under Section 14.1 shall be given by the Trustee by facsimile or by first-class mail, postage prepaid, transmitted or mailed prior to the applicable Redemption Date to each Holder of Notes of the Series to be redeemed, as of the close of business on the Record Date preceding the applicable Redemption Date, at such Holder's address appearing in the Note Register.

All notices of redemption shall state:

- (i) the Redemption Date;
- (ii) the Issuer's good faith estimate of the Redemption Price;
- (iii) that the Record Date otherwise applicable to such Redemption Date is not applicable and that payments shall be made only upon presentation and surrender of such Notes and the place where such Notes are to be surrendered for payment of the Redemption Price (which shall be the office or agency of the Issuer to be maintained as provided in Section 8.2); and

---

(iv) that interest on the Notes shall cease to accrue on the Redemption Date.

Notice of redemption of the Notes shall be given by the Trustee in the name and at the expense of the Issuer. For the avoidance of doubt, the Issuer shall provide the Trustee with the actual Redemption Price prior to the applicable Redemption Date. Failure to give notice of redemption, or any defect therein, to any Holder of any Note to be redeemed shall not impair or affect the validity of the redemption of any other Note.

Section 14.3. Notes Payable on Redemption Date. The Notes of any Series to be redeemed shall, following notice of redemption as required by Section 14.2 (in the case of redemption pursuant to Section 14.1), on the Redemption Date become due and payable at the Redemption Price and (unless the Issuer shall default in the payment of the Redemption Price) no interest shall accrue on the Redemption Price for any period after the date to which accrued interest is calculated for purposes of calculating the Redemption Price.

### MISCELLANEOUS

#### Section 15.1. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee if requested thereby (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel (subject to reasonable assumptions and qualifications) stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with and (iii) (if this Indenture is required to be qualified under the TIA) an Independent Certificate from a firm of certified public accountants meeting the applicable requirements of this Section, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;
- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(iv) a statement as to whether, in the opinion of each such signatory such condition or covenant has been complied with.

(b) (i) Prior to the deposit of any Receivables or other property or securities (other than cash) with the Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 15.1(a) or elsewhere in this Indenture, furnish to the Trustee upon the Trustee's request an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Receivables or other property or securities to be so deposited.

(ii) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (i) above, the Issuer shall also deliver to the Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current Fiscal Year of the Issuer, as set forth in the Certificates delivered pursuant to clause (i) above and this clause (ii), is 10% or more of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer of the Notes.

(iii) Other than with respect to the release of any cash (including Collections) in accordance with the Series Supplements, Removed Receivables or liquidated Receivables (and the Related Security therefor), and except for discharges of this Indenture as described in Section 12.1, whenever any property or securities are to be released from the Lien of this Indenture, the Issuer shall also furnish to the Trustee an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such individual the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(iv) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (iii) above, the Issuer shall also furnish to the Trustee an Independent Certificate as to the same matters if the fair value of the property or securities and of all other property other than cash (including Collections) in accordance with the Series Supplements, Removed Receivables and Defaulted Receivable, or securities released

from the Lien of this Indenture since the commencement of the then current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10% or more of the aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the then aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer of the Notes.

Section 15.2. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any such certificate of an Responsible Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the initial Servicer, the Seller or the Issuer, stating that the information with respect to such factual matters is in the possession of or known to the initial Servicer, the Seller or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article 10.

Section 15.3. Acts of Noteholders and Certificateholders.

(a) Wherever in this Indenture a provision is made that an action may be taken or a notice, demand or instruction given by Noteholders or Certificateholders, such action,

notice or instruction may be taken or given by any Noteholder or Certificateholder, unless such provision requires a specific percentage of Noteholders or Certificateholders. Notwithstanding anything in this Indenture to the contrary, so long as any other Person is a Noteholder or Certificateholder, none of the Seller, the Issuer or any Affiliate controlled by Oportun or controlling Oportun shall have any right to vote with respect to any Note.

(b) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders or Certificateholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders or Certificateholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders or Certificateholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 11.1) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(c) The fact and date of the execution by any Person of any such instrument or writing may be proved in any customary manner of the Trustee.

(d) The ownership of Notes shall be proved by the Note Register.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any such Notes shall bind such Noteholder or Certificateholder and the Holder of every Note and every subsequent Holder of such Notes issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Servicer or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 15.4. Notices. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at, sent by facsimile to, sent by courier (overnight or hand-delivered) at or mailed by registered mail, return receipt requested, to (a) in the case of the Issuer, to 1600 Seaport Boulevard, Suite 250, Room 110, Redwood City, California 94063, Attention: Secretary, (b) in the case of the Servicer or Oportun, to 1600 Seaport Boulevard, Suite 250, Redwood City, California 94063, Attention: Chief Legal Officer and (c) in the case of the Trustee, to the Corporate Trust Office. Unless otherwise provided with respect to any Series in the related Series Supplement or otherwise expressly provided herein, any notice required or permitted to be mailed to a Noteholder or Certificateholder shall be given by first class mail, postage prepaid, at the address of such Noteholder or Certificateholder as shown in the Note Register. Any notice so mailed within the time prescribed in this Indenture shall be conclusively presumed to have been duly given, whether or not the Noteholder or Certificateholder receives such notice.

The Issuer or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications; provided, however, the Issuer may not at any time designate more than a total of three (3) addresses to which notices must be sent in order to be effective.

Any notice (i) given in person shall be deemed delivered on the date of delivery of such notice, (ii) given by first class mail shall be deemed given five (5) days after the date that such notice is mailed, (iii) delivered by telex or telecopier shall be deemed given on the date of confirmation of the delivery of such notice by e-mail or telephone, and (iv) delivered by overnight air courier shall be deemed delivered one (1) Business Day after the date that such notice is delivered to such overnight courier.

Notwithstanding any provisions of this Indenture to the contrary, the Trustee shall have no liability based upon or arising from the failure to receive any notice required by or relating to this Indenture or the Notes.

If the Issuer mails a notice or communication to Noteholders or Certificateholders, it shall mail a copy to the Trustee at the same time.

Section 15.5. Notices to Noteholders and Certificateholders: Waiver. Where this Indenture provides for notice to Noteholders or Certificateholders of any event, such notice shall be sufficiently given if sent in accordance with Section 15.4 hereof. In any case where notice to Noteholders or Certificateholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder or Certificateholder shall affect the sufficiency of such notice with respect to other Noteholders and Certificateholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders or Certificateholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders or Certificateholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 15.6. Alternate Payment and Notice Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Trustee on behalf of the Issuer may enter into any agreement with any Holder of a Note providing for a method of payment, or notice by the Trustee or any Paying Agent to such Holder, that is different from the methods provided for in this Indenture for such payments or notices, provided that such methods are consented to by the Issuer (which consent shall not be unreasonably withheld). The Trustee will cause payments to be made and notices to be given in accordance with such agreements.

Section 15.7. Conflict with TIA. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control (if this Indenture is required to be qualified under the TIA).

---

The provisions of TIA Sections 310 through 317 that impose duties on any Person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein (if this Indenture is required to be qualified under the TIA). Notwithstanding the foregoing, and regardless of whether the Indenture is required to be qualified under the TIA, the provisions of Section 316(a)(1) of the TIA shall be excluded from this Indenture.

Section 15.8. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents and Cross-Reference Table are for convenience of reference only, are not to be considered a part hereof, and shall not affect the meaning or construction hereof.

Section 15.9. Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Trustee in this Indenture shall bind its successors.

Section 15.10. Separability of Provisions. If any one or more of the covenants, agreements, provisions or terms of this Indenture or Notes shall for any reason whatsoever be held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Indenture and shall in no way affect the validity or enforceability of the other provisions of this Indenture or of the Notes or rights of the Holders thereof.

Section 15.11. Benefits of Indenture. Except as set forth in this Indenture, nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Secured Parties, any benefit or any legal or equitable right, remedy or claim under the Indenture.

Section 15.12. Legal Holidays. In any case where the date on which any payment is due to any Secured Party shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) any such payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

Section 15.13. GOVERNING LAW; JURISDICTION. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH OF THE PARTIES TO THIS INDENTURE AND EACH SECURED PARTY HEREBY AGREES TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND ANY APPELLATE COURT HAVING JURISDICTION TO REVIEW THE JUDGMENT THEREOF. PERFECTION REPRESENTATIONS, WARRANTIES  
AND COVENANTS

In addition to the representations, warranties and covenants contained in the Indenture, the Issuer hereby represents, warrants, and covenants to the Trustee as follows on the Closing Date:

General

1. The Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Trust Estate in favor of the Trustee, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from the Issuer.
2. The Contracts evidencing the Receivables constitute "general intangibles", "accounts", "instruments", "electronic chattel paper" or "tangible chattel paper" within the meaning of the UCC as in effect in the State of New York.
3. Each of the Trust Accounts and all subaccounts thereof constitute either a deposit account or a securities account.

Creation

4. The Issuer owns and has good and marketable title to the Receivables free and clear of any Lien, claim or encumbrance of any Person, excepting only Liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper Proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.
5. The Seller has received all consents and approvals, if any, to the sale of the Receivables under the Purchase Agreement to the Issuer required by the terms of the Receivables that constitute instruments or payment intangibles.

Perfection:

6. The Issuer has caused or will have caused, within ten (10) days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable Law in order to perfect the sale of the Contracts and Related Rights from the Seller to the Issuer, and the security interest in the Trust Estate granted to the Trustee hereunder; and the Servicer or the Custodian has in its possession the original copies of such instruments, certificated securities or tangible chattel paper that constitute or evidence the Receivables, and all financing statements referred to in this paragraph contain or will contain when filed a statement that: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party."

7. With respect to Receivables that constitute an instrument, either:

- (i) All original executed copies of each such instrument have been delivered to the Servicer or the Custodian;
- (ii) Such instruments or tangible chattel paper are in the possession of the Servicer or the Custodian and the Trustee has received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is holding such instruments or tangible chattel paper solely on behalf and for the benefit of the Trustee; or
- (iii) The Servicer or the Custodian received possession of such instruments after the Trustee received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is acting solely as agent of the Trustee.

8. With respect to Receivables that constitute electronic chattel paper, either:

- (i) The Issuer has caused, or will have caused within ten days of the effective date of the Indenture, the filing of financing statement against the Issuer in favor of the Trustee in connection herewith describing such Receivables and containing a statement that: “A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party”; or
- (ii) All of the following are true:
  - (A) Only one authoritative copy of each such loan agreement exists; and each such authoritative copy (A) is unique, identifiable and unalterable (other than with the participation of the Trustee in the case of an addition or amendment of an identified assignee and other than a revision that is readily identifiable as an authorized or unauthorized revision), (B) has been marked with a legend to the following effect: “Authoritative Copy” and (C) has been communicated to and is maintained by the Servicer or a custodian who has acknowledged in writing that it is maintaining the authoritative copy of each electronic chattel paper solely on behalf of and for the benefit of the Trustee, or is acting solely as its agent; and
  - (B) Issuer has marked the authoritative copy of each loan agreement that constitutes or evidences the Receivables with a legend to the following effect: “Opportun Funding IV, LLC has pledged all its rights and interest herein to Deutsche Bank Trust Company Americas, as Trustee.” Such loan agreements or leases do not have any other marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee or the Purchaser; and
  - (C) Issuer has marked all copies of each loan agreement that constitute or evidence the Receivables other than the authoritative copy with a legend to the following effect: “This is not an authoritative copy”; and

(D) The records evidencing the Receivables have been established in a manner such that (a) all copies or revisions that add or change an identified assignee of the authoritative copy of each such electronic chattel paper must be made with the participation of the Trustee and (b) all revisions of the authoritative copy of each such electronic chattel paper must be readily identifiable as an authorized or unauthorized revision.

9. With respect to each of the Trust Accounts and all subaccounts that constitute deposit accounts, either;

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the bank maintaining the deposit accounts has agreed to comply with all instructions originated by the Trustee directing disposition of the funds in the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the Trustee to become the account holder of the Trust Accounts.

10. With respect to each of the Trust Accounts or subaccounts thereof that constitute securities accounts or securities entitlements, either:

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the securities intermediary has agreed to comply with all instructions originated by the Trustee relating to the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the securities intermediary to identify in its records the Trustee as the person having a security entitlement against the securities intermediary in each of the Trust Accounts.

Priority

11. Other than the transfer of the Receivables to the Issuer under the Purchase Agreement and the security interest granted to the Trustee pursuant to this Indenture, none of the Issuer or the Seller have pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables or the Trust Accounts. Neither the Issuer nor the Seller has authorized the filing of, or is aware of any financing statements against the Issuer or the Seller that include a description of collateral covering the Receivables or the Trust Accounts or any subaccount thereof other than those that have been released or any financing statement relating to the security interest granted to the Trustee hereunder or that has been terminated.

12. The Issuer is not aware of any judgment, ERISA or tax lien filings against the Issuer.

13. Neither Issuer nor a custodian holding any collateral that is electronic chattel paper has communicated an authoritative copy of any loan agreement that constitutes or evidences the Receivables to any Person other than the Trustee or the Servicer.

14. None of the instruments, certificated securities, tangible chattel paper or electronic chattel paper that constitute or evidence the Receivables has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Issuer or Trustee.

---

15. None of the Trust Accounts nor any subaccount thereof are in the name of any Person other than the Trustee. The Issuer has not consented to the bank maintaining the Trust Accounts that constitute deposit accounts to comply with instructions of any person other than the Trustee. The Issuer has not consented to the securities intermediary of any Trust Account that constitutes a securities account to comply with entitlement orders of any Person other than the Trustee.

16. Survival of Perfection Representations. Notwithstanding any other provision of the Indenture or any other Transaction Document, the Perfection Representations contained in this Schedule shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer's rights to act as such) until such time as the Secured Obligations under the Indenture have been finally and fully paid and performed.

17. Issuer to Maintain Perfection and Priority. The Issuer covenants that, in order to evidence the interests of the Trustee under this Indenture, the Issuer shall take such action, or execute and deliver such instruments (other than effecting a Filing (as defined below), unless such Filing is effected in accordance with this paragraph) as may be necessary or advisable (including, without limitation, such actions as are requested by the Trustee) to maintain and perfect, as a first priority interest, the Trustee's security interest in the Trust Estate. The Issuer shall, from time to time and within the time limits established by Law, prepare and present to the Trustee for the Trustee to authorize the Issuer to file, all financing statements, amendments, continuations, initial financing statements in lieu of a continuation statement, terminations, partial terminations, releases or partial releases, or any other filings necessary or advisable to continue, maintain and perfect the Trustee's security interest in the Trust Estate as a first-priority interest (each a "Filing").

(a) Organization and Good Standing, etc. The Issuer has been duly organized and is validly existing and in good standing under the Laws of the State of Delaware, with power and authority to own its properties and to conduct its respective businesses as such properties are presently owned and such business is presently conducted. The Issuer is not organized under the Laws of any other jurisdiction or Governmental Authority. The Issuer is duly licensed or qualified to do business as a foreign entity in good standing in the jurisdiction where its principal place of business and chief executive office is located and in each other jurisdiction in which the failure to be so licensed or qualified would be reasonably likely to have a Material Adverse Effect.

(b) Power and Authority; Due Authorization. The Issuer has (a) all necessary power, authority and legal right to (i) execute, deliver and perform its obligations under this Indenture and each of the other Transaction Documents to which it is a party and (b) duly authorized, by all necessary action, the execution, delivery and performance of this Indenture and the other Transaction Documents to which it is a party and the borrowing, and the granting of security therefor, on the terms and conditions provided herein.

(c) No Violation. The consummation of the transactions contemplated by this Indenture and the other Transaction Documents and the fulfillment of the terms hereof will not (a) conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time or both) a default under, (i) the organizational documents of the Issuer or (ii) any indenture, loan agreement, pooling and servicing agreement, receivables purchase agreement, mortgage, deed of trust, or other agreement or instrument to which the Issuer is a party or by which it or its properties is bound, (b) result in or require the creation or imposition of any Adverse Claim upon its properties pursuant to the terms of any such indenture, loan agreement, pooling and servicing agreement, receivables purchase agreement, mortgage, deed of trust, or other agreement or instrument, other than pursuant to the terms of the Transaction Documents, or (c) violate any Law applicable to the Issuer or of any Governmental Authority having jurisdiction over the Issuer or any of its respective properties.

(d) Validity and Binding Nature. This Indenture is, and the other Transaction Documents to which it is a party when duly executed and delivered by the Issuer and the other parties thereto will be, the legal, valid and binding obligation of the Issuer enforceable in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar Law affecting creditors' rights generally and by general principles of equity.

(e) Government Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority required for the due execution, delivery or performance by the Issuer of any Transaction Document to which it is a party remains unobtained or unfiled, except for the filing of the UCC financing statements.

(f) [Reserved].

(g) Margin Regulations. The Issuer is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock, and no proceeds with respect to the sale of the Notes, directly or indirectly, will be used for a purpose that violates, or would be inconsistent with, Regulations T, U and X promulgated by the Federal Reserve Board from time to time.

(h) Perfection. (i) On and after the Closing Date and each Payment Date, the Issuer shall be the owner of all of the Receivables and Related Security and Collections and proceeds with respect thereto, free and clear of all Adverse Claims. Within the time required pursuant to the Perfection Representations, all financing statements and other documents required to be recorded or filed in order to perfect and protect the assets of the Trust Estate against all creditors (other than Secured Parties) of, and purchasers (other than Secured Parties) from, the Issuer and the Seller will have been duly filed in each filing office necessary for such purpose, and all filing fees and taxes, if any, payable in connection with such filings shall have been paid in full;

(ii) the Indenture constitutes a valid grant of a security interest to the Trustee for the benefit of the Secured Parties in all right, title and interest of the Issuer in the Receivables, the Related Security and Collections and proceeds with respect thereto and all other assets of the Trust Estate, now existing or hereafter created or acquired. Accordingly, to the extent the UCC applies with respect to the perfection of such security interest, upon the filing of any financing statements described in Article 8 of the Indenture and the execution of the Transaction Documents, the Trustee shall have a first priority perfected security interest in such property and the proceeds thereof (to the extent provided in Section 9-315), subject to Permitted Encumbrances and, to the extent the UCC does not apply to the perfection of such security interest, all notices, filings and other actions required by all applicable Law have been taken to perfect and protect such security interest or lien against and prior to all Adverse Claims with respect to the relevant Receivables, Related Security and Collections and proceeds with respect thereto and all other assets of the Trust Estate. Except as otherwise specifically provided in the Transaction Documents, neither the Issuer nor any Person claiming through or under the Issuer has any claim to or interest in the Collection Account; and

(iii) immediately prior to, and after giving effect to, the initial purchase of the Notes, the Issuer will be Solvent.

(i) Offices. The principal place of business and chief executive office of the Issuer is located at the address referred to in Section 15.4 (or at such other locations, notified to the Trustee in jurisdictions where all action required thereby has been taken and completed).

(j) Tax Status. The Issuer has filed all tax returns (federal, state and local) required to be filed by it and has paid or made adequate provision for the payment of all taxes (including all state franchise taxes), assessments and other governmental charges that have become due and payable (including for such purposes, the setting aside of appropriate reserves for taxes, assessments and other governmental charges being contested in good faith).

(k) Use of Proceeds. No proceeds of any Notes will be used by the Issuer to acquire any security in any transaction which is subject to Section 13 or 14 of the Exchange Act.

(l) Compliance with Applicable Laws; Licenses, etc.

(i) The Issuer is in compliance with the requirements of all applicable Laws of all Governmental Authorities, a breach of any of which, individually or in the aggregate, would be reasonably likely to have a Material Adverse Effect.

(ii) The Issuer has not failed to obtain any licenses, permits, franchises or other governmental authorizations necessary to the ownership of its properties or to the conduct of its business, which violation or failure to obtain would be reasonably likely to have a Material Adverse Effect.

(m) No Proceedings. Except as described in Schedule 1:

(i) there is no order, judgment, decree, injunction, stipulation or consent order of or with any court or other government authority to which the Issuer is subject, and there is no action, suit, arbitration, regulatory proceeding or investigation pending, or, to the knowledge of the Issuer, threatened, before or by any Governmental Authority, against the Issuer that, individually or in the aggregate, is reasonably likely to have a Material Adverse Effect; and

(ii) there is no action, suit, proceeding, arbitration, regulatory or governmental investigation, pending or, to the knowledge of the Issuer, threatened, before or by any Governmental Authority (A) asserting the invalidity of this Indenture, the Notes or any other Transaction Document, (B) seeking to prevent the issuance of the Notes pursuant hereto or the consummation of any of the other transactions contemplated by this Indenture or any other Transaction Document or (C) seeking to adversely affect the federal income tax attributes of the Issuer.

(o) Eligible Receivables. Each Receivable included as an Eligible Receivable in any Monthly Servicer Report shall be an Eligible Receivable as of the date so included. Each Receivable, including Subsequently Purchased Receivables, purchased by the Issuer on any Purchase Date shall be an Eligible Receivable as of such Purchase Date unless otherwise specified to the Trustee in writing prior to such Purchase Date.

(p) Receivables Schedule. The most recently delivered schedule of Receivables reflects, in all material respects, a true and correct schedule of the Receivables included in the Trust Estate as of the date of delivery.

(q) ERISA. (i) Each of the Issuer, the Seller, the Servicer and their respective ERISA Affiliates is in compliance in all material respects with ERISA unless any failure to so comply could not reasonably be expected to have a Material Adverse Effect and (ii) no Lien exists in favor of the Pension Benefit Guaranty Corporation on any of the Receivables. No ERISA Event has occurred with respect to any Pension Plan that could reasonably be expected to have a Material Adverse Effect.

(r) Accuracy of Information. All information heretofore furnished by, or on behalf of, the Issuer to the Trustee or any of the Noteholders or Certificateholders in connection with any Transaction Document, or any transaction contemplated thereby, was, at the time it was furnished, true and accurate in every material respect (without omission of any information necessary to prevent such information from being materially misleading).

The Outstanding Certificates have been duly and validly authorized, and, when executed and authenticated in accordance with the terms of the Indenture, will be duly and validly issued and outstanding and will be entitled to the benefits of the Indenture.

(v) Sales by the Seller. Each sale of Receivables by the Seller to the Issuer shall have been effected under, and in accordance with the terms of, the Purchase Agreement, including the payment by the Issuer to the Seller of an amount equal to the purchase price therefor as described in the Purchase Agreement, and each such sale shall have been made for "reasonably equivalent value" (as such term is used under Section 548 of the Federal Bankruptcy Code) and not for or on account of "antecedent debt" (as such term is used under Section 547 of the Federal Bankruptcy Code) owed by the Issuer to such Seller.

(w) Texas Licensing. The Issuer has been issued a Texas License.

Section 7.2. Reaffirmation of Representations and Warranties by the Issuer. On the Closing Date and on each Business Day thereafter, the Issuer shall be deemed to have certified that all representations and warranties described in Section 7.1 hereof are true and correct on and as of such day as though made on and as of such day (except to the extent they relate to an earlier or later date, and then as of such earlier or later date).

THE HOLDER WILL, AND EACH SUBSEQUENT HOLDER IS REQUIRED TO, NOTIFY ANY TRANSFEREE FROM IT OF THE RESALE RESTRICTIONS SET FORTH ABOVE.

BY ACQUIRING THIS CERTIFICATE (OR ANY INTEREST HEREIN), EACH PURCHASER OR TRANSFEREE SHALL BE DEEMED TO REPRESENT AND WARRANT THAT IT IS NOT AN "EMPLOYEE BENEFIT PLAN" AS DEFINED IN SECTION 3(3) OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), WHICH IS SUBJECT TO TITLE I OF ERISA, A "PLAN" AS DESCRIBED IN SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "CODE"), WHICH IS SUBJECT TO SECTION 4975 OF THE CODE, AN ENTITY DEEMED TO HOLD PLAN ASSETS OF ANY OF THE FOREGOING, OR A GOVERNMENTAL OR OTHER PLAN SUBJECT TO APPLICABLE LAW THAT IS SUBSTANTIALLY SIMILAR TO SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE.

EACH TRANSFEREE OF THIS CERTIFICATE, BY ACCEPTANCE HEREOF, IS DEEMED TO HAVE ACCEPTED THIS CERTIFICATE, SUBJECT TO THE FOREGOING RESTRICTIONS ON TRANSFERABILITY. IN ADDITION, EACH TRANSFEREE OF THIS CERTIFICATE, BY ACCEPTANCE HEREOF, IS DEEMED TO HAVE MADE THE REPRESENTATIONS AND AGREEMENTS SET FORTH IN THE INDENTURE.

BY ACCEPTANCE HEREOF, THE HOLDER OF THIS CERTIFICATE AGREES TO THE TERMS AND CONDITIONS SET FORTH IN THE INDENTURE AND HEREIN.

---

EACH PURCHASER OF THIS CERTIFICATE IS HEREBY NOTIFIED THAT THE SELLER OF THIS CERTIFICATE MAY BE RELYING ON THE EXEMPTION FROM THE PROVISIONS OF SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER.

THIS CERTIFICATE OR ANY INTEREST HEREIN MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, EXCEPT (A) TO A PERSON THAT IS A UNITED STATES PERSON (WITHIN THE MEANING OF SECTION 7701(a)(30) OF THE CODE) AND (B) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER APPLICABLE JURISDICTION. IF AT ANY TIME, THE ISSUER DETERMINES OR IS NOTIFIED THAT THE HOLDER OF SUCH CERTIFICATE WAS IN BREACH, AT THE TIME GIVEN, OF ANY OF THE REPRESENTATIONS SET FORTH IN THE INDENTURE, THE ISSUER AND THE TRUSTEE MAY CONSIDER THE ACQUISITION OF THIS CERTIFICATE VOID AND REQUIRE THAT THIS CERTIFICATE OR SUCH INTEREST HEREIN BE TRANSFERRED TO A PERSON DESIGNATED BY THE ISSUER. EACH PROSPECTIVE OWNER OF A BENEFICIAL INTEREST IN A CERTIFICATE (OR A PARTICIPANT IN A CERTIFICATE) SHALL, UPON ACCEPTING A BENEFICIAL INTEREST (INCLUDING A PARTICIPATION INTEREST) IN THE CERTIFICATE, BE DEEMED TO MAKE ALL OF THE CERTIFICATIONS, REPRESENTATIONS AND WARRANTIES SET FORTH IN A TRANSFEREE CERTIFICATION THAT IS ATTACHED AS AN EXHIBIT TO THE INDENTURE.

NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, NO TRANSFER OF A BENEFICIAL INTEREST IN A CERTIFICATE SHALL BE EFFECTIVE, AND ANY ATTEMPTED TRANSFER SHALL BE VOID AB INITIO, UNLESS, PRIOR TO AND AS A CONDITION OF SUCH TRANSFER, THE PROSPECTIVE TRANSFEREE OF THE BENEFICIAL INTEREST (INCLUDING THE INITIAL TRANSFEREE OF THE BENEFICIAL INTEREST) AND ANY SUBSEQUENT TRANSFEREE OF THE BENEFICIAL INTEREST IN A CERTIFICATE, REPRESENT AND WARRANT, IN WRITING, SUBSTANTIALLY IN THE FORM OF A TRANSFEREE CERTIFICATION THAT IS ATTACHED AS AN EXHIBIT TO THE INDENTURE, TO THE TRUSTEE AND THE NOTE REGISTRAR AND ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS THAT:

(I) IT WILL PROVIDE NOTICE TO EACH PERSON TO WHOM IT PROPOSES TO TRANSFER ANY INTEREST IN THE CERTIFICATES OF THE TRANSFER RESTRICTIONS AND REPRESENTATIONS SET FORTH IN THIS INDENTURE, INCLUDING THE EXHIBITS HERETO.

(II) EITHER (A) IT IS NOT AND WILL NOT BECOME A FLOW-THROUGH ENTITY OR (B) IF IT IS OR BECOMES A FLOW-THROUGH ENTITY, THEN (I) NONE OF THE DIRECT OR INDIRECT BENEFICIAL OWNERS OF ANY OF THE INTERESTS IN SUCH FLOW-THROUGH ENTITY HAS OR EVER WILL HAVE MORE THAN 50% OF THE VALUE OF ITS INTEREST IN SUCH FLOW-THROUGH ENTITY ATTRIBUTABLE TO THE BENEFICIAL INTEREST OF SUCH FLOW-THROUGH ENTITY IN THE CERTIFICATES, OTHER INTEREST (DIRECT OR INDIRECT) IN THE ISSUER, OR ANY

---

INTEREST CREATED UNDER THE INDENTURE AND (II) IT IS NOT AND WILL NOT BE A PRINCIPAL PURPOSE OF THE ARRANGEMENT INVOLVING THE FLOW-THROUGH ENTITY'S BENEFICIAL INTEREST IN ANY CERTIFICATE TO PERMIT ANY ENTITY TO SATISFY THE 100-PARTNER LIMITATION OF SECTION 1.7704-1(h)(1)(ii) OF THE TREASURY REGULATIONS NECESSARY FOR SUCH ENTITY NOT TO BE CLASSIFIED AS A PUBLICLY TRADED PARTNERSHIP FOR U.S. FEDERAL INCOME TAX PURPOSES.

(III) IT IS NOT ACQUIRING ANY BENEFICIAL INTEREST IN A CERTIFICATE THROUGH AN "ESTABLISHED SECURITIES MARKET" OR A "SECONDARY MARKET (OR THE SUBSTANTIAL EQUIVALENT THEREOF)," EACH WITHIN THE MEANING OF SECTION 7704(b) OF THE CODE.

(IV) IT WILL NOT SELL, TRANSFER, ASSIGN, PARTICIPATE, OR OTHERWISE DISPOSE OF ANY BENEFICIAL INTEREST IN A CERTIFICATE WITHOUT THE WRITTEN CONSENT OF THE ISSUER, AND IT WILL NOT CAUSE ANY BENEFICIAL INTEREST IN THE CERTIFICATE TO BE TRADED OR OTHERWISE MARKETED ON OR THROUGH AN "ESTABLISHED SECURITIES MARKET" OR A "SECONDARY MARKET (OR THE SUBSTANTIAL EQUIVALENT THEREOF)," EACH WITHIN THE MEANING OF SECTION 7704(b) OF THE CODE, INCLUDING, WITHOUT LIMITATION, AN INTERDEALER QUOTATION SYSTEM THAT REGULARLY DISSEMINATES FIRM BUY OR SELL QUOTATIONS.

(V) ITS BENEFICIAL INTEREST IN THE CERTIFICATE IS NOT AND WILL NOT BE IN AN AMOUNT THAT IS LESS THAN THE MINIMUM DENOMINATION FOR THE CERTIFICATES SET FORTH IN THE INDENTURE, AND IT DOES NOT AND WILL NOT HOLD ANY BENEFICIAL INTEREST IN THE CERTIFICATE ON BEHALF OF ANY PERSON WHOSE BENEFICIAL INTEREST IN THE CERTIFICATE IS IN AN AMOUNT THAT IS LESS THAN THE MINIMUM DENOMINATION FOR THE CERTIFICATES SET FORTH IN THE INDENTURE. IT WILL NOT SELL, TRANSFER, ASSIGN, PARTICIPATE, OR OTHERWISE DISPOSE OF ANY BENEFICIAL INTEREST IN THE CERTIFICATE OR ENTER INTO ANY FINANCIAL INSTRUMENT OR CONTRACT THE VALUE OF WHICH IS DETERMINED BY REFERENCE IN WHOLE OR IN PART TO ANY CERTIFICATE, IN EACH CASE, IF THE EFFECT OF DOING SO WOULD BE THAT THE BENEFICIAL INTEREST OF ANY PERSON IN A CERTIFICATE WOULD BE IN AN AMOUNT THAT IS LESS THAN THE MINIMUM DENOMINATION FOR THE CERTIFICATES SET FORTH IN THE INDENTURE.

(VI) IT WILL NOT TRANSFER ANY BENEFICIAL INTEREST IN THE CERTIFICATE (DIRECTLY, THROUGH A PARTICIPATION THEREOF, OR OTHERWISE) UNLESS, PRIOR TO THE TRANSFER, THE TRANSFEREE OF SUCH BENEFICIAL INTEREST SHALL HAVE EXECUTED AND DELIVERED TO THE TRANSFER AGENT AND REGISTRAR, AND ANY OF THEIR RESPECTIVE SUCCESSORS OR ASSIGNS, A TRANSFEREE CERTIFICATION IN THE FORM OF EXHIBIT D AS REQUIRED IN THE INDENTURE.

---

(VII) IT WILL NOT USE THE CERTIFICATE AS COLLATERAL FOR THE ISSUANCE OF ANY SECURITIES THAT COULD CAUSE THE ISSUER TO BECOME SUBJECT TO TAXATION AS A CORPORATION OR A PUBLICLY TRADED PARTNERSHIP TAXABLE AS A CORPORATION FOR U.S. FEDERAL INCOME TAX PURPOSES, PROVIDED THAT IT MAY ENGAGE IN ANY REPURCHASE TRANSACTION (REPO) THE SUBJECT MATTER OF WHICH IS A CERTIFICATE, PROVIDED THE TERMS OF SUCH REPURCHASE TRANSACTION ARE GENERALLY CONSISTENT WITH PREVAILING MARKET PRACTICE AND THAT SUCH REPURCHASE TRANSACTION WOULD NOT CAUSE THE ISSUER TO BE OTHERWISE CLASSIFIED AS A CORPORATION OR PUBLICLY TRADED PARTNERSHIP FOR U.S. FEDERAL INCOME TAX PURPOSES.

(VIII) IT WILL NOT TAKE ANY ACTION THAT COULD CAUSE, AND WILL NOT OMIT TO TAKE ANY ACTION, WHICH OMISSION COULD CAUSE, THE ISSUER TO BECOME TAXABLE AS A CORPORATION FOR U.S. FEDERAL INCOME TAX PURPOSES.

(IX) IT ACKNOWLEDGES THAT THE ISSUER AND TRUSTEE WILL RELY ON THE TRUTH AND ACCURACY OF THE FOREGOING REPRESENTATIONS AND WARRANTIES AND AGREES THAT IF IT BECOMES AWARE THAT ANY OF THE FOREGOING MADE BY IT OR DEEMED TO HAVE BEEN MADE BY IT ARE NO LONGER ACCURATE IT SHALL PROMPTLY NOTIFY THE ISSUER.

(X) IT IS A "UNITED STATES PERSON," AS DEFINED IN SECTION 7701(a)(30) OF THE CODE, AND WILL NOT TRANSFER TO, OR CAUSE SUCH CERTIFICATE TO BE TRANSFERRED TO, ANY PERSON OTHER THAN A "UNITED STATES PERSON," AS DEFINED IN SECTION 7701(a)(30) OF THE CODE.

(XI) THE INTERESTS IN THE PTP TRANSFER RESTRICTED INTERESTS, THE CERTIFICATES AND THE MEMBERSHIP INTERESTS TOGETHER MAY AT NO TIME BE HELD BY MORE THAN 95 PERSONS. NO TRANSFER OF CERTIFICATES (OR ANY INTEREST THEREIN) WILL BE PERMITTED TO THE EXTENT THAT SUCH TRANSFER WOULD CAUSE THE NUMBER OF DIRECT OR INDIRECT HOLDERS OF AN INTEREST IN THE PTP TRANSFER RESTRICTED INTERESTS, THE CERTIFICATES AND THE MEMBERSHIP INTERESTS TO EXCEED A NUMBER EQUAL TO 95 PERSONS. THE INITIAL SERVICER SHALL HAVE THE DUTY AND OBLIGATION TO ASCERTAIN THE NUMBER OF DIRECT OR INDIRECT HOLDERS OF AN INTEREST IN THE PTP TRANSFER RESTRICTED INTERESTS, THE CERTIFICATES AND THE MEMBERSHIP INTERESTS, AND NEITHER THE TRUSTEE NOR THE TRANSFER AGENT AND REGISTRAR SHALL HAVE ANY DUTY OR OBLIGATION WITH RESPECT TO THE FOREGOING.

(XII) THESE REPRESENTATIONS GENERALLY ARE INTENDED TO PREVENT THE ISSUER FROM BEING CHARACTERIZED AS A "PUBLICLY TRADED PARTNERSHIP" WITHIN THE MEANING OF SECTION 7704 OF THE CODE, IN RELIANCE ON TREASURY REGULATIONS SECTIONS 1.7704-1(e) AND (h).

Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note. All Notes of any Series shall, except as specified in the related Series Supplement, be *pari passu* and equally and ratably entitled as provided herein to the benefits hereof without preference, priority or distinction on account of the actual time or times of authentication and delivery, all in accordance with the terms and provisions of this Base Indenture and the related Series Supplement. Each Series of Notes shall be issued in the minimum denominations set forth in the related Series Supplement.

Section 2.2. New Series Issuances. The Notes may be issued in one Series. The Series of Notes shall be created by a Series Supplement. The Issuer may effect the issuance of one Series of Notes on the Closing Date (a "New Series Issuance") by notifying the Trustee in writing at least one (1) day in advance (a "New Series Issuance Notice") of the date upon which the New Series Issuance is to occur (a "New Series Issuance Date") and shall not effect any future issuances. Notes bearing the manual or facsimile signature of the individual who was, at the time when such signature was affixed, authorized to sign on behalf of the Issuer shall not be rendered invalid, notwithstanding that such individual has ceased to be so authorized prior to the authentication and delivery of such Notes or does not hold such office at the date of such Notes. Unless otherwise provided in the related Series Supplement, no Notes shall be entitled to any benefit under this Indenture, or be valid for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein, duly executed by or on behalf of the Trustee by the manual signature of a duly authorized signatory, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

(b) Pursuant to Section 2.2, the Issuer shall execute and the Trustee shall authenticate and deliver a Series of Notes having the terms specified in the related Series Supplement, upon the receipt of an Issuer Order, to the purchasers thereof, the underwriters for sale or to the Issuer for initial retention by it. Each authenticating agent must be acceptable to the Issuer.

(b) Any institution succeeding to the corporate agency business of an authenticating agent shall continue to be an authenticating agent without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

(c) An authenticating agent may at any time resign by giving written notice of resignation to the Trustee and to the Issuer. The Trustee may at any time terminate the agency of an authenticating agent by giving notice of termination to such authenticating agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time an authenticating agent shall cease to be acceptable to the Trustee or the Issuer, the Trustee promptly may appoint a successor authenticating agent. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent.

(d) The Issuer agrees to pay each authenticating agent from time to time reasonable compensation for its services under this Section 2.5.

(e) Pursuant to an appointment made under this Section 2.5, the Notes may have endorsed thereon, in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in substantially the following form:

Every Note presented or surrendered for registration of transfer or exchange shall be accompanied by a written instrument of transfer in a form satisfactory to the Issuer duly executed by the Noteholder thereof or his attorney-in-fact duly authorized in writing.

(vi) The preceding provisions of this Section 2.6 notwithstanding, the Trustee or the Transfer Agent and Registrar, as the case may be, shall not be required to register the exchange of any Global Note of any Series for a Definitive Note or the transfer of or exchange any Note of any Series for a period of five (5) Business Days preceding the due date for any payment with respect to the Notes of such Series or during the period beginning on any Record Date and ending on the next following Payment Date.

(viii) All Notes surrendered for registration of transfer and exchange shall be cancelled by the Transfer Agent and Registrar and disposed of. The Trustee shall cancel and destroy any Global Note upon its exchange in full for Definitive Notes and shall deliver a certificate of destruction to the Issuer. Such certificate shall also state that a certificate or certificates of each Foreign Clearing Agency to the effect referred to in Section 2.19 was received with respect to each portion of the Global Note exchanged for Definitive Notes.

(ix) Upon written request, the Issuer shall deliver to the Trustee or the Transfer Agent and Registrar, as applicable, Registered Notes in such amounts and at such times as are necessary to enable the Trustee to fulfill its responsibilities under this Indenture and the Notes.

(x) [Reserved].

(xi) Notwithstanding any other provision of this Section 2.6, the typewritten Note or Notes representing Book-Entry Notes for any Series may be transferred, in whole but not in part, only to another nominee of the Clearing Agency or Foreign Clearing Agency for such Series, or to a successor Clearing Agency or Foreign Clearing Agency for such Series selected or approved by the Issuer or to a nominee of such successor Clearing Agency or Foreign Clearing Agency, only if in accordance with this Section 2.6.

(xii) Unless otherwise provided in the related Series Supplement, by its acceptance of a Note, each Noteholder and Note Owner shall be deemed to have represented and warranted that, with respect to the Notes, either (i) it is not a Benefit Plan Investor or a governmental or other plan subject to Similar Law, or (ii) (a) the purchase and holding of the Note (or any interest therein) will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of Similar Law and (b) it acknowledges and agrees that the Notes are not eligible for acquisition by Benefit Plan Investors at any time that the Notes have been characterized as other than indebtedness for applicable local law purposes.

(c) The Transfer Agent and Registrar will maintain an office or offices or an agency or agencies where Notes of such Series may be surrendered for registration of transfer or exchange.

With respect to any transfer for which the Opinion of Counsel provided pursuant to the preceding sentence is as described in clause (y), the sale or transfer of such Notes (A) must be to a Person who is a United States person (within the meaning of Section 7701(a)(30) of the Code), (B) may not be to a Special Pass-Through Entity and (C) such Notes and the beneficial interest in the Issuer (including any Membership Interests) may at no time be held by more than 95 Persons, directly or indirectly, unless such Opinion of Counsel also states that such Notes will be debt for United States federal income tax purposes. In addition, if for tax or other reasons it may be necessary to track such Notes (e.g., if the Notes have original issue discount), tracking conditions such as requiring that such Notes be in definitive registered form may be required by the Issuer as a condition to such transfer. For the purposes of this Section 2.6, "Special Pass-Through Entity" means a (i) grantor trust, S corporation, or partnership or (ii) a disregarded entity the sole owner of which is an entity described in prong (i), where more than 50% of the value of a beneficial owner's interest in such pass through entity is attributable to the pass-through entity's interest (including through a disregarded entity) in such Notes. BY ACQUIRING THIS NOTE (OR ANY INTEREST HEREIN), EACH PURCHASER OR TRANSFEREE SHALL BE DEEMED TO REPRESENT AND WARRANT THAT EITHER (I) IT IS NOT AN "EMPLOYEE BENEFIT PLAN" AS DEFINED IN SECTION 3(3) OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), WHICH IS SUBJECT TO TITLE I OF ERISA, A "PLAN" AS DESCRIBED IN SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "CODE"), WHICH IS SUBJECT TO SECTION 4975 OF THE CODE, AN ENTITY DEEMED TO HOLD PLAN ASSETS OF ANY OF THE FOREGOING (EACH OF THE FOREGOING, A "BENEFIT PLAN INVESTOR"), OR A GOVERNMENTAL OR OTHER PLAN SUBJECT TO APPLICABLE LAW THAT IS SUBSTANTIALLY SIMILAR TO SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE ("SIMILAR LAW") OR (II) (A) ITS PURCHASE AND HOLDING OF THIS NOTE (OR ANY INTEREST HEREIN) WILL NOT RESULT IN A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE, OR A VIOLATION OF SIMILAR LAW, AND (B) IT ACKNOWLEDGES AND AGREES THAT THIS NOTE IS NOT ELIGIBLE FOR ACQUISITION BY BENEFIT PLAN INVESTORS AT ANY TIME THAT THE NOTES HAVE BEEN CHARACTERIZED AS OTHER THAN INDEBTEDNESS FOR APPLICABLE LOCAL LAW PURPOSES.

Section 2.10. Mutilated, Destroyed, Lost or Stolen Notes.

(a) If (i) any mutilated Note is surrendered to the Transfer Agent and Registrar, or the Transfer Agent and Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Transfer Agent and Registrar, the Trustee, and the Issuer such security or indemnity as may, in their sole discretion, be required by them to hold the Transfer Agent and Registrar, the Trustee, and the Issuer harmless then, in the absence of written notice to the Trustee that such Note has been acquired by a protected purchaser, and provided that the requirements of Section 8-405 of the UCC (which generally permit the Issuer to impose reasonable requirements) are met, then the Issuer shall execute and the Trustee shall, upon receipt of an Issuer Order, authenticate and (unless the Transfer Agent and Registrar is different from the Trustee, in which case the Transfer Agent and Registrar shall) deliver (in compliance with applicable Law), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of like tenor and aggregate principal balance or aggregate par value; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven (7) days shall be due and payable or shall have been called for redemption, instead of issuing a replacement Note, the Issuer may pay such destroyed, lost or stolen Note when so due or payable without surrender thereof.

If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer and the Trustee shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith.

(b) Upon the issuance of any replacement Note under this Section 2.10, the Transfer Agent and Registrar or the Trustee may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee and the Transfer Agent and Registrar) connected therewith.

(c) Every replacement Note issued pursuant to this Section 2.10 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional Contractual Obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

(d) The provisions of this Section 2.10 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

#### Section 2.11. Temporary Notes.

(a) Pending the preparation of Definitive Notes, the Issuer may request and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver temporary Notes of such Series. Temporary Notes shall be substantially in the form of Definitive Notes of like Series but may have variations that are not inconsistent with the terms of this Indenture as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

(b) If temporary Notes are issued pursuant to Section 2.11(a) above, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer to be maintained as provided in Section 8.2(b), without charge to the Noteholder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute and at the Issuer's request the Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.12. Persons Deemed Owners. Prior to due presentation of a Note for registration of transfer, the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar and any agent of any of them may treat a Person in whose name any Note is registered (as of any date of determination) as the owner of the related Note for the purpose of receiving payments of principal and interest, if any, on such Note and for all other purposes whatsoever whether or not such Note be overdue, and neither the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar nor any agent of any of them shall be affected by any notice to the contrary; provided, however, that in determining whether the requisite number of Holders of Notes have given any request, demand, authorization, direction, notice, consent or waiver hereunder (including under any Series Supplement), Notes owned by any of the Issuer, the Seller, the Parent, the initial Servicer or any Affiliate controlled by or controlling Oportun shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which a Trust Officer in the Corporate Trust Office of the Trustee actually knows to be so owned shall be so disregarded. The foregoing proviso shall not apply if there are no Holders other than the Issuer or its Affiliates.

Section 2.13. Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by the Trustee. The Issuer may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Order that they be destroyed or returned to it; provided that such Issuer Order is timely and the Notes have not been previously disposed of by the Trustee. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment.

Section 2.14. Release of Trust Estate. The Trustee shall (a) in connection with any removal of Removed Receivables from the Trust Estate, release the portion of the Trust Estate constituting or securing the Removed Receivables from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that the Outstanding Receivables Balance (or such other amount required in connection with the disposition of such Removed Receivables as provided by the Transaction Documents) with respect thereto has been deposited into the Collection Account and such release is authorized and permitted under the Transaction Documents, (b) in connection any redemption of the Notes of any Series, release the Trust Estate from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that (i) the Redemption Price and all other amounts due and owing on the Redemption Date have been deposited into a Trust Account that is within the sole control of the Trustee, and (ii) such release is authorized and permitted under the Transaction Documents and (c) on or after the Indenture Termination Date, release any remaining portion of the Trust Estate from the Lien created by this Indenture and in each case deposit in the Collection Account any funds then on deposit in any other Trust Account upon receipt of an Issuer Request accompanied by an Officer's Certificate of the Issuer, and Independent Certificates (if this Indenture is required to be qualified under the TIA) in accordance with TIA Sections 314(c) and 314(d)(1) meeting the applicable requirements of Section 15.1.

Section 2.15. Payment of Principal, Interest and Other Amounts.

(a) The principal of each Series of Notes shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(b) Each Series of Notes shall accrue interest as provided in the related Series Supplement and such interest shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(c) Any installment of interest, principal or other amounts, if any, payable on any Note which is punctually paid or duly provided for by the Issuer on the applicable Payment Date shall be paid to the Person in whose name such Note is registered at the close of business on any Record Date with respect to a Payment Date for such Note and such Person shall be entitled to receive the principal, interest or other amounts payable on such Payment Date notwithstanding the cancellation of such Note upon any registration of transfer, exchange or substitution of such Note subsequent to such Record Date, by wire transfer in immediately available funds to the account designated by the Holder of such Note, except that, unless Definitive Notes have been issued pursuant to Section 2.18. with respect to Notes registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payment will be made by wire transfer in immediately available funds to the account designated by such nominee and except for the final installment of principal payable with respect to such Note on a Payment Date or on the Legal Final Payment Date (and except for the Redemption Price for any Note called for redemption pursuant to Section 14.1) which shall be payable as provided herein; except that, any interest payable at maturity shall be paid to the Person to whom the principal of such Note is payable. The funds represented by any such checks returned undelivered shall be held in accordance with Section 2.8.

Section 2.16. Book-Entry Notes.

(a) If provided in the related Series Supplement, the Notes of such Series, upon original issuance, shall be issued in the form of Book-Entry Notes, to be delivered to the depository specified in such Series Supplement (the "Depository.") which shall be the Clearing Agency or Foreign Clearing Agency. The Notes of each Series issued as Book-Entry Notes shall, unless otherwise provided in the related Series Supplement, initially be registered on the Note Register in the name of the nominee of the Clearing Agency or Foreign Clearing Agency. Unless otherwise provided in a related Series Supplement, no Note Owner of Notes issued as Book-Entry Notes will receive a definitive note representing such Note Owner's interest in the related Series of Notes, except as provided in Section 2.18.

(b) For each Series of Notes to be issued in registered form, the Issuer shall duly execute, and the Trustee shall, in accordance with Section 2.4 hereof, authenticate and deliver initially, unless otherwise provided in the applicable Series Supplement, one or more Global Notes that shall be registered on the Note Register in the name of a Clearing Agency or Foreign Clearing Agency or such Clearing Agency's or Foreign Clearing Agency's nominee. Each Global Note registered in the name of DTC or its nominee shall bear a legend substantially to the following effect:

UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (“DTC”), A NEW YORK CORPORATION, TO OPORTUN FUNDING VI, LLC OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY NOTE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. (“CEDE”) OR SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE, HAS AN INTEREST HEREIN.

So long as the Clearing Agency or Foreign Clearing Agency or its nominee is the registered owner or holder of a Global Note, the Clearing Agency or Foreign Clearing Agency or its nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for purposes of this Indenture and such Notes. Members of, or participants in, the Clearing Agency or Foreign Clearing Agency shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Clearing Agency or Foreign Clearing Agency, and the Clearing Agency or Foreign Clearing Agency may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities from giving effect to any written certification, proxy or other authorization furnished by the Clearing Agency or Foreign Clearing Agency or impair, as between the Clearing Agency or Foreign Clearing Agency and its agent members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(c) Subject to Section 2.6(a)(xi), the provisions of the “Operating Procedures of the Euroclear System” and the “Terms and Conditions Governing Use of Euroclear” and such procedures governing the use of such Clearing Agencies as may be enacted from time to time shall be applicable to a Global Note insofar as interests in such Global Note are held by the agent members of Euroclear or Clearstream. Account holders or participants in Euroclear and Clearstream shall have no rights under this Indenture with respect to such Global Note and the registered holder may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of the Issuer or the Trustee as the owner of such Global Note for all purposes whatsoever.

(d) Title to the Notes shall pass only by registration in the Note Register maintained by the Transfer Agent and Registrar pursuant to Section 2.6.

(e) Any typewritten Note or Notes representing Book-Entry Notes shall provide that they represent the aggregate or a specified amount of outstanding Notes from time to time endorsed thereon and may also provide that the aggregate amount of outstanding Notes represented thereby may from time to time be increased or reduced to reflect exchanges. Any endorsement of a typewritten Note or Notes representing Book-Entry Notes to reflect the amount, or any increase or decrease in the amount, or changes in the rights of Note Owners represented thereby, shall be made in such manner and by such Person or Persons as shall be specified therein or in the Issuer Order to be delivered to the Trustee pursuant to Section 2.4(b).

---

The Trustee shall deliver and redeliver any typewritten Note or Notes representing Book-Entry Notes in the manner and upon instructions given by the Person or Persons specified therein or in the applicable Issuer Order. Any instructions by the Issuer with respect to endorsement or delivery or redelivery of a typewritten Note or Notes representing the Book-Entry Notes shall be in writing but need not comply with Section 13.3 hereof and need not be accompanied by an Opinion of Counsel.

(f) Unless and until definitive, fully registered Notes of any Series or any Class thereof ("Definitive Notes") have been issued to Note Owners with respect to any Series of Notes initially issued as Book-Entry Notes pursuant to Section 2.18 or the applicable Series Supplement:

(i) the provisions of this Section 2.16 shall be in full force and effect with respect to each such Series;

(ii) the Issuer, the Seller, the Servicer, the Paying Agent, the Transfer Agent and Registrar and the Trustee may deal with the Clearing Agency or Foreign Clearing Agency and the Clearing Agency Participants for all purposes of this Indenture (including the making of payments on the Notes of each such Series and the giving of instructions or directions hereunder) as the authorized representatives of such Note Owners;

(iii) to the extent that the provisions of this Section 2.16 conflict with any other provisions of this Indenture, the provisions of this Section 2.16 shall control;

(iv) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Holders of such Series of Notes evidencing a specified percentage of the outstanding principal amount of such Series of Notes, the Clearing Agency or Foreign Clearing Agency, as applicable, shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or their related Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in such Series of Notes and has delivered such instructions to the Trustee;

(v) the rights of Note Owners of each such Series shall be exercised only through the Clearing Agency or Foreign Clearing Agency and their related Clearing Agency Participants and shall be limited to those established by Law and agreements between such Note Owners and the related Clearing Agency or Foreign Clearing Agency and/or the Clearing Agency Participants. Pursuant to the Depository Agreement applicable to a Series, unless and until Definitive Notes of such Series are issued pursuant to Section 2.18, the applicable Clearing Agencies or Foreign Clearing Agencies will make book-entry transfers among their related Clearing Agency Participants and receive and transmit payments of principal and interest on such Series of Notes to such Clearing Agency Participants; and

(vi) Note Owners may receive copies of any reports sent to Noteholders of the relevant Series generally pursuant to the Indenture, upon written request, together with a certification that they are Note Owners and payments of reproduction and postage expenses associated with the distribution of such reports, from the Trustee at the Corporate Trust Office.

Section 2.17. Notices to Clearing Agency. Whenever notice or other communication to the Noteholders is required under this Indenture, unless and until Definitive Notes shall have been issued to Note Owners pursuant to Section 2.18 or the applicable Series Supplement, the Trustee shall give all such notices and communications specified herein to be given to Holders of the Notes to the applicable Clearing Agency or Foreign Clearing Agency for distribution to the Holders of the Notes.

Section 2.18. Definitive Notes.

(a) Conditions for Exchange. If with respect to any Series of Book-Entry Notes (i) (A) the Issuer advises the Trustee in writing that the Clearing Agency or Foreign Clearing Agency is no longer willing or able to discharge properly its responsibilities under the applicable Depository Agreement and (B) the Issuer is not able to locate a qualified successor, (ii) to the extent permitted by Law, the Issuer, at its option, advises the Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency or Foreign Clearing Agency with respect to any Series of Notes or (iii) after the occurrence of a Servicer Default or Event of Default, Note Owners of a Series representing beneficial interests aggregating not less than a majority (or such other percent specified in a related Series Supplement) of the portion of outstanding principal amount of the Notes represented by such Series advise the Trustee and the applicable Clearing Agency or Foreign Clearing Agency through the applicable Clearing Agency Participants in writing that the continuation of a book-entry system through the applicable Clearing Agency or Foreign Clearing Agency is no longer in the best interests of the Note Owners of such Series, the Trustee shall notify all Note Owners of such Series, through the applicable Clearing Agency Participants, of the occurrence of any such event and of the availability of Definitive Notes to Note Owners of such Series. Upon surrender to the Trustee of the typewritten Note or Notes representing the Book-Entry Notes of such Series by the applicable Clearing Agency or Foreign Clearing Agency, accompanied by registration instructions from the applicable Clearing Agency or Foreign Clearing Agency for registration, the Trustee shall issue the Definitive Notes of such Series or Class. Neither the Issuer nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes of such Series and upon the issuance of any Series of Notes or any Class thereof in definitive form in accordance with the related Series Supplement, all references herein to obligations imposed upon or to be performed by the applicable Clearing Agency or Foreign Clearing Agency shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Definitive Notes, and the Trustee shall recognize the Holders of the Definitive Notes of such Series or Classes as Noteholders of such Series or Classes hereunder.

(b) Transfer of Definitive Notes. Subject to the terms of this Indenture (including the requirements of any relevant Series Supplement), the holder of any Definitive Note may transfer the same in whole or in part, in an amount equivalent to an authorized denomination, by surrendering at the office maintained by the Transfer Agent and Registrar for such purpose in Jacksonville, Florida, such Note with the form of transfer endorsed on it duly

completed and executed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Transfer Agent and Registrar by, the holder thereof and, if applicable, accompanied by a certificate substantially in the form required under the related Series Supplement. In exchange for any Definitive Note properly presented for transfer, the Issuer shall execute and the Trustee shall promptly authenticate and deliver or cause to be executed, authenticated and delivered in compliance with applicable Law, to the transferee at such office, or send by mail (at the risk of the transferee) to such address as the transferee may request, Definitive Notes for the same aggregate principal amount as was transferred. In the case of the transfer of any Definitive Note in part, the Issuer shall execute and the Trustee shall promptly authenticate and deliver or cause to be authenticated and delivered to the transferor at such office, or send by mail (at the risk of the transferor) to such address as the transferor may request, Definitive Notes for the aggregate principal amount that was not transferred. No transfer of any Definitive Note shall be made unless the request for such transfer is made by the Holder at such office. Neither the Issuer nor the Trustee shall be liable for any delay in delivery of transfer instructions and each may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes for such Series, the Trustee shall recognize the Holders of the Definitive Notes as Noteholders of such Series.

Section 2.19. Global Note. If specified in the related Series Supplement for any Series, (i) the Notes may be initially issued in the form of a single temporary global note (the “Global Note”) in registered form, without interest coupons, in the denomination of the initial aggregate principal amount of the Notes and (ii) a Class of Notes may be initially issued in the form of a single temporary Global Note in registered form, in the denomination of the portion of the initial aggregate principal amount of the Notes represented by such Class, each substantially in the form attached to the related Series Supplement. Unless otherwise specified in the related Series Supplement, the provisions of this Section 2.19 shall apply to such Global Note. The Global Note will be authenticated by the Trustee upon the same conditions, in substantially the same manner and with the same effect as the Definitive Notes. The Global Note may be exchanged in the manner described in the related Series Supplement for Registered Notes in definitive form.

Section 2.20. Tax Treatment. The Notes have been (or will be) issued with the intention that, the Notes will qualify under applicable tax Law as debt for U.S. federal income tax purposes and any entity acquiring any direct or indirect interest in any Note by acceptance of its Notes (or, in the case of a Note Owner, by virtue of such Note Owner’s acquisition of a beneficial interest therein) agrees to treat the Notes (or beneficial interests therein) for purposes of federal, state and local and income or franchise taxes and any other tax imposed on or measured by income, as debt. Each Noteholder agrees that it will cause any Note Owner acquiring an interest in a Note through it to comply with this Indenture as to treatment as debt for such tax purposes.

Section 2.21. Duties of the Trustee and the Transfer Agent and Registrar. Notwithstanding anything contained herein or a Series Supplement to the contrary, neither the Trustee nor the Transfer Agent and Registrar shall be responsible for ascertaining whether any transfer of a Note complies with the terms of this Base Indenture or a Series Supplement, the registration provision of or exemptions from the Securities Act, applicable state securities Laws, ERISA or the Investment Company Act; provided that if a transfer certificate or opinion is specifically required by the express terms of this Base Indenture or a Series Supplement to be delivered to the Trustee or the Transfer Agent and Registrar in connection with a transfer, the Trustee or the Transfer Agent and Registrar, as the case may be, shall be under a duty to receive the same.

ARTICLE 3.

[ARTICLE 3 IS RESERVED AND SHALL BE SPECIFIED IN ANY SUPPLEMENT WITH RESPECT TO ANY SERIES OF NOTES]

ARTICLE 4.

NOTEHOLDER LISTS AND REPORTS

Section 4.1. Issuer To Furnish To Trustee Names and Addresses of Noteholders The Issuer will furnish or cause the Transfer Agent and Registrar to furnish to the Trustee (a) not more than five (5) days after each Record Date a list, in such form as the Trustee may reasonably require, of the names and addresses of the Noteholders as of such Record Date, (b) at such other times as the Trustee may request in writing, within thirty (30) days after receipt by the Issuer of any such request, a list of similar form and content as of a date not more than ten (10) days prior to the time such list is furnished; provided, however, that so long as the Trustee is the Transfer Agent and Registrar, no such list shall be required to be furnished. The Issuer will furnish or cause to be furnished by the Transfer Agent and Registrar to the Paying Agent (if not the Trustee) such list for payment of distributions to Noteholders.

Section 4.2. Preservation of Information; Communications to Noteholders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of the Noteholders contained in the most recent list furnished to the Trustee as provided in Section 4.1 and the names and addresses of Noteholders received by the Trustee in its capacity as Transfer Agent and Registrar. The Trustee may destroy any list furnished to it as provided in such Section 4.1 upon receipt of a new list so furnished.

(b) Noteholders may communicate (including pursuant to TIA Section 312(b) (if this Indenture is required to be qualified under the TIA)) with other Noteholders with respect to their rights under this Indenture or under the Notes. Unless otherwise provided in the related Series Supplement, if holders of Notes evidencing in aggregate not less than 20% of the outstanding principal balance of the Notes of any Series (the "Applicants") apply in writing to the Trustee, and furnish to the Trustee reasonable proof that each such Applicant has owned a Note for a period of at least 6 months preceding the date of such application, and if such application states that the Applicants desire to communicate with other Noteholders of any Series with respect to their rights under this Indenture or under the Notes and is accompanied by a copy of the communication which such Applicants propose to transmit, then the Trustee, after having been indemnified by such Applicants for its costs and expenses, shall within five (5) Business Days after the receipt of such application afford or shall cause the Transfer Agent and Registrar to afford such Applicants access during normal business hours to the most recent list of Noteholders held by the Trustee and shall give the Issuer notice that such request has been made within five (5) Business Days after the receipt of such application. Such list shall be as of the most recent Record Date, but in no event more than forty-five (45) days prior to the date of receipt of such Applicants' request.

(c) The Issuer, the Trustee and the Transfer Agent and Registrar shall have the protection of TIA Section 312(c) (if this Indenture is required to be qualified under the TIA). Every Noteholder, by receiving and holding a Note, agrees with the Issuer and the Trustee that neither the Issuer, the Trustee, the Transfer Agent and Registrar, nor any of their respective agents shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Noteholders in accordance with this Section 4.2, regardless of the source from which such information was obtained.

Section 4.3. Reports by Issuer.

(a) (i) The Issuer or the initial Servicer shall deliver to the Trustee, on the date, if any, the Issuer is required to file the same with the Commission, hard and electronic copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act;

(ii) the Issuer or the initial Servicer shall file with the Trustee and the Commission in accordance with rules and regulations prescribed from time to time by the Commission such additional information, documents and reports, if any, with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations;

(iii) the Issuer or the initial Servicer shall supply to the Trustee (and the Trustee shall transmit by mail or make available on via a website to all Noteholders) such summaries of any information, documents and reports required to be filed by the Issuer (if any) pursuant to clauses (i) and (ii) of this Section 4.3(a) as may be required by rules and regulations prescribed from time to time by the Commission; and

(iv) the Servicer shall prepare and distribute any other reports required to be prepared by the Servicer (except, if a successor Servicer is acting as Servicer, any reports expressly only required to be prepared by the initial Servicer or Oportun) under any Servicer Transaction Documents.

(b) Unless the Issuer otherwise determines, the fiscal year of the Issuer shall end on December 31 of each year.

Section 4.4. Reports by Trustee. If this Indenture is required to be qualified under the TIA, within sixty (60) days after each April 1, beginning with April 1, 2018 the Trustee shall mail to each Noteholder as required by TIA Section 313(c) a brief report dated as of such date that complies with TIA Section 313(a). If this Indenture is required to be qualified under the TIA, the Trustee also shall comply with TIA Section 313(b).

A copy of each report at the time of its mailing to Noteholders shall be filed by the Trustee with the Commission and each stock exchange, if any, on which the Notes are listed. The Issuer shall notify the Trustee if and when the Notes are listed on any stock exchange.

Section 4.5. Reports and Records for the Trustee and Instructions

ARTICLE 5.

ALLOCATION AND APPLICATION OF COLLECTIONS

Section 5.1. Rights of Noteholders. Each Series of Notes shall be secured by the entire Trust Estate, including the right to receive the Collections and other amounts at the times and in the amounts specified in this Article 5 to be deposited in the Trust Accounts or to be paid to the Noteholders of such Series. In no event shall the grant of a security interest in the entire Trust Estate be deemed to entitle any Noteholder to receive Collections or other proceeds of the Trust Estate in excess of the amounts described in Article 5.

Section 5.2. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture. The Trustee shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Trustee may, but shall not be obligated to, take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article 9.

Section 5.3. Establishment of Accounts.

(a) The Collection Account. The Trustee, for the benefit of the Secured Parties, shall establish and maintain in the city in which the Corporate Trust Office is located, with a Qualified Institution, in the name of the Trustee for the benefit of the Secured Parties, a non-interest bearing segregated trust account (the "Collection Account") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties. Pursuant to authority granted to it pursuant to Section 2.02(a) of the Servicing Agreement, the Servicer shall have the revocable power to withdraw funds from the Collection Account for the purposes of carrying out its duties thereunder. The Trustee shall be the

entitlement holder of the Collection Account, and shall possess all right, title and interest in all moneys, instruments, securities and other property on deposit from time to time in the Collection Account and the proceeds thereof for the benefit of the Secured Parties. Initially, the Collection Account will be established with the Securities Intermediary. Funds on deposit in the Collection Account that are not both deposited and to be withdrawn on the same day shall be invested in Permitted Investments, in accordance with a direction from the Issuer pursuant to Section 5.4(e).

(b) [Reserved].

(c) The Payment Accounts. For each Series, the Trustee, for the benefit of the Secured Parties of such Series, shall establish and maintain in the State of New York or in the city in which the Corporate Trust Office is located, with one or more Qualified Institutions, in the name of the Trustee for the benefit of the Secured Parties of such Series, a non-interest bearing segregated trust account (each, a "Payment Account" and collectively, the "Payment Accounts") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties of such Series. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Payment Accounts and in all proceeds thereof. The Trustee shall be the sole entitlement holder of the Payment Accounts, and the Payment Accounts shall be under the sole dominion and control of the Trustee for the benefit of the Secured Parties of such Series. The initial Payment Account for each Series shall be established with the Depository Bank.

(d) Series Accounts. If so provided in the related Series Supplement, the Trustee or the Servicer, for the benefit of the Secured Parties of such Series, shall cause to be established and maintained, in the name of the Trustee for the benefit of the Secured Parties of such Series, one or more accounts (each, a "Series Account" and, collectively, the "Series Accounts"). Nothing herein shall impose upon the Securities Intermediary any duties or obligations other than those expressly set forth herein and those applicable to a securities intermediary under the UCC. The Securities Intermediary shall be entitled to all of the protections available to a securities intermediary under the UCC. At the end of each month, all interest and earnings (net of losses and investment expenses) on funds on deposit in the Collection Account shall be treated as Investment Earnings. Subject to the restrictions set forth above, the Issuer, or a Person designated in writing by the Issuer, of which the Trustee shall have received written notification thereof, shall have the authority to instruct the Trustee with respect to the investment of funds on deposit in the Collection Account.

(f) Wilmington Trust, National Association is hereby appointed as the initial depositary bank hereunder (the "Depositary Bank") and accepts such appointment. If, at any time, the institution holding any account established pursuant to this Section 5.3 ceases to be a Qualified Institution, the Trustee shall, within ten (10) Business Days, establish a new account or accounts, as the case may be, meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new account or accounts, as the case may be.

(h) Each of the Securities Intermediary and the Depositary Bank shall be entitled to all the same rights, privileges, protections, immunities and indemnities as are contained in Article 11 of this Indenture, all of which are incorporated into this Section 5.3 *mutatis mutandis*, in addition to any such rights, privileges, protections, immunities and indemnities contained in this Section 5.3; provided, however; that nothing contained in this Section 5.3 or in Article 11 shall (i) relieve the Securities Intermediary of the obligation to comply with entitlement orders as provided in Section 5.3(e) or (ii) relieve the Depositary Bank of the obligation to comply with instructions directing disposition of the funds as provided in Section 5.3(f).

Section 5.4. Collections and Allocations.

The Servicer shall make such deposits or payments on the date indicated therein by wire transfer or as otherwise provided in the Series Supplement for any Series of Notes with respect to such Series.

(b) [Reserved].

(c) Issuer Distributions. During the Revolving Period, all amounts on deposit in the Collection Account in excess of the Required Monthly Payments may be paid to the Issuer on each Business Day ("Issuer Distributions") provided that (i) the Coverage Test is satisfied after giving effect to any such payment to the Issuer; and (ii) any such payment to the Issuer shall be limited to the extent used by the Issuer for Permissible Uses. The Issuer (or the initial Servicer) shall provide the Trustee with a Purchase Report as to the amount of Issuer Distributions for any Business Day, and delivery of such Purchase Report shall be deemed to be a certification by the Issuer that the foregoing conditions were satisfied. Upon receipt of such certification, the Trustee shall forward the Issuer Distributions directly to the Seller (to pay for Subsequently Purchased Receivables that are Eligible Receivables) to the account specified thereby. The Issuer will meet the "Coverage Test" if, on any date of determination, (i) the Overcollateralization Test is satisfied, (ii) the amount remaining on deposit in the Collection Account equals or exceeds the amount distributable on the next Payment Date under clauses (a)(i)-(iv) of Section 5.15 of the related Series Supplement (the "Required Monthly Payments"), (iii) the Amortization Period has not commenced and (iv) there shall not exist on such Business Day, and such application thereof shall not result in the occurrence of, a Rapid Amortization Event, a Servicer Default, an Event of Default or a Default (in each case determined by the Servicer taking into account any increases, decreases and status changes of the Receivables and any increases or decreases in the Notes and the amount on deposit in the Collection Account including those scheduled to occur on such date). The Issuer will meet the "Overcollateralization Test" if, on any date of determination, the sum of the Outstanding Receivables Balance of all Eligible Receivables plus the amount on deposit in the Collection Account equals or exceeds the sum of the outstanding principal amount of the Notes plus the Required Overcollateralization Amount.

(d) [Reserved].

(e) Disqualification of Institution Maintaining Collection Account. Upon and after the establishment of a new Collection Account with a Qualified Institution, the Servicer shall deposit or cause to be deposited all Collections as set forth in Section 5.3(a) into the new Collection Account, and in no such event shall deposit or cause to be deposited any Collections thereafter into any account established, held or maintained with the institution formerly maintaining the Collection Account (unless it later becomes a Qualified Institution or qualified corporate trust department maintaining the Collection Account).

(l) Accounts. The Issuer shall not maintain any bank accounts other than the Trust Accounts; provided, however, that the Issuer may maintain a general bank account to, among other things, receive and hold funds released to it as Residual Amounts and to pay ordinary-course operating expenses, as applicable. Except as set forth in the Servicing Agreement the Issuer shall not make, nor will it permit the Seller or Servicer to make, any change in its instructions to Obligor regarding payments to be made to the Servicer Account (as defined in the Servicing Agreement). The Issuer shall not add any additional Trust Accounts unless the Trustee (subject to Section 15.1 hereto) shall have consented thereto and received a copy of any documentation with respect thereto. The Issuer shall not terminate any Trust Accounts or close any Trust Accounts unless the Trustee shall have received at least thirty (30) days' prior notice of such termination and (subject to Section 15.1 hereto) shall have consented thereto.

Section 8.4. Further Instruments and Acts. The Issuer will execute and deliver such further instruments, furnish such other information and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 8.5. Appointment of Successor Servicer. If the Trustee has given notice of termination to the Servicer of the Servicer's rights and powers pursuant to Section 2.01 of the Servicing Agreement, as promptly as possible thereafter, the Trustee shall appoint a successor servicer in accordance with Section 2.01 of the Servicing Agreement.

Section 8.6. Perfection Representations. The parties hereto agree that the Perfection Representations shall be a part of this Indenture for all purposes.

##### RAPID AMORTIZATION EVENTS AND REMEDIES

Section 9.1. Rapid Amortization Events. If any one of the following events shall occur during the Revolving Period with respect to any Series of Notes (each, a "Rapid Amortization Event"):

- (a) on any Determination Date during the Revolving Period, the average annualized Monthly Loss Percentage over the previous three (3) Monthly Periods is greater than the Specified Monthly Loss Percentage;
- (b) a breach of any Concentration Limit for three (3) consecutive months during the Revolving Period;
- (c) the Overcollateralization Test is not satisfied for more than five (5) Business Days; or
- (d) the occurrence of a Servicer Default or an Event of Default;

then, in the case of any event described in clause (a) through (d) above, a Rapid Amortization Event with respect to all Series of Notes shall occur unless otherwise specified in a related Series Supplement, without any notice or other action on the part of the Trustee or the affected Holders immediately upon the occurrence of such event. The Required Noteholders may waive any Rapid Amortization Event and its consequences.

#### ARTICLE 10.

##### REMEDIES

Section 10.1. Events of Default. Unless otherwise specified in a Series Supplement, an "Event of Default", wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(ii) default in the payment of the principal of or any installment of the principal of any Class of Notes when the same becomes due and payable on the Legal Final Payment Date;

(iii) the filing of a decree or order for relief by a court having jurisdiction in the premises in respect of the Issuer, Oportun, LLC, the Seller, the Servicer or any substantial part of the Trust Estate in an involuntary case under any applicable federal or state bankruptcy, insolvency or other similar Law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Trust Estate, or ordering the winding-up or liquidation of the Issuer's affairs, and such decree or order shall remain unstayed and in effect for a period of sixty (60) consecutive days;

(iv) the commencement by the Issuer, Oportun, LLC, the Seller or the Servicer of a voluntary case under any applicable federal or state bankruptcy, insolvency or other similar Law now or hereafter in effect, or the consent by the Issuer to the entry of an order for relief in an involuntary case under any such Law, or the consent by the Issuer to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Trust Estate, or the making by the Issuer of any general assignment for the benefit of creditors, or the failure by the Issuer generally to pay its debts as such debts become due, or the taking of action by the Issuer in furtherance of any of the foregoing;

(v) either (x) a failure on the part of the Issuer duly to observe or perform any other covenants or agreements of the Issuer set forth in this Indenture, (y) a failure on the part of the Seller duly to observe or perform any other covenants or agreements of the Seller set forth in the Purchase Agreement or (z) a failure on the part of the Servicer duly to observe or perform any other covenants or agreements of the Servicer set forth in the Servicing Agreement, which failure, in either case, has a material adverse effect on the interests of the Noteholders (as reasonably determined by the Required Noteholders) and which continues unremedied for a period of thirty (30) days after the date on which notice of such failure, requiring the same to be remedied, shall have been given by registered or certified mail to the Issuer or the Seller, as applicable, by the Trustee, or to the Issuer or the Seller, as applicable, and the Trustee by the Required Noteholders;

(vi) either (x) any representation, warranty or certification made by the Issuer in this Indenture or in any certificate delivered pursuant to this Indenture shall prove to have been inaccurate when made or deemed made or (y) any representation, warranty or certification made by the Seller in the Purchase Agreement or in any certificate delivered pursuant to the Purchase Agreement shall prove to have been inaccurate when made or deemed made and, in either case, such inaccuracy has a material adverse effect on the Noteholders (as reasonably determined by the Required Noteholders) and which continues unremedied for a period of thirty (30) days after the date on which a notice specifying such incorrect representation or warranty and requiring the same to be remedied, shall have been given by registered or certified mail to the Issuer or the Seller, as applicable, by the Trustee, or to the Issuer or the Seller, as applicable, and the Trustee by the Required Noteholders;

- 
- (vii) the Trustee shall cease to have a first-priority perfected security interest in all or a material portion of the Trust Estate;
  - (viii) the Issuer shall have become subject to regulation by the Securities and Exchange Commission as an “investment company” under the Investment Company Act;
  - (ix) the Issuer shall become taxable as an association or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes; or
  - (x) a lien shall be filed pursuant to Section 430 or Section 6321 of the Code with regard to the Issuer and such lien shall not have been released within thirty (30) days.

Section 10.2. Rights of the Trustee Upon Events of Default

(a) If and whenever an Event of Default (other than in clause (iii) and (iv) of Section 10.1) shall have occurred and be continuing, the Trustee may, and, at the written direction of the Required Noteholders shall, cause the principal amount of all Notes of all Series outstanding to be immediately due and payable at par, together with interest thereon. If an Event of Default with respect to the Issuer specified in clause (iii) or (iv) of Section 10.1 shall occur, all unpaid principal of and accrued interest on all the Notes of all Series outstanding shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholder. If an Event of Default shall have occurred and be continuing, the Trustee may exercise from time to time any rights and remedies available to it under applicable Law and Section 10.4. Any amounts obtained by the Trustee on account of or as a result of the exercise by the Trustee of any right shall be held by the Trustee as additional collateral for the repayment of the Secured Obligations and shall be applied as provided in Article 5 hereof. If so specified in the applicable Series Supplement, the Trustee may agree to limit its exercise of rights and remedies available to it as a result of the occurrence of an Event of Default to the extent set forth therein.

(b) If an Event of Default shall have occurred and be continuing, then at any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 10 provided, the Required Noteholders, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid to or deposited with the Trustee a sum sufficient to pay

(A) all payments of principal of and interest on all Notes and all other amounts that would then be due hereunder or upon such Notes if the Event of Default giving rise to such acceleration had not occurred; and

(B) all sums paid by the Trustee hereunder and the reasonable compensation, expenses, disbursements of the Trustee and its agents and counsel; and

(ii) all Events of Default, other than the nonpayment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 10.6.

No such rescission shall affect any subsequent default or impair any right consequent thereto.

(c) Additional Remedies. In addition to any rights and remedies now or hereafter granted hereunder or under applicable Law with respect to the Trust Estate, the Trustee shall have all of the rights and remedies of a secured party under the UCC as enacted in any applicable jurisdiction.

Section 10.3. Collection of Indebtedness and Suits for Enforcement by Trustee

(a) The Issuer covenants that if (i) default is made in the payment of any interest on any Note when the same becomes due and payable, and such default continues for a period of five (5) days, (ii) default is made in the payment of the principal of any Note when the same becomes due and payable on the Legal Final Payment Date, the Issuer will pay to it, for the benefit of the Noteholders, the whole amount then due and payable on such Notes for principal, interest and other amounts, with interest upon the overdue principal, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the applicable Note Rate and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

(b) If an Event of Default occurs and is continuing, the Trustee may (in its discretion) and, at the written direction of the Required Noteholders, shall proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by Law; provided, however, that the Trustee shall sell or otherwise liquidate the Trust Estate or any portion thereof only in accordance with Section 10.4(d).

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture), the Trustee shall be held to represent all the Secured Parties, and it shall not be necessary to make any such Person a party to any such Proceedings.

(d) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar Law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, the Trustee,

irrespective of whether the principal or other amount of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal, interest and other amounts owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence, bad faith or willful misconduct) and of the Secured Parties allowed in such Proceedings;

(ii) unless prohibited by applicable Law, to vote on behalf of the Secured Parties in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Secured Parties and of the Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee or the Secured Parties allowed in any judicial Proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Secured Parties to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to such Secured Parties, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence, bad faith or willful misconduct.

(e) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Secured Party or to authorize the Trustee to vote in respect of the claim of any Secured Party in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture or under any of the Notes may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceedings relative thereto, and any such action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the Secured Parties.

Section 10.4. Remedies. If an Event of Default shall have occurred and be continuing, the Trustee may and, at the written direction of the Required Noteholders, shall do one or more of the following:

- (a) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable under the Transaction Documents, enforce any judgment obtained, and collect from the Issuer and any other obligor under the Transaction Documents moneys adjudged due;
- (b) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;
- (c) subject to the limitations set forth in clause (d) below, exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Secured Parties; and
- (d) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by Law; provided, however, that the Trustee may not sell or otherwise liquidate the Trust Estate following an Event of Default unless:
  - (i) the Holders of 100% of the outstanding Notes direct such sale and liquidation,
  - (ii) the proceeds of such sale or liquidation distributable to the Noteholders of each Series are sufficient to discharge in full all amounts then due and unpaid with respect to all outstanding Notes for principal and interest and any other amounts due Noteholders, or
  - (iii) the Trustee determines that the proceeds of the Trust Estate will not continue to provide sufficient funds for the payment of principal of and interest on all outstanding Notes as such amounts would have become due if such Notes had not been declared due and payable and the Required Noteholders direct such sale and liquidation.

In determining such sufficiency or insufficiency with respect to clauses (d)(ii) and (d)(iii), the Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Receivables in the Trust Estate for such purpose.

The Trustee may maintain a Proceeding even if it does not possess any of the Notes or does not produce any of them in the Proceeding, and any such Proceeding instituted by the Trustee shall be in its own name as trustee. All remedies are cumulative to the extent permitted by Law.

Section 10.5. [Reserved].

Section 10.6. Waiver of Past Events. If an Event of Default shall have occurred and be continuing, prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 10.2(a), the Required Noteholders may waive any past Default or Event of Default and its consequences except a Default in payment of principal of any of the Notes. In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 10.7. Limitation on Suits. No Noteholder shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Base Indenture and related Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Noteholder previously has given written notice to the Trustee of a continuing Event of Default;
- (ii) the Holders of not less than 25% of the outstanding principal amount of all Notes of all affected Series have made written request to the Trustee to institute such Proceeding in respect of such Event of Default in its own name as Trustee hereunder;
- (iii) such Noteholder has offered and provided to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;
- (iv) the Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (v) no direction inconsistent with such written request has been given to the Trustee during such sixty (60) day period by the Required Noteholders;

it being understood and intended that no one or more Noteholder shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Noteholder or to obtain or to seek to obtain priority or preference over any other Noteholder or to enforce any right under this Indenture, except in the manner herein provided.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Secured Parties, each representing less than the Required Noteholders, the Trustee shall proceed in accordance with the request of the greater majority of the outstanding principal amount or par value of the Notes, as determined by reference to such requests.

Section 10.8. Unconditional Rights of Holders to Receive Payment; Withholding Taxes

(a) Notwithstanding any other provision of this Indenture except as provided in Section 10.8(b) and (c), the right of any Noteholder to receive payment of principal, interest or other amounts, if any, on the Note, on or after the respective due dates expressed in the Note or in this Indenture (or, in the case of redemption, on or after the Redemption Date), or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Noteholder.

(b) Promptly upon request, each Noteholder shall provide to the Trustee and/or the Issuer (or other person responsible for withholding of taxes, including but not limited to FATCA Withholding Tax, or delivery of information under FATCA) with the Tax Information.

(c) The Paying Agent shall (or if the Trustee is not the Paying Agent, the Trustee shall cause the Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent shall) comply with the provisions of this Indenture applicable to it, comply with all requirements of the Code with respect to the withholding from any payments to Noteholders, including FATCA Withholding Tax (including obtaining and retaining from Persons entitled to payments with respect to the Notes any Tax Information and making any withholdings with respect to the Notes as required by the Code (including FATCA) and paying over such withheld amounts to the appropriate Governmental Authority), comply with respect to any applicable reporting requirements in connection with any payments to Noteholders, and, upon request, provide any Tax Information to the Issuer.

Section 10.9. Restoration of Rights and Remedies. If any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Issuer, the Trustee, the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, the Noteholders shall continue as though no such Proceeding had been instituted.

Section 10.10. The Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Noteholders allowed in any judicial Proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property, and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claim and any custodian in any such judicial Proceeding is hereby authorized by each Noteholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Noteholders, to pay the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 11.6 and 11.17. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel,

---

and any other amounts due the Trustee under Section 11.6 and 11.17 out of the estate in any such Proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, notes and other properties which the Noteholders may be entitled to receive in such Proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Noteholder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding.

Section 10.11. Priorities. Following the declaration of an Event of Default or a Rapid Amortization Event pursuant to Section 9.1 or 10.2, all amounts in any Payment Account, including any money or property collected pursuant to Section 10.4 (after deducting the reasonable costs and expenses of such collection), shall be applied by the Trustee on the related Payment Date in accordance with the provisions of Article 5 and the applicable Series Supplement.

The Trustee may fix a record date and payment date for any payment to Secured Parties pursuant to this Section. At least fifteen (15) days before such record date the Issuer shall mail to each Secured Party and the Trustee a notice that states the record date, the payment date and the amount to be paid.

Section 10.12. Undertaking for Costs. All parties to this Indenture agree, and each Secured Party shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to (a) any suit instituted by the Trustee, (b) any suit instituted by any Noteholder, or group of Noteholders, in each case holding in the aggregate more than 10% of the aggregate outstanding principal balance of the Notes on the date of the filing of such action or (c) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture (or, in the case of redemption, on or after the Redemption Date).

Section 10.13. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Secured Parties is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by Law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 10.14. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Secured Party to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article 10 or by Law to the Trustee or to the Secured Parties may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Secured Parties, as the case may be.

Section 10.15. Control by Noteholders. The Required Noteholders shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee with respect to the Notes or exercising any trust or power conferred on the Trustee; provided that:

- (i) such direction shall not be in conflict with any Law or with this Indenture;
- (ii) subject to the express terms of Section 10.4, any direction to the Trustee to sell or liquidate the Receivables shall be by the Holders of Notes representing not less than 100% of the aggregate outstanding principal balance of all the Notes of all Series;
- (iii) the Trustee shall have been provided with indemnity satisfactory to it; and
- (iv) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

provided, however, that, subject to Section 11.1, the Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Noteholders not consenting to such action.

Section 10.16. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension Law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such Law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such Law had been enacted.

Section 10.17. Action on Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Trustee or the Secured Parties shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer.

Section 10.18. Performance and Enforcement of Certain Obligations.

(a) The Issuer agrees to take all such lawful action as is necessary and desirable to compel or secure the performance and observance by the Seller, the Parent and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the

Transaction Documents in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Transaction Documents, including the transmission of notices of default on the part of the Seller, the Parent or the Servicer thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance by the Seller, the Parent or the Servicer of each of their obligations under the Transaction Documents.

(b) If an Event of Default has occurred and is continuing, the Trustee may, and, at the direction (which direction shall be in writing) of the Required Noteholders shall, subject to Section 10.2(b), exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Parent or the Servicer under or in connection with the Transaction Documents, including the right or power to take any action to compel or secure performance or observance by the Seller, the Parent or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Transaction Documents, and any right of the Issuer to take such action shall be suspended.

Section 10.19. Reassignment of Surplus. Promptly after termination of this Indenture and the payment in full of the Secured Obligations, any proceeds of all the Receivables and other assets in the Trust Estate received or held by the Trustee shall be turned over to the Issuer and the Receivables and other assets in the Trust Estate shall be released to the Issuer by the Trustee without recourse to the Trustee and without any representations, warranties or agreements of any kind.

## ARTICLE 11.

### THE TRUSTEE

#### Section 11.1. Duties of the Trustee.

(a) If an Event of Default has occurred and is continuing, and of which a Trust Officer of the Trustee has written notice, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and any related document, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs; provided, however, that the Trustee shall have no liability in connection with any action or inaction taken, or not taken, by it upon the deemed occurrence of an Event of Default of which a Trust Officer has not received written notice; and provided, further that the preceding sentence shall not have the effect of insulating the Trustee from liability arising out of the Trustee's negligence or willful misconduct.

(b) Except during the occurrence and continuance of an Event of Default of which a Trust Officer of the Trustee has written notice:

(i) the Trustee undertakes to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture or any related document against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely (without independent confirmation, verification, inquiry or investigation of the contents thereof), as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture and, if applicable, the Transaction Documents to which the Trustee is a party, provided, further, that the Trustee shall not be responsible for the accuracy or content of any of the aforementioned documents and the Trustee shall have no obligation to verify or recompute any numeral information provided to it pursuant to the Transaction Documents.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct except that:

(i) this clause does not limit the effect of clause (b) of this Section 11.1;

(ii) the Trustee shall not be personally liable for any error of judgment made in good faith by a Trust Officer or Trust Officers of the Trustee, unless it is conclusively determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms of the Indenture or the Transaction Documents;

(iv) the Trustee shall not be charged with knowledge of any failure by the Servicer referred to in clauses (a)-(g) of Section 2.04 of the Servicing Agreement unless a Trust Officer of the Trustee obtains actual knowledge of such failure or the Trustee receives written notice of such failure from the Servicer or any Holders of Notes evidencing not less than 10% of the aggregate outstanding principal balance or par value of the Notes of any Series adversely affected thereby.

(d) Notwithstanding anything to the contrary contained in this Indenture or any of the Transaction Documents, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights and powers, if there is reasonable ground (as determined by the Trustee in its sole discretion) for believing that the repayment of such funds or adequate indemnity against such risk is not reasonably assured to it by the security afforded to it by the terms of this Indenture.

(e) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA (if this Indenture is required to be qualified under the TIA).

---

(f) The Trustee shall, and hereby agrees that it will, perform all of the obligations and duties required of it under the Servicing Agreement.

(g) Without limiting the generality of this Section 11.1 and subject to the other provisions of this Indenture, the Trustee shall have no duty (i) to see to any recording, filing or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any recording, refiling or redepositing of any thereof or to see to the validity, perfection, continuation, or value of any lien or security interest created herein, (ii) to see to the payment or discharge of any tax, assessment or other governmental Lien owing with respect to, assessed or levied against any part of the Issuer, (iii) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Indenture or the Servicing Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties, (iv) to determine whether any Receivables is an Eligible Receivable or to inspect the Receivables at any time or ascertain or inquire as to the performance or observance of any of the Issuer's, the Seller's, the Parent's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as Custodian of the Receivable Files under the Servicer Transaction Documents, (v) the acquisition or maintenance of any insurance, or (vi) to determine when a Repurchase Event occurs. The Trustee shall be authorized to, but shall in no event have any duty or responsibility to, file any financing or continuation statements or record any documents or instruments in any public office at any time or times or otherwise perfect or maintain any security interest in the Trust Estate.

(h) Subject to Section 11.1(d), in the event that the Paying Agent or the Transfer Agent and Registrar (if other than the Trustee) shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Paying Agent or the Transfer Agent and Registrar, as the case may be, under this Indenture, the Trustee shall be obligated as soon as practicable upon written notice to a Trust Officer thereof and receipt of appropriate records and information, if any, to perform such obligation, duty or agreement in the manner so required.

(i) No provision of this Indenture shall be construed to require the Trustee to perform, or accept any responsibility for the performance of, the obligations of the Servicer hereunder until it shall have assumed such obligations in accordance with this Section 11.1 and the provisions of the Servicing Agreement.

(j) Subject to Section 11.4, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by Law or the Transaction Documents.

(k) Except as otherwise required or permitted by the TIA (if this Indenture is required to be qualified under the TIA), nothing contained herein shall be deemed to authorize the Trustee to engage in any business operations or any activities other than those set forth in this Indenture. Specifically, the Trustee shall have no authority to engage in any business operations, acquire any assets other than those specifically included in the Trust Estate under this Indenture or otherwise vary the assets held by the Issuer. Similarly, the Trustee shall have no discretionary duties other than performing those ministerial acts set forth above necessary to accomplish the purpose of this Indenture.

(l) The Trustee shall not be required to take notice or be deemed to have notice or knowledge of any Default or Event of Default unless a Trust Officer of the Trustee shall have received written notice thereof. In the absence of receipt of such notice, the Trustee may conclusively assume that there is no Default or Event of Default.

(m) [Reserved].

(n) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Servicer and/or a specified percentage of Noteholders under circumstances in which such direction is required or permitted by the terms of this Base Indenture, a Series Supplement or other Transaction Document.

(o) The enumeration of any permissive right or power herein or in any other Transaction Document available to the Trustee shall not be construed to be the imposition of a duty.

(p) The Trustee shall not be liable for interest on any money received by it except as the Trustee may separately agree in writing with the Issuer.

(q) Every provision of the Indenture or any related document relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

(r) The Trustee shall not be responsible for or have any liability for the collection of any Contracts or Receivables or the recoverability of any amounts from an Obligor or any other Person owing any amounts as a result of any Contracts or Receivables, including after any default of any Obligor or any other such Person.

Section 11.2. Rights of the Trustee. Except as otherwise provided by Section 11.1:

(a) The Trustee may conclusively rely on and shall be protected in acting upon or refraining from acting upon and in accord with, without any duty to verify the contents or recompute any calculations therein, any document (whether in its original or facsimile form), including the Monthly Servicer Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee, the Monthly Statement, any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document, believed by it to be genuine and to have been signed by or presented by the proper Person. Without limiting the Trustee's obligations to examine pursuant to Section 11.1(b)(ii), the Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, the Trustee may require an Officer's Certificate or an Opinion of Counsel or consult with counsel of its selection and the Officer's Certificate or the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

---

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, custodians and nominees and the Trustee shall not be liable for any misconduct or negligence on the part of, or for the supervision of, any such agent or attorneys, custodian or nominee so long as such agent, custodian or nominee is appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Base Indenture or any Series Supplement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Noteholders, pursuant to the provisions of this Base Indenture or any Series Supplement, unless such Noteholders shall have offered to the Trustee security or indemnity satisfactory to the Trustee (in its sole discretion) against the costs, expenses (including attorneys' fees and expenses) and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Trustee of the obligations, upon the occurrence of an Event of Default (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Base Indenture or any Series Supplement, and to use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(f) The Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document (including, the Monthly Servicer's Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee or the Monthly Statement), unless requested in writing so to do by the Holders of Notes evidencing not less than 25% of the aggregate outstanding principal balance or par value of Notes of any Series, but the Trustee may, but is not obligated to, make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the Person making such request, or, if paid by the Trustee, shall be reimbursed by the Person making such request.

(g) The Trustee shall have no liability for the selection of Permitted Investments and shall not be liable for any losses or liquidation penalties in connection with Permitted Investments, unless such losses or liquidation penalties were incurred through the Trustee's own willful misconduct or negligence. The Trustee shall have no obligation to invest or reinvest any amounts except as directed by the Issuer (or the initial Servicer) in accordance with this Indenture. Notwithstanding the foregoing, if the initial Servicer is removed or replaced, the selected Permitted Investment for investment or reinvestment as provided in this Indenture shall be as in effect on the date of such removal or replacement.

(h) The Trustee shall not be liable for the acts or omissions of any successor to the Trustee so long as such acts or omissions were not the result of the negligence, bad faith or willful misconduct of the predecessor Trustee.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee (a) in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder and (b) in each document to which it is a party whether or not specifically set forth herein.

(j) Except as may be required by Sections 11.1(b)(ii), 11.1(i), 11.2(a) and 11.2(f), the Trustee shall not be required to make any initial or periodic examination of any documents or records related to the Trust Estate for the purpose of establishing the presence or absence of defects, the compliance by the Seller, the Parent or the Servicer with their respective representations and warranties or for any other purpose.

(k) Without limiting the Trustee's obligation to examine pursuant to Section 11.1(b)(ii), the Trustee shall not be bound to make any investigation into (i) the performance or observance by the Issuer, any Servicer or any other Person of any of the covenants, agreements or other terms or conditions set forth in this Indenture or in any related document, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture, any related document or any other agreement, instrument or document, (iii) the creation, perfection or priority of any Lien purported to be created by this Indenture or any related document, (iv) the value or the sufficiency of any collateral or (v) the satisfaction of any condition set forth in this Indenture or any related document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Servicer, personally or by agent or attorney, and shall incur no liability of any kind by reason of such inquiry or investigation.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee may, from time to time, request that the Issuer and any other applicable party deliver a certificate (upon which the Trustee may conclusively rely) setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or any related document together with a specimen signature of such authorized officers; provided, however, that from time to time, the Issuer or such other applicable party may, by delivering to the Trustee a revised certificate, change the information previously provided by it pursuant to the Indenture, but the Trustee shall be entitled to conclusively rely on the then current certificate until receipt of a superseding certificate.

(n) The right of the Trustee to perform any discretionary act enumerated in this Indenture or any related document shall not be construed as a duty.

(o) Except for notices, reports and other documents expressly required to be furnished to the Holders by the Trustee hereunder, the Trustee shall not have any duty or responsibility to provide any Holder with any other information concerning the Issuer, the servicer or any other parties to any related documents which may come into the possession of the Trustee or any of its officers, directors, employees, agents, representatives or attorneys-in-fact.

(p) If the Trustee requests instructions from the Issuer or the Holders with respect to any action or omission in connection with this Indenture, the Trustee shall be entitled (without incurring any liability therefor) to refrain from taking such action and continue to refrain from acting unless and until the Trustee shall have received written instructions from the Issuer or the Holders, as applicable, with respect to such request.

(q) In order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable Law"), the Trustee is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

(r) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture or any related documents because of circumstances beyond the Trustee's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Indenture or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Trustee's control whether or not of the same class or kind as specified above.

(s) The Trustee shall not be liable for failing to comply with its obligations under this Indenture in so far as the performance of such obligations is dependent upon the timely receipt of instructions and/or other information from any other Person which are not received or not received by the time required.

(t) The Trustee shall be fully justified in failing or refusing to take any action under this Indenture or any other related document if such action (A) would, in the reasonable opinion of the Trustee, in good faith (which may be based on the advice or opinion of counsel), be contrary to applicable Law, this Indenture or any other related document, or (B) is not provided for in the Indenture or any other related document.

(u) The Trustee shall not be required to take any action under this Indenture or any related document if taking such action (A) would subject the Trustee to a tax in any jurisdiction where it is not then subject to a tax, or (B) would require the Trustee to qualify to do business in any jurisdiction where it is not then so qualified.

Section 11.3. Trustee Not Liable for Recitals in Notes The Trustee assumes no responsibility for the correctness of the recitals contained in this Indenture and in the Notes (other than the signature and authentication of the Trustee on the Notes). Except as set forth in Section 11.16, the Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes (other than the signature and authentication of the Trustee on the Notes) or of any asset of the Trust Estate or related document. The Trustee shall not be accountable for the use or application by the Issuer or the Seller of any of the Notes or of the proceeds of such Notes, or for the use or application of any funds paid to the Seller or to the Issuer in respect of the Trust Estate or deposited in or withdrawn from the Collection Account or any Series Account by the Servicer.

Section 11.4. Individual Rights of the Trustee The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or an Affiliate of the Issuer with the same rights it would have if it were not Trustee. Any Paying Agent, Transfer Agent and Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 11.9 and 11.11.

Section 11.5. Notice of Defaults If a Default, Event of Default or Rapid Amortization Event occurs and is continuing and if a Trust Officer of the Trustee receives written notice or has actual knowledge thereof, the Trustee shall promptly provide each Notice Person (and, with respect to any Event of Default or Rapid Amortization Event, each Noteholder), to the extent possible by email or facsimile, and, otherwise, by first class mail at their respective addresses appearing in the Note Register.

Section 11.6. Compensation.

(a) To the extent not otherwise paid pursuant to the Indenture, the Issuer covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to receive, such compensation as the Issuer and the Trustee shall agree in writing from time to time (which compensation shall not be limited by any provision of Law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the trust hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee, and, the Issuer will pay or reimburse the Trustee (without reimbursement from the

Collection Account, any Payment Account, any Series Account or otherwise) all reasonable expenses, disbursements and advances (including legal fees and costs and costs of persons not regularly employed by the Trustee) incurred or made by the Trustee in accordance with any of the provisions of this Indenture except any such expense, disbursement or advance as may arise from its own willful misconduct or negligence.

(b) The obligations of the Issuer under this Section 11.6 shall survive the termination of this Base Indenture and the resignation or removal of the Trustee.

Section 11.7. Replacement of the Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 11.7.

(b) The Trustee may, after giving sixty (60) days' prior written notice to the Issuer and the Servicer, resign at any time and be discharged from the trust hereby created; provided, however, that no such resignation of the Trustee shall be effective until a successor trustee has assumed the obligations of the Trustee hereunder. The Issuer may remove the Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee if:

(i) the Trustee fails to comply with Section 11.9;

(ii) a court or federal or state bank regulatory agency having jurisdiction in the premises in respect of the Trustee shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or similar official) for the Trustee or for any substantial part of the Trustee's property, or ordering the winding-up or liquidation of the Trustee's affairs;

(iii) the Trustee consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or other similar official) for the Trustee or for any substantial part of the Trustee's property, or makes any assignment for the benefit of creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing; or

(iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning and one copy to the successor trustee.

(c) If a successor Trustee does not take office within thirty (30) days after the retiring Trustee provides written notice of its resignation or is removed, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

---

A successor Trustee shall deliver a written acceptance of its appointment to the retiring or removed Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers and duties of the Trustee under this Base Indenture and any Series Supplement. The successor Trustee shall mail a notice of its succession to Noteholders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer to the successor Trustee all property held by it as Trustee and all documents and statements held by it hereunder; provided, however, that all sums owing to the retiring Trustee hereunder (and its agents and counsel) have been paid, and the Issuer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties and obligations. Notwithstanding replacement of the Trustee pursuant to this Section 11.7, the Issuer's obligations under Sections 11.6 and 11.17 shall continue for the benefit of the retiring Trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 11.7 shall not become effective until acceptance of appointment by the successor Trustee pursuant to this Section 11.7 and payment of all fees and expenses owed to the retiring Trustee.

(e) No successor Trustee shall accept appointment as provided in this Section 11.7 unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 11.9 hereof.

Section 11.8. Successor Trustee by Merger, etc. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such Person shall be eligible under the provisions of Section 11.9 hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 11.9. Eligibility: Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a) (if this Indenture is required to be qualified under the TIA).

The Trustee hereunder shall at all times be organized and doing business under the Laws of the United States of America or any State thereof authorized under such Laws to exercise corporate trust powers, having a long-term unsecured debt rating of at least BBB- (or the equivalent thereof) by a Rating Agency, having, in the case of an entity that is subject to risk-based capital adequacy requirements, risk-based capital of at least \$50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to Law, then for the purpose of this Section 11.9, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee shall comply with TIA Section 310(b), including the optional provision permitted by the second sentence of TIA Section 310(b)(9) (if this Indenture is required to be qualified under the TIA); provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 11.9, the Trustee shall resign immediately in the manner and with the effect specified in Section 11.7.

Section 11.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Base Indenture or any Series Supplement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Secured Parties, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this Section 11.10 such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 11.9 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 11.7. No co-trustee shall be appointed without the consent of the Issuer unless such appointment is required as a matter of Law or to enable the Trustee to perform its functions hereunder. The appointment of any co-trustee or separate trustee shall not relieve the Trustee of any of its obligations hereunder.

(b) Every separate trustee and co-trustee shall, to the extent permitted by Law, be appointed and act subject to the following provisions and conditions:

(i) the Notes of each Series shall be authenticated and delivered solely by the Trustee or an authenticating agent appointed by the Trustee;

(ii) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any Law (whether as Trustee hereunder or as successor to the Servicer under the Servicing Agreement), the Trustee shall be incompetent or unqualified to perform, such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(iii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustees, hereunder, including acts or omissions of predecessor or successor trustees;

(iv) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee; and

(v) the Trustee shall remain primarily liable for the actions of any co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article 11. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Base Indenture and any Series Supplement, specifically including every provision of this Base Indenture or any Series Supplement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by Law, to do any lawful act under or in respect to this Base Indenture or any Series Supplement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by Law, without the appointment of a new or successor Trustee.

Section 11.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b) (if this Indenture is required to be qualified under the TIA). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated (if this Indenture is required to be qualified under the TIA).

Section 11.12. Taxes. Neither the Trustee nor (except to the extent the initial Servicer breaches its obligations or covenants contained in the Servicing Agreement) the Servicer shall be liable for any liabilities, costs or expenses of the Issuer, the Noteholders nor the Note Owners arising under any tax Law, including without limitation federal, state, local or foreign income or franchise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto or arising from a failure to comply therewith).

Section 11.13. [Reserved].

Section 11.14. Suits for Enforcement. If an Event of Default shall occur and be continuing, the Trustee, may (but shall not be obligated to) subject to the provisions of Section 2.01 of the Servicing Agreement, proceed to protect and enforce its rights and the rights of any Secured Party under this Indenture or any other Transaction Document by a Proceeding, whether for the specific performance of any covenant or agreement contained in this Indenture or such other Transaction Document or in aid of the execution of any power granted in this Indenture or such other Transaction Document or for the enforcement of any other legal, equitable or other remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or any Secured Party.

Section 11.15. Reports by Trustee to Holders. The Trustee shall deliver to each Noteholder such information as may be expressly required by the Code.

Section 11.16. Representations and Warranties of Trustee. The Trustee represents and warrants to the Issuer and the Secured Parties that:

(i) the Trustee is a national banking association with trust powers duly organized, existing and authorized to engage in the business of banking under the Laws of the United States;

(ii) the Trustee has full power, authority and right to execute, deliver and perform this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes, and has taken all necessary action to authorize the execution, delivery and performance by it of this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes;

(iii) this Indenture has been duly executed and delivered by the Trustee; and

(iv) the Trustee meets the requirements of eligibility hereunder set forth in Section 11.9.

Section 11.17. The Issuer Indemnification of the Trustee. The Issuer shall fully indemnify, defend and hold harmless the Trustee (and any predecessor Trustee) and its directors, officers, agents and employees from and against any and all loss, liability, claim, expense, damage or injury suffered or sustained of whatever kind or nature regardless of their merit, demanded, asserted, or claimed directly or indirectly relating to any acts, omissions or alleged acts or omissions arising out of the activities of the Trustee pursuant to this Base Indenture or any Series Supplement and any other Transaction Document to which it is a party or any transaction contemplated hereby or thereby, including but not limited to any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, Proceeding or claim; provided, however, that the Issuer shall not indemnify the Trustee or its directors, officers, employees or agents if such acts,

omissions or alleged acts or omissions constitute negligence or willful misconduct by the Trustee. The indemnity provided herein shall (i) survive the termination of this Indenture and the resignation and removal of the Trustee, (ii) apply to the Trustee (including (a) in its capacity as Agent and (b) Wilmington Trust, National Association, as Securities Intermediary and Depository Bank) and (iii) apply to Deutsche Bank Trust Company Americas in its capacity as Collateral Trustee.

Section 11.18. Trustee's Application for Instructions from the Issuer. Any application by the Trustee for written instructions from the Issuer or the initial Servicer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. Subject to Section 11.1, the Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than thirty (30) days after the date any Responsible Officer of the Issuer or the initial Servicer actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

Section 11.19. [Reserved].

Section 11.20. Maintenance of Office or Agency. The Trustee will maintain an office or offices, or agency or agencies, where notices and demands to or upon the Trustee in respect of the Notes and this Indenture may be served. The Trustee initially appoints its Corporate Trust Office as its office for such purposes. The Trustee will give prompt written notice to the Issuer, the Servicer and the Noteholders of any change in the location of the Note Register or any such office or agency.

Section 11.21. Concerning the Rights of the Trustee. The rights, privileges and immunities afforded to the Trustee in the performance of its duties under this Indenture shall apply equally to the performance by the Trustee of its duties under each other Transaction Document to which it is a party.

Section 11.22. Direction to the Trustee. The Issuer hereby directs the Trustee to enter into the Transaction Documents.

Section 11.23. Repurchase Demand Activity Reporting.

(a) To assist in the Seller's compliance with the provisions of Rule 15Ga-1 under the Exchange Act ("Rule 15Ga-1"), subject to paragraph (b) below, the Trustee shall provide the following information (the "Rule 15Ga-1 Information") to the Seller in the manner, timing and format specified below:

(i) No later than the fifteenth (15th) day following the end of each calendar quarter in which any Series is outstanding, the Trustee shall provide information regarding repurchase demand activity during the preceding calendar quarter related to the underlying assets for each such Series in substantially the form of Exhibit H hereto.

(ii) If (x) the Trustee has previously delivered a report described in clause (i) above indicating that, based on a review of the records of the Trustee, there was no asset repurchase demand activity during the applicable period, and (y) based on a review of the records of the Trustee, no asset repurchase demand activity has occurred since the delivery of such report, the Trustee may, in lieu of delivering the information as is requested pursuant to clause (i) above substantially in the form of Exhibit H hereto, and no later than the date specified in clause (i) above, notify the Seller that there has been no change in asset repurchase demand activity since the date of the last report delivered.

(iii) The Trustee shall provide notification, as soon as practicable and in any event within five (5) Business Days of receipt, of all demands communicated to the Trustee for the repurchase or replacement of the underlying assets for any Series.

(b) The Trustee shall provide Rule 15Ga-1 Information subject to the following understandings and conditions:

(i) The Trustee shall provide Rule 15Ga-1 Information only to the extent that the Trustee has Rule 15Ga-1 Information or can obtain Rule 15Ga-1 Information without unreasonable effort or expense; provided that the Trustee's efforts to obtain Rule 15Ga-1 Information shall be limited to a review of its internal written records of repurchase demand activity for the applicable Series and that the Trustee is not required to request information from any other parties.

(ii) The reporting of repurchase demand activity pursuant to this Section 11.23 is subject in all cases to the best knowledge of the Trust Officer responsible for the applicable Series.

(iii) The reporting of repurchase demand activity pursuant to this Section 11.23 is required only to the extent such repurchase demand activity was not addressed to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, the Issuer or the initial Servicer or previously reported to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, Issuer or initial Servicer by the Trustee. For purposes hereof, the term "demand" shall not include (x) repurchases or replacements made pursuant to instruction, direction or request from the Seller or its affiliates or (y) general inquiries, including investor inquiries, regarding asset performance or possible breaches of representations or warranties.

(iv) The Trustee's reporting pursuant to this Section 11.23 is limited to information that the Trustee has received or acquired solely in its capacity as Trustee for the applicable Series and not in any other capacity. In no event shall Wilmington Trust, National Association (individually or as Trustee) have any responsibility or liability in connection with (i) the compliance by any Person which is a securitizer (as defined in Rule 15Ga-1) of the Series, or any other Person, with Rule 15Ga-1 or any related rules or regulations or (ii) any filing required to be made by a securitizer (as defined in Rule 15Ga-1) under Rule 15Ga-1 in connection with the Rule 15Ga-1 Information provided pursuant to this Section 11.23. Other than any express duties or responsibilities as Trustee under the Transaction Documents, the Trustee has no duty or obligation to

undertake any investigation or inquiry related to repurchase demand activity or otherwise to assume any additional duties or responsibilities in respect of any Series, and no such additional obligations or duties are implied. The Trustee is entitled to the full benefit of any and all protections, limitations on duties or liability and rights of indemnity provided by the terms of the Transaction Documents in connection with any actions pursuant to this Section 11.23.

(v) Unless and until the Trustee is otherwise notified in writing, any Rule 15Ga-1 Information provided pursuant to this Section 11.23 shall be provided in electronic format via e-mail and directed as follows: [john.foxgrover@progressfn.com](mailto:john.foxgrover@progressfn.com).

(vi) The Trustee's obligation pursuant to this Section 11.23 continue until the earlier of (x) the date on which such Series is no longer outstanding and (y) the date the Seller notifies the Trustee that such reporting no longer is required.

## ARTICLE 12.

### DISCHARGE OF INDENTURE

Section 12.1. Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of Noteholders to receive payments of principal thereof and interest thereon and any other amount due to Noteholders, (ii) Sections 8.1, 11.6, 11.12, 11.17, 12.2, 12.5(b), 15.16 and 15.17, (iii) the rights, obligations and immunities of the Trustee hereunder (including the rights of the Trustee under Sections 11.6 and 11.17 and the obligations of the Trustee under Section 12.2) and (iv) the rights of Noteholders as beneficiaries hereof with respect to the property deposited with the Trustee as described below payable to all or any of them, and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes (and their related Secured Parties), on the Payment Date with respect to any Series (the "Indenture Termination Date") on which the Issuer has paid, caused to be paid or irrevocably deposited or caused to be irrevocably deposited in the applicable Payment Account and any applicable Series Account funds sufficient to pay in full all Secured Obligations, and the Issuer has delivered to the Trustee an Officer's Certificate, an Opinion of Counsel and, if required by the TIA (if this Indenture is required to be qualified under the TIA), an Independent Certificate from a firm of certified public accountants, each meeting the applicable requirements of Section 15.1(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

After any irrevocable deposit made pursuant to Section 12.1 and satisfaction of the other conditions set forth herein, the Trustee promptly upon request shall acknowledge in writing the discharge of the Issuer's obligations under this Indenture except for those surviving obligations specified above.

Section 12.2. Application of Issuer Money. All moneys deposited with the Trustee pursuant to Section 12.1 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Base Indenture and the related Series Supplement, to the payment, either directly or through any Paying Agent to the Noteholder of the particular Notes for the payment

or redemption of which such moneys have been deposited with the Trustee, of all sums due and to become due thereon for principal, interest and other amounts; but such moneys need not be segregated from other funds except to the extent required herein or in the other Transaction Documents or required by Law.

The provisions of this Section 12.2 shall survive the expiration or earlier termination of this Indenture.

Section 12.3. Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent other than the Trustee under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Trustee to be held and applied according to Section 8.1 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

Section 12.4. [Reserved].

Section 12.5. Final Payment with Respect to Any Series

(a) Written notice of any termination, specifying the Payment Date upon which the Noteholders of any Series may surrender their Notes for final payment with respect to such Series and cancellation, shall be given (subject to at least two (2) Business Days' prior notice from the Issuer to the Trustee) by the Trustee to Noteholders of such Series mailed not later than five (5) Business Days preceding such final payment (or in the manner provided by the Series Supplement relating to such Series) specifying (i) the Payment Date (which shall be the Payment Date in the month (x) in which the deposit is made as may be specified in the related Series Supplement, or (y) in which the related Series Termination Date occurs) upon which final payment of such Notes will be made upon presentation and surrender of such Notes at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such Payment Date is not applicable, payments being made only upon presentation and surrender of the Notes at the office or offices therein specified. The Issuer's notice to the Trustee in accordance with the preceding sentence shall be accompanied by an Officer's Certificate setting forth the information specified in Article 6 of this Base Indenture covering the period during the then current calendar year through the date of such notice and setting forth the date of such final distribution. The Trustee shall give such notice to the Transfer Agent and the Paying Agent at the time such notice is given to such Noteholders.

(b) Notwithstanding the termination or discharge of the trust of the Indenture pursuant to Section 12.1 or the occurrence of the Series Termination Date with respect to any Series, all funds then on deposit in the Payment Account shall continue to be held in trust for the benefit of the Noteholders of the related Series and the Paying Agent or the Trustee shall pay such funds to the Noteholders of the related Series upon surrender of their Notes. In the event that all of the Noteholders of any Series shall not surrender their Notes for cancellation within six (6) months after the date specified in the above-mentioned written notice, the Trustee shall give second written notice to the remaining Noteholders of such Series upon receipt of the appropriate records from the Transfer Agent and Registrar to surrender their Notes for cancellation and receive the final distribution with respect thereto. If within one and one-half years after the

second notice with respect to a Series, all the Notes of such Series shall not have been surrendered for cancellation, the Trustee may take appropriate steps or may appoint an agent to take appropriate steps, to contact the remaining Noteholders of such Series concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Payment Account or any Series Account held for the benefit of such Noteholders. The Trustee and the Paying Agent shall pay to the Issuer upon request any monies held by them for the payment of principal or interest which remains unclaimed for two (2) years. After such payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property Law designates another Person.

(c) All Notes surrendered for payment of the final distribution with respect to such Notes and cancellation shall be cancelled by the Transfer Agent and Registrar and be disposed of in a manner satisfactory to the Trustee and the Issuer.

Section 12.6. Termination Rights of Issuer. Upon the termination of the Lien of the Indenture pursuant to Section 12.1, and after payment of all amounts due hereunder on or prior to such termination, the Trustee shall execute a written release and reconveyance substantially in the form of Exhibit A hereto pursuant to which it shall release the Lien of the Indenture and reconvey to the Issuer (without recourse, representation or warranty) all right, title and interest in the Trust Estate, whether then existing or thereafter created, all moneys due or to become due with respect to such Trust Estate and all proceeds of the Trust Estate, except for amounts held by the Trustee or any Paying Agent pursuant to Section 12.5(b). The Trustee shall execute and deliver such instruments of transfer and assignment, in each case without recourse, as shall be reasonably requested by the Issuer or the Servicer to vest in the Issuer all right, title and interest in the Trust Estate.

Section 12.7. Repayment to the Issuer. The Trustee and the Paying Agent shall promptly pay to the Issuer upon written request any excess money or, pursuant to Sections 2.10 and 2.13, return any Notes held by them at any time.

## ARTICLE 13.

### AMENDMENTS

Section 13.1. Supplemental Indentures without Consent of the Noteholders. Without the consent of the Holders of any Notes, and, if the Servicer's or Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby, the Servicer or the Back-Up Servicer, as applicable, the Issuer and the Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indenture supplements or amendments hereto or amendments to any Series Supplement (which shall conform to any applicable provisions of the TIA as in force at the date of execution thereof), in form satisfactory to the Trustee, unless otherwise provided in a Series Supplement, for any of the following purposes:

(a) to correct or amplify the description of any property at any time subject to the Lien of this Indenture, or better to assure, convey and confirm unto the Trustee any property subject or required to be subjected to the Lien of this Indenture, or to subject to the Lien of this Indenture additional property;

(b) to evidence the succession, in compliance with the applicable provisions hereof, of another Person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes;

(c) to add to the covenants of the Issuer for the benefit of any Secured Parties or to surrender any right or power herein conferred upon the Issuer;

(d) to convey, transfer, assign, mortgage or pledge to the Trustee any property or assets as security for the Secured Obligations and to specify the terms and conditions upon which such property or assets are to be held and dealt with by the Trustee and to set forth such other provisions in respect thereof as may be required by this Indenture or as may, consistent with the provisions of this Indenture, be deemed appropriate by the Issuer and the Trustee, or to correct or amplify the description of any such property or assets at any time so mortgaged, pledged, conveyed and transferred to the Trustee;

(e) to cure any ambiguity, or correct or supplement any provision of this Indenture which may be inconsistent with any other provision of this Indenture or the final offering memorandum for any Series of Notes;

(f) to make any other provisions with respect to matters or questions arising under this Indenture provided, however, that such action shall not adversely affect the interests of any Holder of the Notes in any material respect without consent being provided as set forth in Section 13.2;

(g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes of one or more Series or to add to or change any of the provisions of this Indenture as shall be necessary and permitted to provide for or facilitate the administration of the trusts hereunder by more than one trustee pursuant to the requirements of Article 11; or

(h) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

provided, however, that no amendment or supplement shall be permitted unless a Tax Opinion is delivered to the Trustee.

Upon the request of the Issuer and upon receipt by the Trustee of the documents described in Section 2.2, the Trustee shall join with the Issuer in the execution of any supplemental indenture or amendment authorized or permitted by the terms of this Base Indenture and shall make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such supplemental indenture or amendment that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 13.2. Supplemental Indentures with Consent of Noteholders. The Issuer and the Trustee, when authorized by an Issuer Order, also may, and unless otherwise provided in any Series Supplement, with the consent of the Required Noteholders and, if the Servicer's or the Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby, the Servicer or the Back-Up Servicer, as applicable, enter into one or more indenture supplements or amendments hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes of any Series under this Indenture; provided, however, that no such indenture supplement or amendment shall, without the consent of the Required Noteholders and without the consent of the Holder of each outstanding Note affected thereby (and in the case of clause (iii) below, the consent of each Secured Party):

(i) change the date of payment of any installment of principal of or interest on, or any premium payable upon the redemption of, any Note or reduce in any manner the principal amount thereof, the interest rate thereon or the Redemption Price with respect thereto, modify the provisions of this Base Indenture or any Series Supplement relating to the application of Collections on, or the proceeds of the sale of, the Trust Estate to payment of principal of, or interest on, the Notes, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable;

(ii) change the Noteholder voting requirements with respect to any Transaction Document;

(iii) impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article 9, to the payment of any such amount due on the Notes on or after the respective due dates thereof (or, in the case of redemption, on or after the Redemption Date);

(iv) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required for any such indenture supplement or amendment, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(v) modify or alter the provisions of this Indenture regarding the voting of Notes held by the Issuer, the Seller or an Affiliate of the foregoing;

(vi) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required to direct the Trustee to sell or liquidate the Trust Estate pursuant to Section 10.4 if the proceeds of such sale would be insufficient to pay the principal amount and accrued but unpaid interest on the outstanding Notes;

(vii) modify any provision of this Section 13.2, except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby;

(viii) modify any of the provisions of this Indenture in such manner as to affect in any material respect the calculation of the amount of any payment of interest or principal due on any Note on any Payment Date (including the calculation of any of the individual components of such calculation), to alter the application of "Collections" or to affect the rights of the Holders of Notes to the benefit of any provisions for the mandatory redemption of the Notes contained in this Indenture; or

(ix) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the Trust Estate for the Notes (except for Permitted Encumbrances) or, except as otherwise permitted or contemplated in this Indenture, terminate the Lien of this Indenture on any such collateral at any time subject hereto or deprive any Secured Party of the security provided by the Lien of this Indenture;

provided, further, that no amendment will be permitted if it would cause any Noteholder to recognize gain or loss for U.S. federal income tax purposes, unless such Noteholder's consent is obtained as described above.

The Trustee may, but shall not be obligated to, enter into any such amendment or supplement that affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

It shall not be necessary for any consent of Noteholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof. Additionally, with respect to a Book-Entry Note, such consent may be provided directly by the Note Owner or indirectly through a Clearing Agency or Foreign Clearing Agency.

The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Note shall be subject to such reasonable requirements as the Trustee may prescribe.

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture or amendment to this Base Indenture or any Series Supplement pursuant to this Section, the Trustee shall mail to each Holder of the Notes of all Series (or with respect to an amendment or supplemental indenture of a Series Supplement, to the Noteholders of the applicable Series), the Back-Up Servicer and the Servicer a copy of such supplemental indenture or amendment. Any failure of the Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or amendment.

Section 13.3. Execution of Supplemental Indentures. In executing any amendment or supplemental indenture permitted by this Article 13 or the modifications thereby of the trust created by this Indenture, the Trustee shall be entitled to receive, and subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel stating that the execution of such amendment or supplemental indenture is authorized,

---

permitted or not prohibited (as the case may be) by this Indenture and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied. Such Opinion of Counsel may be subject to reasonable qualifications and assumptions of fact. The Trustee may, but shall not be obligated to, enter into any such amendment or supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

Section 13.4. Effect of Supplemental Indenture. Upon the execution of any amendment or supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Trustee, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such amendment or supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 13.5. Conformity With TIA. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article 13 shall conform to the requirements of the TIA as then in effect so long as this Indenture shall then be required to be qualified under the TIA.

Section 13.6. [Reserved].

Section 13.7. Series Supplements. Notwithstanding anything in Sections 13.1 and 13.2 to the contrary but subject to Section 13.11, the Series Supplement with respect to any Series may be amended with respect to the items and in accordance with the procedures provided in such Series Supplement and in the event the form of Notes to any Series Supplement is amended, each Holder shall surrender its Notes to the Trustee and the Trustee shall, following receipt of such Note and an Issuer Order directing the Trustee with respect to the authentication of such replacement Notes, issue a replacement Note containing such changes.

Section 13.8. Revocation and Effect of Consents. Until an amendment, supplemental indenture or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to his Note or portion of a Note if the Trustee receives written notice of revocation before the date the amendment, supplemental indenture or waiver becomes effective. An amendment, supplemental indenture or waiver becomes effective in accordance with its terms and thereafter binds every Holder. The Issuer may fix a record date for determining which Holders must consent to such amendment, supplemental indenture or waiver.

Section 13.9. Notation on or Exchange of Notes Following Amendment. The Trustee may place an appropriate notation about an amendment, supplemental indenture or waiver on any Note thereafter authenticated. If the Issuer shall so determine, new Notes so modified as to conform to any such amendment, supplemental indenture or waiver may be prepared and

executed by the Issuer and authenticated and delivered by the Trustee (upon receipt of an Issuer Order) in exchange for outstanding Notes. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplemental indenture or waiver.

Section 13.10. The Trustee to Sign Amendments, etc. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 13 if the amendment or supplemental indenture does not adversely affect in any material respect the rights, duties, liabilities or immunities of the Trustee. If any amendment or supplemental indenture does have such a materially adverse effect, the Trustee may, but need not, sign it. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive, if requested, an indemnity reasonably satisfactory to it and to receive and, subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized, permitted or not prohibited (as the case may be) by this Indenture and that it will be valid and binding upon the Issuer in accordance with its terms and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied.

Section 13.11. Back-Up Servicer Consent. No amendment or indenture supplement hereto (including pursuant to Section 2.2 hereof) shall be effective if such amendment or supplement shall adversely affect the rights, duties or obligations of the Back-Up Servicer (including in its capacity as successor Servicer) without its prior written consent, notwithstanding anything to the contrary.

#### ARTICLE 14.

##### REDEMPTION AND REFINANCING OF NOTES

Section 14.1. Redemption and Refinancing. If specified in a Series Supplement, the Notes of any Series are subject to redemption as may be specified in the related Series Supplement, on any Payment Date on which the Issuer exercises its option to redeem the Notes for the Redemption Price; provided, however, that the Issuer has available funds sufficient to pay the Redemption Price. If the Notes of any Series are to be redeemed pursuant to this Section 14.1, the Issuer shall furnish notice of such election to the Trustee not later than fifteen (15) days prior to the Redemption Date and the Issuer shall deposit with the Trustee in a Trust Account that is within the sole control of the Trustee no later than 10:00 a.m. New York time on the Redemption Date the Redemption Price of the Notes of such Series to be redeemed whereupon all such redeemed Notes shall be due and payable on the Redemption Date upon the furnishing of a notice complying with Section 14.2 to each Holder of such Notes.

Section 14.2. Form of Redemption Notice. Notice of redemption under Section 14.1 shall be given by the Trustee by facsimile or by first-class mail, postage prepaid, transmitted or mailed prior to the applicable Redemption Date to each Holder of Notes of the Series to be redeemed, as of the close of business on the Record Date preceding the applicable Redemption Date, at such Holder's address appearing in the Note Register.

All notices of redemption shall state:

- (i) the Redemption Date;
- (ii) the Issuer's good faith estimate of the Redemption Price;
- (iii) that the Record Date otherwise applicable to such Redemption Date is not applicable and that payments shall be made only upon presentation and surrender of such Notes and the place where such Notes are to be surrendered for payment of the Redemption Price (which shall be the office or agency of the Issuer to be maintained as provided in Section 8.2); and
- (iv) that interest on the Notes shall cease to accrue on the Redemption Date.

Notice of redemption of the Notes shall be given by the Trustee in the name and at the expense of the Issuer. For the avoidance of doubt, the Issuer shall provide the Trustee with the actual Redemption Price prior to the applicable Redemption Date. Failure to give notice of redemption, or any defect therein, to any Holder of any Note to be redeemed shall not impair or affect the validity of the redemption of any other Note.

Section 14.3. Notes Payable on Redemption Date. The Notes of any Series to be redeemed shall, following notice of redemption as required by Section 14.2 (in the case of redemption pursuant to Section 14.1), on the Redemption Date become due and payable at the Redemption Price and (unless the Issuer shall default in the payment of the Redemption Price) no interest shall accrue on the Redemption Price for any period after the date to which accrued interest is calculated for purposes of calculating the Redemption Price.

## ARTICLE 15.

### MISCELLANEOUS

#### Section 15.1. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee if requested thereby (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel (subject to reasonable assumptions and qualifications) stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with and (iii) (if this Indenture is required to be qualified under the TIA) an Independent Certificate from a firm of certified public accountants meeting the applicable requirements of this Section, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;
- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (iv) a statement as to whether, in the opinion of each such signatory such condition or covenant has been complied with.

(b) (i) Prior to the deposit of any Receivables or other property or securities (other than cash) with the Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 15.1(a) or elsewhere in this Indenture, furnish to the Trustee upon the Trustee's request an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Receivables or other property or securities to be so deposited.

(ii) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (i) above, the Issuer shall also deliver to the Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current Fiscal Year of the Issuer, as set forth in the certificates delivered pursuant to clause (i) above and this clause (ii), is 10% or more of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer of the Notes.

(iii) Other than with respect to the release of any cash (including Collections) in accordance with the Series Supplements, Removed Receivables or liquidated Receivables (and the Related Security therefor), and except for discharges of this Indenture as described in Section 12.1, whenever any property or securities are to be released from the Lien of this Indenture, the Issuer shall also furnish to the Trustee an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such individual the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(iv) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (iii) above, the Issuer shall also furnish to the Trustee an Independent Certificate as to the same matters if the fair value of the property or securities and of all other property other than cash (including Collections) in accordance with the Series Supplements, Removed Receivables and Defaulted Receivable, or securities released from the Lien of this Indenture since the commencement of the then current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10% or more of the aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the then aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer of the Notes.

Section 15.2. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any such certificate of an Responsible Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the initial Servicer, the Seller or the Issuer, stating that the information with respect to such factual matters is in the possession of or known to the initial Servicer, the Seller or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in

such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article 10.

Section 15.3. Acts of Noteholders.

(a) Wherever in this Indenture a provision is made that an action may be taken or a notice, demand or instruction given by Noteholders, such action, notice or instruction may be taken or given by any Noteholder, unless such provision requires a specific percentage of Noteholders. Notwithstanding anything in this Indenture to the contrary, so long as any other Person is a Noteholder, none of the Seller, the Issuer or any Affiliate controlled by Oportun or controlling Oportun shall have any right to vote with respect to any Note.

(b) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 11.1) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(c) The fact and date of the execution by any Person of any such instrument or writing may be proved in any customary manner of the Trustee.

(d) The ownership of Notes shall be proved by the Note Register.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any such Notes shall bind such Noteholder and the Holder of every Note and every subsequent Holder of such Notes issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Servicer or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 15.4. Notices. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at, sent by facsimile to, sent by courier (overnight or hand-delivered) at or mailed by registered mail, return receipt requested, to (a) in the case of the Issuer, to 1600 Seaport Boulevard, Suite 250, Room 109, Redwood City, California 94063, Attention: Secretary, (b) in the case of the Servicer or Oportun, to 1600 Seaport Boulevard, Suite 250, Redwood City, California 94063, Attention: Chief Legal Officer and (c) in the case of the Trustee, to the Corporate Trust Office. Unless otherwise provided with respect to any Series in the related Series Supplement or otherwise expressly provided herein, any notice required or permitted to be mailed to a Noteholder shall be given by first class mail, postage prepaid, at the address of such Noteholder as shown in the Note Register. Any notice so mailed within the time prescribed in this Indenture shall be conclusively presumed to have been duly given, whether or not the Noteholder receives such notice.

---

The Issuer or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications:provided, however, the Issuer may not at any time designate more than a total of three (3) addresses to which notices must be sent in order to be effective.

Any notice (i) given in person shall be deemed delivered on the date of delivery of such notice, (ii) given by first class mail shall be deemed given five (5) days after the date that such notice is mailed, (iii) delivered by telex or telecopier shall be deemed given on the date of confirmation of the delivery of such notice by e-mail or telephone, and (iv) delivered by overnight air courier shall be deemed delivered one (1) Business Day after the date that such notice is delivered to such overnight courier.

Notwithstanding any provisions of this Indenture to the contrary, the Trustee shall have no liability based upon or arising from the failure to receive any notice required by or relating to this Indenture or the Notes.

If the Issuer mails a notice or communication to Noteholders, it shall mail a copy to the Trustee at the same time.

Section 15.5. Notices to Noteholders: Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given if sent in accordance with Section 15.4 hereof. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 15.6. Alternate Payment and Notice Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Trustee on behalf of the Issuer may enter into any agreement with any Holder of a Note providing for a method of payment, or notice by the Trustee or any Paying Agent to such Holder, that is different from the methods provided for in this Indenture for such payments or notices, provided that such methods are consented to by the Issuer (which consent shall not be unreasonably withheld). The Trustee will cause payments to be made and notices to be given in accordance with such agreements.

Section 15.7. Conflict with TIA. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control (if this Indenture is required to be qualified under the TIA).

The provisions of TIA Sections 310 through 317 that impose duties on any Person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein (if this Indenture is required to be qualified under the TIA). Notwithstanding the foregoing, and regardless of whether the Indenture is required to be qualified under the TIA, the provisions of Section 316(a)(1) of the TIA shall be excluded from this Indenture.

Section 15.8. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents and Cross-Reference Table are for convenience of reference only, are not to be considered a part hereof, and shall not affect the meaning or construction hereof.

Section 15.9. Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Trustee in this Indenture shall bind its successors.

Section 15.10. Separability of Provisions. If any one or more of the covenants, agreements, provisions or terms of this Indenture or Notes shall for any reason whatsoever be held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Indenture and shall in no way affect the validity or enforceability of the other provisions of this Indenture or of the Notes or rights of the Holders thereof.

Section 15.11. Benefits of Indenture. Except as set forth in this Indenture, nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Secured Parties, any benefit or any legal or equitable right, remedy or claim under the Indenture.

Section 15.12. Legal Holidays. In any case where the date on which any payment is due to any Secured Party shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) any such payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

Section 15.13. GOVERNING LAW; JURISDICTION. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH OF THE

PARTIES TO THIS INDENTURE AND EACH SECURED PARTY HEREBY AGREES TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND ANY APPELLATE COURT HAVING JURISDICTION TO REVIEW THE JUDGMENT THEREOF. EACH OF THE PARTIES AND EACH SECURED PARTY HEREBY WAIVES ANY OBJECTION BASED ON FORUM NON CONVENIENS AND ANY OBJECTION TO VENUE OF ANY ACTION INSTITUTED HEREUNDER IN ANY OF THE AFOREMENTIONED COURTS AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.

Section 15.14. Counterparts. This Indenture may be executed in any number of counterparts, and by different parties on separate counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 15.15. Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel (which may be counsel to the Trustee or any other counsel reasonably acceptable to the Trustee) to the effect that such recording is necessary either for the protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Trustee under this Indenture.

Section 15.16. Issuer Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Seller, the Servicer or the Trustee or (ii) any partner, owner, incorporator, member, manager, beneficiary, beneficial owner, agent, officer, director, employee, shareholder or agent of the Issuer, the Seller, the Servicer or the Trustee, except (x) as any such Person may have expressly agreed and (y) nothing in this Section shall relieve the Seller or the Servicer from its own obligations under the terms of any Servicer Transaction Document. Nothing in this Section 15.16 shall be construed to limit the Trustee from exercising its rights hereunder with respect to the Trust Estate.

Section 15.17. No Bankruptcy Petition Against the Issuer. Each of the Secured Parties and the Trustee by entering into the Indenture, any Series Supplement or any Note Purchase Agreement, and in the case of a Noteholder and Note Owner, by accepting a Note, hereby covenants and agrees that, prior to the date which is one year and one day after the payment in full of the latest maturing Note and the termination of the Indenture, it will not institute against, or join with any other Person in instituting against, the Issuer any bankruptcy, reorganization, arrangement, insolvency or liquidation Proceedings, or other Proceedings, under any United States federal or state bankruptcy or similar Law in connection with any obligations relating to the Notes, the Indenture or any of the Transaction Documents. In the event that any such Secured Party or the Trustee takes action in violation of this Section 15.17, the Issuer shall file an answer with the bankruptcy court or otherwise properly contesting the filing of such a petition by any such Secured Party or the Trustee against the Issuer or the commencement of such action and raising the defense that such Secured Party or the Trustee has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. The provisions of this Section 15.17 shall survive the termination of this Indenture, and the resignation or removal of the Trustee. Nothing contained herein shall preclude participation by any Secured Party or the Trustee in the assertion or defense of its claims in any such Proceeding involving the Issuer.

Section 15.18. No Joint Venture. Nothing herein contained shall be deemed or construed to create a co-partnership or joint venture between the parties hereto and the services of the Servicer shall be rendered as an independent contractor and not as agent for the Trustee or the Issuer.

Section 15.19. Rule 144A Information. For so long as any of the Notes of any Series or any Class are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer agrees to reasonably cooperate to provide to any Noteholders of such Series or Class and to any prospective purchaser of Notes designated by such Noteholder upon the request of such Noteholder or prospective purchaser, any information required to be provided to such holder or prospective purchaser to satisfy the condition set forth in Rule 144A(d)(4) under the Securities Act if at the time of the request the Issuer is not a reporting company under Section 13 or Section 15(d) of the Exchange Act and the Servicer agrees to reasonably cooperate with the Issuer and the Trustee in connection with the foregoing.

Section 15.20. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Trustee, any Secured Party, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by Law.

Section 15.21. Third-Party Beneficiaries. This Indenture will inure to the benefit of and be binding upon the parties hereto, the Secured Parties, and their respective successors and permitted assigns. Except as otherwise provided in this Article 15, no other Person will have any right or obligation hereunder.

Section 15.22. Merger and Integration. Except as specifically stated otherwise herein, this Indenture sets forth the entire understanding of the parties relating to the subject matter hereof, and all prior understandings, written or oral, are superseded by this Indenture.

Section 15.23. Rules by the Trustee. The Trustee may make reasonable rules for action by or at a meeting of any Secured Parties.

Section 15.24. Duplicate Originals. The parties may sign any number of copies of this Indenture. One signed copy is enough to prove this Indenture.

Section 15.25. Waiver of Trial by Jury. To the extent permitted by applicable Law, each of the Secured Parties irrevocably waives all right of trial by jury in any action or Proceeding arising out of or in connection with this Indenture or the Transaction Documents or any matter arising hereunder or thereunder.

---

Section 15.26. No Impairment. Except for actions expressly authorized by this Indenture, the Trustee shall take no action reasonably likely to impair the interests of the Issuer in any asset of the Trust Estate now existing or hereafter created or to impair the value of any asset of the Trust Estate now existing or hereafter created.

Section 15.27. Intercreditor Agreement. The Trustee shall, and is hereby authorized and directed to, execute and deliver the Intercreditor Agreement, and perform the duties and obligations, and appoint the Collateral Trustee, as described in the Intercreditor Agreement. Upon receipt of (a) an Issuer Order, (b) an Officer's Certificate of the Issuer stating that such amendment or replacement intercreditor agreement, as the case may be, (i) does not materially and adversely affect any Noteholder and (ii) will not cause a Material Adverse Effect and (c) an Opinion of Counsel stating that all conditions precedent to the execution of such amendment or replacement intercreditor agreement, as the case may be, provided for in this Section 15.27 have been satisfied, the Trustee shall, and shall thereby be authorized and directed to, execute and deliver, and direct the Collateral Trustee to execute and deliver, (x) one or more amendments to the Intercreditor Agreement and/or (y) one or more replacement intercreditor agreements and such documentation as is required to terminate the Intercreditor Agreement then in effect, in each case to accommodate additional financings entered into by Affiliates of the Issuer.

*Base Indenture*

Reporting Period: [                    ]  
Issuer: Oportun Funding VI, LLC  
Reporting Entity: Wilmington Trust, National Association

Activity During Reporting Period <sup>1</sup>		
Date of Reputed Demand	Party Making Reputed Demand	Date of Withdrawal of Reputed Demand

<sup>1</sup> The Trustee should forward any applicable information or documentation relating to any reputed demands to the Seller.

PERFECTION REPRESENTATIONS, WARRANTIES  
AND COVENANTS

In addition to the representations, warranties and covenants contained in the Indenture, the Issuer hereby represents, warrants, and covenants to the Trustee as follows on the Closing Date:

General

1. The Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Trust Estate in favor of the Trustee, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from the Issuer.
2. The Contracts evidencing the Receivables constitute “general intangibles”, “accounts”, “instruments”, “electronic chattel paper” or “tangible chattel paper” within the meaning of the UCC as in effect in the State of New York.
3. Each of the Trust Accounts and all subaccounts thereof constitute either a deposit account or a securities account.

Creation

4. The Issuer owns and has good and marketable title to the Receivables free and clear of any Lien, claim or encumbrance of any Person, excepting only Liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper Proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.
5. The Seller has received all consents and approvals, if any, to the sale of the Receivables under the Purchase Agreement to the Issuer required by the terms of the Receivables that constitute instruments or payment intangibles.

Perfection:

6. The Issuer has caused or will have caused, within ten (10) days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable Law in order to perfect the sale of the Contracts and Related Rights from the Seller to the Issuer, and the security interest in the Trust Estate granted to the Trustee hereunder; and the Servicer or the Custodian has in its possession the original copies of such instruments, certificated securities or tangible chattel paper that constitute or evidence the Receivables, and all financing statements referred to in this paragraph contain or will contain when filed a statement that: “A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party.”

---

7. With respect to Receivables that constitute an instrument, either:

- (i) All original executed copies of each such instrument have been delivered to the Servicer or the Custodian;
- (ii) Such instruments or tangible chattel paper are in the possession of the Servicer or the Custodian and the Trustee has received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is holding such instruments or tangible chattel paper solely on behalf and for the benefit of the Trustee; or
- (iii) The Servicer or the Custodian received possession of such instruments after the Trustee received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is acting solely as agent of the Trustee.

8. With respect to Receivables that constitute electronic chattel paper, either:

- (i) The Issuer has caused, or will have caused within ten days of the effective date of the Indenture, the filing of financing statement against the Issuer in favor of the Trustee in connection herewith describing such Receivables and containing a statement that: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party"; or
- (ii) All of the following are true:
  - (A) Only one authoritative copy of each such loan agreement exists; and each such authoritative copy (A) is unique, identifiable and unalterable (other than with the participation of the Trustee in the case of an addition or amendment of an identified assignee and other than a revision that is readily identifiable as an authorized or unauthorized revision), (B) has been marked with a legend to the following effect: "Authoritative Copy" and (C) has been communicated to and is maintained by the Servicer or a custodian who has acknowledged in writing that it is maintaining the authoritative copy of each electronic chattel paper solely on behalf of and for the benefit of the Trustee, or is acting solely as its agent; and
  - (B) Issuer has marked the authoritative copy of each loan agreement that constitutes or evidences the Receivables with a legend to the following effect: "Opportun Funding VI, LLC has pledged all its rights and interest herein to Wilmington Trust, National Association, as Trustee." Such loan agreements or leases do not have any other marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee or the Purchaser; and
  - (C) Issuer has marked all copies of each loan agreement that constitute or evidence the Receivables other than the authoritative copy with a legend to the following effect: "This is not an authoritative copy"; and

(D) The records evidencing the Receivables have been established in a manner such that (a) all copies or revisions that add or change an identified assignee of the authoritative copy of each such electronic chattel paper must be made with the participation of the Trustee and (b) all revisions of the authoritative copy of each such electronic chattel paper must be readily identifiable as an authorized or unauthorized revision.

9. With respect to each of the Trust Accounts and all subaccounts that constitute deposit accounts, either:

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the bank maintaining the deposit accounts has agreed to comply with all instructions originated by the Trustee directing disposition of the funds in the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the Trustee to become the account holder of the Trust Accounts.

10. With respect to each of the Trust Accounts or subaccounts thereof that constitute securities accounts or securities entitlements, either:

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the securities intermediary has agreed to comply with all instructions originated by the Trustee relating to the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the securities intermediary to identify in its records the Trustee as the person having a security entitlement against the securities intermediary in each of the Trust Accounts.

#### Priority

11. Other than the transfer of the Receivables to the Issuer under the Purchase Agreement and the security interest granted to the Trustee pursuant to this Indenture, none of the Issuer or the Seller have pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables or the Trust Accounts. Neither the Issuer nor the Seller has authorized the filing of, or is aware of any financing statements against the Issuer or the Seller that include a description of collateral covering the Receivables or the Trust Accounts or any subaccount thereof other than those that have been released or any financing statement relating to the security interest granted to the Trustee hereunder or that has been terminated.

12. The Issuer is not aware of any judgment, ERISA or tax lien filings against the Issuer.

13. Neither Issuer nor a custodian holding any collateral that is electronic chattel paper has communicated an authoritative copy of any loan agreement that constitutes or evidences the Receivables to any Person other than the Trustee or the Servicer.

14. None of the instruments, certificated securities, tangible chattel paper or electronic chattel paper that constitute or evidence the Receivables has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Issuer or Trustee.

---

15. None of the Trust Accounts nor any subaccount thereof are in the name of any Person other than the Trustee. The Issuer has not consented to the bank maintaining the Trust Accounts that constitute deposit accounts to comply with instructions of any person other than the Trustee. The Issuer has not consented to the securities intermediary of any Trust Account that constitutes a securities account to comply with entitlement orders of any Person other than the Trustee.

16. Survival of Perfection Representations. Notwithstanding any other provision of the Indenture or any other Transaction Document, the Perfection Representations contained in this Schedule shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer's rights to act as such) until such time as the Secured Obligations under the Indenture have been finally and fully paid and performed.

17. Issuer to Maintain Perfection and Priority. The Issuer covenants that, in order to evidence the interests of the Trustee under this Indenture, the Issuer shall take such action, or execute and deliver such instruments (other than effecting a Filing (as defined below), unless such Filing is effected in accordance with this paragraph) as may be necessary or advisable (including, without limitation, such actions as are requested by the Trustee) to maintain and perfect, as a first priority interest, the Trustee's security interest in the Trust Estate. The Issuer shall, from time to time and within the time limits established by Law, prepare and present to the Trustee for the Trustee to authorize the Issuer to file, all financing statements, amendments, continuations, initial financing statements in lieu of a continuation statement, terminations, partial terminations, releases or partial releases, or any other filings necessary or advisable to continue, maintain and perfect the Trustee's security interest in the Trust Estate as a first-priority interest (each a "Filing").

(v) It will not sell, transfer, assign, participate, or otherwise dispose of any beneficial interest in a PTP Transfer Restricted Interest without the written consent of the Issuer, and it will not cause any beneficial interest in the PTP Transfer Restricted Interest to be traded or otherwise marketed on or through an "established securities market" or a "secondary market (or the substantial equivalent thereof)," each within the meaning of Section 7704(b) of the Code, including, without limitation, an interdealer quotation system that regularly disseminates firm buy or sell quotations.

(vi) Its beneficial interest in the PTP Transfer Restricted Interest is not and will not be in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture, and it does not and will not hold any beneficial interest in the PTP Transfer Restricted Interest on behalf of any Person whose beneficial interest in the PTP Transfer Restricted Interest is in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture. It will not sell, transfer, assign, participate, or otherwise dispose of any beneficial interest in the PTP Transfer Restricted Interest or enter into any financial instrument or contract the value of which is determined by reference in whole or in part to any PTP Transfer Restricted Interest, in each case, if the effect of doing so would be that the beneficial interest of any Person in a PTP Transfer Restricted Interest would be in an amount that is less than the minimum denomination for the PTP Transfer Restricted Interests set forth in the Indenture.

(vii) It will not transfer any beneficial interest in the PTP Transfer Restricted Interest (directly, through a participation thereof, or otherwise) unless, prior to the transfer, the transferee of such beneficial interest shall have executed and delivered to the Transfer Agent and Registrar, and any of their respective successors or assigns, a transferee certification in the form of Exhibit D as required in the Indenture.

(viii) It will not use the PTP Transfer Restricted Interest as collateral for the issuance of any securities that could cause the Issuer to become subject to taxation as a corporation or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes, provided that it may engage in any repurchase transaction (repo) the subject matter of which is a PTP Transfer Restricted Interest, provided the terms of such repurchase transaction are generally consistent with prevailing market practice and that such repurchase transaction would not cause the Issuer to be otherwise classified as a corporation or publicly traded partnership for U.S. federal income tax purposes.

(ix) It will not take any action that could cause, and will not omit to take any action, which omission could cause, the Issuer to become taxable as a corporation for U.S. federal income tax purposes.

(x) It acknowledges that the Issuer and Trustee will rely on the truth and accuracy of the foregoing representations and warranties and agrees that if it becomes aware that any of the foregoing made by it or deemed to have been made by it are no longer accurate it shall promptly notify the Issuer.

(xi) The provisions of this Section and of the Indenture generally are intended to prevent the Issuer from being characterized as a “publicly traded partnership” within the meaning of Section 7704 of the Code, in reliance on Treasury Regulations Sections 1.7704-1(e) and (h).

Notwithstanding anything to the contrary herein or any agreement with a Depository, unless the Issuer shall otherwise consent in writing, no subsequent transfer (after the initial issuance) of a beneficial interest in a PTP Transfer Restricted Interest shall be effective, and any attempted transfer shall be void ab initio, unless, prior to and as a condition of such transfer, the prospective transferee of the beneficial interest in a PTP Transfer Restricted Interest, represents and warrants, in writing, substantially in the form of a transferee certification that is attached as Exhibit D hereto, to the Transfer Agent and Registrar and any of their respective successors or assigns.

(a) The Paying Agent shall make payments to the Secured Parties from the appropriate account or accounts maintained for the benefit of the Secured Parties as specified in this Base Indenture or the related Series Supplement for any Series pursuant to Articles 5 and 6. Any Paying Agent shall have the revocable power to withdraw funds from such appropriate account or accounts for the purpose of making distributions referred to above. The Trustee (or the Issuer or the initial Servicer if the Trustee is the Paying Agent) may revoke such power and remove the Paying Agent, if the Paying Agent fails to perform its obligations under this Indenture in any material respect or for other good cause. The Paying Agent, unless the Series Supplement with respect to any Series states otherwise, shall initially be the Trustee. The Trustee shall be permitted to resign as Paying Agent upon thirty (30) days' written notice to the

(b) The Issuer shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent will hold all sums, if any, held by it for payment to the Secured Parties in trust for the benefit of the Secured Parties entitled thereto until such sums shall be paid to such Secured Parties and shall agree, and if the Trustee is the Paying Agent it hereby agrees, that it shall comply with all requirements of the Code regarding the withholding of payments in respect of federal income taxes due from Note Owners or other Secured Parties (including in respect of FATCA and any applicable tax reporting requirements).

Section 2.8. Paying Agent to Hold Money in Trust

(a) The Issuer will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section, that such Paying Agent will:

(i) hold all sums held by it for the payment of amounts due with respect to the Secured Obligations in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as provided herein and in the applicable Series Supplement and pay such sums to such Persons as provided herein and in the applicable Series Supplement;

(ii) give the Trustee written notice of any default by the Issuer (or any other obligor under the Secured Obligations) of which it (or, in the case of the Trustee, a Trust Officer) has actual knowledge in the making of any payment required to be made with respect to the Notes;

(iii) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent;

(iv) immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of the Secured Obligations if at any time it ceases to meet the standards required to be met by a Trustee hereunder; and

(v) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Secured Obligations of any applicable withholding taxes imposed thereon, including FATCA Withholding Tax (including obtaining and retaining from Persons entitled to payments with respect to the Notes any Tax Information and making any withholdings with respect to the Notes as required by the Code (including FATCA) and paying over such withheld amounts to the appropriate Governmental Authority), comply with respect to any applicable reporting requirements in connection with any payments made by it on any Secured Obligations and any withholding of taxes therefrom, and, upon request, provide any Tax Information to the Issuer.

(b) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Order direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(c) Subject to applicable Laws with respect to escheat of funds, any money held by the Trustee, any Paying Agent or any Clearing Agency in trust for the payment of any amount due with respect to any Secured Obligation and remaining unclaimed for two years after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on Issuer Request; and the holder of such Secured Obligation shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Trustee, such Paying Agent or such Clearing Agency with respect to such trust money shall thereupon cease; provided, however, that the Trustee, such Paying Agent or such Clearing Agency, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York City and, if the related Series of Notes has been listed on the Luxembourg Stock Exchange, and if the Luxembourg Stock Exchange so requires, in a newspaper customarily published on each Luxembourg business day and of general circulation in Luxembourg City, Luxembourg, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Trustee may also adopt and employ, at the expense of the Issuer, any other reasonable means of notification of such repayment.

ALL TIMES WITHIN THE SELLER'S OR ACCOUNT'S CONTROL. THE HOLDER WILL, AND EACH SUBSEQUENT HOLDER IS REQUIRED TO, NOTIFY ANY TRANSFEREE FROM IT OF THE RESALE RESTRICTIONS SET FORTH ABOVE.

BY ACQUIRING THIS NOTE (OR ANY INTEREST HEREIN), EACH PURCHASER OR TRANSFEREE (AND ANY FIDUCIARY ACTING ON BEHALF OF A PURCHASER OR TRANSFEREE) SHALL BE DEEMED TO REPRESENT AND WARRANT THAT IT IS NOT AN "EMPLOYEE BENEFIT PLAN" AS DEFINED IN SECTION 3(3) OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), WHICH IS SUBJECT TO TITLE I OF ERISA, A "PLAN" AS DESCRIBED IN SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "CODE"), WHICH IS SUBJECT TO SECTION 4975 OF THE CODE, AN ENTITY DEEMED TO HOLD PLAN ASSETS OF ANY OF THE FOREGOING, OR A GOVERNMENTAL OR OTHER PLAN SUBJECT TO APPLICABLE LAW THAT IS SUBSTANTIALLY SIMILAR TO SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE.

Section 2.10. Mutilated, Destroyed, Lost or Stolen Notes

(a) If (i) any mutilated Note is surrendered to the Transfer Agent and Registrar, or the Transfer Agent and Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Transfer Agent and Registrar, the Trustee, and the Issuer such security or indemnity as may, in their sole discretion, be required by them to hold the Transfer Agent and Registrar, the Trustee, and the Issuer harmless then, in the absence of written notice to the Trustee that such Note has been acquired by a protected purchaser, and provided that the requirements of Section 8-405 of the UCC (which generally permit the Issuer to impose reasonable requirements) are met, then the Issuer shall execute and the Trustee shall, upon receipt of an Issuer Order, authenticate and (unless the Transfer Agent and Registrar is different from the Trustee, in which case the Transfer Agent and Registrar shall) deliver (in compliance with applicable Law), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of like tenor and aggregate principal balance or aggregate par value; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven (7) days shall be due and payable or shall have been called for redemption, instead of issuing a replacement Note, the Issuer may pay such destroyed, lost or stolen Note when so due or payable without surrender thereof.

If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer and the Trustee shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a

protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith.

(b) Upon the issuance of any replacement Note under this Section 2.10, the Transfer Agent and Registrar or the Trustee may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee and the Transfer Agent and Registrar) connected therewith.

(c) Every replacement Note issued pursuant to this Section 2.10 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional Contractual Obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

(d) The provisions of this Section 2.10 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

#### Section 2.11. Temporary Notes.

(a) Pending the preparation of Definitive Notes, the Issuer may request and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver temporary Notes of such Series. Temporary Notes shall be substantially in the form of Definitive Notes of like Series but may have variations that are not inconsistent with the terms of this Indenture as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

(b) If temporary Notes are issued pursuant to Section 2.11(a) above, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer to be maintained as provided in Section 8.2(b), without charge to the Noteholder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute and at the Issuer's request the Trustee shall authenticate and deliver in exchange therefor a like principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.12. Persons Deemed Owners. Prior to due presentation of a Note for registration of transfer, the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar and any agent of any of them may treat a Person in whose name any Note is registered (as of any date of determination) as the owner of the related Note for the purpose of receiving payments of principal and interest, if any, on such Note and for all other purposes whatsoever whether or not such Note be overdue, and neither the Issuer, the Servicer, the Trustee, the Paying Agent, the Transfer Agent and Registrar nor any agent of any of them shall be affected by any notice to the contrary; provided, however, that in determining whether the requisite number of Holders of Notes have given any request, demand, authorization, direction,

---

notice, consent or waiver hereunder (including under any Series Supplement), Notes owned by any of the Issuer, the Seller, the Parent, the initial Servicer or any Affiliate controlled by or controlling Oportun shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which a Trust Officer in the Corporate Trust Office of the Trustee actually knows to be so owned shall be so disregarded. The foregoing proviso shall not apply if there are no Holders other than the Issuer or its Affiliates.

Section 2.13. Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by the Trustee. The Issuer may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Order that they be destroyed or returned to it; provided that such Issuer Order is timely and the Notes have not been previously disposed of by the Trustee. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment.

Section 2.14. Release of Trust Estate. The Trustee shall (a) in connection with any removal of Removed Receivables from the Trust Estate, release the portion of the Trust Estate constituting or securing the Removed Receivables from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that the Outstanding Receivables Balance (or such other amount required in connection with the disposition of such Removed Receivables as provided by the Transaction Documents) with respect thereto has been deposited into the Collection Account and such release is authorized and permitted under the Transaction Documents, (b) in connection any redemption of the Notes of any Series, release the Trust Estate from the Lien created by this Indenture upon receipt of an Officer's Certificate of the Issuer certifying that (i) the Redemption Price and all other amounts due and owing on the Redemption Date have been deposited into a Trust Account that is within the sole control of the Trustee, and (ii) such release is authorized and permitted under the Transaction Documents and (c) on or after the Indenture Termination Date, release any remaining portion of the Trust Estate from the Lien created by this Indenture and in each case deposit in the Collection Account any funds then on deposit in any other Trust Account upon receipt of an Issuer Request accompanied by an Officer's Certificate of the Issuer, and Independent Certificates (if this Indenture is required to be qualified under the TIA) in accordance with TIA Sections 314(c) and 314(d)(1) meeting the applicable requirements of Section 15.1.

Section 2.15. Payment of Principal, Interest and Other Amounts.

(a) The principal of each Series of Notes shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(b) Each Series of Notes shall accrue interest as provided in the related Series Supplement and such interest shall be payable at the times and in the amounts set forth in the related Series Supplement and in accordance with Section 8.1.

(c) Any installment of interest, principal or other amounts, if any, payable on any Note which is punctually paid or duly provided for by the Issuer on the applicable Payment Date shall be paid to the Person in whose name such Note is registered at the close of business on any Record Date with respect to a Payment Date for such Note and such Person shall be entitled to receive the principal, interest or other amounts payable on such Payment Date notwithstanding the cancellation of such Note upon any registration of transfer, exchange or substitution of such Note subsequent to such Record Date, by wire transfer in immediately available funds to the account designated by the Holder of such Note, except that, unless Definitive Notes have been issued pursuant to Section 2.18, with respect to Notes registered on the Record Date in the name of the nominee of the Clearing Agency (initially, such nominee to be Cede & Co.), payment will be made by wire transfer in immediately available funds to the account designated by such nominee and except for the final installment of principal payable with respect to such Note on a Payment Date or on the Legal Final Payment Date (and except for the Redemption Price for any Note called for redemption pursuant to Section 14.1) which shall be payable as provided herein; except that, any interest payable at maturity shall be paid to the Person to whom the principal of such Note is payable. The funds represented by any such checks returned undelivered shall be held in accordance with Section 2.8.

Section 2.16. Book-Entry Notes.

(a) If provided in the related Series Supplement, the Notes of such Series, upon original issuance, shall be issued in the form of Book-Entry Notes, to be delivered to the depository specified in such Series Supplement (the "Depository,"") which shall be the Clearing Agency or Foreign Clearing Agency. The Notes of each Series issued as Book-Entry Notes shall, unless otherwise provided in the related Series Supplement, initially be registered on the Note Register in the name of the nominee of the Clearing Agency or Foreign Clearing Agency. Unless otherwise provided in a related Series Supplement, no Note Owner of Notes issued as Book-Entry Notes will receive a definitive note representing such Note Owner's interest in the related Series of Notes, except as provided in Section 2.18.

(b) For each Series of Notes to be issued in registered form, the Issuer shall duly execute, and the Trustee shall, in accordance with Section 2.4 hereof, authenticate and deliver initially, unless otherwise provided in the applicable Series Supplement, one or more Global Notes that shall be registered on the Note Register in the name of a Clearing Agency or Foreign Clearing Agency or such Clearing Agency's or Foreign Clearing Agency's nominee. Each Global Note registered in the name of DTC or its nominee shall bear a legend substantially to the following effect:

UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY ("DTC"), A NEW YORK CORPORATION, TO OPORTUN FUNDING VII, LLC OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY NOTE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. ("CEDE") OR SUCH

OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT HEREON IS MADE TO CEDE OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE, HAS AN INTEREST HEREIN.

So long as the Clearing Agency or Foreign Clearing Agency or its nominee is the registered owner or holder of a Global Note, the Clearing Agency or Foreign Clearing Agency or its nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for purposes of this Indenture and such Notes. Members of, or participants in, the Clearing Agency or Foreign Clearing Agency shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Clearing Agency or Foreign Clearing Agency, and the Clearing Agency or Foreign Clearing Agency may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Servicer, the Trustee, any Agent and any agent of such entities from giving effect to any written certification, proxy or other authorization furnished by the Clearing Agency or Foreign Clearing Agency or impair, as between the Clearing Agency or Foreign Clearing Agency and its agent members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(c) Subject to Section 2.6(a)(xi), the provisions of the “Operating Procedures of the Euroclear System” and the “Terms and Conditions Governing Use of Euroclear” and such procedures governing the use of such Clearing Agencies as may be enacted from time to time shall be applicable to a Global Note insofar as interests in such Global Note are held by the agent members of Euroclear or Clearstream. Account holders or participants in Euroclear and Clearstream shall have no rights under this Indenture with respect to such Global Note and the registered holder may be treated by the Issuer, the Servicer, the Trustee, any Agent and any agent of the Issuer or the Trustee as the owner of such Global Note for all purposes whatsoever.

(d) Title to the Notes shall pass only by registration in the Note Register maintained by the Transfer Agent and Registrar pursuant to Section 2.6.

(e) Any typewritten Note or Notes representing Book-Entry Notes shall provide that they represent the aggregate or a specified amount of outstanding Notes from time to time endorsed thereon and may also provide that the aggregate amount of outstanding Notes represented thereby may from time to time be increased or reduced to reflect exchanges. Any endorsement of a typewritten Note or Notes representing Book-Entry Notes to reflect the amount, or any increase or decrease in the amount, or changes in the rights of Note Owners represented thereby, shall be made in such manner and by such Person or Persons as shall be specified therein or in the Issuer Order to be delivered to the Trustee pursuant to Section 2.4(b). The Trustee shall deliver and redeliver any typewritten Note or Notes representing Book-Entry Notes in the manner and upon instructions given by the Person or Persons specified therein or in the applicable Issuer Order. Any instructions by the Issuer with respect to endorsement or delivery or redelivery of a typewritten Note or Notes representing the Book-Entry Notes shall be in writing but need not comply with Section 13.3 hereof and need not be accompanied by an Opinion of Counsel.

---

(f) Unless and until definitive, fully registered Notes of any Series or any Class thereof (“Definitive Notes”) have been issued to Note Owners with respect to any Series of Notes initially issued as Book-Entry Notes pursuant to Section 2.18 or the applicable Series Supplement:

(i) the provisions of this Section 2.16 shall be in full force and effect with respect to each such Series;

(ii) the Issuer, the Seller, the Servicer, the Paying Agent, the Transfer Agent and Registrar and the Trustee may deal with the Clearing Agency or Foreign Clearing Agency and the Clearing Agency Participants for all purposes of this Indenture (including the making of payments on the Notes of each such Series and the giving of instructions or directions hereunder) as the authorized representatives of such Note Owners;

(iii) to the extent that the provisions of this Section 2.16 conflict with any other provisions of this Indenture, the provisions of this Section 2.16 shall control;

(iv) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Holders of such Series of Notes evidencing a specified percentage of the outstanding principal amount of such Series of Notes, the Clearing Agency or Foreign Clearing Agency, as applicable, shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Note Owners and/or their related Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in such Series of Notes and has delivered such instructions to the Trustee;

(v) the rights of Note Owners of each such Series shall be exercised only through the Clearing Agency or Foreign Clearing Agency and their related Clearing Agency Participants and shall be limited to those established by Law and agreements between such Note Owners and the related Clearing Agency or Foreign Clearing Agency and/or the Clearing Agency Participants. Pursuant to the Depository Agreement applicable to a Series, unless and until Definitive Notes of such Series are issued pursuant to Section 2.18, the applicable Clearing Agencies or Foreign Clearing Agencies will make book-entry transfers among their related Clearing Agency Participants and receive and transmit payments of principal and interest on such Series of Notes to such Clearing Agency Participants; and

(vi) Note Owners may receive copies of any reports sent to Noteholders of the relevant Series generally pursuant to the Indenture, upon written request, together with a certification that they are Note Owners and payments of reproduction and postage expenses associated with the distribution of such reports, from the Trustee at the Corporate Trust Office.

Section 2.17. Notices to Clearing Agency. Whenever notice or other communication to the Noteholders is required under this Indenture, unless and until Definitive Notes shall have been issued to Note Owners pursuant to Section 2.18 or the applicable Series Supplement, the Trustee shall give all such notices and communications specified herein to be given to Holders of the Notes to the applicable Clearing Agency or Foreign Clearing Agency for distribution to the Holders of the Notes.

Section 2.18. Definitive Notes.

(a) Conditions for Exchange. If with respect to any Series of Book-Entry Notes (i) (A) the Issuer advises the Trustee in writing that the Clearing Agency or Foreign Clearing Agency is no longer willing or able to discharge properly its responsibilities under the applicable Depository Agreement and (B) the Issuer is not able to locate a qualified successor, (ii) to the extent permitted by Law, the Issuer, at its option, advises the Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency or Foreign Clearing Agency with respect to any Series of Notes or (iii) after the occurrence of a Servicer Default or Event of Default, Note Owners of a Series representing beneficial interests aggregating not less than a majority (or such other percent specified in a related Series Supplement) of the portion of outstanding principal amount of the Notes represented by such Series advise the Trustee and the applicable Clearing Agency or Foreign Clearing Agency through the applicable Clearing Agency Participants in writing that the continuation of a book-entry system through the applicable Clearing Agency or Foreign Clearing Agency is no longer in the best interests of the Note Owners of such Series, the Trustee shall notify all Note Owners of such Series, through the applicable Clearing Agency Participants, of the occurrence of any such event and of the availability of Definitive Notes to Note Owners of such Series. Upon surrender to the Trustee of the typewritten Note or Notes representing the Book-Entry Notes of such Series by the applicable Clearing Agency or Foreign Clearing Agency, accompanied by registration instructions from the applicable Clearing Agency or Foreign Clearing Agency for registration, the Trustee shall issue the Definitive Notes of such Series or Class. Neither the Issuer nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes of such Series and upon the issuance of any Series of Notes or any Class thereof in definitive form in accordance with the related Series Supplement, all references herein to obligations imposed upon or to be performed by the applicable Clearing Agency or Foreign Clearing Agency shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Definitive Notes, and the Trustee shall recognize the Holders of the Definitive Notes of such Series or Classes as Noteholders of such Series or Classes hereunder.

(b) Transfer of Definitive Notes. Subject to the terms of this Indenture (including the requirements of any relevant Series Supplement), the holder of any Definitive Note may transfer the same in whole or in part, in an amount equivalent to an authorized denomination, by surrendering at the Corporate Trust Office, such Note with the form of transfer endorsed on it duly completed and executed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Transfer Agent and Registrar by, the holder thereof and, if applicable, accompanied by a certificate substantially in the form required under the related Series Supplement. In exchange for any Definitive Note properly presented for transfer, the Issuer shall execute and the Trustee shall promptly authenticate and deliver or cause

to be executed, authenticated and delivered in compliance with applicable Law, to the transferee at such office, or send by mail (at the risk of the transferee) to such address as the transferee may request, Definitive Notes for the same aggregate principal amount as was transferred. In the case of the transfer of any Definitive Note in part, the Issuer shall execute and the Trustee shall promptly authenticate and deliver or cause to be authenticated and delivered to the transferor at such office, or send by mail (at the risk of the transferor) to such address as the transferor may request, Definitive Notes for the aggregate principal amount that was not transferred. No transfer of any Definitive Note shall be made unless the request for such transfer is made by the Holder at such office. Neither the Issuer nor the Trustee shall be liable for any delay in delivery of transfer instructions and each may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes for such Series, the Trustee shall recognize the Holders of the Definitive Notes as Noteholders of such Series.

Section 2.19. Global Note. If specified in the related Series Supplement for any Series, (i) the Notes may be initially issued in the form of a single temporary global note (the "Global Note") in registered form, without interest coupons, in the denomination of the initial aggregate principal amount of the Notes and (ii) a Class of Notes may be initially issued in the form of a single temporary Global Note in registered form, in the denomination of the portion of the initial aggregate principal amount of the Notes represented by such Class, each substantially in the form attached to the related Series Supplement. Each Noteholder agrees that it will cause any Note Owner acquiring an interest in a Note through it to comply with this Indenture as to treatment as debt for such tax purposes.

Section 2.21. Duties of the Trustee and the Transfer Agent and Registrar. Notwithstanding anything contained herein or a Series Supplement to the contrary, neither the Trustee nor the Transfer Agent and Registrar shall be responsible for ascertaining whether any transfer of a Note complies with the terms of this Base Indenture or a Series Supplement, the registration provision of or exemptions from the Securities Act, applicable state securities Laws, ERISA or the Investment Company Act; provided that if a transfer certificate or opinion is specifically required by the express terms of this Base Indenture or a Series Supplement to be delivered to the Trustee or the Transfer Agent and Registrar in connection with a transfer, the Trustee or the Transfer Agent and Registrar, as the case may be, shall be under a duty to receive the same.

ARTICLE 4.

NOTEHOLDER LISTS AND REPORTS

Section 4.1. Issuer To Furnish To Trustee Names and Addresses of Noteholders The Issuer will furnish or cause the Transfer Agent and Registrar to furnish to the Trustee (a) not more than five (5) days after each Record Date a list, in such form as the Trustee may reasonably require, of the names and addresses of the Noteholders as of such Record Date, (b) at such other times as the Trustee may request in writing, within thirty (30) days after receipt by the Issuer of any such request, a list of similar form and content as of a date not more than ten (10) days prior to the time such list is furnished; provided, however, that so long as the Trustee is the Transfer Agent and Registrar, no such list shall be required to be furnished. (b) Noteholders may communicate (including pursuant to TIA Section 312(b) (if this Indenture is required to be qualified under the TIA)) with other Noteholders with respect to their rights under this Indenture or under the Notes. (c) The Issuer, the Trustee and the Transfer Agent and Registrar shall have the protection of TIA Section 312(c) (if this Indenture is required to be qualified under the TIA). Every Noteholder, by receiving and holding a Note, agrees with the Issuer and the Trustee that neither the Issuer, the Trustee, the Transfer Agent and Registrar, nor any of their respective agents shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Noteholders in accordance with this Section 4.2, regardless of the source from which such information was obtained.

Section 4.3. Reports by Issuer.

(a) (i) The Issuer or the initial Servicer shall deliver to the Trustee, on the date, if any, the Issuer is required to file the same with the Commission, hard and electronic copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act;

Each Series of Notes shall be secured by the entire Trust Estate, including the right to receive the Collections and other amounts at the times and in the amounts specified in this Article 5 to be deposited in the Trust Accounts or to be paid to the Noteholders of such Series. In no event shall the grant of a security interest in the entire Trust Estate be deemed to entitle any Noteholder to receive Collections or other proceeds of the Trust Estate in excess of the amounts described in Article 5.

Section 5.2. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture. The Trustee shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Trustee may, but shall not be obligated to, take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article 9.

Section 5.3. Establishment of Accounts.

(a) The Collection Account. The Trustee, for the benefit of the Secured Parties, shall establish and maintain in the city in which the Corporate Trust Office is located, with a Qualified Institution, in the name of the Trustee for the benefit of the Secured Parties, a non-interest bearing segregated trust account (the "Collection Account") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties. Pursuant to authority granted to it pursuant to Section 2.02(a) of the Servicing Agreement, the Servicer shall have the revocable power to withdraw funds from the Collection Account for the purposes of carrying out its duties thereunder. The Trustee shall be the entitlement holder of the Collection Account, and shall possess all right, title and interest in all moneys, instruments, securities and other property on deposit from time to time in the Collection Account and the proceeds thereof for the benefit of the Secured Parties. Initially, the Collection

Account will be established with the Securities Intermediary. Funds on deposit in the Collection Account that are not both deposited and to be withdrawn on the same day shall be invested in Permitted Investments, in accordance with a direction from the Issuer pursuant to Section 5.4(e).

(b) [Reserved].

(c) The Payment Accounts. For each Series, the Trustee, for the benefit of the Secured Parties of such Series, shall establish and maintain in the State of New York or in the city in which the Corporate Trust Office is located, with one or more Qualified Institutions, in the name of the Trustee for the benefit of the Secured Parties of such Series, a non-interest bearing segregated trust account (each, a "Payment Account" and collectively, the "Payment Accounts") bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Secured Parties of such Series. The Trustee shall possess all right, title and interest in all funds on deposit from time to time in the Payment Accounts and in all proceeds thereof. The Trustee shall be the sole entitlement holder of the Payment Accounts, and the Payment Accounts shall be under the sole dominion and control of the Trustee for the benefit of the Secured Parties of such Series. The initial Payment Account for each Series shall be established with the Depository Bank.

(d) Series Accounts. If so provided in the related Series Supplement, the Trustee or the Servicer, for the benefit of the Secured Parties of such Series, shall cause to be established and maintained, in the name of the Trustee for the benefit of the Secured Parties of such Series, one or more accounts (each, a "Series Account" and, collectively, the "Series Accounts"). Each such Series Account shall bear a designation clearly indicating that the funds deposited therein are held for the benefit of the Secured Parties of such Series. Each such Series Account will have the features and be applied as set forth in the related Series Supplement.

Any such investment shall mature and such funds shall be available for withdrawal on or prior to the Series Transfer Date related to the Monthly Period in which such funds were received or deposited, or if so specified in the related Series Supplement, immediately preceding a Payment Date. Wilmington Trust, National Association is hereby appointed as the initial securities intermediary hereunder (the "Securities Intermediary") and accepts such appointment. The Securities Intermediary represents, warrants, and covenants, and the parties hereto agree, that at all times prior to the termination of this Indenture: (i) the Securities Intermediary shall be a bank that in the ordinary course of its business maintains securities accounts for others and is acting in that capacity hereunder; (ii) the Collection Account shall be an account maintained with the Securities Intermediary to which financial assets may be credited and the Securities Intermediary shall treat the Trustee as entitled to exercise the rights that comprise such financial assets; (iii) each item of property credited to the Collection Account shall be treated as a financial asset; (iv) the Securities Intermediary shall comply with entitlement orders originated by the Trustee without further consent by the Issuer or any other Person; (v) the Securities Intermediary waives any Lien on any property credited to the Collection Account, and (vi) the Securities Intermediary agrees that its jurisdiction for purposes of Section 8-110 and Section 9-305(a)(3) of the UCC shall be New York. Nothing herein shall impose upon the Securities Intermediary any duties or obligations other than those expressly set forth herein and those applicable to a securities intermediary under the UCC. The Securities Intermediary shall be entitled to all of the protections available to a securities intermediary under the UCC. At the end of each month, all interest and earnings (net of losses and investment expenses) on funds on deposit in the Collection Account shall be treated as Investment Earnings. If at the end of a month losses and investment expenses on funds on deposit in the Collection Account exceed interest and earnings on such funds during such month, losses and expenses to the extent of such excess will be allocated, with respect to any Series, among the Noteholders of such Series and the Issuer as provided in the related Series Supplement. Subject to the restrictions set forth above, the Issuer, or a Person designated in writing by the Issuer, of which the Trustee shall have received written notification thereof, shall have the authority to instruct the Trustee with respect to the investment of funds on deposit in the Collection Account.

(f) Wilmington Trust, National Association is hereby appointed as the initial depository bank hereunder (the "Depository Bank") and accepts such appointment. If, at any time, the institution holding any account established pursuant to this Section 5.3 ceases to be a Qualified Institution, the Trustee shall, within ten (10) Business Days, establish a new account or accounts, as the case may be, meeting the conditions specified above with a Qualified Institution, and shall transfer any cash or any investments to such new account or accounts, as the case may be.

(h) Each of the Securities Intermediary and the Depository Bank shall be entitled to all the same rights, privileges, protections, immunities and indemnities as are contained in Article 11 of this Indenture, all of which are incorporated into this Section 5.3 *mutatis mutandis*, in addition to any such rights, privileges, protections, immunities and indemnities contained in this Section 5.3; provided, however; that nothing contained in this Section 5.3 or in Article 11 shall (i) relieve the Securities Intermediary of the obligation to comply with entitlement orders as provided in Section 5.3(e) or (ii) relieve the Depository Bank of the obligation to comply with instructions directing disposition of the funds as provided in Section 5.3(f).

The Servicer shall allocate such amounts to each Series of Notes and to the Issuer in accordance with this Article 5 and shall withdraw the required amounts from the Collection Account or pay such amounts to the Issuer in accordance with this Article 5, in both cases as modified by any Series Supplement. The Servicer shall make such deposits or payments on the date indicated therein by wire transfer or as otherwise provided in the Series Supplement for any Series of Notes with respect to such Series.

(b) [Reserved].

(c) Issuer Distributions. The Issuer (or the initial Servicer) shall provide the Trustee with a Purchase Report as to the amount of Issuer Distributions for any Business Day, and delivery of such Purchase Report shall be deemed to be a certification by the Issuer that the foregoing conditions were satisfied. Upon receipt of such certification, the Trustee shall forward the Issuer Distributions directly to the Seller (to pay for Subsequently Purchased Receivables that are Eligible Receivables) to the account specified thereby. The Issuer will meet the "Coverage Test" if, on any date of determination, (i) the Overcollateralization Test is satisfied, (ii) the amount remaining on deposit in the Collection Account equals or exceeds the amount distributable on the next Payment Date under clauses (a)(i)-(v) of Section 5.15 of the related Series Supplement (the "Required Monthly Payments"), (iii) the Amortization Period has not commenced and (iv) there shall not exist on such Business Day, and such application thereof shall not result in the occurrence of, a Rapid Amortization Event, a Servicer Default, an Event of Default or a Default (in each case determined by the Servicer taking into account any increases, decreases and status changes of the Receivables and any increases or decreases in the Notes and the amount on deposit in the Collection Account including those scheduled to occur on such date). (n) Enforcement of Transaction Documents. Use commercially reasonable efforts to enforce all rights held by it under any of the Transaction Documents, shall not amend, supplement or otherwise modify any of the Transaction Documents and shall not waive any breach of any covenant contained thereunder without the prior written consent of the Required Noteholders for each Series. The Issuer shall take all actions necessary and desirable to enforce the Issuer's rights and remedies under the Transaction Documents. The Issuer agrees that it will not waive timely performance or observance by the Servicer or the Seller of their respective duties under the Transaction Documents if the effect thereof would adversely affect any of the Secured Parties.

(o) Separate Legal Entity. The Issuer hereby acknowledges that the Trustee and the Noteholders are entering into the transactions contemplated by this Base Indenture and the other Transaction Documents in reliance upon the Issuer's identity as a legal entity separate from any other Person. Therefore, from and after the date hereof, the Issuer shall take all reasonable steps to continue the Issuer's identity as a separate legal entity and to make it apparent to third Persons that the Issuer is an entity with assets and liabilities distinct from those of any other Person, and is not a division of any other Person. Without limiting the generality of the foregoing and in addition to and consistent with the covenant set forth herein, the Issuer shall take such actions as shall be required in order that:

(i) The Issuer will be a limited purpose limited liability company whose primary activities are restricted in its operating agreement to owning financial assets and financing the acquisition thereof and conducting such other activities as it deems necessary or appropriate to carry out its primary activities;

(ii) At least two directors of the Issuer (the "Independent Directors") shall be individuals who are not present or former directors, officers, employees or 5% beneficial owners of the outstanding common stock of any Person or entity beneficially owning any outstanding shares of common stock of Oportun or any Affiliate thereof; provided, however, that an individual shall not be deemed to be ineligible to be an Independent Director solely because such individual serves or has served in the capacity of an "independent director" or similar capacity for special purpose entities formed by Parent or any of its Affiliates. The limited liability company agreement of the Issuer shall provide that (i) the Issuer shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Issuer unless the Independent Directors shall approve the taking of such action in writing prior to the taking of such action, and (ii) such provision cannot be amended without the prior written consent of the Independent Directors;

(iii) any employee, consultant or agent of the Issuer will be compensated from funds of the Issuer, as appropriate, for services provided to the Issuer;

(iv) the Issuer will allocate and charge fairly and reasonably overhead expenses shared with any other Person. To the extent, if any, that the Issuer and any other Person share items of expenses such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered;

(v) the Issuer's operating expenses will not be paid by any other Person except as permitted under the terms of this Indenture or otherwise consented to by the Trustee, at the direction of the Required Noteholders;

(vi) the Issuer's books and records will be maintained separately from those of any other Person;

(vii) all audited financial statements of any Person that are consolidated to include the Issuer will contain notes clearly stating that (A) all of the Issuer's assets are owned by the Issuer, and (B) the Issuer is a separate entity;

(viii) the Issuer's assets will be maintained in a manner that facilitates their identification and segregation from those of any other Person;

(ix) the Issuer will strictly observe appropriate formalities in its dealings with all other Persons, and funds or other assets of the Issuer will not be commingled with those of any other Person, other than temporary commingling in connection with servicing the Receivables to the extent explicitly permitted by this Indenture and the other Transaction Documents;

(x) the Issuer shall not, directly or indirectly, be named or enter into an agreement to be named, as a direct or contingent beneficiary or loss payee, under any insurance policy with respect to any amounts payable due to occurrences or events related to any other Person;

(xi) any Person that renders or otherwise furnishes services to the Issuer will be compensated thereby at market rates for such services it renders or otherwise furnishes thereto. Except as expressly provided in the Transaction Documents, the Issuer will not hold itself out to be responsible for the debts of any other Person or the decisions or actions respecting the daily business and affairs of any other Person; and

(xii) comply with all material assumptions of fact set forth in each opinion with respect to certain bankruptcy matters delivered by Orrick, Herrington & Sutcliffe LLP on the date hereof, relating to the Issuer, its obligations hereunder and under the other Transaction Documents to which it is a party and the conduct of its business with the Seller, the Servicer or any other Person.

(p) Minimum Net Worth. Have a net worth (in accordance with GAAP) of at least 1% of the outstanding principal amount of the Notes.

---

(q) Servicer's Obligations. Cause the Servicer to comply with Section 2.02(c) and Sections 2.09 and 2.10 of the Servicing Agreement.

(r) Income Tax Characterization. For purposes of U.S. federal income, state and local income and franchise taxes, unless otherwise required by the relevant Governmental Authority, the Issuer will treat the Notes as debt.

(s) PTP Transfer Restricted Interest. Promptly (i) notify the Trustee of the existence of each Note that constitutes a PTP Transfer Restricted Interest and (ii) following a request from the Trustee, confirm to the Trustee if any Note specified by the Trustee constitutes a PTP Transfer Restricted Interest.

Section 8.3. Negative Covenants. So long as any Notes are outstanding, the Issuer shall not, unless the Required Noteholders of each Series shall otherwise consent in writing:

(a) Sales, Liens, etc. Except pursuant to, or as contemplated by, the Transaction Documents, the Issuer shall not sell, transfer, exchange, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist voluntarily or, for a period in excess of thirty (30) days, involuntarily any Adverse Claims upon or with respect to any of its assets, including, without limitation, the Trust Estate, any interest therein or any right to receive any amount from or in respect thereof.

(b) Claims, Deductions. Claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code or other applicable Law) or assert any claim against any present or former Noteholder by reason of the payment of the taxes levied or assessed upon any part of the Trust Estate.

(c) Mergers, Acquisitions, Sales, Subsidiaries, etc. The Issuer shall not:

(i) be a party to any merger or consolidation, or directly or indirectly purchase or otherwise acquire all or substantially all of the assets or any stock of any class of, or any partnership or joint venture interest in, any other Person, except for Permitted Investments, or sell, transfer, assign, convey or lease any of its property and assets (or any interest therein) other than pursuant to, or as contemplated by, this Indenture or the other Transaction Documents;

(ii) make, incur or suffer to exist an investment in, equity contribution to, loan or advance to, or payment obligation in respect of the deferred purchase price of property from, any other Person, except for Permitted Investments or pursuant to the Transaction Documents;

(iii) create any direct or indirect Subsidiary or otherwise acquire direct or indirect ownership of any equity interests in any other Person other than pursuant to the Transaction Documents; or

(iv) enter into any transaction with any Affiliate except for the transactions contemplated by the Transaction Documents and other transactions upon fair and reasonable terms materially no less favorable to the Issuer than would be obtained in a comparable arm's length transaction with a Person not an Affiliate.

---

(d) Change in Business Policy. The Issuer shall not make any change in the character of its business which would impair in any material respect the collectability of any Receivable.

(e) Other Debt. Except as provided for herein, the Issuer shall not create, incur, assume or suffer to exist any Indebtedness whether current or funded, other than (i) the Notes, (ii) Indebtedness of the Issuer representing fees, expenses and indemnities arising hereunder or under the Purchase Agreement for the purchase price of the Receivables under the Purchase Agreement and (iii) other Indebtedness permitted pursuant to Section 8.3(h).

(f) Certificate of Formation and LLC Agreement. The Issuer shall not amend its certificate of formation or its operating agreement unless the Required Noteholders have agreed to such amendment.

(g) Financing Statements. The Issuer shall not authorize the filing of any financing statement (or similar statement or instrument of registration under the Laws of any jurisdiction) or statements relating to the Trust Estate other than the financing statements authorized and filed in connection with and pursuant to the Transaction Documents.

(h) Business Restrictions. The Issuer shall not (i) engage in any business or transactions, or be a party to any documents, agreements or instruments, other than the Transaction Documents or those incidental to the purposes thereof, or (ii) make any expenditure for any assets (other than Receivables) if such expenditure, when added to other such expenditures made during the same calendar year would, in the aggregate, exceed Ten Thousand Dollars (\$10,000); provided, however, that the foregoing will not restrict the Issuer's ability to pay servicing compensation as provided herein and, so long as no Default, Event of Default or Rapid Amortization Event shall have occurred and be continuing, the Issuer's ability to make payments or distributions legally made to the Issuer's members.

(i) ERISA Matters.

(i) To the extent applicable, the Issuer will not (A) engage or permit any of its respective ERISA Affiliates, in each case over which the Issuer has control, to engage in any prohibited transaction (as defined in Section 4975 of the Code and Section 406 of ERISA) for which an exemption is not available or has not previously been obtained from the U.S. Department of Labor; (B) fail to make, or permit any of the Seller, the initial Servicer or any of their respective ERISA Affiliates, in each case over which the Issuer has control, to fail to make, any payments to any Multiemployer Plan that the Issuer, the Seller, the initial Servicer or any of their respective ERISA Affiliates is required to make under the agreement relating to such Multiemployer Plan or any Law pertaining thereto; (C) terminate, or permit any of the Seller, the initial Servicer or any of their respective ERISA Affiliates, in each case over which the Issuer has control, to terminate, any Pension Plan so as to result in any liability to the Issuer, the initial Servicer, the Seller or any of their ERISA Affiliates; or (D) permit to exist any

occurrence of any reportable event described in Title IV of ERISA with respect to a Pension Plan, if such prohibited transactions, failures to make payment, terminations and reportable events described in clauses (A), (B), (C) and (D) above would in the aggregate have a Material Adverse Effect.

(ii) The Issuer will not permit to exist any failure to satisfy the minimum funding standard (as described in Section 302 of ERISA and Section 412 of the Code) with respect to any Pension Plan.

(iii) The Issuer will not cause or permit, nor permit any of its ERISA Affiliates over which the Issuer has control, to cause or permit, the occurrence of an ERISA Event with respect to any Pension Plans that could result in a Material Adverse Effect.

(j) Name; Jurisdiction of Organization. The Issuer will not change its name or its jurisdiction of organization (within the meaning of the applicable UCC) without prior written notice to the Trustee. Prior to or upon a change of its name, the Issuer will make all filings (including filings of financing statements on form UCC-1) and recordings necessary to maintain the perfection of the interest of the Trustee in the Trust Estate pursuant to this Indenture. The Issuer further agrees that it will not become or seek to become organized under the Laws of more than one jurisdiction. In the event that the Issuer desires to so change its jurisdiction of organization or change its name, the Issuer will make any required filings and prior to actually making such change the Issuer will deliver to the Trustee (i) an Officer's Certificate and an Opinion of Counsel confirming that all required filings have been made to continue the perfected interest of the Trustee in the Trust Estate in respect of such change and (ii) copies of all such required filings with the filing information duly noted thereon by the office in which such filings were made.

(k) Tax Matters. The Issuer will not take any action that could cause, and will not omit to take any action, which omission could cause, the Issuer to become taxable as a corporation for U.S. federal income tax purposes.

(l) Accounts. The Issuer shall not maintain any bank accounts other than the Trust Accounts provided, however, that the Issuer may maintain a general bank account to, among other things, receive and hold funds released to it as Residual Amounts and to pay ordinary-course operating expenses, as applicable. Except as set forth in the Servicing Agreement the Issuer shall not make, nor will it permit the Seller or Servicer to make, any change in its instructions to Obligor regarding payments to be made to the Servicer Account (as defined in the Servicing Agreement). The Issuer shall not add any additional Trust Accounts unless the Trustee (subject to Section 15.1 hereto) shall have consented thereto and received a copy of any documentation with respect thereto. The Issuer shall not terminate any Trust Accounts or close any Trust Accounts unless the Trustee shall have received at least thirty (30) days' prior notice of such termination and (subject to Section 15.1 hereto) shall have consented thereto.

Section 8.4. Further Instruments and Acts. The Issuer will execute and deliver such further instruments, furnish such other information and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 8.5. Appointment of Successor Servicer. If the Trustee has given notice of termination to the Servicer of the Servicer's rights and powers pursuant to Section 2.01 of the Servicing Agreement, as promptly as possible thereafter, the Trustee shall appoint a successor servicer in accordance with Section 2.01 of the Servicing Agreement.

Section 8.6. Perfection Representations. The parties hereto agree that the Perfection Representations shall be a part of this Indenture for all purposes.

##### RAPID AMORTIZATION EVENTS AND REMEDIES

Section 9.1. Rapid Amortization Events. If any one of the following events shall occur during the Revolving Period with respect to any Series of Notes (each, a "Rapid Amortization Event"):

- (a) on any Determination Date during the Revolving Period, the average annualized Monthly Loss Percentage over the previous three (3) Monthly Periods is greater than the Specified Monthly Loss Percentage;
- (b) a breach of any Concentration Limit for three (3) consecutive months during the Revolving Period;
- (c) the Overcollateralization Test is not satisfied for more than five (5) Business Days; or
- (d) the occurrence of a Servicer Default or an Event of Default;

then, in the case of any event described in clause (a) through (d) above, a Rapid Amortization Event with respect to all Series of Notes shall occur unless otherwise specified in a related Series Supplement, without any notice or other action on the part of the Trustee or the affected Holders immediately upon the occurrence of such event. The Required Noteholders may waive any Rapid Amortization Event and its consequences.

#### ARTICLE 10.

##### REMEDIES

Section 10.1. Events of Default. Unless otherwise specified in a Series Supplement, an "Event of Default", wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(i) default in the payment of any interest on the Notes on any Payment Date, and such default shall continue (and shall not have been waived by the Required Noteholders) for a period of five (5) Business Days after receipt of notice thereof from the Trustee;

(ii) default in the payment of the principal of or any installment of the principal of any Class of Notes when the same becomes due and payable on the Legal Final Payment Date;

(iii) the filing of a decree or order for relief by a court having jurisdiction in the premises in respect of the Issuer, Oportun, LLC, the Seller, the Servicer or any substantial part of the Trust Estate in an involuntary case under any applicable federal or state bankruptcy, insolvency or other similar Law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Trust Estate, or ordering the winding-up or liquidation of the Issuer's affairs, and such decree or order shall remain unstayed and in effect for a period of sixty (60) consecutive days;

(iv) the commencement by the Issuer, Oportun, LLC, the Seller or the Servicer of a voluntary case under any applicable federal or state bankruptcy, insolvency or other similar Law now or hereafter in effect, or the consent by the Issuer to the entry of an order for relief in an involuntary case under any such Law, or the consent by the Issuer to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer or for any substantial part of the Trust Estate, or the making by the Issuer of any general assignment for the benefit of creditors, or the failure by the Issuer generally to pay its debts as such debts become due, or the taking of action by the Issuer in furtherance of any of the foregoing;

(v) either (x) a failure on the part of the Issuer duly to observe or perform any other covenants or agreements of the Issuer set forth in this Indenture, (y) a failure on the part of the Seller duly to observe or perform any other covenants or agreements of the Seller set forth in the Purchase Agreement or (z) a failure on the part of the Servicer duly to observe or perform any other covenants or agreements of the Servicer set forth in the Servicing Agreement, which failure, in either case, has a material adverse effect on the interests of the Noteholders (as reasonably determined by the Required Noteholders) and which continues unremedied for a period of thirty (30) days after the date on which notice of such failure, requiring the same to be remedied, shall have been given by registered or certified mail to the Issuer or the Seller, as applicable, by the Trustee, or to the Issuer or the Seller, as applicable, and the Trustee by the Required Noteholders;

(vi) either (x) any representation, warranty or certification made by the Issuer in this Indenture or in any certificate delivered pursuant to this Indenture shall prove to have been inaccurate when made or deemed made or (y) any representation, warranty or certification made by the Seller in the Purchase Agreement or in any certificate delivered pursuant to the Purchase Agreement shall prove to have been inaccurate when made or deemed made and, in either case, such inaccuracy has a material adverse effect on the Noteholders (as reasonably determined by the Required Noteholders) and which

continues unremedied for a period of thirty (30) days after the date on which a notice specifying such incorrect representation or warranty and requiring the same to be remedied, shall have been given by registered or certified mail to the Issuer or the Seller, as applicable, by the Trustee, or to the Issuer or the Seller, as applicable, and the Trustee by the Required Noteholders;

(vii) the Trustee shall cease to have a first-priority perfected security interest in all or a material portion of the Trust Estate;

(viii) the Issuer shall have become subject to regulation by the Securities and Exchange Commission as an “investment company” under the Investment Company Act;

(ix) the Issuer shall become taxable as an association or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes; or

(x) a lien shall be filed pursuant to Section 430 or Section 6321 of the Code with regard to the Issuer and such lien shall not have been released within thirty (30) days.

#### Section 10.2. Rights of the Trustee Upon Events of Default

(a) If and whenever an Event of Default (other than in clause (iii) and (iv) of Section 10.1) shall have occurred and be continuing, the Trustee may, and, at the written direction of the Required Noteholders shall, cause the principal amount of all Notes of all Series outstanding to be immediately due and payable at par, together with interest thereon. If an Event of Default with respect to the Issuer specified in clause (iii) or (iv) of Section 10.1 shall occur, all unpaid principal of and accrued interest on all the Notes of all Series outstanding shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholder. If an Event of Default shall have occurred and be continuing, the Trustee may exercise from time to time any rights and remedies available to it under applicable Law and Section 10.4. Any amounts obtained by the Trustee on account of or as a result of the exercise by the Trustee of any right shall be held by the Trustee as additional collateral for the repayment of the Secured Obligations and shall be applied as provided in Article 5 hereof. If so specified in the applicable Series Supplement, the Trustee may agree to limit its exercise of rights and remedies available to it as a result of the occurrence of an Event of Default to the extent set forth therein.

(b) If an Event of Default shall have occurred and be continuing, then at any time after such declaration of acceleration of maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article 10 provided, the Required Noteholders, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid to or deposited with the Trustee a sum sufficient to pay

(A) all payments of principal of and interest on all Notes and all other amounts that would then be due hereunder or upon such Notes if the Event of Default giving rise to such acceleration had not occurred; and

(B) all sums paid by the Trustee hereunder and the reasonable compensation, expenses, disbursements of the Trustee and its agents and counsel; and

(ii) all Events of Default, other than the nonpayment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 10.6.

No such rescission shall affect any subsequent default or impair any right consequent thereto.

(c) Additional Remedies. In addition to any rights and remedies now or hereafter granted hereunder or under applicable Law with respect to the Trust Estate, the Trustee shall have all of the rights and remedies of a secured party under the UCC as enacted in any applicable jurisdiction.

#### Section 10.3. Collection of Indebtedness and Suits for Enforcement by Trustee

(a) The Issuer covenants that if (i) default is made in the payment of any interest on any Note when the same becomes due and payable, and such default continues for a period of five (5) days, (ii) default is made in the payment of the principal of any Note when the same becomes due and payable on the Legal Final Payment Date, the Issuer will pay to it, for the benefit of the Noteholders, the whole amount then due and payable on such Notes for principal, interest and other amounts, with interest upon the overdue principal, and, to the extent payment at such rate of interest shall be legally enforceable, upon overdue installments of interest, at the applicable Note Rate and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

(b) If an Event of Default occurs and is continuing, the Trustee may (in its discretion) and, at the written direction of the Required Noteholders, shall proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by Law; provided, however, that the Trustee shall sell or otherwise liquidate the Trust Estate or any portion thereof only in accordance with Section 10.4(d).

(c) In any Proceedings brought by the Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture), the Trustee shall be held to represent all the Secured Parties, and it shall not be necessary to make any such Person a party to any such Proceedings.

---

(d) In case there shall be pending, relative to the Issuer or any other obligor upon the Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar Law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, the Trustee, irrespective of whether the principal or other amount of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal, interest and other amounts owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence, bad faith or willful misconduct) and of the Secured Parties allowed in such Proceedings;

(ii) unless prohibited by applicable Law, to vote on behalf of the Secured Parties in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Secured Parties and of the Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee or the Secured Parties allowed in any judicial Proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Secured Parties to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to such Secured Parties, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence, bad faith or willful misconduct.

(e) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Secured Party or to authorize the Trustee to vote in respect of the claim of any Secured Party in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture or under any of the Notes may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceedings relative thereto, and any such action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the Secured Parties.

Section 10.4. Remedies. If an Event of Default shall have occurred and be continuing, the Trustee may and, at the written direction of the Required Noteholders, shall do one or more of the following:

(a) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable under the Transaction Documents, enforce any judgment obtained, and collect from the Issuer and any other obligor under the Transaction Documents moneys adjudged due;

(b) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;

(c) subject to the limitations set forth in clause (d) below, exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Secured Parties; and

(d) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by Law; provided, however, that the Trustee may not sell or otherwise liquidate the Trust Estate following an Event of Default unless:

(i) the Holders of 100% of the outstanding Notes direct such sale and liquidation,

(ii) the proceeds of such sale or liquidation distributable to the Noteholders of each Series are sufficient to discharge in full all amounts then due and unpaid with respect to all outstanding Notes for principal and interest and any other amounts due Noteholders, or

(iii) the Trustee determines that the proceeds of the Trust Estate will not continue to provide sufficient funds for the payment of principal of and interest on all outstanding Notes as such amounts would have become due if such Notes had not been declared due and payable and the Required Noteholders direct such sale and liquidation.

In determining such sufficiency or insufficiency with respect to clauses (d)(ii) and (d)(iii), the Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Receivables in the Trust Estate for such purpose.

The Trustee may maintain a Proceeding even if it does not possess any of the Notes or does not produce any of them in the Proceeding, and any such Proceeding instituted by the Trustee shall be in its own name as trustee. All remedies are cumulative to the extent permitted by Law.

Section 10.5. [Reserved].

Section 10.6. Waiver of Past Events. If an Event of Default shall have occurred and be continuing, prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 10.2(a), the Required Noteholders may waive any past Default or Event of Default and its consequences except a Default in payment of principal of any of the Notes. In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 10.7. Limitation on Suits. No Noteholder shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Base Indenture and related Series Supplement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (i) such Noteholder previously has given written notice to the Trustee of a continuing Event of Default;
- (ii) the Holders of not less than 25% of the outstanding principal amount of all Notes of all affected Series have made written request to the Trustee to institute such Proceeding in respect of such Event of Default in its own name as Trustee hereunder;
- (iii) such Noteholder has offered and provided to the Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;
- (iv) the Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity has failed to institute such Proceedings; and
- (v) no direction inconsistent with such written request has been given to the Trustee during such sixty (60) day period by the Required Noteholders;

it being understood and intended that no one or more Noteholder shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb

or prejudice the rights of any other Noteholder or to obtain or to seek to obtain priority or preference over any other Noteholder or to enforce any right under this Indenture, except in the manner herein provided.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Secured Parties, each representing less than the Required Noteholders, the Trustee shall proceed in accordance with the request of the greater majority of the outstanding principal amount or par value of the Notes, as determined by reference to such requests.

Section 10.8. Unconditional Rights of Holders to Receive Payment; Withholding Taxes

(a) Notwithstanding any other provision of this Indenture except as provided in Section 10.8(b) and (c), the right of any Noteholder to receive payment of principal, interest or other amounts, if any, on the Note, on or after the respective due dates expressed in the Note or in this Indenture (or, in the case of redemption, on or after the Redemption Date), or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Noteholder.

(b) Promptly upon request, each Noteholder shall provide to the Trustee and/or the Issuer (or other person responsible for withholding of taxes, including but not limited to FATCA Withholding Tax, or delivery of information under FATCA) with the Tax Information.

(c) The Paying Agent shall (or if the Trustee is not the Paying Agent, the Trustee shall cause the Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent shall) comply with the provisions of this Indenture applicable to it, comply with all requirements of the Code with respect to the withholding from any payments to Noteholders, including FATCA Withholding Tax (including obtaining and retaining from Persons entitled to payments with respect to the Notes any Tax Information and making any withholdings with respect to the Notes as required by the Code (including FATCA) and paying over such withheld amounts to the appropriate Governmental Authority), comply with respect to any applicable reporting requirements in connection with any payments to Noteholders, and, upon request, provide any Tax Information to the Issuer.

Section 10.9. Restoration of Rights and Remedies. If any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Issuer, the Trustee, the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee, the Noteholders shall continue as though no such Proceeding had been instituted.

Section 10.10. The Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses,

disbursements and advances of the Trustee, its agents and counsel) and the Noteholders allowed in any judicial Proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property, and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claim and any custodian in any such judicial Proceeding is hereby authorized by each Noteholder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Noteholders, to pay the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 11.6 and 11.17. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 11.6 and 11.17 out of the estate in any such Proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, notes and other properties which the Noteholders may be entitled to receive in such Proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Noteholder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding.

Section 10.11. Priorities. Following the declaration of an Event of Default or a Rapid Amortization Event pursuant to Section 9.1 or 10.2, all amounts in any Payment Account, including any money or property collected pursuant to Section 10.4 (after deducting the reasonable costs and expenses of such collection), shall be applied by the Trustee on the related Payment Date in accordance with the provisions of Article 5 and the applicable Series Supplement.

The Trustee may fix a record date and payment date for any payment to Secured Parties pursuant to this Section. At least fifteen (15) days before such record date the Issuer shall mail to each Secured Party and the Trustee a notice that states the record date, the payment date and the amount to be paid.

Section 10.12. Undertaking for Costs. All parties to this Indenture agree, and each Secured Party shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to (a) any suit instituted by the Trustee, (b) any suit instituted by any Noteholder, or group of Noteholders, in each case holding in the aggregate more than 10% of the aggregate outstanding principal balance of the Notes on the date of the filing of such action or (c) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture (or, in the case of redemption, on or after the Redemption Date).

Section 10.13. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Secured Parties is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by Law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 10.14. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Secured Party to exercise any right or remedy accruing upon any Default or Event of Default shall impair any such right or remedy or constitute a waiver of any such Default or Event of Default or an acquiescence therein. Every right and remedy given by this Article 10 or by Law to the Trustee or to the Secured Parties may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Secured Parties, as the case may be.

Section 10.15. Control by Noteholders. The Required Noteholders shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee with respect to the Notes or exercising any trust or power conferred on the Trustee; provided that:

- (i) such direction shall not be in conflict with any Law or with this Indenture;
- (ii) subject to the express terms of Section 10.4, any direction to the Trustee to sell or liquidate the Receivables shall be by the Holders of Notes representing not less than 100% of the aggregate outstanding principal balance of all the Notes of all Series;
- (iii) the Trustee shall have been provided with indemnity satisfactory to it; and
- (iv) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

provided, however, that, subject to Section 11.1, the Trustee need not take any action that it determines might involve it in liability or might materially adversely affect the rights of any Noteholders not consenting to such action.

Section 10.16. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension Law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such Law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such Law had been enacted.

Section 10.17. Action on Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any

other relief under or with respect to this Indenture. Neither the Lien of this Indenture nor any rights or remedies of the Trustee or the Secured Parties shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer.

Section 10.18. Performance and Enforcement of Certain Obligations.

(a) The Issuer agrees to take all such lawful action as is necessary and desirable to compel or secure the performance and observance by the Seller, the Parent and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Transaction Documents in accordance with the terms thereof, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Transaction Documents, including the transmission of notices of default on the part of the Seller, the Parent or the Servicer thereunder and the institution of legal or administrative actions or Proceedings to compel or secure performance by the Seller, the Parent or the Servicer of each of their obligations under the Transaction Documents.

(b) If an Event of Default has occurred and is continuing, the Trustee may, and, at the direction (which direction shall be in writing) of the Required Noteholders shall, subject to Section 10.2(b), exercise all rights, remedies, powers, privileges and claims of the Issuer against the Seller, the Parent or the Servicer under or in connection with the Transaction Documents, including the right or power to take any action to compel or secure performance or observance by the Seller, the Parent or the Servicer of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Transaction Documents, and any right of the Issuer to take such action shall be suspended.

Section 10.19. Reassignment of Surplus. Promptly after termination of this Indenture and the payment in full of the Secured Obligations, any proceeds of all the Receivables and other assets in the Trust Estate received or held by the Trustee shall be turned over to the Issuer and the Receivables and other assets in the Trust Estate shall be released to the Issuer by the Trustee without recourse to the Trustee and without any representations, warranties or agreements of any kind.

ARTICLE 11.

THE TRUSTEE

Section 11.1. Duties of the Trustee.

(a) If an Event of Default has occurred and is continuing, and of which a Trust Officer of the Trustee has written notice, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and any related document, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs; provided, however, that the Trustee shall have no liability in connection with any action or inaction taken, or not taken, by it upon the deemed occurrence of an Event of Default of which a Trust Officer has not received written notice; and provided, further that the preceding sentence shall not have the effect of insulating the Trustee from liability arising out of the Trustee's negligence or willful misconduct.

(b) Except during the occurrence and continuance of an Event of Default of which a Trust Officer of the Trustee has written notice:

(i) the Trustee undertakes to perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture or any related document against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely (without independent confirmation, verification, inquiry or investigation of the contents thereof), as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture and, if applicable, the Transaction Documents to which the Trustee is a party, provided, further, that the Trustee shall not be responsible for the accuracy or content of any of the aforementioned documents and the Trustee shall have no obligation to verify or recompute any numeral information provided to it pursuant to the Transaction Documents.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct except that:

(i) this clause does not limit the effect of clause (b) of this Section 1.1.1;

(ii) the Trustee shall not be personally liable for any error of judgment made in good faith by a Trust Officer or Trust Officers of the Trustee, unless it is conclusively determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms of the Indenture or the Transaction Documents;

(iv) the Trustee shall not be charged with knowledge of any failure by the Servicer referred to in clauses (a)-(g) of Section 2.04 of the Servicing Agreement unless a Trust Officer of the Trustee obtains actual knowledge of such failure or the Trustee receives written notice of such failure from the Servicer or any Holders of Notes evidencing not less than 10% of the aggregate outstanding principal balance or par value of the Notes of any Series adversely affected thereby.

(d) Notwithstanding anything to the contrary contained in this Indenture or any of the Transaction Documents, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any

---

of its duties hereunder or in the exercise of any of its rights and powers, if there is reasonable ground (as determined by the Trustee in its sole discretion) for believing that the repayment of such funds or adequate indemnity against such risk is not reasonably assured to it by the security afforded to it by the terms of this Indenture.

(e) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the TIA (if this Indenture is required to be qualified under the TIA).

(f) The Trustee shall, and hereby agrees that it will, perform all of the obligations and duties required of it under the Servicing Agreement.

(g) Without limiting the generality of this Section 11.1 and subject to the other provisions of this Indenture, the Trustee shall have no duty (i) to see to any recording, filing or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any recording, refiling or redepositing of any thereof or to see to the validity, perfection, continuation, or value of any lien or security interest created herein, (ii) to see to the payment or discharge of any tax, assessment or other governmental Lien owing with respect to, assessed or levied against any part of the Issuer, (iii) to confirm or verify the contents of any reports or certificates delivered to the Trustee pursuant to this Indenture or the Servicing Agreement believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties, (iv) to determine whether any Receivables is an Eligible Receivable or to inspect the Receivables at any time or ascertain or inquire as to the performance or observance of any of the Issuer's, the Seller's, the Parent's or the Servicer's representations, warranties or covenants or the Servicer's duties and obligations as Servicer and as Custodian of the Receivable Files under the Servicer Transaction Documents, (v) the acquisition or maintenance of any insurance, or (vi) to determine when a Repurchase Event occurs. The Trustee shall be authorized to, but shall in no event have any duty or responsibility to, file any financing or continuation statements or record any documents or instruments in any public office at any time or times or otherwise perfect or maintain any security interest in the Trust Estate.

(h) Subject to Section 11.1(d), in the event that the Paying Agent or the Transfer Agent and Registrar (if other than the Trustee) shall fail to perform any obligation, duty or agreement in the manner or on the day required to be performed by the Paying Agent or the Transfer Agent and Registrar, as the case may be, under this Indenture, the Trustee shall be obligated as soon as practicable upon written notice to a Trust Officer thereof and receipt of appropriate records and information, if any, to perform such obligation, duty or agreement in the manner so required.

(i) No provision of this Indenture shall be construed to require the Trustee to perform, or accept any responsibility for the performance of, the obligations of the Servicer hereunder until it shall have assumed such obligations in accordance with this Section 11.1 and the provisions of the Servicing Agreement.

---

(j) Subject to Section 11.4, all moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by Law or the Transaction Documents.

(k) Except as otherwise required or permitted by the TIA (if this Indenture is required to be qualified under the TIA), nothing contained herein shall be deemed to authorize the Trustee to engage in any business operations or any activities other than those set forth in this Indenture. Specifically, the Trustee shall have no authority to engage in any business operations, acquire any assets other than those specifically included in the Trust Estate under this Indenture or otherwise vary the assets held by the Issuer. Similarly, the Trustee shall have no discretionary duties other than performing those ministerial acts set forth above necessary to accomplish the purpose of this Indenture.

(l) The Trustee shall not be required to take notice or be deemed to have notice or knowledge of any Default or Event of Default unless a Trust Officer of the Trustee shall have received written notice thereof. In the absence of receipt of such notice, the Trustee may conclusively assume that there is no Default or Event of Default.

(m) [Reserved].

(n) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Servicer and/or a specified percentage of Noteholders under circumstances in which such direction is required or permitted by the terms of this Base Indenture, a Series Supplement or other Transaction Document.

(o) The enumeration of any permissive right or power herein or in any other Transaction Document available to the Trustee shall not be construed to be the imposition of a duty.

(p) The Trustee shall not be liable for interest on any money received by it except as the Trustee may separately agree in writing with the Issuer.

(q) Every provision of the Indenture or any related document relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article.

(r) The Trustee shall not be responsible for or have any liability for the collection of any Contracts or Receivables or the recoverability of any amounts from an Obligor or any other Person owing any amounts as a result of any Contracts or Receivables, including after any default of any Obligor or any other such Person.

Section 11.2. Rights of the Trustee. Except as otherwise provided by Section 11.1:

(a) The Trustee may conclusively rely on and shall be protected in acting upon or refraining from acting upon and in accord with, without any duty to verify the contents or recompute any calculations therein, any document (whether in its original or facsimile form),

---

including the Monthly Servicer Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee, the Monthly Statement, any resolution, Officer's Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document, believed by it to be genuine and to have been signed by or presented by the proper Person. Without limiting the Trustee's obligations to examine pursuant to Section 11.1(b)(ii), the Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, the Trustee may require an Officer's Certificate or an Opinion of Counsel or consult with counsel of its selection and the Officer's Certificate or the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, custodians and nominees and the Trustee shall not be liable for any misconduct or negligence on the part of, or for the supervision of, any such agent or attorneys, custodian or nominee so long as such agent, custodian or nominee is appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Base Indenture or any Series Supplement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Noteholders, pursuant to the provisions of this Base Indenture or any Series Supplement, unless such Noteholders shall have offered to the Trustee security or indemnity satisfactory to the Trustee (in its sole discretion) against the costs, expenses (including attorneys' fees and expenses) and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Trustee of the obligations, upon the occurrence of an Event of Default (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Base Indenture or any Series Supplement, and to use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(f) The Trustee shall not be bound to make any investigation into the facts of matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document (including, the Monthly Servicer's Report, the annual Servicer's certificate, the monthly payment instructions and notification to the Trustee or the Monthly Statement), unless requested in writing so to do by the Holders of Notes evidencing not less than 25% of the aggregate outstanding principal balance or par value of Notes of any Series, but the Trustee may, but is not obligated to, make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books,

records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such cost, expense or liability as a condition to so proceeding; the reasonable expense of every such examination shall be paid by the Person making such request, or, if paid by the Trustee, shall be reimbursed by the Person making such request.

(g) The Trustee shall have no liability for the selection of Permitted Investments and shall not be liable for any losses or liquidation penalties in connection with Permitted Investments, unless such losses or liquidation penalties were incurred through the Trustee's own willful misconduct or negligence. The Trustee shall have no obligation to invest or reinvest any amounts except as directed by the Issuer (or the initial Servicer) in accordance with this Indenture. Notwithstanding the foregoing, if the initial Servicer is removed or replaced, the selected Permitted Investment for investment or reinvestment as provided in this Indenture shall be as in effect on the date of such removal or replacement.

(h) The Trustee shall not be liable for the acts or omissions of any successor to the Trustee so long as such acts or omissions were not the result of the negligence, bad faith or willful misconduct of the predecessor Trustee.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee (a) in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder and (b) in each document to which it is a party whether or not specifically set forth herein.

(j) Except as may be required by Sections 11.1(b)(ii), 11.1(i), 11.2(a) and 11.2(f), the Trustee shall not be required to make any initial or periodic examination of any documents or records related to the Trust Estate for the purpose of establishing the presence or absence of defects, the compliance by the Seller, the Parent or the Servicer with their respective representations and warranties or for any other purpose.

(k) Without limiting the Trustee's obligation to examine pursuant to Section 11.1(b)(ii), the Trustee shall not be bound to make any investigation into (i) the performance or observance by the Issuer, any Servicer or any other Person of any of the covenants, agreements or other terms or conditions set forth in this Indenture or in any related document, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture, any related document or any other agreement, instrument or document, (iii) the creation, perfection or priority of any Lien purported to be created by this Indenture or any related document, (iv) the value or the sufficiency of any collateral or (v) the satisfaction of any condition set forth in this Indenture or any related document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer or any Servicer, personally or by agent or attorney, and shall incur no liability of any kind by reason of such inquiry or investigation.

---

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee may, from time to time, request that the Issuer and any other applicable party deliver a certificate (upon which the Trustee may conclusively rely) setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or any related document together with a specimen signature of such authorized officers; provided, however, that from time to time, the Issuer or such other applicable party may, by delivering to the Trustee a revised certificate, change the information previously provided by it pursuant to the Indenture, but the Trustee shall be entitled to conclusively rely on the then current certificate until receipt of a superseding certificate.

(n) The right of the Trustee to perform any discretionary act enumerated in this Indenture or any related document shall not be construed as a duty.

(o) Except for notices, reports and other documents expressly required to be furnished to the Holders by the Trustee hereunder, the Trustee shall not have any duty or responsibility to provide any Holder with any other information concerning the Issuer, the servicer or any other parties to any related documents which may come into the possession of the Trustee or any of its officers, directors, employees, agents, representatives or attorneys-in-fact.

(p) If the Trustee requests instructions from the Issuer or the Holders with respect to any action or omission in connection with this Indenture, the Trustee shall be entitled (without incurring any liability therefor) to refrain from taking such action and continue to refrain from acting unless and until the Trustee shall have received written instructions from the Issuer or the Holders, as applicable, with respect to such request.

(q) In order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable Law"), the Trustee is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

(r) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture or any related documents because of circumstances beyond the Trustee's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances,

strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Indenture or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Trustee's control whether or not of the same class or kind as specified above.

(s) The Trustee shall not be liable for failing to comply with its obligations under this Indenture in so far as the performance of such obligations is dependent upon the timely receipt of instructions and/or other information from any other Person which are not received or not received by the time required.

(t) The Trustee shall be fully justified in failing or refusing to take any action under this Indenture or any other related document if such action (A) would, in the reasonable opinion of the Trustee, in good faith (which may be based on the advice or opinion of counsel), be contrary to applicable Law, this Indenture or any other related document, or (B) is not provided for in the Indenture or any other related document.

(u) The Trustee shall not be required to take any action under this Indenture or any related document if taking such action (A) would subject the Trustee to a tax in any jurisdiction where it is not then subject to a tax, or (B) would require the Trustee to qualify to do business in any jurisdiction where it is not then so qualified.

Section 11.3. Trustee Not Liable for Recitals in Notes The Trustee assumes no responsibility for the correctness of the recitals contained in this Indenture and in the Notes (other than the signature and authentication of the Trustee on the Notes). Except as set forth in Section 11.16, the Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes (other than the signature and authentication of the Trustee on the Notes) or of any asset of the Trust Estate or related document. The Trustee shall not be accountable for the use or application by the Issuer or the Seller of any of the Notes or of the proceeds of such Notes, or for the use or application of any funds paid to the Seller or to the Issuer in respect of the Trust Estate or deposited in or withdrawn from the Collection Account or any Series Account by the Servicer.

Section 11.4. Individual Rights of the Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or an Affiliate of the Issuer with the same rights it would have if it were not Trustee. Any Paying Agent, Transfer Agent and Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 11.9 and 11.11.

Section 11.5. Notice of Defaults. If a Default, Event of Default or Rapid Amortization Event occurs and is continuing and if a Trust Officer of the Trustee receives written notice or has actual knowledge thereof, the Trustee shall promptly provide each Notice Person (and, with respect to any Event of Default or Rapid Amortization Event, each Noteholder), to the extent possible by email or facsimile, and, otherwise, by first class mail at their respective addresses appearing in the Note Register.

Section 11.6. Compensation.

(a) To the extent not otherwise paid pursuant to the Indenture, the Issuer covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to receive, such compensation as the Issuer and the Trustee shall agree in writing from time to time (which compensation shall not be limited by any provision of Law in regard to the compensation of a trustee of an express trust) for all services rendered by it in the execution of the trust hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee, and, the Issuer will pay or reimburse the Trustee (without reimbursement from the Collection Account, any Payment Account, any Series Account or otherwise) all reasonable expenses, disbursements and advances (including legal fees and costs and costs of persons not regularly employed by the Trustee) incurred or made by the Trustee in accordance with any of the provisions of this Indenture except any such expense, disbursement or advance as may arise from its own willful misconduct or negligence.

(b) The obligations of the Issuer under this Section 11.6 shall survive the termination of this Base Indenture and the resignation or removal of the Trustee.

Section 11.7. Replacement of the Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 11.7.

(b) The Trustee may, after giving sixty (60) days' prior written notice to the Issuer and the Servicer, resign at any time and be discharged from the trust hereby created; provided, however, that no such resignation of the Trustee shall be effective until a successor trustee has assumed the obligations of the Trustee hereunder. The Issuer may remove the Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee if:

(i) the Trustee fails to comply with Section 11.9;

(ii) a court or federal or state bank regulatory agency having jurisdiction in the premises in respect of the Trustee shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or similar official) for the Trustee or for any substantial part of the Trustee's property, or ordering the winding-up or liquidation of the Trustee's affairs;

(iii) the Trustee consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator, sequestrator (or other similar official) for the Trustee or for any substantial part of the Trustee's property, or makes any assignment for the benefit of creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing; or

---

(iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning and one copy to the successor trustee.

(c) If a successor Trustee does not take office within thirty (30) days after the retiring Trustee provides written notice of its resignation or is removed, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring or removed Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers and duties of the Trustee under this Base Indenture and any Series Supplement. The successor Trustee shall mail a notice of its succession to Noteholders. The retiring Trustee shall, at the expense of the Issuer, promptly transfer to the successor Trustee all property held by it as Trustee and all documents and statements held by it hereunder; provided, however, that all sums owing to the retiring Trustee hereunder (and its agents and counsel) have been paid, and the Issuer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties and obligations. Notwithstanding replacement of the Trustee pursuant to this Section 11.7, the Issuer's obligations under Sections 11.6 and 11.17 shall continue for the benefit of the retiring Trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 11.7 shall not become effective until acceptance of appointment by the successor Trustee pursuant to this Section 11.7 and payment of all fees and expenses owed to the retiring Trustee.

(e) No successor Trustee shall accept appointment as provided in this Section 11.7 unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 11.9 hereof.

Section 11.8. Successor Trustee by Merger, etc. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such Person shall be eligible under the provisions of Section 11.9 hereof, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at

that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 11.9. Eligibility: Disqualification. The Trustee shall at all times satisfy the requirements of TIA Section 310(a) (if this Indenture is required to be qualified under the TIA).

The Trustee hereunder shall at all times be organized and doing business under the Laws of the United States of America or any State thereof authorized under such Laws to exercise corporate trust powers, having a long-term unsecured debt rating of at least BBB- (or the equivalent thereof) by a Rating Agency, having, in the case of an entity that is subject to risk-based capital adequacy requirements, risk-based capital of at least \$50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation publishes reports of condition at least annually, pursuant to Law, then for the purpose of this Section 11.9, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee shall comply with TIA Section 310(b), including the optional provision permitted by the second sentence of TIA Section 310(b)(9) (if this Indenture is required to be qualified under the TIA); provided, however, that there shall be excluded from the operation of TIA Section 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if the requirements for such exclusion set forth in TIA Section 310(b)(1) are met.

In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 11.9, the Trustee shall resign immediately in the manner and with the effect specified in Section 11.7.

Section 11.10. Appointment of Co-Trustee or Separate Trustee.

(a) Notwithstanding any other provisions of this Base Indenture or any Series Supplement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Trustee shall have the power and may execute and deliver all instruments to appoint one or more persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Secured Parties, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this Section 11.10 such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 11.9 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 11.7. No co-trustee shall be appointed without the consent of the Issuer unless such appointment is required as a matter of Law or to enable the Trustee to perform its functions hereunder. The appointment of any co-trustee or separate trustee shall not relieve the Trustee of any of its obligations hereunder.

---

(b) Every separate trustee and co-trustee shall, to the extent permitted by Law, be appointed and act subject to the following provisions and conditions:

(i) the Notes of each Series shall be authenticated and delivered solely by the Trustee or an authenticating agent appointed by the Trustee;

(ii) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any Law (whether as Trustee hereunder or as successor to the Servicer under the Servicing Agreement), the Trustee shall be incompetent or unqualified to perform, such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(iii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustees, hereunder, including acts or omissions of predecessor or successor trustees;

(iv) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee; and

(v) the Trustee shall remain primarily liable for the actions of any co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article 11. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Base Indenture and any Series Supplement, specifically including every provision of this Base Indenture or any Series Supplement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Servicer.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by Law, to do any lawful act under or in respect to this Base Indenture or any Series Supplement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by Law, without the appointment of a new or successor Trustee.

Section 11.11. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b) (if this Indenture is required to be qualified under the TIA). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated (if this Indenture is required to be qualified under the TIA).

Section 11.12. Taxes. Neither the Trustee nor (except to the extent the initial Servicer breaches its obligations or covenants contained in the Servicing Agreement) the Servicer shall be liable for any liabilities, costs or expenses of the Issuer, the Noteholders nor the Note Owners arising under any tax Law, including without limitation federal, state, local or foreign income or franchise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto or arising from a failure to comply therewith).

Section 11.13. [Reserved].

Section 11.14. Suits for Enforcement. If an Event of Default shall occur and be continuing, the Trustee, may (but shall not be obligated to) subject to the provisions of Section 2.01 of the Servicing Agreement, proceed to protect and enforce its rights and the rights of any Secured Party under this Indenture or any other Transaction Document by a Proceeding, whether for the specific performance of any covenant or agreement contained in this Indenture or such other Transaction Document or in aid of the execution of any power granted in this Indenture or such other Transaction Document or for the enforcement of any other legal, equitable or other remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of the rights of the Trustee or any Secured Party.

Section 11.15. Reports by Trustee to Holders. The Trustee shall deliver to each Noteholder such information as may be expressly required by the Code.

Section 11.16. Representations and Warranties of Trustee. The Trustee represents and warrants to the Issuer and the Secured Parties that:

(i) the Trustee is a national banking association with trust powers duly organized, existing and authorized to engage in the business of banking under the Laws of the United States;

(ii) the Trustee has full power, authority and right to execute, deliver and perform this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes, and has taken all necessary action to authorize the execution, delivery and performance by it of this Base Indenture and any Series Supplement issued concurrently with this Base Indenture and to authenticate the Notes;

(iii) this Indenture has been duly executed and delivered by the Trustee; and

(iv) the Trustee meets the requirements of eligibility hereunder set forth in Section 11.9.

Section 11.17. The Issuer Indemnification of the Trustee. The Issuer shall fully indemnify, defend and hold harmless the Trustee (and any predecessor Trustee) and its directors, officers, agents and employees from and against any and all loss, liability, claim, expense, damage or injury suffered or sustained of whatever kind or nature regardless of their merit, demanded, asserted, or claimed directly or indirectly relating to any acts, omissions or alleged acts or omissions arising out of the activities of the Trustee pursuant to this Base Indenture or any Series Supplement and any other Transaction Document to which it is a party or any transaction contemplated hereby or thereby, including but not limited to any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, Proceeding or claim; provided, however, that the Issuer shall not indemnify the Trustee or its directors, officers, employees or agents if such acts, omissions or alleged acts or omissions constitute negligence or willful misconduct by the Trustee. The indemnity provided herein shall (i) survive the termination of this Indenture and the resignation and removal of the Trustee, (ii) apply to the Trustee (including (a) in its capacity as Agent and (b) Wilmington Trust, National Association, as Securities Intermediary and Depository Bank) and (iii) apply to Deutsche Bank Trust Company Americas, in its capacity as Collateral Trustee.

Section 11.18. Trustee's Application for Instructions from the Issuer. Any application by the Trustee for written instructions from the Issuer or the initial Servicer may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. Subject to Section 11.1, the Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than thirty (30) days after the date any Responsible Officer of the Issuer or the initial Servicer actually receives such application, unless any such officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

Section 11.19. [Reserved].

Section 11.20. Maintenance of Office or Agency. The Trustee will maintain an office or offices, or agency or agencies, where notices and demands to or upon the Trustee in respect of the Notes and this Indenture may be served. The Trustee initially appoints its Corporate Trust Office as its office for such purposes. The Trustee will give prompt written notice to the Issuer, the Servicer and the Noteholders of any change in the location of the Note Register or any such office or agency.

Section 11.21. Concerning the Rights of the Trustee. The rights, privileges and immunities afforded to the Trustee in the performance of its duties under this Indenture shall apply equally to the performance by the Trustee of its duties under each other Transaction Document to which it is a party.

Section 11.22. Direction to the Trustee. The Issuer hereby directs the Trustee to enter into the Transaction Documents.

Section 11.23. Repurchase Demand Activity Reporting.

(a) To assist in the Seller's compliance with the provisions of Rule 15Ga-1 under the Exchange Act ("Rule 15Ga-1"), subject to paragraph (b) below, the Trustee shall provide the following information (the "Rule 15Ga-1 Information") to the Seller in the manner, timing and format specified below:

(i) No later than the fifteenth (15th) day following the end of each calendar quarter in which any Series is outstanding, the Trustee shall provide information regarding repurchase demand activity during the preceding calendar quarter related to the underlying assets for each such Series in substantially the form of Exhibit H hereto.

(ii) If (x) the Trustee has previously delivered a report described in clause (i) above indicating that, based on a review of the records of the Trustee, there was no asset repurchase demand activity during the applicable period, and (y) based on a review of the records of the Trustee, no asset repurchase demand activity has occurred since the delivery of such report, the Trustee may, in lieu of delivering the information as is requested pursuant to clause (i) above substantially in the form of Exhibit H hereto, and no later than the date specified in clause (i) above, notify the Seller that there has been no change in asset repurchase demand activity since the date of the last report delivered.

(iii) The Trustee shall provide notification, as soon as practicable and in any event within five (5) Business Days of receipt, of all demands communicated to the Trustee for the repurchase or replacement of the underlying assets for any Series.

(b) The Trustee shall provide Rule 15Ga-1 Information subject to the following understandings and conditions:

(i) The Trustee shall provide Rule 15Ga-1 Information only to the extent that the Trustee has Rule 15Ga-1 Information or can obtain Rule 15Ga-1 Information without unreasonable effort or expense; provided that the Trustee's efforts to obtain Rule 15Ga-1 Information shall be limited to a review of its internal written records of repurchase demand activity for the applicable Series and that the Trustee is not required to request information from any other parties.

(ii) The reporting of repurchase demand activity pursuant to this Section 11.23 is subject in all cases to the best knowledge of the Trust Officer responsible for the applicable Series.

(iii) The reporting of repurchase demand activity pursuant to this Section 11.23 is required only to the extent such repurchase demand activity was not addressed to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, the Issuer or the initial Servicer or previously reported to the Seller, the Issuer, the initial Servicer or any Affiliate of the Seller, Issuer or initial Servicer by the Trustee. For purposes hereof, the term "demand" shall not include (x) repurchases or replacements made pursuant to instruction, direction or request from the Seller or its affiliates or (y) general inquiries, including investor inquiries, regarding asset performance or possible breaches of representations or warranties.

(iv) The Trustee's reporting pursuant to this Section 11.23 is limited to information that the Trustee has received or acquired solely in its capacity as Trustee for the applicable Series and not in any other capacity. In no event shall Wilmington Trust, National Association (individually or as Trustee) have any responsibility or liability in connection with (i) the compliance by any Person which is a securitizer (as defined in Rule 15Ga-1) of the Series, or any other Person, with Rule 15Ga-1 or any related rules or regulations or (ii) any filing required to be made by a securitizer (as defined in Rule 15Ga-1) under Rule 15Ga-1 in connection with the Rule 15Ga-1 Information provided pursuant to this Section 11.23. Other than any express duties or responsibilities as Trustee under the Transaction Documents, the Trustee has no duty or obligation to undertake any investigation or inquiry related to repurchase demand activity or otherwise to assume any additional duties or responsibilities in respect of any Series, and no such additional obligations or duties are implied. The Trustee is entitled to the full benefit of any and all protections, limitations on duties or liability and rights of indemnity provided by the terms of the Transaction Documents in connection with any actions pursuant to this Section 11.23.

(v) Unless and until the Trustee is otherwise notified in writing, any Rule 15Ga-1 Information provided pursuant to this Section 11.23 shall be provided in electronic format via e-mail and directed as follows: [john.foxgrover@progressfin.com](mailto:john.foxgrover@progressfin.com).

(vi) The Trustee's obligation pursuant to this Section 11.23 continue until the earlier of (x) the date on which such Series is no longer outstanding and (y) the date the Seller notifies the Trustee that such reporting no longer is required.

## ARTICLE 12.

### DISCHARGE OF INDENTURE

Section 12.1. Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of Noteholders to receive payments of principal thereof and interest thereon and any other amount due to Noteholders, (ii) Sections 8.1, 11.6, 11.12, 11.17, 12.2, 12.5(b), 15.16 and 15.17, (iii) the rights, obligations and immunities of the Trustee hereunder (including the rights of the Trustee under Sections 11.6 and 11.17 and the obligations of the Trustee under Section 12.2) and (iv) the rights of Noteholders as beneficiaries hereof with respect to the property deposited with the Trustee as described below payable to all or any of them, and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes (and their related Secured Parties), on the Payment Date with respect to any Series (the "Indenture Termination Date") on which the Issuer has paid, caused to be paid or irrevocably deposited or caused to be irrevocably deposited in the applicable Payment Account and any applicable Series Account funds sufficient to pay in full all Secured Obligations, and the Issuer has delivered to the Trustee an Officer's Certificate, an Opinion of Counsel and, if required by the TIA (if this Indenture is required to be qualified under the TIA), an Independent Certificate from a firm of certified public accountants, each meeting the applicable requirements of Section 15.1(a) and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

---

After any irrevocable deposit made pursuant to Section 12.1 and satisfaction of the other conditions set forth herein, the Trustee promptly upon request shall acknowledge in writing the discharge of the Issuer's obligations under this Indenture except for those surviving obligations specified above.

Section 12.2. Application of Issuer Money. All moneys deposited with the Trustee pursuant to Section 12.1 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Base Indenture and the related Series Supplement, to the payment, either directly or through any Paying Agent to the Noteholder of the particular Notes for the payment or redemption of which such moneys have been deposited with the Trustee, of all sums due and to become due thereon for principal, interest and other amounts; but such moneys need not be segregated from other funds except to the extent required herein or in the other Transaction Documents or required by Law.

The provisions of this Section 12.2 shall survive the expiration or earlier termination of this Indenture.

Section 12.3. Repayment of Moneys Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all moneys then held by any Paying Agent other than the Trustee under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Trustee to be held and applied according to Section 8.1 and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

Section 12.4. [Reserved].

Section 12.5. Final Payment with Respect to Any Series

(a) Written notice of any termination, specifying the Payment Date upon which the Noteholders of any Series may surrender their Notes for final payment with respect to such Series and cancellation, shall be given (subject to at least two (2) Business Days' prior notice from the Issuer to the Trustee) by the Trustee to Noteholders of such Series mailed not later than five (5) Business Days preceding such final payment (or in the manner provided by the Series Supplement relating to such Series) specifying (i) the Payment Date (which shall be the Payment Date in the month (x) in which the deposit is made as may be specified in the related Series Supplement, or (y) in which the related Series Termination Date occurs) upon which final payment of such Notes will be made upon presentation and surrender of such Notes at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such Payment Date is not applicable, payments being made only upon presentation and surrender of the Notes at the office or offices therein specified. The Issuer's notice to the Trustee in accordance with the preceding sentence shall be accompanied by an Officer's Certificate setting forth the information specified in Article 6 of this Base Indenture covering the period during the then current calendar year through the date of such notice and setting forth the date of such final distribution. The Trustee shall give such notice to the Transfer Agent and the Paying Agent at the time such notice is given to such Noteholders.

(b) Notwithstanding the termination or discharge of the trust of the Indenture pursuant to Section 12.1 or the occurrence of the Series Termination Date with respect to any Series, all funds then on deposit in the Payment Account shall continue to be held in trust for the benefit of the Noteholders of the related Series and the Paying Agent or the Trustee shall pay such funds to the Noteholders of the related Series upon surrender of their Notes. In the event that all of the Noteholders of any Series shall not surrender their Notes for cancellation within six (6) months after the date specified in the above-mentioned written notice, the Trustee shall give second written notice to the remaining Noteholders of such Series upon receipt of the appropriate records from the Transfer Agent and Registrar to surrender their Notes for cancellation and receive the final distribution with respect thereto. If within one and one-half years after the second notice with respect to a Series, all the Notes of such Series shall not have been surrendered for cancellation, the Trustee may take appropriate steps or may appoint an agent to take appropriate steps, to contact the remaining Noteholders of such Series concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Payment Account or any Series Account held for the benefit of such Noteholders. The Trustee and the Paying Agent shall pay to the Issuer upon request any monies held by them for the payment of principal or interest which remains unclaimed for two (2) years. After such payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property Law designates another Person.

(c) All Notes surrendered for payment of the final distribution with respect to such Notes and cancellation shall be cancelled by the Transfer Agent and Registrar and be disposed of in a manner satisfactory to the Trustee and the Issuer.

Section 12.6. Termination Rights of Issuer. Upon the termination of the Lien of the Indenture pursuant to Section 12.1, and after payment of all amounts due hereunder on or prior to such termination, the Trustee shall execute a written release and reconveyance substantially in the form of Exhibit A hereto pursuant to which it shall release the Lien of the Indenture and reconvey to the Issuer (without recourse, representation or warranty) all right, title and interest in the Trust Estate, whether then existing or thereafter created, all moneys due or to become due with respect to such Trust Estate and all proceeds of the Trust Estate, except for amounts held by the Trustee or any Paying Agent pursuant to Section 12.5(b). The Trustee shall execute and deliver such instruments of transfer and assignment, in each case without recourse, as shall be reasonably requested by the Issuer or the Servicer to vest in the Issuer all right, title and interest in the Trust Estate.

Section 12.7. Repayment to the Issuer. The Trustee and the Paying Agent shall promptly pay to the Issuer upon written request any excess money or, pursuant to Sections 2.10 and 2.13, return any Notes held by them at any time.

#### ARTICLE 13.

#### AMENDMENTS

Section 13.1. Supplemental Indentures without Consent of the Noteholders. Without the consent of the Holders of any Notes, and, if the Servicer's or the Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby,

---

with the consent of the Servicer or the Back-Up Servicer, as applicable, the Issuer and the Trustee, when authorized by an Issuer Order, at any time and from time to time, may enter into one or more indenture supplements or amendments hereto or amendments to any Series Supplement (which shall conform to any applicable provisions of the TIA as in force at the date of execution thereof), in form satisfactory to the Trustee, unless otherwise provided in a Series Supplement, for any of the following purposes:

(a) to correct or amplify the description of any property at any time subject to the Lien of this Indenture, or better to assure, convey and confirm unto the Trustee any property subject or required to be subjected to the Lien of this Indenture, or to subject to the Lien of this Indenture additional property;

(b) to evidence the succession, in compliance with the applicable provisions hereof, of another Person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes;

(c) to add to the covenants of the Issuer for the benefit of any Secured Parties or to surrender any right or power herein conferred upon the Issuer;

(d) to convey, transfer, assign, mortgage or pledge to the Trustee any property or assets as security for the Secured Obligations and to specify the terms and conditions upon which such property or assets are to be held and dealt with by the Trustee and to set forth such other provisions in respect thereof as may be required by this Indenture or as may, consistent with the provisions of this Indenture, be deemed appropriate by the Issuer and the Trustee, or to correct or amplify the description of any such property or assets at any time so mortgaged, pledged, conveyed and transferred to the Trustee;

(e) to cure any ambiguity, or correct or supplement any provision of this Indenture which may be inconsistent with any other provision of this Indenture or the final offering memorandum for any Series of Notes;

(f) to make any other provisions with respect to matters or questions arising under this Indenture; provided, however, that such action shall not adversely affect the interests of any Holder of the Notes in any material respect without consent being provided as set forth in Section 13.2;

(g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes of one or more Series or to add to or change any of the provisions of this Indenture as shall be necessary and permitted to provide for or facilitate the administration of the trusts hereunder by more than one trustee pursuant to the requirements of Article 11; or

(h) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the TIA or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by the TIA;

provided, however, that no amendment or supplement shall be permitted unless a Tax Opinion is delivered to the Trustee.

Upon the request of the Issuer and upon receipt by the Trustee of the documents described in Section 2.2, the Trustee shall join with the Issuer in the execution of any supplemental indenture or amendment authorized or permitted by the terms of this Base Indenture and shall make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such supplemental indenture or amendment that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 13.2. Supplemental Indentures with Consent of Noteholders. The Issuer and the Trustee, when authorized by an Issuer Order, also may, and unless otherwise provided in any Series Supplement, with the consent of the Required Noteholders and, if the Servicer's or the Back-Up Servicer's (including as successor Servicer) rights and/or obligations are materially and adversely affected thereby, the Servicer or the Back-Up Servicer, as applicable, enter into one or more indenture supplements or amendments hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes of any Series under this Indenture; provided, however, that no such indenture supplement or amendment shall, without the consent of the Required Noteholders and without the consent of the Holder of each outstanding Note affected thereby (and in the case of clause (iii) below, the consent of each Secured Party):

(i) change the date of payment of any installment of principal of or interest on, or any premium payable upon the redemption of, any Note or reduce in any manner the principal amount thereof, the interest rate thereon or the Redemption Price with respect thereto, modify the provisions of this Base Indenture or any Series Supplement relating to the application of Collections on, or the proceeds of the sale of, the Trust Estate to payment of principal of, or interest on, the Notes, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable;

(ii) change the Noteholder voting requirements with respect to any Transaction Document;

(iii) impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article 9, to the payment of any such amount due on the Notes on or after the respective due dates thereof (or, in the case of redemption, on or after the Redemption Date);

(iv) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required for any such indenture supplement or amendment, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(v) modify or alter the provisions of this Indenture regarding the voting of Notes held by the Issuer, the Seller or an Affiliate of the foregoing;

(vi) reduce the percentage of the aggregate outstanding principal amount of the Notes, the consent of the Holders of which is required to direct the Trustee to sell or liquidate the Trust Estate pursuant to Section 10.4 if the proceeds of such sale would be insufficient to pay the principal amount and accrued but unpaid interest on the outstanding Notes;

(vii) modify any provision of this Section 13.2, except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby;

(viii) modify any of the provisions of this Indenture in such manner as to affect in any material respect the calculation of the amount of any payment of interest or principal due on any Note on any Payment Date (including the calculation of any of the individual components of such calculation), to alter the application of "Collections" or to affect the rights of the Holders of Notes to the benefit of any provisions for the mandatory redemption of the Notes contained in this Indenture; or

(ix) permit the creation of any Lien ranking prior to or on a parity with the Lien of this Indenture with respect to any part of the Trust Estate for the Notes (except for Permitted Encumbrances) or, except as otherwise permitted or contemplated in this Indenture, terminate the Lien of this Indenture on any such collateral at any time subject hereto or deprive any Secured Party of the security provided by the Lien of this Indenture;

provided, further, that no amendment will be permitted if it would cause any Noteholder to recognize gain or loss for U.S. federal income tax purposes, unless such Noteholder's consent is obtained as described above.

The Trustee may, but shall not be obligated to, enter into any such amendment or supplement that affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

It shall not be necessary for any consent of Noteholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof. Additionally, with respect to a Book-Entry Note, such consent may be provided directly by the Note Owner or indirectly through a Clearing Agency or Foreign Clearing Agency.

The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Note shall be subject to such reasonable requirements as the Trustee may prescribe.

Promptly after the execution by the Issuer and the Trustee of any supplemental indenture or amendment to this Base Indenture or any Series Supplement pursuant to this Section, the Trustee shall mail to each Holder of the Notes of all Series (or with respect to an amendment or supplemental indenture of a Series Supplement, to the Noteholders of the applicable Series), the Back-Up Servicer and the Servicer a copy of such supplemental indenture or amendment. Any failure of the Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or amendment.

Section 13.3. Execution of Supplemental Indentures. In executing any amendment or supplemental indenture permitted by this Article 13 or the modifications thereby of the trust created by this Indenture, the Trustee shall be entitled to receive, and subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel stating that the execution of such amendment or supplemental indenture is authorized, permitted or not prohibited (as the case may be) by this Indenture and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied. Such Opinion of Counsel may be subject to reasonable qualifications and assumptions of fact. The Trustee may, but shall not be obligated to, enter into any such amendment or supplemental indenture that affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

Section 13.4. Effect of Supplemental Indenture. Upon the execution of any amendment or supplemental indenture pursuant to the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Trustee, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such amendment or supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 13.5. Conformity With TIA. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article 13 shall conform to the requirements of the TIA as then in effect so long as this Indenture shall then be required to be qualified under the TIA.

Section 13.6. [Reserved].

Section 13.7. Series Supplements. Notwithstanding anything in Sections 13.1 and 13.2 to the contrary but subject to Section 13.11, the Series Supplement with respect to any Series may be amended with respect to the items and in accordance with the procedures provided in such Series Supplement and in the event the form of Notes to any Series Supplement is amended, each Holder shall surrender its Notes to the Trustee and the Trustee shall, following receipt of such Note and an Issuer Order directing the Trustee with respect to the authentication of such replacement Notes, issue a replacement Note containing such changes.

Section 13.8. Revocation and Effect of Consents. Until an amendment, supplemental indenture or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to his Note or portion of a Note if the Trustee receives written notice of revocation before the date the amendment, supplemental indenture or waiver becomes effective. An amendment, supplemental

indenture or waiver becomes effective in accordance with its terms and thereafter binds every Holder. The Issuer may fix a record date for determining which Holders must consent to such amendment, supplemental indenture or waiver.

Section 13.9. Notation on or Exchange of Notes Following Amendment The Trustee may place an appropriate notation about an amendment, supplemental indenture or waiver on any Note thereafter authenticated. If the Issuer shall so determine, new Notes so modified as to conform to any such amendment, supplemental indenture or waiver may be prepared and executed by the Issuer and authenticated and delivered by the Trustee (upon receipt of an Issuer Order) in exchange for outstanding Notes. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplemental indenture or waiver.

Section 13.10. The Trustee to Sign Amendments, etc. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 13 if the amendment or supplemental indenture does not adversely affect in any material respect the rights, duties, liabilities or immunities of the Trustee. If any amendment or supplemental indenture does have such a materially adverse effect, the Trustee may, but need not, sign it. In signing such amendment or supplemental indenture, the Trustee shall be entitled to receive, if requested, an indemnity reasonably satisfactory to it and to receive and, subject to Section 11.1, shall be fully protected in relying upon, an Officer's Certificate of the Issuer and an Opinion of Counsel as conclusive evidence that such amendment or supplemental indenture is authorized, permitted or not prohibited (as the case may be) by this Indenture and that it will be valid and binding upon the Issuer in accordance with its terms and all conditions precedent to the execution of such amendment or supplemental indenture have been satisfied.

Section 13.11. Back-Up Servicer Consent. No amendment or indenture supplement hereto (including pursuant to Section 2.2 hereof) shall be effective if such amendment or supplement shall adversely affect the rights, duties or obligations of the Back-Up Servicer (including in its capacity as successor Servicer) without its prior written consent, notwithstanding anything to the contrary.

#### ARTICLE 14.

##### REDEMPTION AND REFINANCING OF NOTES

Section 14.1. Redemption and Refinancing. If specified in a Series Supplement, the Notes of any Series are subject to redemption as may be specified in the related Series Supplement, on any Payment Date on which the Issuer exercises its option to redeem the Notes for the Redemption Price; provided, however, that the Issuer has available funds sufficient to pay the Redemption Price. If the Notes of any Series are to be redeemed pursuant to this Section 14.1, the Issuer shall furnish notice of such election to the Trustee not later than fifteen (15) days prior to the Redemption Date and the Issuer shall deposit with the Trustee in a Trust Account that is within the sole control of the Trustee no later than 10:00 a.m. New York time on the Redemption Date the Redemption Price of the Notes of such Series to be redeemed whereupon all such redeemed Notes shall be due and payable on the Redemption Date upon the furnishing of a notice complying with Section 14.2 to each Holder of such Notes.

Section 14.2. Form of Redemption Notice. Notice of redemption under Section 14.1 shall be given by the Trustee by facsimile or by first-class mail, postage prepaid, transmitted or mailed prior to the applicable Redemption Date to each Holder of Notes of the Series to be redeemed, as of the close of business on the Record Date preceding the applicable Redemption Date, at such Holder's address appearing in the Note Register.

All notices of redemption shall state:

- (i) the Redemption Date;
- (ii) the Issuer's good faith estimate of the Redemption Price;
- (iii) that the Record Date otherwise applicable to such Redemption Date is not applicable and that payments shall be made only upon presentation and surrender of such Notes and the place where such Notes are to be surrendered for payment of the Redemption Price (which shall be the office or agency of the Issuer to be maintained as provided in Section 8.2); and
- (iv) that interest on the Notes shall cease to accrue on the Redemption Date.

Notice of redemption of the Notes shall be given by the Trustee in the name and at the expense of the Issuer. For the avoidance of doubt, the Issuer shall provide the Trustee with the actual Redemption Price prior to the applicable Redemption Date. Failure to give notice of redemption, or any defect therein, to any Holder of any Note to be redeemed shall not impair or affect the validity of the redemption of any other Note.

Section 14.3. Notes Payable on Redemption Date. The Notes of any Series to be redeemed shall, following notice of redemption as required by Section 14.2 (in the case of redemption pursuant to Section 14.1), on the Redemption Date become due and payable at the Redemption Price and (unless the Issuer shall default in the payment of the Redemption Price) no interest shall accrue on the Redemption Price for any period after the date to which accrued interest is calculated for purposes of calculating the Redemption Price.

## ARTICLE 15.

### MISCELLANEOUS

#### Section 15.1. Compliance Certificates and Opinions, etc.

(a) Upon any application or request by the Issuer to the Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Trustee if requested thereby (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, (ii) an Opinion of Counsel (subject to reasonable assumptions and qualifications) stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with and (iii) (if this Indenture is required to be qualified under the TIA) an Independent Certificate from a firm of certified public accountants meeting the applicable requirements of this Section, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

---

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

- (i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;
- (ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (iv) a statement as to whether, in the opinion of each such signatory such condition or covenant has been complied with.

(b) (i) Prior to the deposit of any Receivables or other property or securities (other than cash) with the Trustee that is to be made the basis for the release of any property or securities subject to the Lien of this Indenture, the Issuer shall, in addition to any obligation imposed in Section 15.1(a) or elsewhere in this Indenture, furnish to the Trustee upon the Trustee's request an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such deposit) to the Issuer of the Receivables or other property or securities to be so deposited.

(ii) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (i) above, the Issuer shall also deliver to the Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current Fiscal Year of the Issuer, as set forth in the certificates delivered pursuant to clause (i) above and this clause (ii), is 10% or more of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the aggregate outstanding principal amount or par value of all the Notes of all Series issued by the Issuer of the Notes.

(iii) Other than with respect to the release of any cash (including Collections) in accordance with the Series Supplements, Removed Receivables or liquidated Receivables (and the Related Security therefor), and except for discharges of this Indenture as described in Section 12.1, whenever any property or securities are to be

released from the Lien of this Indenture, the Issuer shall also furnish to the Trustee an Officer's Certificate certifying or stating the opinion of each individual signing such certificate as to the fair value (within ninety (90) days of such release) of the property or securities proposed to be released and stating that in the opinion of such individual the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(iv) Whenever the Issuer is required to furnish to the Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (iii) above, the Issuer shall also furnish to the Trustee an Independent Certificate as to the same matters if the fair value of the property or securities and of all other property other than cash (including Collections) in accordance with the Series Supplements, Removed Receivables and Defaulted Receivable, or securities released from the Lien of this Indenture since the commencement of the then current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10% or more of the aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than \$25,000 or less than 1% percent of the then aggregate outstanding principal amount or par value of all Notes of all Series issued by the Issuer of the Notes.

Section 15.2. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of a Responsible Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his or her certificate or opinion is based are erroneous. Any such certificate of an Responsible Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the initial Servicer, the Seller or the Issuer, stating that the information with respect to such factual matters is in the possession of or known to the initial Servicer, the Seller or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article 10.

Section 15.3. Acts of Noteholders.

(a) Wherever in this Indenture a provision is made that an action may be taken or a notice, demand or instruction given by Noteholders, such action, notice or instruction may be taken or given by any Noteholder, unless such provision requires a specific percentage of Noteholders. Notwithstanding anything in this Indenture to the contrary, so long as any other Person is a Noteholder, none of the Seller, the Issuer or any Affiliate controlled by Oportun or controlling Oportun shall have any right to vote with respect to any Note.

(b) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 11.1) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section.

(c) The fact and date of the execution by any Person of any such instrument or writing may be proved in any customary manner of the Trustee.

(d) The ownership of Notes shall be proved by the Note Register.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any such Notes shall bind such Noteholder and the Holder of every Note and every subsequent Holder of such Notes issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Servicer or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 15.4. Notices. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at, sent by facsimile to, sent by courier (overnight or hand-delivered) at or mailed by registered mail, return receipt requested, to (a) in the case of the Issuer, to 1600 Seaport Boulevard, Suite 250, Room 108,

Redwood City, California 94063, Attention: Secretary, (b) in the case of the Servicer or Oportun, to 1600 Seaport Boulevard, Suite 250, Redwood City, California 94063, Attention: Chief Legal Officer and (c) in the case of the Trustee, to the Corporate Trust Office. Unless otherwise provided with respect to any Series in the related Series Supplement or otherwise expressly provided herein, any notice required or permitted to be mailed to a Noteholder shall be given by first class mail, postage prepaid, at the address of such Noteholder as shown in the Note Register. Any notice so mailed within the time prescribed in this Indenture shall be conclusively presumed to have been duly given, whether or not the Noteholder receives such notice.

The Issuer or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications; provided, however, the Issuer may not at any time designate more than a total of three (3) addresses to which notices must be sent in order to be effective.

Any notice (i) given in person shall be deemed delivered on the date of delivery of such notice, (ii) given by first class mail shall be deemed given five (5) days after the date that such notice is mailed, (iii) delivered by telex or telecopier shall be deemed given on the date of confirmation of the delivery of such notice by e-mail or telephone, and (iv) delivered by overnight air courier shall be deemed delivered one (1) Business Day after the date that such notice is delivered to such overnight courier.

Notwithstanding any provisions of this Indenture to the contrary, the Trustee shall have no liability based upon or arising from the failure to receive any notice required by or relating to this Indenture or the Notes.

If the Issuer mails a notice or communication to Noteholders, it shall mail a copy to the Trustee at the same time.

Section 15.5. Notices to Noteholders: Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given if sent in accordance with Section 15.4 hereof. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 15.6. Alternate Payment and Notice Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Trustee on behalf of the Issuer may enter into any agreement with any Holder of a Note providing for a method of payment, or notice by the Trustee or any Paying Agent to such Holder, that is different from the methods provided for in this Indenture for such payments or notices, provided that such methods are consented to by the Issuer (which consent shall not be unreasonably withheld). The Trustee will cause payments to be made and notices to be given in accordance with such agreements.

Section 15.7. Conflict with TIA. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control (if this Indenture is required to be qualified under the TIA).

The provisions of TIA Sections 310 through 317 that impose duties on any Person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein (if this Indenture is required to be qualified under the TIA). Notwithstanding the foregoing, and regardless of whether the Indenture is required to be qualified under the TIA, the provisions of Section 316(a)(1) of the TIA shall be excluded from this Indenture.

Section 15.8. Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents and Cross-Reference Table are for convenience of reference only, are not to be considered a part hereof, and shall not affect the meaning or construction hereof.

Section 15.9. Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Trustee in this Indenture shall bind its successors.

Section 15.10. Separability of Provisions. If any one or more of the covenants, agreements, provisions or terms of this Indenture or Notes shall for any reason whatsoever be held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Indenture and shall in no way affect the validity or enforceability of the other provisions of this Indenture or of the Notes or rights of the Holders thereof.

Section 15.11. Benefits of Indenture. Except as set forth in this Indenture, nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Secured Parties, any benefit or any legal or equitable right, remedy or claim under the Indenture.

Section 15.12. Legal Holidays. In any case where the date on which any payment is due to any Secured Party shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) any such payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

Section 15.13. GOVERNING LAW; JURISDICTION. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH OF THE PARTIES TO THIS INDENTURE AND EACH SECURED PARTY HEREBY AGREES TO THE NON-EXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND ANY APPELLATE COURT HAVING JURISDICTION TO REVIEW THE JUDGMENT THEREOF. EACH OF THE PARTIES AND EACH SECURED PARTY HEREBY WAIVES ANY OBJECTION BASED ON FORUM NON CONVENIENS AND ANY OBJECTION TO VENUE OF ANY ACTION INSTITUTED HEREUNDER IN ANY OF THE AFOREMENTIONED COURTS AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.

Section 15.14. Counterparts. This Indenture may be executed in any number of counterparts, and by different parties on separate counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 15.15. Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel (which may be counsel to the Trustee or any other counsel reasonably acceptable to the Trustee) to the effect that such recording is necessary either for the protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Trustee under this Indenture.

Section 15.16. Issuer Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Seller, the Servicer or the Trustee or (ii) any partner, owner, incorporator, member, manager, beneficiary, beneficial owner, agent, officer, director, employee, shareholder or agent of the Issuer, the Seller, the Servicer or the Trustee, except (x) as any such Person may have expressly agreed and (y) nothing in this Section shall relieve the Seller or the Servicer from its own obligations under the terms of any Servicer Transaction Document. Nothing in this Section 15.16 shall be construed to limit the Trustee from exercising its rights hereunder with respect to the Trust Estate.

Section 15.17. No Bankruptcy Petition Against the Issuer. Each of the Secured Parties and the Trustee by entering into the Indenture, any Series Supplement or any Note Purchase Agreement, and in the case of a Noteholder and Note Owner, by accepting a Note, hereby covenants and agrees that, prior to the date which is one year and one day after the payment in full of the latest maturing Note and the termination of the Indenture, it will not institute against, or join with any other Person in instituting against, the Issuer any bankruptcy, reorganization, arrangement, insolvency or liquidation Proceedings, or other Proceedings, under any United States federal or state bankruptcy or similar Law in connection with any obligations relating to the Notes, the Indenture or any of the Transaction Documents. In the event that any such Secured Party or the Trustee takes action in violation of this Section 15.17, the Issuer shall file

an answer with the bankruptcy court or otherwise properly contesting the filing of such a petition by any such Secured Party or the Trustee against the Issuer or the commencement of such action and raising the defense that such Secured Party or the Trustee has agreed in writing not to take such action and should be estopped and precluded therefrom and such other defenses, if any, as its counsel advises that it may assert. The provisions of this [Section 15.17](#) shall survive the termination of this Indenture, and the resignation or removal of the Trustee. Nothing contained herein shall preclude participation by any Secured Party or the Trustee in the assertion or defense of its claims in any such Proceeding involving the Issuer.

Section 15.18. [No Joint Venture](#). Nothing herein contained shall be deemed or construed to create a co-partnership or joint venture between the parties hereto and the services of the Servicer shall be rendered as an independent contractor and not as agent for the Trustee or the Issuer.

Section 15.19. [Rule 144A Information](#). For so long as any of the Notes of any Series or any Class are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer agrees to reasonably cooperate to provide to any Noteholders of such Series or Class and to any prospective purchaser of Notes designated by such Noteholder upon the request of such Noteholder or prospective purchaser, any information required to be provided to such holder or prospective purchaser to satisfy the condition set forth in Rule 144A(d)(4) under the Securities Act if at the time of the request the Issuer is not a reporting company under Section 13 or Section 15(d) of the Exchange Act and the Servicer agrees to reasonably cooperate with the Issuer and the Trustee in connection with the foregoing.

Section 15.20. [No Waiver; Cumulative Remedies](#). No failure to exercise and no delay in exercising, on the part of the Trustee, any Secured Party, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exhaustive of any rights, remedies, powers and privileges provided by Law.

Section 15.21. [Third-Party Beneficiaries](#). This Indenture will inure to the benefit of and be binding upon the parties hereto, the Secured Parties, and their respective successors and permitted assigns. Except as otherwise provided in this [Article 15](#), no other Person will have any right or obligation hereunder.

Section 15.22. [Merger and Integration](#). Except as specifically stated otherwise herein, this Indenture sets forth the entire understanding of the parties relating to the subject matter hereof, and all prior understandings, written or oral, are superseded by this Indenture.

Section 15.23. [Rules by the Trustee](#). The Trustee may make reasonable rules for action by or at a meeting of any Secured Parties.

Section 15.24. [Duplicate Originals](#). The parties may sign any number of copies of this Indenture. One signed copy is enough to prove this Indenture.

---

Section 15.25. Waiver of Trial by Jury. To the extent permitted by applicable Law, each of the Secured Parties irrevocably waives all right of trial by jury in any action or Proceeding arising out of or in connection with this Indenture or the Transaction Documents or any matter arising hereunder or thereunder.

Section 15.26. No Impairment. Except for actions expressly authorized by this Indenture, the Trustee shall take no action reasonably likely to impair the interests of the Issuer in any asset of the Trust Estate now existing or hereafter created or to impair the value of any asset of the Trust Estate now existing or hereafter created.

Section 15.27. Intercreditor Agreement. The Trustee shall, and is hereby authorized and directed to, execute and deliver the Intercreditor Agreement, and perform the duties and obligations, and appoint the Collateral Trustee, as described in the Intercreditor Agreement. Upon receipt of (a) an Issuer Order, (b) an Officer's Certificate of the Issuer stating that such amendment or replacement intercreditor agreement, as the case may be, (i) does not materially and adversely affect any Noteholder and (ii) will not cause a Material Adverse Effect and (c) an Opinion of Counsel stating that all conditions precedent to the execution of such amendment or replacement intercreditor agreement, as the case may be, provided for in this Section 15.27 have been satisfied, the Trustee shall, and shall thereby be authorized and directed to, execute and deliver, and direct the Collateral Trustee to execute and deliver, (x) one or more amendments to the Intercreditor Agreement and/or (y) one or more replacement intercreditor agreements and such documentation as is required to terminate the Intercreditor Agreement then in effect, in each case to accommodate additional financings entered into by Affiliates of the Issuer.

Oportun hereby agrees to indemnify and hold harmless any successor Servicer, the EFCH Purchaser, the ECO Purchaser, the ECL Purchaser, the EPOB Purchaser, the EFCH-GS Purchaser, the ECO-GS Purchaser, the EPOB-GS Purchaser, the EF Holdco Purchaser, the OF V Trustee, the OF II Trustee, the OF III Trustee, the OF IV Trustee, the OF VI Trustee, the OF VII Trustee, the Collateral Trustee, OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, OF VII SPV and each director, officer, employee, agent, trustee and affiliate thereof (collectively, the "Indemnified Parties") from and against any and all losses, liabilities (including liabilities for penalties), claims, demands, actions, suits, judgments, costs and expenses (including legal fees and expenses) (collectively, the "Indemnified Amounts") arising out of or resulting from the execution, performance and enforcement of this Agreement, except for Indemnified Amounts arising out of or resulting from the gross negligence or willful misconduct of the applicable Indemnified Party. The obligations of Oportun under this Section 19 shall survive the termination of this Agreement and/or the earlier termination or resignation of an Indemnified Party.

Nothing contained in this Agreement shall preclude the OF V Trustee, the OF II Trustee, the OF III Trustee, the OF IV Trustee, the OF VI Trustee or the VII Trustee from discontinuing its extension of credit to OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, OF VII SPV or any affiliate thereof. Nothing in this Agreement shall preclude the EFCH Purchaser, the ECO Purchaser, the ECL Purchaser, the EPOB Purchaser, the EFCH-GS Purchaser, the ECO-GS Purchaser, the EPOB-GS Purchaser or the EF Holdco Purchaser from discontinuing its purchases of assets from Oportun or any affiliate thereof. Nothing contained in this Agreement shall preclude the EFCH Purchaser, the ECO Purchaser, the ECL Purchaser, the EPOB Purchaser, the EFCH-GS Purchaser, the ECO-GS Purchaser, the EPOB-GS Purchaser, the EF Holdco Purchaser, the OF V Trustee, the OF II Trustee, the OF III Trustee, the OF IV Trustee, the OF VI Trustee or the OF VII Trustee from taking (without notice to any parties hereunder) any other action in respect of Oportun, the Initial Servicer, OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, OF VII SPV or any affiliate thereof that such person is entitled to take under the ECL Documents, the EF Holdco Documents, the OF V Documents, the OF II Documents, the OF III Documents, the OF IV Documents, the OF VI Documents or the VII Documents so long as such action does not conflict with the express terms of this Agreement; *provided*, however, that none of the EFCH Purchaser, the ECO Purchaser, the ECL Purchaser, the EPOB Purchaser, the EFCH-GS Purchaser, the ECO-GS Purchaser, the EPOB-GS Purchaser and the EF Holdco Purchaser shall institute against, or join any other person or entity in instituting against, OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, or OF VII SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any federal or state bankruptcy or similar law. Among the actions which the EFCH Purchaser, the ECO Purchaser, the ECL Purchaser, the EPOB Purchaser, the EFCH-GS Purchaser, the ECO-GS Purchaser, the EPOB-GS Purchaser, the EF Holdco Purchaser, the OF V Trustee, the OF II Trustee, the OF III Trustee, the OF IV Trustee, the OF VI Trustee or the OF VII Trustee, as applicable, may take are: (a) renewing, extending, and increasing the amount of the debt owing under its applicable OF V Documents, OF II Documents, OF III Documents, OF IV Documents, OF VI Documents or OF VII Documents, or increasing or decreasing its purchases of assets from Oportun; (b) otherwise changing the terms of the applicable ECL Documents, EF Holdco Documents, OF V Documents, OF II Documents, OF III Documents, OF IV Documents, OF VI Documents or OF VII Documents; (c) settling, releasing, compromising, and collecting on the related collateral or purchased assets, making (and refraining from making) other secured and unsecured loans and advances to, or purchases from, Oportun, the Initial Servicer, OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, OF VII SPV or any affiliate thereof; and (d) all other actions that such person deems advisable under the ECL Documents, the EF Holdco Documents, the OF V Documents, the OF II Documents, the OF III Documents, the OF IV Documents, the OF VI Documents or the OF VII Documents. Nothing contained herein shall limit the obligations of Oportun, OF V SPV, OF II SPV, OF III SPV, OF IV SPV, OF VI SPV, OF VII SPV or the Initial Servicer under the applicable ECL Documents, EF Holdco Documents, OF V Documents, OF II Documents, OF III Documents, OF IV Documents, OF VI Documents or OF VII Documents.

Section 21. Back-Up Servicer.

SST, as Back-Up Servicer under the OF V Documents, the OF II Documents, the OF III Documents, the OF IV Documents, the OF VI Documents and the OF VII Documents, as applicable, hereby agrees that if it becomes the successor servicer under the Servicing Documents, it shall be bound by the terms hereof as a “Servicer” (and not, for the avoidance of doubt, as “Initial Servicer”) and shall thereafter be the successor Servicer hereunder so long as it is acting as servicer under the Servicing Documents; *provided, however*, that the parties hereto hereby acknowledge and agree that in the event that the Back-Up Servicer serves as the successor Servicer hereunder, the Back-Up Servicer will not be acting as agent or fiduciary for or on behalf of the parties hereto or any noteholder or certificateholder under the OF V Documents, the OF II Documents, the OF III Documents, the OF IV Documents, the OF VI Documents or the OF VII Documents, as the case may be. In the event that SST is acting as successor Servicer hereunder, it shall be entitled to all of the rights, protections, immunities and indemnities afforded to it under the OF V Documents, the OF II Documents, the OF III Documents, the OF IV Documents, the OF VI Documents and the OF VII Documents, as applicable, as if the same were specifically set forth herein.

<u>Date of Reputed Demand</u>	<u>Party Making Reputed Demand</u>	<u>Date of Withdrawal of Reputed Demand</u>
-------------------------------	------------------------------------	---

<sup>1</sup> The Trustee should forward any applicable information or documentation relating to any reputed demands to the Seller.

PERFECTION REPRESENTATIONS, WARRANTIES  
AND COVENANTS

In addition to the representations, warranties and covenants contained in the Indenture, the Issuer hereby represents, warrants, and covenants to the Trustee as follows on the Closing Date:

General

1. The Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Trust Estate in favor of the Trustee, which security interest is prior to all other Liens, and is enforceable as such as against creditors of and purchasers from the Issuer.
2. The Contracts evidencing the Receivables constitute "general intangibles", "accounts", "instruments", "electronic chattel paper" or "tangible chattel paper" within the meaning of the UCC as in effect in the State of New York.
3. Each of the Trust Accounts and all subaccounts thereof constitute either a deposit account or a securities account.

Creation

4. The Issuer owns and has good and marketable title to the Receivables free and clear of any Lien, claim or encumbrance of any Person, excepting only Liens for taxes, assessments or similar governmental charges or levies incurred in the ordinary course of business that are not yet due and payable or as to which any applicable grace period shall not have expired, or that are being contested in good faith by proper Proceedings and for which adequate reserves have been established, but only so long as foreclosure with respect to such a lien is not imminent and the use and value of the property to which the Lien attaches is not impaired during the pendency of such proceeding.
5. The Seller has received all consents and approvals, if any, to the sale of the Receivables under the Purchase Agreement to the Issuer required by the terms of the Receivables that constitute instruments or payment intangibles.

Perfection:

6. The Issuer has caused or will have caused, within ten (10) days after the effective date of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable Law in order to perfect the sale of the Contracts and Related Rights from the Seller to the Issuer, and the security interest in the Trust Estate granted to the Trustee hereunder; and the Servicer or the Custodian has in its possession the original copies of such instruments, certificated securities or tangible chattel paper that constitute or evidence the Receivables, and all financing statements referred to in this paragraph contain or will contain when filed a statement that: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party."

---

7. With respect to Receivables that constitute an instrument, either:

- (i) All original executed copies of each such instrument have been delivered to the Servicer or the Custodian;
- (ii) Such instruments or tangible chattel paper are in the possession of the Servicer or the Custodian and the Trustee has received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is holding such instruments or tangible chattel paper solely on behalf and for the benefit of the Trustee; or
- (iii) The Servicer or the Custodian received possession of such instruments after the Trustee received a written acknowledgment from the Servicer or the Custodian that the Servicer or the Custodian is acting solely as agent of the Trustee.

8. With respect to Receivables that constitute electronic chattel paper, either:

(i) The Issuer has caused, or will have caused within ten days of the effective date of the Indenture, the filing of financing statement against the Issuer in favor of the Trustee in connection herewith describing such Receivables and containing a statement that: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the secured party"; or

(ii) All of the following are true:

(A) Only one authoritative copy of each such loan agreement exists; and each such authoritative copy (A) is unique, identifiable and unalterable (other than with the participation of the Trustee in the case of an addition or amendment of an identified assignee and other than a revision that is readily identifiable as an authorized or unauthorized revision), (B) has been marked with a legend to the following effect: "Authoritative Copy" and (C) has been communicated to and is maintained by the Servicer or a custodian who has acknowledged in writing that it is maintaining the authoritative copy of each electronic chattel paper solely on behalf of and for the benefit of the Trustee, or is acting solely as its agent; and

(B) Issuer has marked the authoritative copy of each loan agreement that constitutes or evidences the Receivables with a legend to the following effect: "Opportun Funding VII, LLC has pledged all its rights and interest herein to Wilmington Trust, National Association, as Trustee." Such loan agreements or leases do not have any other marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee or the Purchaser; and

(C) Issuer has marked all copies of each loan agreement that constitute or evidence the Receivables other than the authoritative copy with a legend to the following effect: "This is not an authoritative copy"; and

(D) The records evidencing the Receivables have been established in a manner such that (a) all copies or revisions that add or change an identified assignee of the authoritative copy of each such electronic chattel paper must be made with the participation of the Trustee and (b) all revisions of the authoritative copy of each such electronic chattel paper must be readily identifiable as an authorized or unauthorized revision.

9. With respect to each of the Trust Accounts and all subaccounts that constitute deposit accounts, either:

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the bank maintaining the deposit accounts has agreed to comply with all instructions originated by the Trustee directing disposition of the funds in the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the Trustee to become the account holder of the Trust Accounts.

10. With respect to each of the Trust Accounts or subaccounts thereof that constitute securities accounts or securities entitlements, either:

- (i) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the securities intermediary has agreed to comply with all instructions originated by the Trustee relating to the Trust Accounts without further consent by the Issuer; or
- (ii) The Issuer has taken all steps necessary to cause the securities intermediary to identify in its records the Trustee as the person having a security entitlement against the securities intermediary in each of the Trust Accounts.

Priority

11. Other than the transfer of the Receivables to the Issuer under the Purchase Agreement and the security interest granted to the Trustee pursuant to this Indenture, none of the Issuer or the Seller have pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables or the Trust Accounts. Neither the Issuer nor the Seller has authorized the filing of, or is aware of any financing statements against the Issuer or the Seller that include a description of collateral covering the Receivables or the Trust Accounts or any subaccount thereof other than those that have been released or any financing statement relating to the security interest granted to the Trustee hereunder or that has been terminated.

12. The Issuer is not aware of any judgment, ERISA or tax lien filings against the Issuer.

13. Neither Issuer nor a custodian holding any collateral that is electronic chattel paper has communicated an authoritative copy of any loan agreement that constitutes or evidences the Receivables to any Person other than the Trustee or the Servicer.

14. None of the instruments, certificated securities, tangible chattel paper or electronic chattel paper that constitute or evidence the Receivables has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Issuer or Trustee.

---

15. None of the Trust Accounts nor any subaccount thereof are in the name of any Person other than the Trustee. The Issuer has not consented to the bank maintaining the Trust Accounts that constitute deposit accounts to comply with instructions of any person other than the Trustee. The Issuer has not consented to the securities intermediary of any Trust Account that constitutes a securities account to comply with entitlement orders of any Person other than the Trustee.

16. Survival of Perfection Representations. Notwithstanding any other provision of the Indenture or any other Transaction Document, the Perfection Representations contained in this Schedule shall be continuing, and remain in full force and effect (notwithstanding any replacement of the Servicer or termination of Servicer's rights to act as such) until such time as the Secured Obligations under the Indenture have been finally and fully paid and performed.

17. Issuer to Maintain Perfection and Priority. The Issuer covenants that, in order to evidence the interests of the Trustee under this Indenture, the Issuer shall take such action, or execute and deliver such instruments (other than effecting a Filing (as defined below), unless such Filing is effected in accordance with this paragraph) as may be necessary or advisable (including, without limitation, such actions as are requested by the Trustee) to maintain and perfect, as a first priority interest, the Trustee's security interest in the Trust Estate. The Issuer shall, from time to time and within the time limits established by Law, prepare and present to the Trustee for the Trustee to authorize the Issuer to file, all financing statements, amendments, continuations, initial financing statements in lieu of a continuation statement, terminations, partial terminations, releases or partial releases, or any other filings necessary or advisable to continue, maintain and perfect the Trustee's security interest in the Trust Estate as a first-priority interest (each a "Filing").
